

Edgar Filing: RIO TINTO PLC - Form 425

RIO TINTO PLC
Form 425
June 30, 2008

Filed by: BHP Billiton Plc

and BHP Billiton Limited

Pursuant to Rule 425 under the Securities Act of 1933

Subject Company: Rio Tinto plc

Commission File No.: 001-10533

The following are slides comprising an investor presentation that was first used on June 30, 2008.

June/July 2008
Investor Presentation

Slide 2

Disclaimer

This document has been prepared by BHP Billiton Limited and BHP Billiton Plc ("BHP Billiton") and comprises the written material of BHP Billiton Limited and Rio Tinto Limited and Rio Tinto plc ("Rio Tinto"). By reviewing/attending this presentation you agree to be bound by the following terms and conditions. The directors of BHP Billiton accept responsibility for the information contained in this presentation. Having taken all reasonable care, this presentation is, to the best of the knowledge and belief of the directors of BHP Billiton, in accordance with the facts and circumstances. Subject to the above, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person makes

accordingly no reliance should be placed on, the fairness, accuracy or completeness of the information contained in the present law, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person shall have any liability arising, directly or indirectly, from any use of this information or its contents or otherwise arising in connection therewith.

This presentation is for information purposes only and does not constitute or form part of any offer or invitation to acquire, sell or otherwise dispose of, purchase or subscribe for, any securities, nor does it constitute investment advice, nor shall it or any

relied

Summary

Continued excellent operating and financial results

Unique portfolio balance provides stability

Project pipeline and global footprint to support future growth

Longer term outlook for global growth remains robust

BHP Billiton s offer to acquire Rio Tinto

Slide 19

Background to the offer

Early 2007: BHP Billiton discussed a merger of equals. This concept was rejected by Rio Tinto

1 November 2007: BHP Billiton made a confidential proposal to combine the

companies.
Rio
Tinto
rejected
the
proposal
and
refused
to
enter
discussions

8 November 2007: BHP Billiton confirmed it had approached Rio Tinto with a proposal

12
November
2007:
BHP
Billiton
announced
the
proposal
following
market
speculation.
Since then:

Global roadshow has indicated a clear understanding of the industrial logic of the combination

Rio Tinto has refused to engage to discuss the proposal

21
December
2007:
BHP
Billiton
required
to
put
up
or
shut
up
by
6
February
2008

6 February 2008: BHP Billiton announced offers for all of the outstanding shares of Rio Tinto

BHP Billiton Offer for Rio Tinto

Slide 20

BHP Billiton offer for Rio Tinto

Rio Tinto plc Offer:

Rio Tinto plc shareholders will receive 3.4 BHP Billiton shares for every Rio Tinto plc share held

80% in BHP Billiton Plc shares

20% in BHP Billiton Ltd shares

Separate US offer (which forms part of the Rio Tinto plc Offer) to:

US resident shareholders of Rio Tinto plc shares

All holders of Rio Tinto plc ADRs

Rio Tinto Ltd Offer:

Rio Tinto Ltd shareholders will receive 3.4 BHP Billiton Ltd shares for every Rio Tinto Ltd share held

With a mix and match facility

Day 60

Last date for fulfilment of all conditions to the Rio Tinto plc Offer
and all conditions to the Rio Tinto Ltd Offer (because offers
are inter-conditional)

Day 81

First date for delivery of consideration under the offers

Within 14 days after the offers become wholly
unconditional

BHP Billiton Offer for Rio Tinto
