Item 1.01. Entry into a Material Definitive Agreement.

On November 14, 2008, Computer Software Innovations, Inc. (the Company) entered into a Modification Agreement (the Equipment Modification) with RBC Bank (USA) (the Bank). The Equipment Modification amends and increases availability under the Company's equipment financing facility with the Bank.

On February 14, 2006, the Company entered into an agreement with the Bank for a forty-two month equipment term loan of \$400,000 at a fixed rate of 7.5% per year (the Equipment Facility). The Facility was and is collateralized by substantially all of the assets of the Company. The purpose of the term loan was to finance 2005 capital expenditures and improve availability under the Company's primary bank credit facility for working capital purposes. On January 2, 2007, the Company entered into a modification of the Equipment Facility, whereby the equipment loan was increased to \$800,000 with interest at 7.85% per annum. Following such modification, principal and interest were payable in thirty-six consecutive monthly payments of \$25,015 continuing until January 1, 2010. On November 14, 2008, prior to the execution of the Equipment Modification, \$334,630 was outstanding under the Equipment Facility.

Pursuant to the Equipment Modification, the total principal amount of the facility was increased to up to \$1 million and the maturity date was extended to November 15, 2010. Payment terms were changed to twenty-three equal consecutive monthly payments of \$40,000 commencing on December 1, 2008 and concluding on November 15, 2010. The Equipment Facility will now accrue interest at LIBOR plus 2.5%.

Except as set forth in the Equipment Modification, all other terms and conditions of the Equipment Facility and the Bank's related credit facilities remain unchanged. The Equipment Modification is filed as Exhibit 10.1 hereto.

AGREEMENT

THIS MODIFICATION AGREEMENT (Modification Agreement), entered into as of the 14th day of November, 2008 (the Effective Date), by COMPUTER SOFTWARE INNOVATIONS, INC. (Borrower , whether one or more) with a mailing address of 900 East Main Street, Suite T, Easley, South Carolina 29640, and RBC BANK (USA), formerly known as RBC Centura Bank (Bank), with a mailing address of Post Office Box 1220, Rocky Mount, North Carolina 27802-1220.

1. Borrower has made and issued to Bank its promissory note (Note) in the original principal amount and dated as indicated on **Attachment 1** attached hereto.
2. If so indicated on **Attachment 1**, the Note is secured and the security is generally as described on **Attachment 1**.
3. The Note, any security documents described on **Attachment 1** and any other loan and security documents that are outstanding with respect to the extension of credit evidenced by the Note, even if not listed on **Attachment 1**, are hereinafter collectively referred to as the Contract and the Contract is hereby incorporated herein as a part of this Modification Agreement.
4. Bank and Borrower mutually desire to modify the provisions of the Contract in the manner hereinafter set out, it being specifically understood and agreed that, except as herein modified, the terms and provisions of the Contract and the individual instruments, documents and agreements that make up the Contract shall remain unchanged and the Contract, as herein modified, shall continue in full force and effect as therein and herein written.

NOW, THEREFORE, Bank and Borrower, in consideration of the premises and the sum of One Dollar (\$1.00) to each in hand paid by the other, receipt and sufficiency of which are hereby acknowledged by each, do hereby agree as follows:

- (a) Modification. The Contract shall be, and the same is, modified in the manner set forth in **Attachment 2**.
- (b) Effect of Modification. Nothing contained in this Modification Agreement shall in any way impair the security now held for the indebtedness evidenced by the Contract or the lien priority thereof, nor waive, annul, vary or affect any provision, condition, covenant and agreement contained in the Contract, nor affect or impair any rights, powers and remedies under the Contract, except as herein specifically modified to do any one or more of the foregoing. If any provision in this Modification Agreement shall be interpreted or applied by a court or other tribunal with personal and subject matter jurisdiction over the parties hereto and the Contract, as modified, so as to impair the security now held for the indebtedness or lien priority thereof, or do any one or more of any of the foregoing, such provision shall be ineffective to the extent it causes an impairment of such security or the lien priority thereof or causes any of such other consequences, or the application thereof shall be in a manner and to an extent which does not impair such security or the lien priority thereof, or result in the occurrence of any of the other consequences. This Modification Agreement does not extend the expiration dates or enlarge the terms of any property, physical damage, credit and any other insurance written in connection with or financed by said Contract.
- (c) Financing Statements. Borrower irrevocably authorizes Bank to file such financing statements and amendments thereof as may be necessary to protect, in Bank's opinion, Bank's security interests and liens and, to the extent Bank deems necessary or appropriate, to sign the name of Borrower with the same force and effect as if signed by Borrower and to make public in financing statements and other public filings such information regarding Borrower as Bank deems necessary or appropriate, including, without limitation, federal tax identification numbers, social security numbers and other identifying information.

(d) Usury. Bank does not intend to and shall not reserve, charge and collect interest, fees and charges under the Contract, as herein modified, in excess of the maximum rates and amounts permitted by applicable law. If any interest, fees and charges are reserved, charged and collected in excess of the maximum rates and amounts, it shall be construed as a mutual mistake, appropriate adjustments shall be made by Bank and to the extent paid, the excess shall be returned to the person making such a payment.

(e) Documentary Stamps, etc. To the extent not prohibited by law and notwithstanding who is liable for payment of the taxes and fees, Borrower shall pay, on Bank's demand, all intangible taxes, documentary stamp taxes, excise taxes and other similar taxes assessed, charged and required to be paid in connection with this Modification Agreement, and any future extension, renewal and modification of the Contract, or assessed, charged and required to be paid in connection with any of the loan documents which make up the Contract.

(f) Costs and Expenses. All of the costs and expenses incurred by Bank in connection with this Modification Agreement shall be paid by Borrower upon the request of and at the time of demand for payment thereof made by Bank on Borrower. As used herein, costs and expenses include, without limitation, reasonable attorneys' fees and fees of legal assistants, and reasonable fees of accountants, engineers, surveyors, appraisers and other professionals or experts and all references to attorneys' fees or fees of legal assistants, or fees of accountants, engineers, surveyors, appraisers or other professionals or experts shall mean reasonable fees.

(g) **Waiver of Jury Trial**. Borrower, to the extent permitted by law, waives any right to a trial by jury in any action arising from or related to this Modification Agreement and waives any right to a trial by jury in any action or proceeding arising from or related to the Contract, as herein modified.

(h) Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State whose laws govern the Contract, excepting, however, its conflict of law provisions.

(i) Reservation of Rights; Entire Agreement. Bank does hereby reserve all rights and remedies it may have against all parties secondarily liable for repayment of the indebtedness evidenced by the Contract. The Contract, as herein modified, contains the entire agreement of the parties and the undersigned do hereby ratify and confirm the terms of the Contract, all of which shall remain in full force and effect, as modified herein. This Modification Agreement shall be binding upon any assignee and successor in interest of the parties hereto. All references herein to the Modification Agreement include any supplemental agreements filed of record to reflect modifications of any of the instruments, documents and other agreements making up the Contract that are of record.

To

Modification Agreement

The Contract shall be, and the same is, modified as follows:

1. The principal amount as stated in the Note is increased to \$1,000,000.00 and to the extent the principal amount is stated in any of the other individual instruments, documents and agreements that make up the Contract, the principal amount stated therein is increased to the amount stated herein.
2. The maturity date stated in the Note is changed to November 15, 2010 and to the extent the maturity date is stated in any of the other individual instruments, documents and agreements that make up the Contracts, the maturity date stated therein is changed to the date stated herein.
