Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On October 20, 2010, the Compensation Committee (the Committee) of the Board of Directors of NuStar GP, LLC (the Company), NuStar Energy L.P.'s general partner's general partner, approved a change to the designated peer group for the awards of performance units for each of the Company's named executive officers pursuant to the terms of the Company's 2000 Amended and Restated Long-Term Incentive Plan (the LTIP). The agreements for the grants of performance units were described in Current Reports on Form 8-K filed January 27, 2006, January 31, 2007, January 28, 2008, January 26, 2009, December 8, 2009 and March 2, 2010, as well as the Annual Report on Form 10-K for the year ended December 31, 2009, which are each hereby incorporated by reference.

As previously reported, the performance units are payable in NuStar Energy L.P.'s common units (the Common Units). The performance units vest annually in one-third increments beginning on the first anniversary of their grant date. Upon vesting, the performance units are converted into a number of Common Units based upon NuStar Energy L.P.'s total unitholder return during rolling three-year periods that end on December 31 of each year following the date of grant. At the end of each performance period, NuStar Energy L.P.'s total unitholder return is compared to its peer group and is ranked by quartile. Holders of the performance units then earn 0 percent, 50 percent, 100 percent or 150 percent of that portion of the initial grant that is vesting, depending upon whether NuStar Energy L.P.'s total unitholder return is in the last, third, second or first quartile, respectively; holders earn 200 percent if NuStar Energy L.P. is the highest ranking entity in the peer group.

In 2006, the Committee selected a peer group for performance award agreements that the Committee believed most closely tracked with NuStar Energy L.P.'s size and business at the time, as well as the market in which NuStar Energy L.P. then competed for capital. While the companies in that group changed through consolidations and acquisitions over the past four years, the group is currently composed of the following companies (the Performance Group):

Company

1. Buckeye Partners LP
2. Enbridge Energy Partners LP
3. Enterprise Product Partners LP
4. Kinder Morgan Energy LP
5. Magellan Midstream Partners LP
6. ONEOK Partners, L.P.
7. Plains All American Pipeline LP
8. Sunoco Logistics Partners LP

In 2008, NuStar Energy L.P. acquired two asphalt refineries, which distinguishes it significantly from the Performance Group; that year, the Committee, in consultation with BDO Seidman LLP, its independent consultant, identified a broader group of peers, consisting of master limited partnerships and independent, regional refining companies, to evaluate competitive rates of compensation for our executives. This group (the Current Peer Group) now includes the Performance Group and added the following:

9. Boardwalk Pipeline Partners
10. Copano Energy LLC
11. Crosstex Energy LP
12. Energy Transfer Partners
13. Frontier Oil Corporation
14. Holly Corporation
15. Mark West Energy Partners
16. Regency Energy Partners
17. Western Refining Inc.

The Committee has now changed the Performance Group to align with the Current Peer Group, and all vesting of the performance units for all previously granted units, as well as those granted going forward, will be in comparison to the Current Peer Group.

Note: The LTIP and the disclosures stated above contain the material terms and conditions for participation in the compensation arrangements described in this Item. In reliance on Instruction 1 to Item 601(b)(10) of Regulation S-K, the Company is not filing each individual's personal arrangement under the plan and the agreements.
