ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 14, 2008

PROXY STATEMENT

This Proxy Statement (the "Proxy Statement") is being furnished to stockholders of Knight Capital Group, Inc., a Delaware corporation (together with its subsidiaries, except where the context otherwise requires, "Knight" or the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors" or the "Board" and each member thereof a "Director") for use at the Annual Meeting of Stockholders (including any adjournments or postponements thereof), which will be held at our corporate headquarters located at 545 Washington Boulevard, Jersey City, New Jersey 07310 on Wednesday, May 14, 2008 at 1:00 p.m. (the "Annual Meeting"). This Proxy Statement, the accompanying proxy card and the 2007 Annual Report to Stockholders are first being mailed to stockholders on or about April 9, 2008.

At the Annual Meeting, stockholders will be asked to consider and vote on proposals to: (i) elect seven members of the Company's Board of Directors to serve until the Company's next annual meeting and until such Directors' successors are duly elected and qualified; (ii) ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent auditor for 2008; and (iii) transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

All stockholders will need to present photo identification to be admitted into the Annual Meeting. Beneficial owners of stock held by banks, brokers or investment plans (in street name) will also need proof of ownership. A recent brokerage statement or letter from your broker or bank are examples of proof of ownership.

The principal executive offices of the Company are located at 545 Washington Boulevard, Jersey City, New Jersey 07310, and the telephone number is (201) 222-9400.

Solicitation and Voting of Proxies; Revocation

You may vote in any of the four following ways: (1) by attending the 2008 Annual Meeting; (2) by calling the toll-free telephone number listed on the proxy card; (3) by voting on the Internet at the address listed on the proxy card; or (4) by marking, signing, dating and mailing your proxy card in the postage-paid envelope provided.

Shares of Knight Class A Common Stock (the "Common Stock") that are entitled to vote and are represented by a proxy properly signed and received at or before the Annual Meeting, unless subsequently properly revoked, will be voted in accordance with the instructions indicated therein. If a proxy is signed and returned without indicating any voting instructions for any particular matter or matters, shares of Common Stock represented by such proxy will be voted as follows:

FOR the election of each of the seven nominees to the Company's Board of Directors; and

FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditor for 2008.

The Board of Directors is not currently aware of any business to be acted upon at the Annual Meeting other than as described herein. If, however, other matters are properly brought before the Annual Meeting or any adjournments or postponements thereof, the persons appointed as proxies will have the discretion to vote or act thereon in accordance with their best judgment, unless authority to do so is withheld in the proxy.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before the shares represented by such proxy are voted at the Annual Meeting by: (i) attending and voting in person at the Annual Meeting; (ii) giving notice of revocation of the proxy at the Annual Meeting; or (iii) delivering to the Corporate Secretary of Knight (a) a written notice of revocation or (b) a duly executed proxy card relating to the same shares and matters to be considered at the Annual Meeting, bearing a date later than the proxy previously executed. Attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy. All written notices of revocation and other communications with respect to revocation of proxies should be addressed as follows: Knight Capital Group, Inc., 545 Washington Boulevard, Jersey City, New Jersey 07310, Attention: Corporate Secretary, and must be received before the taking of the votes at the Annual Meeting. **If you own shares held in street name and wish to vote at the Annual Meeting, you must have a legal proxy from your broker.**

The Company will bear the entire cost of the solicitation of proxies and the cost of printing and mailing this Proxy Statement. The Company has retained the services of Mellon Investor Services LLC (Mellon) to assist in the solicitation of proxies. Mellon will receive a fee from the Company for services rendered of approximately \$8,500, plus out-of-pocket expenses. In addition to solicitation by mail, the Directors, officers and employees of the Company may solicit proxies from stockholders of the Company by telephone, electronic communication or by personal interview. Such Directors, officers and employees will not be additionally compensated for any such solicitation but may be reimbursed for reasonable out-of-pocket expenses in connection therewith. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of shares held of record by such persons and the Company will reimburse such custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in connection therewith.

You can save the Company additional expense by electing to receive future proxy statements and annual reports electronically. If you would like to request this electronic delivery, please enroll after you complete your voting. If your shares are held in street name, you may enroll at www.icsdelivery.com. If you are a registered stockholder, you may enroll at www.bnymellon.com/shareowner/isd. If you elected to receive this Proxy Statement electronically over the Internet and would now like to receive a paper copy of this Proxy Statement so that you may submit a paper proxy in lieu of an electronic proxy, please notify the Corporate Secretary of the Company of this request in writing at the address set forth at the beginning of this Proxy Statement.

Record Date; Outstanding Shares; Voting at the Annual Meeting

Only holders of Common Stock at the close of business on April 1, 2008 will be entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on April 1, 2008, the Company had outstanding and entitled to vote 93,744,413 shares of Common Stock. Shares of Common Stock represented by proxies which are marked abstain will be counted as shares present for purposes of determining the presence of a quorum on all matters, but will not be counted as votes cast in favor of the matters brought before the stockholders at the Annual Meeting. Proxies relating to street name shares that are voted by brokers will be counted as shares present for purposes of determining the presence of a quorum on all matters, but will not be treated as shares having voted at the Annual Meeting as to any proposal as to which authority to vote is withheld by the broker.

The presence, in person or by proxy, at the Annual Meeting of the holders of at least a majority of the votes entitled to be cast at the Annual Meeting, and at any adjournment or postponement thereof, is necessary to constitute a quorum for the transaction of business. Because the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditor for 2008 requires the approval of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting, abstentions will have the same effect as a negative vote on this proposal. However, broker non-votes will be disregarded and have no effect on the outcome of the vote for this matter. Abstentions from voting on the election of Directors (including broker non-votes) will be disregarded and have no effect on the outcome of the vote.

No Appraisal Rights

Stockholders have no rights under Delaware law, our Amended and Restated Certificate of Incorporation or our Amended and Restated Bylaws to exercise dissenters' rights of appraisal with respect to any of the matters to be voted upon at the Annual Meeting.

Postponement or Adjournment of the Annual Meeting

If the Annual Meeting were to be postponed or adjourned, your proxy would still be valid and may be voted at the postponed or adjourned meeting in the manner described in this Proxy Statement. You would still be able to revoke your proxy until it was voted.

PROPOSAL 1 ELECTION OF DIRECTORS

Directors of the Company will be elected by a plurality vote of the outstanding shares of Common Stock present, in person or represented by proxy, at the Annual Meeting. Under applicable Delaware law, in tabulating the votes, abstentions from voting on the election of Directors (including broker non-votes) will be disregarded and have no effect on the outcome of the vote.

Knight currently has eight members on its Board of Directors. Except for Rodger O. Riney who is retiring and not standing for re-election, all of the current members of the Board of Directors have been approved, recommended and nominated for re-election to the Board of Directors by our Nominating and Corporate Governance Committee and by the Board of Directors. Accordingly, the Board of Directors has resolved to reduce the full size of the Board from eight to seven immediately prior to the election of the new Board at the Annual Meeting. Each of the seven current Directors nominated for election this year was elected by the stockholders at the 2007 Annual Meeting of Stockholders. The Board of Directors has determined that each of its current Directors, including all Directors standing for re-election, except for Mr. Joyce, our Chairman and Chief Executive Officer, is independent within the meaning of the Securities and Exchange Commission ("SEC") and The Nasdaq Stock Market, Inc. ("Nasdaq") director independence standards, as currently in effect.

The Board of Directors has been informed that all persons listed below are willing to serve as Directors, but if any of them should decline or be unable to act as a Director, the individuals named in the proxies will vote for the election of such other person or persons as they, in their discretion, may choose. The Board of Directors has no reason to believe that any such nominees will be unable or unwilling to serve.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE **FOR** THE ELECTION OF EACH OF THE NOMINEES LISTED HEREIN FOR DIRECTOR.

The current members of the Finance and Audit Committee are Messrs. Lockburner, Bolster and Griffith, each of whom is not an officer or employee of the Company. Mr. Lockburner serves as the Chairman of the Finance and Audit Committee. The Board of Directors has determined in its business judgment that each member is in compliance with the independence, experience and financial literacy requirements set forth by Nasdaq, The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC pursuant to The Sarbanes-Oxley Act of 2002, as currently in effect. As of the date of our Annual Meeting, the size of the Finance and Audit Committee will be increased to four (4) members and Ms. Shahon will join the Finance and Audit Committee. Ms. Shahon is in compliance with the independence, experience and financial literacy requirements set forth by Nasdaq, The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC pursuant to The Sarbanes-Oxley Act of 2002, as currently in effect.

The Finance and Audit Committee held thirteen (13) meetings during 2007. The Finance and Audit Committee operates under a written charter, a current copy of which is available through the Knight corporate web site at www.knight.com in the Corporate Governance section. The Finance and Audit Committee of the Board of Directors is established to assist the Company's Board of Directors oversight of: (1) the integrity of the financial statements and its risk and control environment; (2) the relationship with the independent auditor; (3) the Company's internal audit function; (4) compliance with applicable legal and regulatory requirements; and (5) compliance with the Company's Code of Business Conduct and Ethics. The Finance and Audit Committee Report is included herein on page 28.

Compensation Committee

The current members of the Compensation Committee are Messrs. Bolster, Milde and Riney and Ms. Shahon, each of whom is independent within the meaning of Nasdaq's independence standards, as currently in effect. Mr. Bolster serves as Chairman of the Compensation Committee. As Mr. Riney is retiring and not standing for re-election as a member of the Board of Directors, Mr. Lazarowitz will replace Mr. Riney on the Compensation Committee as of the date of our Annual Meeting. Mr. Lazarowitz is independent within the meaning of Nasdaq's independence standards, as currently in effect. The Compensation Committee is governed by a written charter, a current copy of which is available on our corporate website at www.knight.com in the Corporate Governance section. The Compensation Committee has responsibility for approving and evaluating executive officer compensation, incentive compensation and equity-based plans, policies and programs of the Company and its subsidiaries. The Compensation Committee also evaluates the performance of the Company's Chief Executive Officer, and based on such evaluation, reviews and approves his annual salary, cash incentive bonus and long-term equity incentive bonus. During 2007, the Compensation Committee held thirteen (13) meetings. The Compensation Committee report is included herein on page 14.

162(m) Committee

On April 2, 2007, the Board created a 162(m) Committee, effective as of the date of our 2007 Annual Meeting. The 162(m) Committee assumed the responsibilities of the 162(m) Sub-Committee of the Compensation Committee, which was dissolved as of the date of our 2007 Annual Meeting. The current members of the 162(m) Committee are Messrs. Bolster and Lockburner. The 162(m) Committee provides assistance to the Board of Directors and the Compensation Committee by setting performance-based compensation criteria for the Company's Chief Executive Officer and other key executives, certifying the results of such performance at the end of the annual performance period and awarding the resulting performance-based compensation to such key executives. The 162(m) Committee is also responsible for making stock option and restricted stock grants to such key executives. The 162(m) Committee and the 162(m) Sub-Committee each held one (1) meeting in 2007.

Nominating and Corporate Governance Committee

The current members of the Nominating and Corporate Governance Committee (NCGC) are Messrs. Bolster, Griffith, Lazarowitz, Lockburner, Milde and Riney and Ms. Shahon. Mr. Bolster is the Chairman of the Nominating and Corporate Governance Committee. As Mr. Riney is retiring and not standing for re-election as a member of the Board of Directors, he will serve on the NCGC until the date of our Annual Meeting. Each member of our NCGC is independent within the meaning of Nasdaq's independence standards, as currently in effect. The NCGC is governed by a written charter, a current copy of which is available on our corporate website at www.knight.com in the Corporate Governance section. A primary function of the NCGC is to identify and recommend to the Board individuals qualified to serve as Directors of the Company, consistent with the criteria included in the charter of the NCGC and our Corporate Governance Guidelines. The NCGC also considers

nominee recommendations from stockholders of the Company. Other functions of the NCGC include: (i) recommending Directors to serve on committees of the Board; (ii) advising the Board with respect to matters of Board composition and procedures; (iii) developing and recommending to the Board a set of corporate governance principles applicable to the Company and overseeing corporate governance matters generally; and (iv) overseeing the annual evaluation of the Board and the Company's management. The NCGC held one (1) meeting in 2007.

CORPORATE GOVERNANCE

As more fully described above, the Company has a Nominating and Corporate Governance Committee (the NCGC). All of the members of the Board, other than Mr. Joyce, serve on the NCGC, and each is an independent Director under the Nasdaq listing standards, as currently in effect. The NCGC met one (1) time during 2007.

The NCGC is governed by a written charter, a current copy of which is available on our corporate website at www.knight.com in the Corporate Governance section. The Board has also adopted a set of written Corporate Governance Guidelines recommended by the NCGC, which is also available on our corporate website. A copy of the charter, along with the Corporate Governance Guidelines, is also available in print to stockholders upon request, addressed to Communications, Marketing and Investor Relations at Knight Capital Group, Inc., 545 Washington Boulevard, Jersey City, New Jersey 07310.

Nomination Process

The NCGC believes that the minimum qualifications for serving as a Director are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In this regard, the NCGC examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company. Annex A to our Nominating and Corporate Governance Committee Charter lists criteria for nomination to our Board. Also, our Corporate Governance Guidelines list specific qualification rules for all of our Board members and nominees.

The NCGC identifies potential nominees by asking current Directors and executive officers to notify the NCGC if they become aware of persons meeting the criteria described above. The NCGC also, from time to time, engages firms that specialize in identifying director candidates. As described below, the Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the NCGC as a potential candidate, the NCGC may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the NCGC determines that the candidate warrants further consideration, the NCGC contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the NCGC requests information from the candidate, reviews the person's accomplishments and qualifications, and conducts one or more interviews with the candidate. In certain instances, the NCGC members may contact one or more references provided by the candidate or may contact other members of the business community or other persons who may have greater first-hand knowledge of the candidate's accomplishments and qualifications. All information regarding the candidate is then provided to the NCGC members for review and consideration. The NCGC's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

Corporate Governance Guidelines

The NCGC is responsible for overseeing the Corporate Governance Guidelines and reporting and making recommendations to the Board concerning governance matters. Among other matters, the Corporate Governance Guidelines include the following items concerning the Board of Directors: (i) independent Directors will

comprise a majority of the Board; (ii) disqualifying factors preventing a Board candidate or member from serving or continuing to serve on the Board, absent a waiver by a majority of the Board; and (iii) qualifications for non-employee and employee Board members.

Nominations of Directors by Stockholders

The NCGC will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the NCGC will take into consideration the needs of the Board and the qualifications of the candidate. COMPENSATION DISCUSSION AND ANALYSIS

The Company's executive compensation program is designed to recruit, motivate, reward and retain the talent needed to achieve superior corporate performance. The executive compensation program is intended to accomplish the following objectives: (i) provide competitive compensation and benefits; (ii) provide balanced incentives for achieving short- and long-term business goals and objectives; and (iii) align executive compensation with stockholders' interests.

The Compensation Committee of the Board of Directors (the "Compensation Committee") is responsible for approving and evaluating the executive compensation program. The Committee has retained an independent consulting firm, Deloitte Consulting LLP ("Deloitte"), with respect to executive compensation matters related to our Chief Executive Officer. This consultant reports to and acts at the sole direction of the Compensation Committee. Knight management has not engaged this consultant for any other matter.

To determine competitive market compensation for our Named Executive Officers (as defined below) and other executive management, the Compensation Committee considered comparative market data provided by Deloitte along with data provided by compensation consultants retained by the Company (Towers Perrin) and market compensation data (McLagan Partners, Inc.). Using publicly available information contained in proxy statements, the consultants provided a comparative analysis of the compensation of named executive officers at other public financial services companies. In addition, the consultants used their proprietary databases to compare non-public compensation information for individuals having similar roles at leading global competitors. For the public company comparisons, the peer group consisted of: Cowen and Company, LLC; Interactive Brokers Group, Inc.; Investment Technology Group, Inc.; Jefferies Group, Inc.; Nasdaq OMX Group, Inc.; and NYSE Euronext. For the non-public information comparisons, the comparative group consisted of: Bank of America Corporation; The Bear Stearns Companies, Inc.; Citigroup Inc.; Credit Suisse Group; Deutsche Bank Group; The Goldman Sachs Group, Inc.; JPMorgan Chase & Co.; Lehman Brothers Inc.; Merrill Lynch & Co., Inc.; Morgan Stanley; and UBS AG. This data, along with the Chief Executive Officer's input, was used to establish competitive compensation targets for each Named Executive Officer and other executive management. These targets included incentive compensation.

The Compensation Committee determines performance required for the Chief Executive Officer to achieve incentive compensation. Chief Executive Officer incentive compensation is closely linked to the Company's pre-tax operating income. The Chief Executive Officer establishes the performance required for the other Named Executive Officers and executive management to achieve incentive compensation. However, prior to payment, the Chief Executive Officer reviews with the Compensation Committee the performance required and explains the rationale for the other Named Executive Officers' and executive management's proposed incentive compensation. The Compensation Committee approves such incentive amounts.

Compensation Components

The Company's executive officer compensation program generally consists of three key elements: salary, annual awards under the Company's Executive Incentive Plan ("EIP") and other long-term equity-based awards.

Consistent with our industry, most of each Named Executive Officer's compensation consists of incentive compensation. Incentive compensation consists of cash and long-term incentives. Allocation of Chief Executive Officer compensation between cash and long-term incentives is determined by the Compensation Committee. The Chief Executive Officer determines this allocation for the other Named Executive Officers and executive management. As a general rule, the Company's executive compensation programs are designed so that executives will receive a mix of annual cash incentives (representing approximately 60-70% of compensation) and long-term compensation (representing approximately 30-40% of compensation), each of which is described below.

Salaries

In general, salaries are intended to make up the smallest portion of overall executive compensation. Base salaries of executive officers are fixed at the beginning of each year and typically are not changed during the year except for changes in responsibility. Base salaries are reviewed annually, and adjusted from time to time to realign salaries with market levels, individual performance and industry experience. The Compensation Committee also considers salaries relative to those of others within the Company and may, on occasion, make adjustments to salaries or other elements of total compensation, such as annual and long-term incentive opportunities, where a failure to make such an adjustment would result in a compensation imbalance that the Compensation Committee deems inappropriate.

Performance-Based Annual Awards

Each of our Named Executive Officers participates in the EIP, which provides for annual incentive compensation based on the achievement of performance goals and objectives and which is designed to: (1) advance the interests of the Company and its stockholders by providing incentives in the form of periodic bonus awards to certain key employees who contribute significantly to the strategic and long-term performance objectives and growth of the Company; and (2) further align the interests of the Company's key employees with the interests of the stockholders because payments of bonus awards under the EIP are based on Company, division or subsidiary performance criteria. In regards to the Chief Executive Officer, performance goals are set by the Compensation Committee. As to all other executives, broad performance objectives are established by the Chief Executive Officer. The particular performance goals or objectives reflect those measures which the Company views as key indicators of successful performance.

Mr. Joyce's 2007 annual incentive opportunity was conditioned upon the achievement of certain consolidated pre-tax operating income targets of the Company, as set by the Compensation Committee in March 2007. The pre-tax operating income targets for Mr. Joyce were as follows: (i) pre-tax operating income less than \$0, no incentive bonus; (ii) pre-tax operating income between \$0 and \$49.99 million, incentive bonus of \$3 million; (iii) pre-tax operating income between \$50 and \$74.99 million, incentive bonus of \$4 million; (iv) pre-tax operating income between \$75 and \$99.99 million, incentive bonus of \$5 million; (v) pre-tax operating income between \$100 and \$174.99 million, incentive bonus of \$6 million; (vi) pre-tax operating income between \$175 and \$249.99 million, incentive bonus of \$7 million; (vii) pre-tax operating income between \$250 and \$299.99 million, incentive bonus of \$8 million; and (viii) pre-tax operating income of \$300 million or greater, incentive bonus of \$8 million plus 4% of pre-tax income in excess of \$300 million. To the extent that pre-tax operating income fell within any of the above pre-tax operating income targets, Mr. Joyce was eligible to receive a pro-rated portion of the incremental award that he would have earned had the Company achieved the maximum target in that range. In determining pre-tax income targets for the year, the Compensation Committee excluded non-operating and extraordinary items and reserved the right to make adjustments to the pre-tax income targets to reflect acquisitions or dispositions during the year. In January 2008, solely for purposes of paying out Mr. Joyce's incentive opportunity, the Compensation Committee approved management's calculation of the Company's final pre-tax operating income of \$201.3 million for 2007 taking into account the above exclusions and applied such pre-tax operating income to the targets established for Mr. Joyce to determine his annual incentive compensation of \$7,349,808 for 2007. Such amounts were awarded as a mix of cash and restricted stock.

With respect to the other Named Executive Officers, Mr. Joyce is actively involved in the determination of broad performance objectives for them. Mr. Joyce meets with the Company's executives to determine, and then set, broad performance objectives for the upcoming year based on the Company's annual business plan and budget forecasts. He then provides the Compensation Committee with these broad objectives and explains the rationale as to why these broad performance objectives were selected and why they are an appropriate measurement of performance. At the end of the year, Mr. Joyce informs the Compensation Committee as to his assessment regarding whether these broad performance objectives have been met and takes that into consideration when determining each executive's overall incentive compensation. The overall incentive compensation for each executive is then recommended by Mr. Joyce to the Compensation Committee for approval.

With respect to the other Named Executive Officers for 2007, the broad performance objectives were set by Mr. Joyce. The performance objectives for Messrs. Voetsch and Smyth were primarily related to the performance and growth of the business units they oversee. The performance objectives for Messrs. Bisgay, Sadoff and Howard were based on separate corporate performance measures. In January 2008, the Compensation Committee and Mr. Joyce met to discuss the achievement of the broad performance objectives by each executive (except for Mr. Howard who resigned from the Company in August 2007). Each of the factors comprising the performance objectives was considered in determining each executive's compensation. Formulaic approaches were not used to weight these factors, consistent with the Compensation Committee's and the Company's belief that the adoption of any given formula could inadvertently encourage undesirable behavior (e.g., favoring one financial measure to the exclusion of other important values). Accordingly, each Named Executive Officer's incentive compensation was determined using a balanced approach that considered, in the context of a competitive marketplace, a variety of factors, including: (i) the Company's performance for the year; (ii) the executive's contribution to that performance, partly taking into account the executive's attainment of the broad performance objectives; (iii) a comparison with pay levels of comparable positions in the marketplace; and (iv) market conditions. Such 2007 incentive compensation was awarded as a mix of cash and restricted stock.

Notwithstanding the above broad performance objectives, during the first quarter of 2007 the 162(m) Sub-Committee of the Compensation Committee established annual performance criteria for each Named Executive Officer which determined the maximum amount of tax deductible incentive compensation that could be awarded under the EIP to each Named Executive Officer for any given level of corporate performance. For 2007, such criteria were based on the Company's consolidated 2007 pre-tax operating income. In January 2008, prior to the grant of cash and long-term incentive awards to the Named Executive Officers under the EIP for 2007, the 162(m) Committee (which succeeded the 162(m) Sub-Committee in May 2007) determined that the pre-determined performance criteria were achieved.

Long-Term Incentives

The Company believes that the most effective means to encourage long-term performance by our executive officers is to create an ownership culture. This philosophy is implemented through the granting of equity-based awards that vest based on continued employment. For the past few years, equity based awards that vest based on continued employment have consisted primarily of stock options and restricted stock. Recently, the Company has primarily used restricted stock awards as equity compensation, except for awards of stock options to our Chief Executive Officer in 2007 and 2006, respectively. The Company believes that the use of restricted stock awards more accurately reflects the pattern of equity-based awards that prevails in its peer group and in the external market generally.

Annual grants of stock options and/or restricted stock to our executive officers that are part of the executive's annual incentive compensation are approved at a regularly scheduled meeting of the Compensation Committee held during January of each year and the grant date is January 31st, the same day equity-based awards are made to all other eligible Company employees as part of their annual incentive compensation. The Compensation Committee may also make occasional grants during the year to both executives and employees

and has delegated to the Company's Chief Executive Officer the authority, subject to certain established limitations, to make grants to executives and employees of the Company. These grants are typically associated with retention, promotion, acquisition and hiring. The grant price for stock option grants is typically the average of the high and low price of a share of the Common Stock as quoted on the Nasdaq Global Select Market on the date preceding the date of grant.

2007 Compensation Awards

In January 2008, the Compensation Committee approved the following annual incentive awards to the Named Executive Officers for their performance in 2007:

Name	Cash Award (\$)	Value of Restricted Stock Awards \$(1)	Options (\$)	Total (\$)
Thomas M. Joyce	4,409,885	2,939,923		7,349,808
Gregory C. Voetsch	2,742,500	1,557,500		4,300,000
James P. Smyth	2,832,500	1,617,500		4,450,000
Steven Bisgay(2)	778,959	250,208		1,029,167
Steven J. Sadoff	1,652,500	797,500		2,450,000
John B. Howard(3)				

- (1) The number of restricted shares granted to each Named Executive Officer is determined by taking the value of the restricted stock award to the Named Executive Officer and dividing it by the average of the high and low price of a share of the Common Stock on the date preceding the date of grant.
- (2) Mr. Bisgay was appointed Chief Financial Officer effective August 10, 2007.
- (3) Mr. Howard resigned as Chief Financial Officer effective August 10, 2007.

The awards in the above table differ from the values disclosed in the Summary Compensation Table as the Summary Compensation Table, prepared in accordance with SEC regulations issued in December 2006, reports compensation expense associated with equity awards based on the compensation expense recognized in the Company's financial statements during 2007 in accordance with Statement of Financial Accounting Standards No. 123(R), Share Based Payments (FAS 123(R)). Pursuant to FAS 123(R), stock awards are expensed over their vesting period, which in the case of the above awards began on the date of grant. As such, the Summary Compensation Table does not reflect any compensation expense associated with the above restricted share awards made by the Company to its Named Executive Officers in January 2008, but instead reflects the 2007 amortization of stock awards made in 2007 and prior years.

Employment Agreements

For many years, the Company has followed the practice of entering into a written employment agreement with its Chief Executive Officer. Consistent with this practice, the Company entered into a new employment agreement with Mr. Joyce in December 2005 (the Current Agreement), under which Mr. Joyce continued to be employed by the Company as its Chief Executive Officer and continued to serve as Chairman of the Board. The Current Agreement became effective as of January 1, 2006 and continues through December 31, 2008, unless terminated earlier. In negotiating the terms of the Current Agreement, the Company considered Mr. Joyce's experience, his performance with the Company since he became the Chief Executive Officer, his prior compensation, and, with assistance from its compensation consultant, the prevailing market practice with respect to CEO compensation. For a description of the Current Agreement, see page 17.

No other Named Executive Officer of the Company has an employment agreement.

Perquisites

Generally, the Company does not believe it is necessary for the attraction or retention of management talent to provide our executives with a substantial amount of compensation in the form of perquisites. In 2007, the only

perquisites provided to the Named Executive Officers were providing a vehicle and driver and/or a third party car service for Mr. Joyce's commute to and from the Company's headquarters, and the reimbursement to Mr. Joyce for the associated payment of taxes related to such perquisite. The Company also reimbursed Mr. Joyce for a golf club membership in 2007 which was used primarily for business purposes.

Tax Deductibility under Section 162(m)

Under Section 162(m) of the Internal Revenue Code, the Company may not be able to deduct certain forms of compensation in excess of \$1,000,000 paid to any of the Named Executive Officers that are employed by the Company at year-end. Compensation which is performance-based is not subject to this statutory maximum on deductibility. The Compensation Committee believes that it is generally in the Company's best interests to satisfy the requirements for deductibility under Section 162(m). Accordingly, the Compensation Committee has taken appropriate action, to the extent it believes feasible, to preserve the deductibility of annual incentive and long-term performance awards. However, notwithstanding this general policy, the Compensation Committee also believes there may be circumstances in which the Company's interests are best served by maintaining flexibility in the way compensation is provided, whether or not compensation is fully deductible under Section 162(m).

- (5) Represents cash paid to the Named Executive Officer in January 2008 and January 2007 pursuant to the Company's EIP, but earned in 2007 and 2006, respectively. - (1) Represents cash paid to the Named Executive Officer in January 2008 pursuant to the Company's EIP, but earned in 2007. In addition to these cash awards, each of the Named Executive Officers was granted shares of restricted stock in January 2008 with respect to his 2007 performance. Pursuant to the proxy reporting rules, such restricted stock awards will be reported in next year's Grants of Plan-Based Awards Table.
- (2) Stock awards listed herein represent awards that were granted during 2007 pursuant to the EIP but which were considered to have been awarded with respect to the Named Executive Officer's performance during 2006. As such, the grant date fair values of awards granted to Messrs. Joyce, Voetsch, Smyth, Sadoff and Howard had been previously reported in the Summary Compensation Table included in the Company's Proxy Statement dated April 5, 2007.
- (3) Restricted stock and options generally vest in equal installments on each of the first three anniversaries of the grant date, subject to acceleration upon a change in control.
- (4) Pursuant to the terms of the additional incentive opportunity set by the Compensation Committee in October 2006, Mr. Joyce's options granted on January 31, 2007 were priced at \$17.97 per share which was the average of the high (\$18.22) and low (\$17.72) stock price on January 31, 2007. This grant price was less than the \$18.07 closing Common Stock price on January 31, 2007.
- (5) Mr. Bisgay was appointed Chief Financial Officer, effective August 10, 2007.
- (6) Mr. Howard resigned as Chief Financial Officer, effective August 10, 2007, and these awards were forfeited.

Pursuant to the terms of the Current Agreement, Mr. Joyce receives an annual base salary of \$750,000. Mr. Joyce is also eligible for an annual incentive bonus under the Company's EIP, payable, unless otherwise agreed upon, sixty percent in cash and forty percent in restricted stock. The portion of the annual bonus that is paid in restricted stock will vest ratably over a three year period. The payment of Mr. Joyce's annual incentive for the 2007 performance year was conditioned upon the achievement of certain consolidated pre-tax operating income targets set by the Compensation Committee in March 2007. The annual incentive for the 2008 performance year will be based on the achievement of performance targets established by the Compensation Committee in February 2008. For 2008, Mr. Joyce's performance targets will continue to be conditioned upon the achievement of certain consolidated pre-tax operating income targets of the Company, as set by the Compensation Committee.

A portion of Mr. Joyce's annual bonus for the 2006 performance year was paid in the form of stock options based on the Company meeting certain consolidated pre-tax operating income targets above the levels set by the Compensation Committee in December 2005, as outlined by the Compensation Committee in October 2006. Such grant of options related to the 2006 performance year occurred in January 2007. These stock options vest ratably over a three year period.

Equity awards to the Named Executive Officers are made under the Company's equity plans (the Knight Capital Group, Inc. 1998 Long-Term Incentive Plan (the 1998 Plan), the Knight Capital Group, Inc. 2003 Equity Incentive Plan (the 2003 Plan) and the Knight Capital Group, Inc. 2006 Equity Incentive Plan (the 2006 Plan) (collectively, the Stock Plans)). The Stock Plans are administered by the Compensation Committee of the Board of Directors, and allow for the grant of options, stock appreciation rights (2006 Plan only), restricted stock and restricted stock units (collectively, the awards), as defined by the Stock Plans. Restricted share awards generally vest ratably over three years. The Company's policy is to grant options for the purchase of shares of Common Stock at not less than fair market value, which the Stock Plans define as the average of the high and low sales price on the date prior to the grant date. Options generally vest ratably over a three or four-year period and expire on the fifth or tenth anniversary of the grant date, pursuant to the terms of the applicable option award agreement. The Company has the right to fully vest executives in their awards upon retirement (except for Mr. Joyce during the term of his Current Agreement) and in certain other circumstances. Generally, retirement is defined as termination of employment with the Company (i) without cause, (ii) after no less than five full years of service as an employee of the Company, (iii) having achieved a total of 55 by adding together the employee's age at departure and the number of full years of service as an employee, and (iv) subject to a two year non-compete agreement in a form acceptable to the Company. Pursuant to FAS 123(R), upon an executive becoming retirement-eligible, the expense associated with any unvested equity awards is accelerated so that such awards are fully expensed as of the date of the executives' retirement eligibility. Awards are otherwise canceled if employment is terminated before the end of the relevant vesting period.

Pension Benefits

The Company does not have in place any defined benefit pension plans.

Non-Qualified Deferred Compensation

The following table shows the earnings and account balances for Named Executive Officers in the Knight Capital Group, Inc. Voluntary Deferred Compensation Plan and the Knight Vanguard Voluntary Deferred Compensation Plan (the Deferral Programs). The Deferral Programs are unfunded and unsecured. The Deferral Programs allow participants who are senior officers (including all Named Executive Officers) to defer all or a portion of their cash compensation for a minimum of three years.

Termination and Change in Control Agreements

The Company has not entered into change of control agreements with any Named Executive Officers. However, equity awards to the Named Executive Officers, along with those to other Company employees, under the terms of the Stock Plans are generally subject to special provisions upon the occurrence of a defined change in control transaction. Under the Stock Plans, upon a change in control: (i) any award carrying a right to exercise that was not previously exercisable and vested shall become fully exercisable and vested; and (ii) the restrictions, deferral limitations, payment conditions, and forfeiture conditions applicable to any other award granted under these plans shall lapse and such awards shall be deemed fully vested, and any performance conditions imposed with respect to awards shall be deemed to be fully achieved.

The table below was prepared as though a change in control occurred on December 31, 2007 (the last business day of 2007) using the share price of the Common Stock as of that day (both as required by the SEC). The table also assumes that all equity-based awards vested on such date. There can be no assurance that a change in control would produce the same or similar results as those described if it occurred on any other date or at any other price.

Calculation of Potential Payments upon Change in Control

Name	Number of shares whose vesting would be accelerated upon a change in control	Value of shares whose vesting would be accelerated upon a change in control \$(1)	Number of options whose vesting would be accelerated upon a change in control	Value of options whose vesting would be accelerated upon a change in control \$(2)
Thomas M. Joyce	320,537	\$ 4,615,733	233,333	\$ 1,063,998
Gregory C. Voetsch	206,457	\$ 2,972,981	33,333	\$ 152,998
James P. Smyth	170,566	\$ 2,456,150		\$
Steven Bisgay	92,411	\$ 1,330,718		\$
Steven J. Sadoff	65,276	\$ 939,974		\$

- (1) Value of shares is calculated based upon the closing price of the Common Stock on December 31, 2007 of \$14.40 per share.
- (2) Value of options is calculated based upon the closing price of the Common Stock on December 31, 2007 of \$14.40 per share less the strike price of \$9.84 per share for 233,333 options held by Mr. Joyce, and \$9.81 per share for 33,333 options held by Mr. Voetsch. Mr. Joyce also has 220,820 options that were not included for the above calculation since the strike price of \$17.97 is greater than the December 31, 2007 closing price of \$14.40.

Termination Payments

If Mr. Joyce's employment is terminated by the Company other than for cause or other than by reason of a disability, death or retirement, or upon resignation by Mr. Joyce for good reason, Mr. Joyce will be entitled to, in lieu of any other severance benefits otherwise payable under any Company policy, or any other damages payable in connection with such termination: (i) exercise the portion of the stock option granted under the Current Agreement that was not vested on the date of termination of employment, during the 90-day period commencing on the first anniversary of the date of such termination; (ii) full vesting of any previously granted restricted shares on the first anniversary of the date of termination of employment; (iii) a cash payment equal to \$5 million, payable in a lump sum on the date that is six months following such termination; and (iv) reimbursement of premiums paid for continued health coverage under COBRA during the one year period following termination of employment. If Mr. Joyce's employment terminates (i) by Mr. Joyce without good reason, or (ii) by the Company for cause, Mr. Joyce will not be entitled to such exercisability, vesting, payments, and benefits. For equity awards granted to Mr. Joyce prior to January 1, 2006, if Mr. Joyce's employment terminates by (i) reason of his death or, (ii) the Company on account of his disability, or (iii) reason of his retirement (each as defined in the Current Agreement and/or the relevant option or restricted stock award agreement), his unexercised options will immediately terminate and his unvested restricted stock will be immediately forfeited. For equity awards granted to Mr. Joyce on or after January 1, 2006, if Mr. Joyce's employment terminates by (i) reason of his death or (ii) the Company on account of his disability, his unexercised options will become immediately exercisable in full and his unvested restricted stock will immediately vest. Mr. Joyce's right to such exercisability, vesting, payment and benefits is conditioned upon his execution of a customary release of all claims against the Company and his agreement to not solicit or hire current or certain former employees of the Company after his termination. In the event Mr. Joyce's Current Agreement expires and he continues to be employed with the Company, he will be eligible for retirement treatment of his equity awards pursuant to Company policy (see page 17 for the Company's policy regarding

retirement eligibility). Also, in the event that any payment under the Current Agreement is subject to the excise tax for parachute payments under Section 280G of the Internal Revenue Code of 1986, the Company will indemnify Mr. Joyce on an after-tax basis for any such excise tax (including any interest or penalties incurred with respect to such excise tax), provided that the Company may reduce the applicable payment due to Mr. Joyce by up to 10% if such reduction will avoid the excise tax. If Mr. Joyce's employment had been terminated as of December 31, 2007, the Company does not believe that any payments under the Current Agreement would have been subject to this excise tax, and, as such, the Company would have had no obligation to reimburse Mr. Joyce for such excise tax.

No other Named Executive Officers will receive termination payments upon their termination of employment from the Company that differ from the severance policy the Company has established for all of its employees. The Company's severance policy is formulaic, based on the employee's title and length of service with the Company, but shall not exceed a maximum of 26 weeks of severance. Severance amounts are calculated by using the employee's base salary only. Bonus compensation is generally not considered when determining severance amounts. Under the Company's severance policy, if any of the Named Executive Officer's employment, other than Mr. Joyce's, was terminated as of December 31, 2007 in a manner which would have made them eligible for severance, they would have received the following severance amounts based on their base salaries and years of service as of such date: Messrs. Voetsch, Smyth and Sadoff: \$96,154; and Mr. Bisgay: \$115,385. The Company reserves the right to offer additional payments to terminated employees if it is determined to be in the Company's best interests. The Company has the right to fully vest executives in their equity awards upon retirement (see page 17 for the Company's policy regarding retirement eligibility) and in certain other termination of services circumstances. Equity awards are otherwise canceled if employment is terminated before the end of the relevant vesting period.

COMPENSATION OF DIRECTORS

As a current officer of the Company, Mr. Joyce receives no remuneration for serving on the Board of Directors.

The Director compensation policy in effect for 2007 was as follows: Each of the independent Directors received an annual retainer fee of \$45,000, except for the Lead Director who received \$75,000, and, except as noted herein, a meeting fee of \$1,000 for each of the Board of Directors and Committee meetings attended, except for the Finance and Audit Committee meetings where attendees received \$3,000 per meeting. In addition, Committee Chairpersons received: (i) \$15,000 for any Committee chaired by the Lead Director; (ii) \$20,000 for the Chairperson of the Finance and Audit Committee; and (iii) \$10,000 for the Chairperson of the Compensation Committee, unless that Chairperson was also the Lead Director (which was the case in 2007). No fees were paid to the Chairperson of the NCGC and no NCGC meeting fees were paid for the one NCGC meeting held in 2007 as it was held in conjunction with a meeting of the Board of Directors.

Each newly elected independent Director is also granted an option to purchase 20,000 shares of Common Stock which generally vests ratably over a three (3) year period. There were no new Directors in 2007. In addition, on the first business day following our 2007 annual meeting of stockholders, each continuing independent Director, as part of their annual compensation, was granted an option to purchase 15,000 shares of Common Stock which vests ratably over a three (3) year period. The exercise price was the average of the high and low sales price of the Common Stock on the date prior to the grant date (as defined in the Stock Plans).

On February 26, 2008, the Board of Directors approved a change to the compensation of Directors recommended by an informal committee of the Board, effective as of the date of the Annual Meeting. This informal committee conducted a thorough review and employed Watson Wyatt, a compensation consulting firm, during 2007 to ensure Director compensation was comparable with director compensation at peer firms. As a result of their review, the Board of Directors approved an increase to the annual retainer fee for independent

Directors from \$45,000 to \$50,000 with no change to the annual retainer fee paid to the Lead Director. In addition, Committee Chairpersons will now receive: (i) \$30,000 for the Chairperson of the Finance and Audit Committee; and (ii) \$15,000 for the Chairperson of the Compensation Committee. Members of the Finance and Audit Committee and the Compensation Committee will now receive an annual fee of \$10,000 and \$5,000, respectively. Meeting fees for Board of Director meetings were raised from \$1,000 to \$1,500, while meeting fees of \$1,000 for the Compensation Committee and NCGC (if held separately from a Board of Directors meeting) were unchanged. Finance and Audit Committee meeting fees were reduced from \$3,000 to \$1,500. Members of the 162(m) Committee will not receive an annual retainer fee or meeting fees.

Under the new Director compensation plan, each newly elected Director will be granted restricted stock units (the right to receive shares of Common Stock at a point in the future) (RSUs) valued at \$100,000 on the date of grant, which grant shall have four (4) year cliff-vesting. In addition, on the first business day following each annual meeting of our stockholders, each continuing independent Director, as part of his or her annual compensation, will be granted RSUs having a value of \$80,000, which grant will have two (2) year cliff-vesting. The number of RSUs granted is determined by dividing the value of the award amount by the average of the high and low sales price of the Common Stock on the date prior to the grant date (as defined in the Stock Plans).

Annual retainer and Committee Chairperson fees will continue to be paid on January 1st of each year (pro-rated for new directors or changes in the Committee Chairperson during the year). Each director may elect to defer all or a portion of cash compensation from annual retainer fees into either the Knight Capital Group, Inc. Voluntary Deferred Compensation Plan or the Knight Vanguard Voluntary Deferred Compensation Plan. Any amounts deferred will be paid at the end of the elected deferral period plus or minus the return on the underlying plan assets. As a result of the approval of the new Director compensation plan, a Director may also elect to defer all or a portion of cash compensation from annual retainer fees into RSUs which will convert into freely sellable shares when the Director retires from the Board of Directors.

All Directors are reimbursed for out-of-pocket expenses incurred in the performance of their services for the Company. The Company also extends coverage to Directors under the Company's directors' and officers' indemnity insurance policies.

As described more fully below, this chart summarizes the annual compensation for the Company's non-employee Directors during 2007.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No executive officer of the Company serves as a member of the board of directors or compensation committee of any public entity that has one or more executive officers serving as a member of the Company's Board of Directors or Compensation Committee. Mr. Riney, a member of the Compensation Committee, is the president of Scottrade which was the source of 9.5% of the Company's U.S. equity dollar volume traded in 2007. During the same period, payment for order flow by us to Scottrade equaled approximately \$10.3 million, representing less than 5% of the Company's and of Scottrade's consolidated gross revenues for 2007.

Section 16(a) Beneficial Ownership Reporting Compliance

The Company's executive officers and Directors are required under Section 16(a) of the Securities Exchange Act of 1934 to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and Nasdaq. Copies of these reports must also be furnished to the Company. Based solely upon its review of copies of such reports furnished to the Company through the date hereof, or written representations that no reports were required to be filed, the Company believes that during the fiscal year ended December 31, 2007, all filing requirements applicable to its officers and Directors were complied with in a timely manner.

Purchases and sales of our equity securities by such persons are published on our corporate web site at www.knight.com in the Investor Center section. The information on our corporate website is not incorporated by reference into this Proxy Statement.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act, that incorporated future filings, including this Proxy Statement, the following section titled "Finance and Audit Committee Report" shall not be incorporated by reference into any such filings, except to the extent the Company specifically incorporates such report by reference therein.

FINANCE AND AUDIT COMMITTEE REPORT

During 2007, the Finance and Audit Committee of the Board of Directors (the "F&A Committee") provided assistance to the Company's Board of Directors in fulfilling its oversight of: (1) the integrity of the financial statements and its risk and control environment; (2) the relationship with the independent auditor; (3) the Company's internal audit function; (4) compliance with applicable legal and regulatory requirements; and (5) compliance with the Company's Code of Business Conduct and Ethics. The F&A Committee also reviewed and made recommendations to the Board regarding: (i) all proposed material capital formation plans, including planned issuance of equity securities and debt instruments, and stock repurchase programs; and (ii) certain acquisitions, investments, new business ventures, and divestitures by the Company. The F&A Committee operates under a written charter that was revised by the F&A Committee and approved by the Board on October 17, 2006 (the "Charter").

The F&A Committee is comprised of three independent Directors. The Board of Directors has determined in its business judgment that each F&A Committee member complied with the independence, experience and financial literacy requirements set forth by The Nasdaq Stock Market, Inc., The Sarbanes-Oxley Act of 2002 (the "Act") and rules adopted by the SEC pursuant to the Act, as currently in effect. The Board of Directors has also determined in its business judgment that Messrs. Lockburner and Griffith are each an "audit committee financial expert" as defined under SEC rules. The SEC provides that an "audit committee financial expert" does not have additional duties, obligations or liabilities and is not considered an expert under the Securities Act of 1933.

For 2007, PricewaterhouseCoopers LLP ("PwC") was the Company's independent auditor. The F&A Committee is responsible for retaining and, as necessary, terminating, the independent auditor and pre-approves all audit and non-audit services and fees to be provided by the independent auditor. The F&A Committee received and reviewed the written disclosures and the letter from its current independent auditor, PwC, required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) regarding auditor independence, and held discussions and reviewed with the independent auditor all relationships it has with the Company to determine and satisfy itself regarding the independent auditor's independence. When considering the independence of the Company's independent auditor, the F&A Committee considered whether the auditor's provision of services to the Company beyond those rendered in connection with its audit and review of the Company's consolidated financial statements was compatible with maintaining its objectivity and independence. The F&A Committee reviewed and approved, among other matters, the amount of fees paid to PwC for audit and non-audit services. All non-audit services performed by the independent auditor must be pre-approved by the F&A Committee or a specified member thereof. The F&A Committee also evaluated the qualifications and performance of the independent auditor. Based on its review of these matters, the F&A Committee selected PwC as the Company's independent auditor for the year ended December 31, 2008, which selection was ratified by the Board of Directors and has also been submitted to the stockholders for ratification at the Annual Meeting.

Management is responsible for the financial reporting process, including the system of internal control and the preparation, presentation and integrity of the consolidated financial statements in accordance with generally accepted accounting principles. The independent auditor is responsible for conducting an independent audit of the financial statements in accordance with generally accepted auditing standards. The F&A Committee is responsible for monitoring and reviewing these processes. The F&A Committee relies, without independent verification, on the information provided to it and on the representations made by management and the independent auditor.

In performing its duties, the F&A Committee held thirteen (13) meetings during 2007. The F&A Committee met in executive session five (5) times during regularly scheduled meetings held through the year. Additionally, the F&A Committee met in private session with the Chief Financial Officer, General Counsel/Chief Legal Officer, Director of Internal Audit, and independent auditor during various meetings held throughout the year. These meetings were designed, among other things to encourage free and open communications among the F&A Committee, management and independent auditor. The independent auditor has free access to the F&A Committee to discuss any matters it deems appropriate. The F&A Committee has discussed with the independent auditor, with and without management present, the overall scope and plan for its annual audit, the results of its examination and the overall quality of the Company's financial reporting and its evaluation of the Company's internal controls, including its assessment on management's assertion of the adequacy of the Company's controls over financial reporting. Additionally, the F&A Committee discussed matters related to the conduct of the audit and other matters required to be discussed by Statements on Auditing Standards No. 61, as amended (Communications with Audit Committees). The F&A Committee also reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2007 with management and the independent auditor.

During the course of 2007, management completed the documentation, testing and evaluation of the Company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Act of 2002 and related regulations. The F&A Committee was kept apprised of the progress of the evaluation and provided oversight and advice to management during the process. In connection with this oversight, the F&A Committee received periodic updates provided by management and the independent auditors at each regularly scheduled F&A Committee meeting. At the conclusion of the process, management provided the F&A Committee with its report on the effectiveness of the Company's internal control over financial reporting.

For the year ended December 31, 2007, the F&A Committee performed all of its duties and responsibilities under the Charter. Based on the F&A Committee's discussions with management and the independent auditor, review of the representations of management, including management's Report on Internal Control over Financial Reporting as required by Section 404 of the Act, and the report of the independent auditor to the F&A Committee, and subject to the limitations of the role of the F&A Committee referred to above and in the Charter, the F&A Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the year ended December 31, 2007 be included in the Company's Annual Report on Form 10-K.

Fees Paid To Our Independent Auditor

In addition to retaining PwC to audit the consolidated financial statements for 2007, the Company retained PwC, as well as other accounting and consulting firms, to provide various consulting services in 2007, and expects to continue to do so in the future. The Company understands the need for PwC to maintain its objectivity and independence in its audit of the Company's financial statements and, therefore, the Company does not use PwC for strategic consulting services, development of tax planning transactions or for services prohibited by the Act such as internal audit work and financial information system design and implementation. The Company uses PwC for non-audit work when it concludes that PwC is the most appropriate provider of that service and such work is compatible with maintaining its objectivity and independence.

The following fees were paid to PwC, the Company's independent auditor, for services rendered in 2007 and 2006:

	2007	2006
Audit fees	\$ 1,535,446	\$ 1,455,088
Non-audit fees:		
Audit-related fees	87,243	31,880
Tax fees	179,098	447,245
Total Non-audit fees	266,341	479,125
Total Fees Paid to PwC	\$ 1,801,787	\$ 1,934,213

Audit fees represent the aggregate fees for professional services rendered for the audit of the Company's annual financial statements for the applicable year and reviews of the Company's financial statements included in SEC Forms 10-Q during such year. Audit fees also include the audit of management's report on the effectiveness of the Company's internal control over financial reporting, as required by Section 404 of the Act.

Audit-related fees primarily represent fees paid in the applicable year for due diligence related to acquisitions and financial accounting consultations.

Tax fees represent fees paid in the applicable year for assistance with domestic and international income tax compliance, tax examinations, and general tax advice.

Policy on Finance and Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The F&A Committee is responsible for appointing, setting compensation and overseeing the work of the independent auditor. The F&A Committee has established a policy regarding pre-approval of all audit and non-audit services provided by the independent auditor and fees related to such services.

On an ongoing basis, management communicates specific projects and categories of service for which the advance approval of the F&A Committee is requested. The F&A Committee reviews these requests and advises management if the F&A Committee approves the engagement of the independent auditor. The F&A Committee may delegate to one or more of its members the authority to grant pre-approval required by this policy. On a periodic basis, management reports to the F&A Committee regarding the actual spending for such projects and services compared to the pre-approved amounts.

In granting pre-approval of non-audit services, the F&A Committee considered whether the provision of non-audit services rendered by our independent auditor is compatible with maintaining their objectivity and independence. The F&A Committee concluded that such objectivity and independence has been maintained.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

The Finance and Audit Committee of the Board of Directors has appointed PricewaterhouseCoopers LLP (PwC) as the Company's independent auditor for the year ending December 31, 2008 as required under The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC pursuant to The Sarbanes-Oxley Act of 2002. Additionally, the Board of Directors has ratified the appointment of PwC as the Company's independent auditor and we are submitting the selection of PwC for stockholder ratification at the Annual Meeting.

PwC representatives will be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Although stockholder action on this matter is not required under our Amended and Restated By-Laws or Amended and Restated Certificate of Incorporation, this appointment is being recommended to the stockholders for ratification (as we have done in prior years) because we believe it is a matter of good corporate practice. If our stockholders do not ratify the selection of PwC, the Finance and Audit Committee will reconsider whether or not to retain PwC, but still may retain them. Even if the appointment is ratified, the Finance and Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Pursuant to applicable Delaware law and our Amended and Restated By-Laws and Amended and Restated Certificate of Incorporation, the ratification of the appointment of PwC requires the approval of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting. Abstentions will be counted and will have the same effect as a vote against the proposal. Broker non-votes will be disregarded and have no effect on the outcome of the vote.

THE FINANCE AND AUDIT COMMITTEE OF THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE **FOR** THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT AUDITOR FOR 2008.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The charter for the Company's F&A Committee includes a requirement for the F&A Committee to review and approve any proposed transaction involving the Company and a related party. For these purposes, a related party transaction includes any transaction required to be disclosed pursuant to Item 404 of Regulation S-K. Additionally, the Company's Code of Business Conduct and Ethics (the Code) prohibits executive officers and Directors from entering into transactions where conflicts of interest exist, including related party transactions, without a waiver from Board of Directors or a designated committee thereof. The F&A Committee charter, along with the Code, is available through the Knight corporate web site at www.knight.com in the Corporate Governance section.

In the ordinary course of business, the Company may from time to time engage in transactions with other corporations or financial institutions whose officers or directors are also Directors of the Company. Transactions with such corporations and financial institutions are approved by the Board of Directors or a designated committee thereof, conducted on an arm's-length basis and do not violate the Nasdaq independence standards, as currently in effect.
