**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.***Voting in Director Elections*

On February 13, 2013, the Board of the Company amended the Company's Amended and Restated Bylaws (the *Bylaws*) to provide for majority voting in uncontested director elections. Effective as of the first meeting of stockholders at which directors will be elected following the 2013 annual meeting of stockholders, each director in an uncontested election will be elected by the vote of the majority of the votes cast with respect to the nominee. For these purposes, a majority of the votes cast means that the number of shares voted for a director must exceed the number of votes cast against that director. In a contested election, directors will be elected under a plurality standard. The Board also amended the Bylaws to provide that stockholder director nominations must include a written statement that the nominee intends to tender his or her resignation following his or her election or re-election, which resignation would become effective only if the nominee fails to receive the required vote for re-election at the next meeting at which the nominee would face re-election and the Board accepts the resignation. The description of the amendment to the Bylaws is qualified in its entirety by reference to the Bylaws, as amended, which are filed herewith as Exhibit 3.2.

On February 13, 2013, the Board also amended the Company's Corporate Governance Guidelines by adopting a contingent resignation policy which provides that effective following the 2013 annual meeting of stockholders, as a condition to nomination, each director nominee will submit a resignation of his or her directorship, which resignation would become effective only if the director fails to receive the required vote for re-election and the Board accepts the resignation. The Corporate Governance Guidelines, as amended, are available on the Company's website under Investor Relations Corporate Governance.
