PROXY STATEMENT

This Proxy Statement and the enclosed Proxy Card (proxy) are furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Waterside Capital Corporation (the Company) to be voted at the Annual Meeting of Shareholders (the Annual Meeting) to be held at 150 West Main Street, Suite 2100, Norfolk, Virginia 23510 at 11:00 a.m. Eastern Time on November 20, 2007, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

Only shareholders of record at the close of business on October 16, 2007 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. This Proxy Statement and proxy are being mailed to registered holders of the Common Stock of the Company on or about October 25, 2007.

Revocability of Proxy

Any shareholder who gives a proxy may still vote in person, if he or she so desires, and may revoke the proxy at any time prior to the voting of such proxy by contacting the Secretary of the Company, Julie H. Stroh, in writing, or by filing a duly executed proxy bearing a later date. If your proxy is properly signed, received by the Company and not revoked by you, the shares to which it relates will be voted at the Annual Meeting in accordance with your instructions, if any.

Person Making the Solicitation

The Company is making this solicitation. The cost of soliciting proxies will be borne by the Company. The Company has retained Registrar and Transfer Company to assist in the solicitation of proxies from brokers and nominees and in the counting of proxies. The Company will pay Registrar and Transfer Company approximately \$500 plus out-of-pocket expenses for this assistance. In addition to solicitation by mail, the Company will request banks, brokers, and other custodians, nominees and fiduciaries to send proxy material to the beneficial owners and to secure their voting instructions, if necessary. The Company, upon request, will reimburse them for their expenses in so doing. Officers and other employees of the Company may solicit proxies personally, by telephone, by facsimile or other means of electronic transmission from some shareholders if proxies are not received promptly, for which no additional compensation will be paid.

Voting Shares And Vote Required

On the Record Date, the Company had 1,915,548 shares of common stock outstanding, each share having one vote on each matter presented at the Annual Meeting. Only holders of the Company's Common Stock of record at the close of business on October 16, 2007, will be entitled to vote. A majority of the shares entitled to vote, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Directors are elected by a plurality of votes cast by shareholders at the Annual Meeting. A majority of votes cast is required to ratify the appointment of our independent auditor. Abstentions, broker non-votes, and withheld votes will be counted for purposes of determining whether a quorum exists for the transaction of business at the Annual Meeting, but such votes will not be considered votes cast for any proposal at the Annual Meeting and therefore will have no effect on the election of Directors or ratification of the appointment of the Company's independent auditor.

All shareholder meeting proxies, ballots, and tabulations that identify individual shareholders are kept confidential, and will not be available for examination, nor will the identity or the vote of any shareholder be disclosed except as may be necessary to meet legal requirements. Votes will be counted and certified by Registrar and Transfer Company.

Unless specified otherwise, your proxy will be voted as follows:

1. **FOR** the election of the 7 nominees to serve as Directors of the Company for a one-year term and until their respective successors are duly elected and qualified; and
2. **FOR** the ratification of the appointment of PKF Witt Mares, PLC as the Company's independent auditor for the fiscal year ending June 30, 2008.

The Company is not aware of any matters that are to come before the Annual Meeting other than those described in this Proxy Statement. However, if other matters do properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their best judgment.

PROPOSAL 1. ELECTION OF DIRECTORS

The Company's Board of Directors is currently comprised of 7 members. Directors serve for a term of one year and hold office until their successors are duly elected and qualified. The Board of Directors recommends that the 7 nominees listed below be elected to the Board of Directors. Proxies received will be voted for the election of these 7 nominees unless marked to the contrary. A shareholder who desires to withhold voting of the proxy for the nominees may so indicate on the proxy. Each of the nominees has consented to be named as a nominee and has indicated his intent to serve if elected. If any nominee becomes unable to serve, the proxies will be voted for a substitute nominee to be designated by the Board of Directors, or the number of directors will be reduced.

Six Directors resigned in fiscal year 2007. The Company accepted the resignations of Henry U. Harris, III and T. Richard Litton, Jr. on December 19, 2006. The Company accepted the resignation of Marvin S. Friedberg on May 1, 2007. The Company accepted the resignations of O. L. Everett, Roger L. Frost and J. Alan Lindauer on June 30, 2007. In addition to these resignations, Augustus C. Miller has informed the Company that he will not stand for re-election to the Board of Directors upon the conclusion of his current term at the Annual Meeting. Neither the resignations nor the decision not to stand for re-election was due to any disagreement with the Company.

There are no family relationships among any of the nominees, or among any of the nominees and any officer; however, Kenneth R. Lindauer, who was appointed to the Board of Directors effective July 1, 2007, is the son of J. Alan Lindauer. J. Alan Lindauer served as the Company's Chief Executive Officer until March 31, 2007 and a Director of the Company until June 30, 2007. There is no understanding between any nominee and any other person pursuant to which the nominee was selected. Franklin P. Earley and Kenneth R. Lindauer are the only nominees who are interested persons within the meaning of § 2(a)(19) of the Investment Company Act of 1940, as amended (Investment Company Act). Meetings and Committees of the Board of Directors

Meetings/Annual Meeting Attendance

The business of the Company is managed under the direction of the Board of Directors. The Executive Committee of the Board of Directors has been delegated the power, with certain exceptions, to act in place of the full Board during all periods between regular meetings of the Board. The Board of Directors held twelve (12) meetings during fiscal year 2007. All members of the Board of Directors except Mr. Earley and Kenneth R. Lindauer, are independent directors. In addition, J. Alan Lindauer was not an independent director during his term as a director. Each member of the Board of Directors attended at least 75% of the Board Meetings at which he was a Director during fiscal year 2007, other than Messrs. Chisman, Everett, Friedberg, Frost and Miller. The Board of Directors does not have a policy regarding attendance at annual shareholders meetings; however Directors are encouraged to attend such meetings. During the Company's last annual meeting of shareholders held on October 16, 2007, nine Board members were in attendance.

Committees

The Board of Directors has established an Executive Committee, an Audit Committee, and a Compensation Committee. The Company's Articles of Incorporation provide for the appointment by the Board of Directors of an Executive Committee comprised of not less than five nor more than nine members, all of whom must be members of the Board of Directors. The Executive Committee was constituted by the Board of Directors in December 1993 and, under Virginia law, may exercise all the authority of the Board of Directors except that it may not (i) approve or recommend to shareholders action that Virginia law requires to be approved by shareholders, (ii) fill vacancies on the Board of Directors or any committee, (iii) amend the Articles of Incorporation, (iv) adopt, amend, or repeal the Bylaws, (v) approve a plan of merger, (vi) authorize or approve a distribution, except according to a general formula or method prescribed by the Board of Directors, or (vii) authorize or approve the issuance or sale or contract for sale of shares, or determine the designation of the relative rights, preferences and limitations of a class or series of shares within limits specifically prescribed by the Board of Directors. The Executive Committee meets on call to review significant developments affecting the Company and to act on matters requiring approval. It also holds special meetings when an important matter requires action between scheduled meetings.

The Executive Committee held one meeting during fiscal year 2007. The members of the Executive Committee are Messrs. Chisman, Earley and Meredith. Prior to their resignations from the Board of Directors, J. Alan Lindauer and T. Richard Litton, Jr. were members of the Executive Committee.

The Audit Committee held two meetings during fiscal year 2007. Its members were Messrs. Andrews, Chisman, Fox and Meredith. See Audit Committee Report below.

The Compensation Committee makes recommendations to the Board of Directors as to, among other things, the compensation of the Chief Executive Officer, each officer who is also a director of the Company and designated other members of senior management, as well as new compensation and stock plans. The Compensation Committee held two meetings during fiscal year 2007. The members of the Compensation Committee are Messrs. Chisman and Meredith. See Compensation Committee Report below.

Director Nominations

The Board of Directors of the Company does not maintain a nominating committee; rather the entire Board is responsible for selecting nominees for election as Directors. The Company believes that the Board is able to fully consider and select qualified nominees for election to the Board without delegating that responsibility to a committee of independent Directors or adopting formal procedures. A majority of the independent Directors then serving on the Board must approve any nominee to be recommended by the Board to the Company's shareholders.

The Board does not currently have a committee charter or written policy with regard to the nomination process. Candidates have traditionally been recommended to the Board by its members, and there is not a formal process for identifying or evaluating new director nominees. Any recommendations for potential Director nominees received from shareholders will be evaluated in the same manner that potential nominees recommended by Board members, management or other parties are evaluated. Nominations should be addressed to: Julie H. Stroh, Secretary, Waterside Capital Corporation, 500 East Main Street, Suite 800, Norfolk, Virginia 23510.

Qualifications for consideration as a Director nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition. However, in making its nominations, the Board of Directors considers, among other things, an individual's business experience, community involvement, industry experience, financial background, breadth of knowledge about issues affecting the Company, time available for meetings and consultation regarding Company matters, and other particular skills and experience possessed by the individual.

Audit Committee Report

The Audit Committee of the Board of Directors is composed of four directors, each of whom is an independent director as that term is defined under Nasdaq Stock Market listing standards. To be an independent director under this definition, a director may not be an officer or an employee of the Company or have any other relationship with the Company that interferes with the exercise of independent judgment. Because we are an investment company registered under the Investment Company Act, any director who is an interested person of the Company within the meaning of § 2(a)(19) of the Investment Company Act will not be deemed independent under Nasdaq rules. The Company has designated Messrs. Andrews, Chisman, Fox and Meredith as its audit committee financial experts.

As discussed above, the Audit Committee held two meetings during fiscal year 2007. Responsibilities of the Audit Committee are set forth in its written Charter, which is reviewed and amended periodically by the Company's Board of Directors, as appropriate and which is available on the Company's website at <http://www.watersidecapital.com/auditcharter.html>. Among other things, the Audit Committee:

serves as an independent and objective monitor of the Company's financial reporting process and internal control systems;

appraises the efforts and effectiveness of the Company's independent auditors, including their independence and professionalism;

provides an efficient means for communication among the Board of Directors, the independent auditors, and the Company's financial and senior management;

monitors and reviews issues involving potential conflicts of interests and reviews and approves all related party transactions.

recommends to the Board of Directors the engagement of, and the fees to be paid to, the Company's independent auditor; and

supervises the Company's compliance with applicable legal and regulatory requirements.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility of the financial statements and the reporting process, including the system of internal controls. In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61 (*Communication with Audit Committees*). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosures required by the Independence Standards Board Standards No. 1 (*Independence Discussions With Audit Committees*). The Audit Committee discussed with the Company's independent auditor the overall scope and specific plans for their respective audits.

The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The meetings also are designed to facilitate any private communications with the Audit Committee desired by the independent auditors. In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements of the Company be included in the Annual Report to Shareholders for the fiscal year ended June 30, 2007. The Audit Committee and the Board have also appointed, subject to shareholder ratification, the selection of the Company's independent auditor, PKF Witt Mares, PLC.

- (1) This Summary Compensation does not attempt to restate compensation figures from fiscal year 2006. Columns for stock and options awards have not been provided, as the Company does not issue securities to its employees for services. While the Company has not granted any bonus or non-equity incentive plan compensation in either of the last two years, those columns are reproduced because the Company may pay such amounts in future periods.
- (2) J. Alan Lindauer served as CEO & President of the Company through March 31, 2007. Mr. Lindauer ceased to draw a salary on December 31, 2006. Mr. Lindauer's All Other Compensation column for 2006 has been revised to remove payments of \$157,351 received by Mr. Lindauer in 2006 for his service on the Board of Directors of Billing Services Group, Ltd. (BSG). The Company has determined that Mr. Lindauer was appointed to the Board of BSG for reasons unrelated to his service to the Company.
- (3) Mr. Earley served as the Business Development officer of the Company until April 1, 2007, when he was appointed as the Company's Chief Executive Officer.
- (4) Mr. Speroni served as the Director of Research of the Company until April 1, 2007, when he was appointed as the Company's President.
- (5) Mr. McDonald served as CFO, Treasurer and Secretary of the Company during the entire fiscal year ended June 30, 2007 and was replaced by Julie H. Stroh as of August 28, 2007. As Ms. Stroh did not assume office until after the end of fiscal year 2007, her compensation is not reflected in this table.

Discussion of Salary

The Company had a number of changes in its Named Executive Officers in fiscal year 2007. These changes in personnel over the course of the year resulted in changes in executive compensation that were not anticipated at the beginning of the year.

First, J. Alan Lindauer began fiscal year 2007 as the Company's President and CEO. His planned salary for the year was \$183,612, an increase of 4.6% from fiscal year 2006. Mr. Lindauer voluntarily decided not to accept any further salary payments after December 31, 2006. From the beginning of the fiscal year through December 31, 2006, Mr. Lindauer received salary payments of \$91,806. Mr. Lindauer retired from his positions as President and CEO effective as of April 1, 2007 and served through March 31, 2007.

Second, Franklin P. Earley began fiscal year 2007 as the Company's Business Development Officer. His planned salary for the year in this position was \$90,000. Mr. Earley served as the Company's Business Development Officer from August 1, 2006 through March 31, 2007 and received salary payments of \$60,000. Effective April 1, 2007, Mr. Earley was appointed as the Company's CEO. In this role, his annual salary was \$150,000. Description of All Other Compensation

The category All Other Compensation includes the following items:

401(k) match

dental insurance premiums

health insurance premiums

basic life insurance premiums

long term disability insurance premiums

Other than as disclosed above with regard to J. Alan Lindauer, no Named Executive Officer received director fees by virtue of their service on any boards of directors of entities in which the Company invests.

The Company does not have a stock option plan.

401(k) Plan

In July of 1998, the Company adopted a profit sharing and thrift plan qualified under Section 401(k) of the Internal Revenue Code (the "401(k) Plan"). All employees of the Company may elect to participate and contribute a portion of their annual salary in the 401(k) Plan, up to the statutory cap on contributions. The Company may make matching contributions and the amount of such contributions, if any, will be determined by the Company each year. The Company made 100% matching contributions of the first 6% of each participating employee's contributions to the 401(k) Plan during the fiscal year ended June 30, 2007.

Directors' Compensation

For the first two Board meetings in fiscal year 2007, directors and members of the committees of the Board of Directors received \$125 for each meeting they attended. Beginning with the September 2006 meeting of the Board of Directors, the fee was

\$100 per meeting attended. Directors who are also employees of the Company received no compensation from the Company in their capacity as directors. The Company reimburses all of its Directors for travel and out of pocket expenses in connection with their attendance at meetings of the Board of Directors and committees of the Board. The following table contains information concerning the compensation paid to the Company's Directors for attendance of Board and committee meetings during the fiscal year ended June 30, 2007:

⁽¹⁾ This chart does not disclose any Stock Awards, Option Awards, Non-Equity Incentive Plan Compensation, or Change in Pension Value and Nonqualified Deferred Compensation Earnings because the Company does not pay or provide any such compensation to its Directors for service as Directors. The sole payments made to Directors are cash payments of \$125 or \$100 (as described above) for meeting attendance.

⁽²⁾ J. Alan Lindauer received director fees only after his resignation employment with the Company for the three (3) meetings he attended as a non-employed officer of the Company.

⁽³⁾ Kenneth R. Lindauer is included because he will be an interested person director for fiscal year 2008; however, he did not become a director of the Company until July 1, 2007 and thus received no compensation for any Board meetings.

Compensation Committee Report Concerning Compensation of Certain Executive Officers

This report describes the Company's executive officer compensation strategy, the components of the compensation program, and the manner in which the 2007 compensation determinations were made for each of the Company's Chief Executive Officers, J. Alan Lindauer and Franklin P. Earley, and the Company's other executive officers (collectively, the Executive Officers).

In addition to the information set forth above under Executive Compensation, the Compensation Committee is required to provide shareholders a report explaining the rationale and considerations that led to the fundamental executive compensation decisions affecting the Company's Executive Officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Company's Board of Directors, has prepared the following report for inclusion in this Proxy Statement. None of the members of the Compensation Committee is an executive officer or employee of the Company.

Compensation Philosophy

The compensation of the Company's Executive Officers is designed to attract, retain, motivate and reward qualified, dedicated executives, and to directly link compensation with (i) the Executive Officer's previous and anticipated performance, (ii) the contributions and responsibilities of the Executive Officer to the Company and (iii) the Company's profitability. None of these three factors is given more relative consideration than any other. The principal components of an Executive Officer's compensation package during fiscal year 2007 were (i) a base salary at a stated annual rate, together with certain other benefits as may be provided from time to time and (ii) discretionary cash bonuses. See "Bonus Program" below. Prior to May 1, 2007, the Company also awarded stock options; however, the Company terminated its employee stock option plan and cancelled all outstanding options granted thereunder effective immediately on May 1, 2007.

Bonus Program

The Company has historically awarded annual cash bonuses to Executive Officers based upon individual performance and financial performance of the Company. No bonuses or other non-equity incentive plan compensation was paid during fiscal year 2007.

Limitation on Deductibility of Certain Compensation for Federal Income Tax Purposes

Section 162(m) of the Internal Revenue Code ("162(m)") precludes the Company from taking a deduction for compensation in excess of \$1 million for the Chief Executive Officer or certain of its other highest paid officers. Certain performance based compensation, however, is specifically exempt from the deduction limit. The Compensation Committee has concluded that 162(m) will not impact the Company during fiscal year 2007 because compensation in excess of \$1 million will not be paid to any employee of the Company.

THE PRECEDING COMPENSATION COMMITTEE REPORT CONCERNING COMPENSATION OF CERTAIN EXECUTIVE OFFICERS AND THE AUDIT COMMITTEE REPORT APPEARING ELSEWHERE IN THIS PROXY STATEMENT SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SEC UNDER THE SECURITIES ACT OF 1933, AS AMENDED, THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, THE INVESTMENT COMPANY ACT OF 1940, AS AMENDED, OR INCORPORATED BY REFERENCE IN ANY DOCUMENTS SO FILED.

Section 16 Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, together with rules promulgated by the SEC pursuant to the Investment Company Act, requires directors, officers and persons who beneficially own more than 10% of a registered class of stock of the Company to file initial reports of ownership (Forms 3) and reports of changes in beneficial ownership (Forms 4 and 5) with the SEC. Such persons are also required under the rules and regulations promulgated by the SEC to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the Company or representations that no other reports were required, we believe that Mr. McDonald failed to timely file one transaction on Form 4, which will be promptly corrected. The Company is not aware of any other untimely filings.

The Company's Audit Committee pre-approves all audit, audit-related and non-audit services provided by our independent auditor, PKF Witt Mares, PLC. Generally, services are pre-approved by the Audit Committee through its annual review of the engagement letter. Subsequently, as the need for additional services arise, detailed information regarding the specific audit, audit-related, tax and permissible non-audit services are submitted to the Audit Committee for its review and approval prior to the provision of such services. In the event that the Audit Committee cannot meet prior to the provision of such services, the Committee has delegated to its Chair the authority to pre-approve such services.
