**Item 2.02 Results of Operations and Financial Condition.*****Preliminary Financial Results of the Company for the Three Month Period Ended March 31, 2013***

On May 1, 2013, Nexstar Broadcasting Group, Inc. (the Company) announced preliminary estimates for net revenue, total local and national television revenue, retransmission fee revenue, total station operating expenses and corporate expenses for the fiscal quarter ended March 31, 2013. Our complete results of operations for the fiscal quarter ended March 31, 2013 are not yet available. Management has prepared the estimated net revenue, local and national revenue, retransmission fee revenue, total station operating expenses and corporate expenses data below in good faith based upon our internal reporting for the fiscal quarter ended March 31, 2013. The estimates represent the most current information available to management. Such estimates have not been subject to our normal financial closing and financial statement preparation processes. As a result, our actual financial results could be different and those differences could be material. However, in the opinion of management, any adjustments are expected to be of a normal and recurring nature, necessary for a fair presentation of the information presented below. Investors should exercise caution in relying on the information contained herein and should not draw any inferences from this information regarding financial or operating data that is not discussed herein.

The following table sets forth a range of net revenues, local and national revenue, retransmission fee revenue, total station operating expenses and corporate expenses during the fiscal quarter ended March 31, 2013:

	<b>Range of Amounts (in thousands)</b>	
Net revenues	\$ 111,000	\$ 113,400
Total local and national television revenue (included in net revenues)	82,800	83,800
Retransmission fee revenue (included in net revenues)	23,600	24,000
Total station operating expenses (1)	71,500	73,000
Corporate expenses	6,500	7,000

(1) Due to the preliminary nature of these estimates, in lieu of presenting (a) direct operating expenses (net of trade, depreciation and amortization), (b) selling, general and administrative expenses (net of depreciation and amortization), (c) trade and barter expense and (d) payments for broadcast rights, we are instead presenting total station operating expenses, which is the sum of those four expenses. Corporate expenses and certain station operating expenses increased from the prior years' same time period primarily due to an increase in legal, accounting, personnel and other expenses as a result of the consummation of recent securities and debt offerings by us and the selling stockholders and strategic acquisitions by us during the fiscal quarter ended March 31, 2013.

In addition, we estimate that as of March 31, 2013, we will have had approximately \$928 million (net of discount) of total indebtedness of which approximately \$678 million (net of discount) was secured debt. We had approximately \$22.5 million of cash and cash equivalents available at that date.

Although we are unable at this time to provide any additional estimates with respect to our financial position, we have not identified any unusual or unique events or trends that occurred during the fiscal quarter ended March 31, 2013 that might materially affect our results of operations other than those discussed above. The final financial results for the fiscal quarter ended March 31, 2013 may be different from the preliminary estimates we are providing above due to completion of quarterly close and review procedures, final adjustments and other developments that may arise between now and the time the financial results for this period are finalized.

The preliminary financial data included in this report has been prepared by and is the responsibility of, Nexstar Broadcasting Group, Inc.'s management. PricewaterhouseCoopers LLP has not audited, reviewed, compiled or performed any procedures with respect to the accompanying preliminary financial data. Accordingly, PricewaterhouseCoopers LLP does not express an opinion or any other form of assurance with respect thereto.
