INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents filed or furnished by the Registrant with the Commission are hereby incorporated by reference in this Registration Statement:

- (a) the Registrant's Annual Report on Form 40-F for the fiscal year ended December 31, 2012 filed with the Commission on March 1, 2013;
- (b) The Registrant's Current Reports on Form 6-K filed with the Commission on May 2, 2013 (Exhibits 99.1 and 99.2), April 2, 2013 (Exhibit 99.1), March 20, 2013 and March 15, 2013; and
- (c) the description of the Registrant's Common Shares contained in the Registrant's Registration Statement on Form F-10 (File No. 333-123876) filed with the Commission on April 6, 2005, including any amendment or report for the purpose of updating such description.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents, provided that reports on Form 6-K shall be so deemed incorporated by reference only if and to the extent indicated in such reports. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 6. Indemnification of Directors and Officers.

Under the Business Corporations Act (Ontario), the Registrant may indemnify a director or officer of the Registrant, a former director or officer of the Registrant or another individual who acts or acted at the Registrant's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding, to which the individual is involved because of that association with the Registrant or other entity and provided that the director or officer acted honestly and in good faith with a view to the best interests of the Registrant or, as the case may be, to the best interests of the other entity for which the individual acted as a director or officer or in a similar capacity at the Registrant's request and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that the individual's conduct was lawful. An individual is entitled to indemnification from the Registrant as a matter of right in respect of all costs, charges and expenses reasonably incurred by the individual in connection with the defense of any civil, criminal, administrative, investigative or other proceeding to which the individual is subject because of the individual's association with the Registrant or other entity set out above if the individual was not judged by a court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done and fulfilled the conditions set forth above.

In accordance with the Business Corporations Act (Ontario), the by-laws of the Registrant indemnify a director or officer, a former director or officer, or another individual who acts or acted at a Registrant's request as a director or officer,

or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the Registrant or other entity if the individual acted honestly and in good faith with a view to the best interests of the Registrant, or, as the case may be, to the best interests of the other entity for which the individual acted at the Registrant's request; in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the individual had reasonable grounds in believing that the individual's conduct was lawful; and a court or other competent authority has not judged that the individual has committed any fault or omitted to do anything that the individual ought to have done.

A policy of directors' and officers' liability insurance is maintained by the Registrant which insures directors and officers for losses as a result of claims against the directors and officers of the Registrant in their capacity as directors and officers and also reimburses the Registrant for payments made pursuant to the indemnity provisions under the by-laws and the Business Corporations Act (Ontario).

Insofar as indemnification for liabilities under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy in the United States as expressed in the Securities Act of 1933 and is therefore unenforceable.
