Distribution Rights Shares/Distributions/Receipt/Company Repurchases/Deferrals

Between July 29, 2010, the date on which Amendment No. 7 was filed with the SEC, and the date of this filing, CFLP has distributed an aggregate of 2,720,196 shares of Class A Common Stock to retained and founding partners to satisfy certain of CFLP's distribution rights obligations as follows:

on August 12, 2010, CFLP distributed 53,945 previously deferred distribution rights shares to Mr. Merkel, with the Company repurchasing such 53,945 shares from Mr. Merkel at a price of \$5.29 per share on such date;

on September 20, 2010, CFLP distributed 12,981 distribution rights shares to a certain partner of CFLP, with the Company repurchasing such 12,981 shares from such partner at a price of \$5.76 per share on such date; and

on September 29, 2010, October 25, 2010 and November 12, 2010, CFLP distributed 2,175,626, 4,456 and 473,188 distribution rights shares, respectively, with 2,609,366 of those shares included in a prospectus supplement to the Resale Registration Statement (defined below) filed by the Company with the SEC on November 22, 2010, as discussed below;

On October 1, 2010, the 30-month anniversary of the completion of the Merger, CFLP was obligated to distribute an aggregate of 1,121,579 distribution rights shares to retained partners, not including shares previously distributed to such partners or deferred by certain retained partners. In connection with the previous distributions of distribution rights shares and in connection with the 30-month anniversary of the completion of the Merger, CFLP offered to retained partners the opportunity to elect to defer their receipt of such 1,121,579 distribution rights shares and receive a distribution equivalent from CFLP rather than receiving an immediate distribution of such shares. Retained partners elected to defer receipt of an aggregate of 934,637 distribution right shares otherwise distributable to them on October 1, 2010. Retained partners who elected to defer their right to receive such shares are entitled

to receive their shares upon written notice to CFLP. Such shares will be delivered to such partners on such subsequent dates after receipt of such notice as shall be determined by CFLP in its administrative discretion, and CFLP shall have a right to defer such distributions for up to three months, although CFLP generally makes such distributions on a quarterly basis to such partners.

Mr. Howard Lutnick elected to defer receipt of an aggregate of 682,746 distribution rights shares otherwise distributable to him on October 1, 2010 and receive a distribution equivalent from CFLP, rather than receiving such distribution rights shares at that time. Ms. Edith Lutnick elected to defer receipt of an aggregate of 8,673 distribution rights shares otherwise distributable to her on October 1, 2010 and receive a distribution equivalent from CFLP, rather than receiving such distribution rights shares at that time. Messrs. Barnard and Merkel elected to receive 13,684 and 3,369 distribution rights shares, respectively, distributable to them on October 1, 2010. They received such shares on November 15, 2010 and included those shares in the prospectus supplement to the Resale Registration Statement filed by the Company with the SEC on November 22, 2010, as discussed below.

As of the date of this filing, the aggregate number of remaining distribution rights shares that CFLP is obligated to distribute to retained and founding partners is 19,363,672 shares (17,287,343 shares with respect to retained partners and 2,076,329 shares with respect to founding partners). On April 1, 2011, the 36-month anniversary of the completion of the Merger, CFLP is obligated to distribute to retained and founding partners an aggregate of 2,921,018 such shares 1,136,121 shares with respect to retained partners and 1,784,897 shares with respect to founding partners), not including shares previously distributed to such partners or deferred by certain retained partners.

Both Mr. Howard Lutnick and Ms. Edith Lutnick plan to defer receipt of 682,746 and 8,673 distribution rights shares, respectively, otherwise distributable to them on April 1, 2011 and receive a distribution equivalent from CFLP, rather than receiving such distribution rights shares at that time. Messrs. Barnard and Merkel plan to elect to receive 13,684 and 3,369 distribution rights shares, respectively, distributable to them on April 1, 2011.

Controlled Equity Offerings/Payment of Commissions to CF&Co.

As previously reported, on June 2, 2010 the Company entered into a controlled equity offering sales agreement (the June Sales Agreement) with CF&Co., pursuant to which the Company could offer and sell up to 5,500,000 shares of Class A Common Stock (subject to a maximum aggregate gross sales price of \$100,000,000) from time to time through CF&Co., as the Company's sales agent. CF&Co. is a wholly owned subsidiary of CFLP and an affiliate of the Company. As of the date of this filing, all such 5,500,000 shares of Class A Common Stock have been sold under the June Sales Agreement. Under the June Sales Agreement, the Company agreed to pay to CF&Co. a commission of 2% of the gross proceeds from the sales of such shares, resulting in a total of \$773,707 paid by the Company to CF&Co.

In addition, on September 3, 2010 the Company entered into a second controlled equity offering sales agreement with CF&Co. (the September Sales Agreement), relating to an additional 5,500,000 shares of Class A Common Stock. Pursuant to the terms of the September Sales Agreement, the Company may offer and sell up to 5,500,000 shares of Class A Common Stock (subject to the maximum aggregate gross sales price remaining under the Company's Registration Statement on Form S-3 (File No. 333-166564)) from time to time through CF&Co., as the Company's sales agent. Under the September Sales Agreement, the Company has agreed to pay to CF&Co. a commission of 2% of the gross proceeds from the sales of such shares. As of the date of this filing, 435,910 shares of Class A Common Stock have been sold under the September Sales Agreement, resulting in a total of \$74,771 paid by the Company to CF&Co., and 5,064,090 shares of Class A Common Stock remain to be sold under such Agreement.

Amendments to the BGC Holdings Limited Partnership Agreement

On August 6, 2010, the BGC Holdings limited partnership agreement was amended to revise the definition of the Cantor Group to mean CFLP and its subsidiaries (other than BGC Holdings and its subsidiaries or any member of the BGC Partners Group (as defined in the BGC Holdings limited partnership agreement)), Mr. Lutnick and/or any of his immediate family members as so designated by Mr. Lutnick and any trusts or other entities controlled Mr. Lutnick. In addition, in the event that BGC Holdings redeems any of its outstanding non-exchangeable units at a price per unit based on the average daily or monthly closing price of the Class A Common Stock, the Audit Committee of the Board of Directors of the Company on August 2, 2010 authorized management to sell to the new members of the Cantor Group as well as CFLP exchangeable limited partnership units exchangeable for shares of Class A Common Stock equal in number to such redeemed units at the same price.

On December 31, 2010, the BGC Holdings limited partnership agreement was further amended to make certain changes to the definitions of bankruptcy and termination under the agreement in accordance with applicable law.

Exchange by CFLP of BGC Holdings Exchangeable Limited Partnership Units for Shares of Class A Common Stock

On August 16, 2010, CFLP exchanged 200,000 BGC Holdings exchangeable limited partnership units for 200,000 shares of Class A Common Stock and donated such shares to The Cantor Fitzgerald Relief Fund (the Relief Fund), as discussed below. Some of the shares donated to the Relief Fund were subsequently purchased by Mr. Lutnick and his accounts, and other such shares were included in the Resale Registration Statement, as discussed below.

Redemption of Non-Exchangeable BGC Holdings Founding Partner Units From Terminating Founding Partners/CFLP Purchase Right/Company Compensation Arrangements

As previously reported, in the event that BGC Holdings redeems any non-exchangeable founding partner units held by any founding partner upon termination or bankruptcy of the founding partner, CFLP has the right to purchase from BGC Holdings an equivalent number of BGC Holdings limited partnership units upon the same terms. Any such limited partnership units purchased by CFLP from BGC Holdings will be exchangeable by CFLP for shares of Class B Common Stock, at CFLP's option, or if there are no additional authorized but unissued shares of Class B Common Stock, shares of Class A Common Stock, in each case on a one-for-one basis (subject to customary anti-dilution adjustments), from the Company, on the same basis as CFLP's other exchangeable limited partnership units acquired in connection with the Merger.

On August 27, 2010 and August 31, 2010, BGC Holdings redeemed an aggregate of 214,176 and 325,400 non-exchangeable founding partner units, respectively, held by three terminating founding partners, and CFLP exercised its right to purchase from BGC Holdings an equivalent number of BGC Holdings exchangeable limited partnership units at a price of approximately \$3.30 per unit. In addition, on November 17, 2010, BGC Holdings redeemed an aggregate of 1,489,338 non-exchangeable founding partner units held by 35 terminating founding partners, and CFLP exercised its right to purchase from BGC Holdings an equivalent number of exchangeable limited partnership units at a price of approximately \$3.58 per unit.

As a result of these purchases, as of the date of this filing CFLP owns an aggregate of 65,862,204 BGC Holdings exchangeable limited partnership units. In addition, as of the date of this filing, as a result of the termination of an aggregate of 32 additional founding partners, BGC Holdings has the right to redeem an aggregate of 635,201 non-exchangeable founding partner units. Accordingly, upon the redemption of any of such founding partner units, CFLP will have the right to purchase from BGC Holdings an equivalent number of exchangeable limited partnership units pursuant to terms yet to be determined.

As previously reported, on November 1, 2010 the Audit and Compensation Committees of the Board of Directors of the Company authorized the Company's management from time to time to cause it to enter into various compensatory arrangements with partners, including founding partners who hold non-exchangeable founding partner units that CFLP has not elected to make exchangeable into shares of Class A Common Stock. These arrangements, which may be entered into prior to or in connection with the termination of such partners, include but are not limited to the grant of shares or other awards under the Company's Second Amended and Restated BGC Partners, Inc. Long Term Incentive Plan, payments of cash or other property, or partnership awards under the BGC Holdings' Participation Plan or other partnership adjustments, which arrangements may result in the repayment by such partners of any partnership loans or other amounts payable to or guaranteed by CFLP earlier than might otherwise be the case, and for which the Company may incur compensation charges that it might not otherwise have incurred had such arrangements not been entered into.

Form S-3 Resale Registration Statement

As previously reported, on May 28, 2010 CFLP exchanged 3,500,000 BGC Holdings exchangeable limited partnership units for 3,500,000 shares of Class A Common Stock, and in connection therewith, on July 2, 2010 the Company filed a resale Registration Statement on Form S-3 (the "Resale Registration Statement") with respect to the 3,500,000 shares of Class A Common Stock that may be sold by CFLP for the account of certain retained and founding partners and/or by such retained and founding partners, as distributees of shares of Class A Common Stock from CFLP, from time to time on a delayed or continuous basis.

On September 3, 2010, the Company filed Amendment No. 1 to the Resale Registration Statement to update the number of shares that may be sold under the Resale Registration Statement to 3,646,055, excluding 53,945 of the distribution rights shares distributed to Mr. Merkel and repurchased by the Company, as discussed above, but including 200,000 shares contributed by CFLP to the Relief Fund, as discussed below. As discussed above, CFLP had obtained such 200,000 shares of Class A Common Stock on August 16, 2010 by exchanging 200,000 BGC Holdings exchangeable limited partnership units. Mr. Fraser was listed as a selling stockholder in Amendment No. 1 to the Resale Registration Statement with respect to 623,957 distribution rights shares.

On October 1, 2010, the Company filed Amendment No. 2 to the Resale Registration Statement, updating the number of shares that may be sold under the Resale Registration Statement to 3,494,891, including 61,817 shares that could be sold by the Relief Fund after the Relief Fund sold 138,183 shares to Mr. Lutnick and his accounts, as discussed below.

The Resale Registration Statement was declared effective by the SEC on October 12, 2010. On November 22, 2010, the Company filed a prospectus supplement to the Resale Registration Statement primarily to include the names of additional selling stockholders, including Messrs. Barnard and Merkel, and revise other information, as appropriate.

In the prospectus supplement to the Resale Registration Statement filed on November 22, 2010, Messrs. Barnard, Fraser and Merkel and the Relief Fund were each listed as a selling stockholder with respect to 13,684, 623,957, 3,369 and 48,149 distributions rights shares, respectively. The 48,149 shares included in this prospectus supplement for the Relief Fund reflected the Relief Fund's sale of an additional 13,668 shares to Mr. Lutnick and his accounts on November 3, 2010. As of the date of this filing, Messrs. Barnard, Fraser and Merkel and the Relief Fund have sold 13,684, 623,957, 0 and 0 shares of Class A Common Stock, respectively, pursuant to the Resale Registration Statement.

The primary purposes of the Resale Registration Statement are to enable retained and founding partners to resell certain distribution rights shares which they have a right to acquire from CFLP and to enable the Relief Fund to sell certain shares of Class A Common Stock donated to it by CFLP. The Company is bearing all of the expenses of the Resale Registration Statement and sale of the shares, except selling stockholders are paying their own commissions for the sale of their shares. While CFLP is nominally listed as a selling stockholder, it has not and will not sell any shares for its own account under the Resale Registration Statement.

Authorization to Engage CF&Co. and its Affiliates to Act as Financial Advisor to the Company

On August 2, 2010, the Company was authorized to engage CF&Co. and its affiliates to act as financial advisor in connection with one or more third-party business combination transactions with or involving one or more targets as requested by the Company on behalf of its affiliates from time to time on terms, conditions and fees. In addition, on September 3, 2010 the Company filed a registration statement on Form S-4 (the "Form S-4 Registration Statement"), which was declared effective by the SEC on October 12, 2010, for the offer and sale of up to 20,000,000 shares of Class A Common Stock from time to time in connection with business combination transactions, including acquisitions of other businesses, assets, properties or securities. In addition to shares of Class A Common Stock, the Company may offer other consideration in connection with such business combination transactions, including, but not limited to, cash, notes or other evidences of indebtedness, BGC Holdings units that may be exchangeable for shares of Class A Common Stock offered and sold on the Form S-4 Registration Statement, assumption of liabilities or a combination of these types of consideration. The Form S-4 Registration Statement states that the Company may pay finders', investment banking or financial advisory fees to broker-dealers, including, but not limited to, CF&Co. and its affiliates, from time to time in connection with certain business combination transactions, and, in some cases, the Company may issue shares of Class A Common Stock offered pursuant to the Form S-4 Registration Statement in full or partial payment of such fees.

2009 Charity Day/Acceleration of Exercisability of Exchangeable Founding Partner Unit Exchange Rights/Purchase of Exchangeable Founding Partner Units by Mr. Fraser/Exchange Rights

As previously reported, on April 26, 2010 two founding partners, one of whom is a former executive officer of the Company, donated an aggregate of 607,902 shares of Class A Common Stock to the Relief Fund to cover a portion of the net proceeds raised by employees of the Company on its annual September 11, 2009 Charity Day ("2009 Charity Day"). In connection with 2009 Charity Day, on August 12, 2010 one of these founding partners donated an additional 400,000 shares of Class A Common Stock to the Relief Fund, which shares were issued to him by the Company upon exchange of exchangeable founding partner units. As a result, an aggregate of 1,007,902 shares of Class A Common Stock were donated by these two founding partners to cover approximately \$6.1 million of the final net proceeds raised by the employees of the Company in connection with 2009 Charity Day.

In connection with the founding partner's donation of the additional 400,000 shares of Class A Common Stock to the Relief Fund, CFLP accelerated the exercisability of the exchange rights of his 400,000 exchangeable founding partner units, which exchange rights would have otherwise become exercisable on the third anniversary of the Merger, and the Company, as the general partner of BGC Holdings, agreed to remove any contractual transfer restrictions on the 400,000 shares of Class A Common Stock in order to permit such founding partner to donate such shares to the Relief Fund. On August 12, 2010, the Company repurchased from the Relief Fund such 400,000 shares of Class A Common Stock at a price of \$5.29 per share. In addition, on August 17, 2010, CFLP further agreed to accelerate the exchangeability of the exchange rights of an additional 200,000 exchangeable founding partner units of the partner, and CFLP and the Company agreed to the sale by such founding partner of such 200,000 exchangeable founding partner units to Mr. Fraser. Following these transactions and as of

the date of this filing, the aforementioned founding partner holds an aggregate of 200,000 exchangeable founding partner units, of which exchange rights with respect to such units are currently exercisable for shares of Class A Common Stock.

On December 17, 2010, one partner donated 150,000 shares to the Relief Fund, which shares were issued to him by the Company upon exchange of BGC Holdings limited partnership units he received as part of his compensation. Pursuant to the terms of the BGC Holdings limited partnership agreement, CFLP consented to the exchange of such units for shares of Class A Common Stock and the Company, as the general partner of BGC Holdings, agreed to remove any contractual transfer restrictions on the 150,000 shares of Class A Common Stock in order to permit such founding partner to donate such shares.

Purchases of Certain Shares of Class A Common Stock by Mr. Lutnick and His Accounts/Donation of Shares

On September 20, 2010, Mr. Lutnick purchased from the Relief Fund, in a single transaction, 50,366 shares of Class A Common Stock for various custodial (9,743 shares), retirement (16,952 shares) and trust (23,671 shares) accounts for his own benefit and for the benefit of members of his immediate family. On September 30, 2010 and November 3, 2010, Mr. Lutnick purchased from the Relief Fund 87,817 and 13,668 additional shares of Class A Common Stock, respectively, for a Keogh retirement account for his own benefit. The sources of funds for the purchases of these shares of Class A Common Stock from the Relief Fund were Mr. Lutnick's personal funds and available cash in the accounts.

On November 23, 2010, Mr. Lutnick donated 9,607 shares of Class A Common Stock to a charitable organization.

Issuances of Shares of Class A Common Stock Upon Exchanges of BGC Holdings Exchangeable Founding Partner Units/Opening of Brokerage Accounts

Since July 29, 2010, the Company has issued an aggregate of 2,410,298 shares of Class A Common Stock to founding partners of BGC Holdings upon exchange of their exchangeable founding partner units. In order to facilitate the receipt and sale of the exchange shares by the founding partners and the distribution rights shares to be received by retained and founding partners, the Company and CFLP have made arrangements for such partners to open brokerage accounts with an investment bank. These accounts will facilitate repayment by any such partners of any partnership loans or other amounts payable to or guaranteed by CFLP from the proceeds of any sale of such shares.

Convertible Notes/Adjustments in Conversion and Exchange Prices for Shares of Class A Common Stock

As previously reported, on April 1, 2010 BGC Holdings issued an aggregate of \$150,000,000 principal amount of 8.75% Convertible Senior Notes due 2015 (the "BGC Holdings Notes") in a private placement to CFLP. On April 1, 2010, BGC Holdings lent the proceeds from the issuance of the BGC Holdings Notes to the Company in exchange for \$150,000,000 principal amount of 8.75% Convertible Senior Notes due 2015 (the "BGCP Notes") and, together with the BGC Holdings Notes, the "Notes") on substantially the same economic terms as the BGC Holdings Notes.

Holder may exchange or convert the Notes at their option at any time until the close of business on the second scheduled trading day of the Class A Common Stock immediately preceding the maturity date, April 15, 2015. Due to adjustments related to the payment of Company dividends above a certain threshold with respect to the second and third quarters of 2010, as of the date of this filing the Notes are exchangeable and convertible as follows:

The BGC Holdings Notes held by CFLP are (i) exchangeable for a like principal amount of BGCP Notes, or (ii) convertible into an aggregate of 21,805,897 BGC Holdings exchangeable limited partnership units at a conversion rate of 145.37 units per \$1,000 of principal amount of BGC Holdings Notes, equivalent to a conversion price of \$6.88 per unit. The BGC Holdings exchangeable limited partnership units are themselves exchangeable on a one-for-one basis for shares of Class A Common Stock.

The BGCP Notes are convertible into an aggregate of 21,805,897 shares of Class A Common Stock at a conversion rate of 145.37 shares of Class A Common Stock per \$1,000 principal amount of BGCP Notes, equivalent to a conversion price of \$6.88 per share. On February 15, 2011, the Company's Board of Directors declared a quarterly cash dividend of \$0.14 per share payable on March 11, 2011 to Class A and Class B common stockholders of record as of February 25, 2011. The payment of this dividend will result in a further adjustment to the conversion and exchange rates described above.

Acceleration of Exercisability of Exchangeable Founding Partner Unit Exchange Rights Held by Mr. Lynn

On December 15, 2010, the Compensation Committee of the Board of Directors of the Company approved CFLP's acceleration of exercisability of exchange rights with respect to 754,770 exchangeable founding partner units held by Mr. Lynn, which exchange rights would otherwise have become exercisable in one-third increments on April 1, 2014, 2015 and 2016, and authorized that all such exchangeable units may be redeemed by BGC Holdings for cash at the ten-day average closing price for a share of Class A Common Stock, less 2%. On December 31, 2010, BGC Holdings redeemed 350,000 such units for \$8.54 per unit, or \$2,989,000 in the aggregate, leaving 404,770 units subject to the arrangement. Not including the 404,770 units subject to the arrangement, as of the date of this filing, Mr. Lynn holds an aggregate of 1,261,128 exchangeable founding partner units, of which exchange rights with respect to 911,129 units are currently exchangeable for shares of Class A Common Stock and exchange rights with respect to 754,770 units are exchangeable in one-third increments on April 1, 2011, April 1, 2012 and April 1, 2013.
