**Item 8.01. Other Events.**

In a press release dated November 20, 2013, Cash America International, Inc. (the Company) announced that it consented to the issuance of a consent order by the Consumer Financial Protection Bureau (CFPB). Without admitting or denying any of the facts or conclusions made by the CFPB from its review, the Company agreed in a consent order to pay a penalty of \$5 million and to set aside \$8 million for a period of 180 days to fund any further payments to eligible Ohio customers who make valid claims in connection with its previously disclosed Ohio voluntary reimbursement program. The Company has already refunded approximately \$6.4 million in connection with this program.

The consent order relates to issues self-disclosed to the CFPB during its 2012 examination of the Company, including the improper preparation of certain court documents in connection with collections lawsuits initiated by the Company in Ohio, which were previously disclosed by the Company and for which it implemented a voluntarily reimbursement program for affected customers; the making of a limited number of loans to consumers who may have been members of the military at the time of the loan at rates in excess of the military annual percentage rate permitted by the federal Military Lending Act due in part to system errors, and for which the Company has made refunds of approximately \$33,500; and for certain failures to timely provide and preserve records and information in connection with the CFPB's examination of the Company. A copy of the Company's press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
