**Item 1.01. Entry into a Material Definitive Agreement.**

On December 21, 2007, Alcoa Inc. ( Alcoa ) entered into a definitive agreement (the Acquisition Agreement ) with Rank Group Limited, a New Zealand-based privately held company (the Purchaser ), to sell Alcoa s Packaging and Consumer businesses for \$2.7 billion in cash. The sale will be effected through the transfer by Alcoa and certain of its U.S. and non-U.S. subsidiaries of the assets or stock, as applicable, of the Packaging and Consumer businesses, on the terms and subject to the conditions of the Acquisition Agreement. Businesses included in the sale are:

Closure Systems International, a global leader in the manufacture of plastic and aluminum packaging closures and capping equipment for beverage, food and personal care customers;

Consumer Products, a leading manufacturer of Reynolds Wrap® branded and private label foil, wraps and bags;

Flexible Packaging, manufacturers of laminated, printed, and extruded non-rigid packaging materials such as pouch, blister packaging, unitizing films, high quality shrink labels and foil lidding for the pharmaceutical, food & beverage, tobacco and industrial markets; and

Reynolds Food Packaging, makers of stock and custom products for the foodservice, supermarket, food processor and agricultural markets including foil, film, and both plastic and foil food containers.

In total, the Packaging and Consumer businesses have approximately 10,000 employees in 22 countries around the world. Alcoa will continue to operate its flat-rolled can sheet products serving the packaging market.

Before the closing, Alcoa and its applicable subsidiaries will be subject to certain business conduct restrictions with respect to the Packaging and Consumer businesses being sold. In addition, for three years following the closing, Alcoa will be prohibited from engaging in any business that competes in any material respect with the Packaging and Consumer businesses as conducted on the closing date, subject to certain exceptions as described in the Acquisition Agreement. The Acquisition Agreement provides that Alcoa and the Purchaser will indemnify each other for losses arising from certain breaches of the Acquisition Agreement and for certain other liabilities. Also, Alcoa and the Purchaser have agreed to enter into related transaction agreements at the closing, including a transition services agreement with a term through 2009 and a metal supply agreement with a term through 2008 with an option for the Purchaser to renew for an additional twelve months.

The transaction is expected to be completed by the end of the first quarter of 2008, subject to customary regulatory approvals and completion of certain regulatory procedures.

A copy of Alcoa s press release dated December 21, 2007 announcing the transaction is attached hereto as Exhibit 99 and is incorporated herein by reference.
