PART I - FINANCIAL INFORMATION

ITEM 1. FINANCIAL STATEMENTS

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholders and Board of Directors of McGrath RentCorp and Subsidiaries:

We have reviewed the accompanying consolidated balance sheet of McGrath RentCorp and Subsidiaries as of June 30, 2008, and the related statements of income for the three-month periods ended June 30, 2008 and 2007 and the statements of income and cash flows for the six-month periods ended June 30, 2008 and 2007. These interim financial statements are the responsibility of the Company's management.

We conducted our reviews in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the United States Public Company Accounting Oversight Board, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying consolidated financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet of McGrath RentCorp and Subsidiaries as of December 31, 2007, and the related consolidated statements of income, shareholders' equity, and cash flows for the year then ended (not presented herein); and in our report dated February 25, 2008, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of December 31, 2007, is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2008

NOTE 1. CONSOLIDATED FINANCIAL INFORMATION

The consolidated financial information for the six months ended June 30, 2008 and 2007 have not been audited, but in the opinion of management, all adjustments (consisting of normal recurring accruals, consolidation and eliminating entries) necessary for the fair presentation of the consolidated results of operations, financial position, and cash flows of McGrath RentCorp (the Company) have been made. The consolidated results for the six months ended June 30, 2008 should not be considered as necessarily indicative of the consolidated results for the entire year. These consolidated financial statements should be read in conjunction with the financial statements and notes thereto included in the Company's latest Form 10-K.

NOTE 2. NEW ACCOUNTING PRONOUNCEMENTS

The Company adopted the provisions of Statement of Financial Accounting Standards (SFAS) No. 157, Fair Value Measurement (SFAS No. 157) on January 1, 2008. SFAS No. 157 defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles, and expands disclosure about fair value measurements. The adoption of SFAS No. 157 did not have any significant impact on the Company's financial condition, or results of operations.

SFAS No. 159, The Fair Value Option for Financial Assets and Financial Liabilities (SFAS No. 159) became effective on January 1, 2008. SFAS No. 159 permits entities to choose to measure financial instruments and certain other items at fair value that are not currently required to be measured at fair value. The Company did not choose to measure any financial instruments or other items in accordance with the provisions of SFAS 159.

In December 2007, the Financial Accounting Standards Board (FASB) issued SFAS No. 141(R), Business Combinations, and SFAS No. 160, Accounting and Reporting of Noncontrolling Interest in Consolidated Financial Statements, an Amendment of Accounting Research Bulletin (ARB) No. 51. These new standards will significantly change the accounting for and reporting of business combination transactions and noncontrolling (minority) interests in consolidated financial statements. SFAS Nos. 141(R) and 160 are effective for financial statements issued for fiscal years beginning on or after December 15, 2008. SFAS No. 141(R) will be applied by the Company to business combinations occurring on or after January 1, 2009. The Company is currently evaluating the impact of the pending adoption of SFAS No. 141(R) on its consolidated financial statements. The Company does not currently have any noncontrolling interest in subsidiaries and does not believe the adoption of SFAS No. 160 will materially impact the presentation of the financial results of the Company.

NOTE 3. EARNINGS PER SHARE

Basic earnings per share (EPS) is computed as net income divided by the weighted average number of shares of common stock outstanding for the period. Diluted EPS is computed as net income divided by the weighted average number of shares outstanding of common stock and common stock equivalents for the period, including the dilutive effects of stock options and other potentially dilutive securities. Common stock equivalents result from dilutive stock options computed using the treasury stock method and the average share price for the reported period. The effect of dilutive options on the weighted average number of shares for the three and six months ended June 30, 2008 and 2007 was 248,143 and 257,498 and 166,637 and 257,925 shares, respectively. As of June 30, 2008 and 2007, stock options to purchase 1,105,000 and 500,000 shares, respectively, of the Company's common stock were not included in the computation of diluted EPS because the exercise price exceeded the average market price for the quarter and the effect would have been anti-dilutive.

On May 14, 2008, the Company's Board of Directors authorized the Company to repurchase an aggregate of 2,000,000 shares of the Company's outstanding common stock. In connection with this authorization, the Board of Directors terminated its previous share repurchase authorization announced on March 21, 2003. These purchases are made in the over-the-counter market (NASDAQ) and/or through privately negotiated, large block transactions at such repurchase price as the officers of the Company deem appropriate and desirable on behalf of the Company. All shares repurchased by the Company are canceled and returned to the status of authorized but

unissued shares of common stock. There were no repurchases of common stock during the three months ended June 30, 2008. During the six months ended June 30, 2008, the Company repurchased 968,746 shares of common stock for an aggregate repurchase price of \$21.9 million, or an average price of \$22.61 per share. There were no repurchases of common stock during the three and six months ended June 30, 2007. As of June 30, 2008, 2,000,000 shares remain authorized for repurchase.

NOTE 4. NOTES PAYABLE

In May 2008, the Company entered into a credit facility with a syndicate of banks (the New Credit Facility). The five-year facility matures on May 14, 2013 and replaces the Company's prior \$190.0 million line of credit. The New Credit Facility provides for a \$350.0 million unsecured revolving credit facility, which includes a \$25.0 million sub-limit for the issuance of standby letters of credit and a \$10.0 million sub-limit for swing-line loans. The New Credit Facility requires the Company to pay interest determined by reference to the Consolidated Leverage ratio (as defined). In addition, the Company pays a commitment fee on the daily unused portion of the available facility. The New Credit Facility contains financial covenants requiring the Company to not: (1) permit the Consolidated Fixed Charge Coverage Ratio (as defined) as of the end of any fiscal quarter to be less than 2.00 to 1.00; (2) permit the Consolidated Asset Coverage Ratio (as defined) as of the end of any fiscal quarter to be less than 1.50 to 1.00; and (3) permit the Consolidated Leverage Ratio (as defined) at any time during any period of four consecutive fiscal quarters to be greater than 2.50 to 1.00 (provided that, for the three fiscal quarters immediately following the occurrence of a Material Transaction (as defined), the Consolidated Leverage Ratio (calculated on a pro forma basis giving effect to such Material Transaction) shall not exceed 3.00 to 1.00).

In June 2008, the Company entered into a Credit Facility Letter Agreement with Union Bank of California, N.A. and a Credit Line Note in favor of Union Bank of California, N.A., extending its \$5.0 million line of credit facility related to its cash management services (Sweep Service Facility). The Sweep Service Facility matures on the earlier of May 14, 2013, or the date the Company ceases to utilize Union Bank of California, N.A. for its cash management services.

At June 30, 2008, the Company was in compliance with all covenants related to the New Credit Facility and had the capacity to borrow an additional \$156.3 million under its lines of credit.

NOTE 5. SEGMENT REPORTING

SFAS No. 131, Disclosure about Segments of an Enterprise and Related Information, establishes annual and interim reporting standards for an enterprise's operating segments and related disclosures about its products, services, geographic areas and major customers. In accordance with SFAS No. 131, the Company's three reportable segments are Mobile Modular, TRS-RenTelco, and Enviroplex. The operations of each of these segments are described in Note 1 - Organization and Business, and the accounting policies of the segments are described in Note 2 - Significant Accounting Policies in the Company's latest Form 10-K. Management focuses on se
