PROXY STATEMENT

Annual Meeting of Stockholders

to be held on May 27, 2014

To Stockholders of Silgan Holdings Inc.:

This Proxy Statement and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors of Silgan Holdings Inc., or Silgan Holdings or the Company, for use at our annual meeting of stockholders, or the Meeting, to be held at the Courtyard by Marriott Stamford Downtown, 275 Summer Street, Stamford, Connecticut 06901, on Tuesday, May 27, 2014, at 9:00 a.m., and at any postponements or adjournments of the Meeting. If you need directions to attend the Meeting and vote in person, you should contact the Company by telephone at (203) 975-7110. This Proxy Statement and the accompanying proxy card will first be mailed to stockholders on or about April 21, 2014.

Only holders of record of our Common Stock as of the close of business on April 10, 2014, the Record Date, will be entitled to notice of and to vote at the Meeting. As of the Record Date, we had 63,554,045 shares of our Common Stock outstanding. Each share of our Common Stock is entitled to one vote. We have no other class of voting securities issued and outstanding. The presence in person or by proxy of the holders of a majority of the outstanding shares of our Common Stock will be necessary to constitute a quorum for the transaction of business at the Meeting.

All shares of our Common Stock represented by properly executed proxies will be voted in accordance with the instructions indicated on such proxies unless such proxies previously have been revoked. If any proxies are signed and returned but do not contain voting instructions, the shares of our Common Stock represented by such proxies will be voted **FOR** the election of the nominees for director listed below to serve until our annual meeting of stockholders in 2017 and until their successors are duly elected and qualified, **FOR** the reapproval of the material terms of the performance goals under the Silgan Holdings Inc. 2004 Stock Incentive Plan, as amended, **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014, and **FOR** the approval, on an advisory basis, of the compensation of the Company's named executive officers. We do not anticipate that any other matters will be brought before the Meeting. If any other matters properly come before the Meeting, the shares of our Common Stock represented by all properly executed proxies will be voted in accordance with the judgment of the persons named on such proxies. Shares of our Common Stock abstaining and shares of our Common Stock held in street name as to which a broker has not voted on some matters but has voted on other matters, or Broker Shares, will be included in determining whether a quorum exists at the Meeting. The New York Stock Exchange has adopted rules that eliminate broker discretionary voting for the election of directors and certain other corporate governance matters. These rules apply to us notwithstanding the fact that our Common Stock is traded on the Nasdaq Stock Market. Therefore, your broker is not able to vote on your behalf in any director election or with respect to certain other corporate governance matters without voting instructions from you.

Assuming that a quorum exists at the Meeting, approval of the first three matters specified in the Notice of Meeting requires the affirmative vote of a majority of the votes cast at the Meeting, and approval, on an advisory basis, of the non-binding resolution with respect to the fourth matter specified in the Notice of Meeting requires

the affirmative vote of a majority of the votes cast at the Meeting. Stockholders may not cumulate their votes. Abstentions and Broker Shares that have not been voted with respect to a particular proposal will not be counted in determining the total number of votes cast or in determining whether such proposal has received the requisite number of affirmative votes.

You may revoke your proxy at any time before it is exercised at the Meeting by: (1) delivering to the Secretary of the Company a duly executed proxy bearing a later date; (2) filing a written notice of revocation with the Secretary of the Company; or (3) appearing at the Meeting and voting in person.

In addition to solicitations by mail, some of our directors, officers and employees may solicit proxies for the Meeting personally or by telephone without extra remuneration. We will also provide persons, banks, brokerage firms, custodians, nominees, fiduciaries and corporations holding shares in their names or in the names of nominees, which in either case are beneficially owned by others, with proxy materials for transmittal to such beneficial owners and will reimburse such record owners for their expenses in doing so. The Company will bear the costs of soliciting proxies.

THE COMPANY HEREBY UNDERTAKES TO PROVIDE WITHOUT CHARGE TO EACH PERSON TO WHOM A COPY OF THIS PROXY STATEMENT HAS BEEN DELIVERED, UPON THE WRITTEN REQUEST OF ANY SUCH PERSON, A COPY OF OUR ANNUAL REPORT ON FORM 10-K, INCLUDING THE FINANCIAL STATEMENTS AND THE FINANCIAL STATEMENT SCHEDULES THERETO, THAT HAS BEEN FILED WITH THE SECURITIES AND EXCHANGE COMMISSION PURSUANT TO RULE 13a-1 UNDER THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, FOR THE FISCAL YEAR ENDED DECEMBER 31, 2013. REQUESTS FOR SUCH COPIES SHOULD BE DIRECTED TO SILGAN HOLDINGS INC., 4 LANDMARK SQUARE, STAMFORD, CONNECTICUT 06901 (TELEPHONE NUMBER: (203) 975-7110), ATTENTION: GENERAL COUNSEL.

PROPOSAL 1: ELECTION OF DIRECTORS

Nominees

Our Board of Directors is currently composed of seven members, divided into three classes designated as Class I, Class II and Class III. We have two Class I Directors, two Class II Directors and three Class III Directors, with each class of directors serving staggered three-year terms. At each annual meeting of stockholders of the Company, the term of office of one class of directors of the Company expires, and directors nominated to the class of directors whose term is expiring at such annual meeting will be elected for a term of three years and until their successors are duly elected and qualified. Our remaining directors continue in office until their respective terms expire and until their successors are duly elected and qualified. Accordingly, at each annual meeting of stockholders of the Company one class of our directors will be elected, and each of our directors will be required to stand for election once every three years. At the Meeting, the term of office for our Class II Directors expires.

Our Class II Directors currently are Messrs. D. Greg Horrigan and John W. Alden. Pursuant to the Amended and Restated Stockholders Agreement dated as of November 6, 2001, or the Stockholders Agreement, among R. Philip Silver, D. Greg Horrigan and the Company, each of Messrs. Horrigan and Alden was nominated for re-election at the Meeting as Class II Directors of the Company, to serve until our annual meeting of stockholders in 2017 and until his successor has been duly elected and qualified. You should read the section in this Proxy Statement titled "Certain Relationships and Related Transactions" Stockholders Agreement for a description of the material provisions of the Stockholders Agreement.

Each nominee for Class II Director of the Company has consented to be named in this Proxy Statement and to serve on our Board of Directors if elected. If, prior to the Meeting, any nominee should become unavailable to serve on our Board of Directors for any reason, the shares of our Common Stock represented by all properly executed proxies will be voted for such alternate individual as shall be nominated pursuant to the Stockholders Agreement.

We provide below certain information regarding each nominee for Class II Director of the Company and each Director of the Company whose term of office continues after the Meeting, including the individual's age (as of December 31, 2013), principal occupation and business experience during at least the last five years, other directorships currently held or held during the past five years, the year in which such individual was first elected a director of the Company and the experiences, qualifications, attributes or skills that each nominee and Director brings to our Board of Directors. We believe that each nominee and current Director brings a strong and unique background and set of skills to our Board of Directors, giving our Board of Directors as a whole competence and experience in a wide variety of areas, including relevant industry experience, executive management experience, public company board service experience and finance and accounting experience.

Mr. Lapekas brings to our Board of Directors extensive experience in the consumer goods packaging industry and has significant executive management experience and experience as a public company director.

Messrs. Horrigan and Alden were elected as Directors of the Company at our annual meeting of stockholders in 2011. Messrs. Allott and Lapekas were elected as Directors of the Company at our annual meeting of stockholders in 2012. Messrs. Silver and Jennings were elected as Directors of the Company at our annual meeting of stockholders in 2013. Mr. Jordan was nominated for election as a Director of the Company pursuant to the Stockholders Agreement to replace Jeffrey C. Crowe, who resigned as a Director of the Company in February 2014, and Mr. Jordan was elected as a Director of the Company in March 2014 by the unanimous vote of the Board of Directors of the Company pursuant to the Company's Amended and Restated Certificate of Incorporation, as amended.

Each of John W. Alden, William C. Jennings, Joseph M. Jordan and Edward A. Lapekas is an independent director, as defined in Rule 5605(a)(2) of the listing standards of the Nasdaq Stock Market. Jeffrey C. Crowe, who served as a Director of the Company during 2013 and until his resignation in February 2014, was an independent director as defined in Rule 5605(a)(2) of the listing standards of the Nasdaq Stock Market. The independent directors held four meetings during 2013 following regularly scheduled quarterly meetings of the Board of Directors, without the presence of management or any inside directors.

Our Board of Directors met five times and acted by written consent six times during 2013. Each of our Directors attended more than 75 percent of the aggregate of: (1) the total number of meetings of the Board of Directors held in 2013 during which he was a Director and (2) the total number of meetings held in 2013 by all committees of the Board of Directors on which he served during which he was a Director.

The Company does not have a policy with regard to director attendance at annual meetings of stockholders. Two of our Directors attended last year's annual meeting of stockholders.

Risk Oversight and Board Structure

Our Board of Directors as a whole is responsible for risk oversight for the Company. Our Board of Directors risk oversight process builds upon management's assessment of the Company's risks and processes for managing and mitigating such risks. At meetings of our Board of Directors, the executive officers of the Company regularly address and discuss with our Board of Directors risks of the Company and the manner in which the Company manages or mitigates its risks. While our Board of Directors has the ultimate responsibility for risk oversight for the Company, our Board of Directors works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, our Audit Committee focuses on financial reporting risks and related controls and procedures. Our Compensation Committee strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with the Company's strategy and objectives.

Our corporate governance documents provide our Board of Directors with flexibility to select the appropriate leadership structure for the Company. In making leadership structure determinations, our Board of Directors considers many factors. At this time, each of the positions of Co-Chairmen of the Board and Chief Executive Officer of the Company are held by different persons. Our Board of Directors has decided at this time to have different persons hold such positions largely due to the availability to the Company of multiple persons with many years of experience in the consumer goods packaging industry and extensive executive management experience with the Company. Our Co-Chairmen of the Board are co-founders of the Company and each has over thirty years of management experience in the packaging industry. With their experience, our Co-Chairmen of the Board effectively lead our Board of Directors in its fundamental role of overseeing the business and affairs of the Company.

As part of each regularly scheduled quarterly meeting of our Board of Directors, our independent Directors meet without the presence of management or inside directors. These meetings allow our independent Directors to discuss matters involving the Company without the presence of any member of management or any inside director.

Committees of the Board of Directors

Our Board of Directors has two standing committees. The principal responsibilities of each of the standing committees and the members of such committees are set forth below.

1. *Audit Committee.* The Audit Committee has the responsibility of overseeing the Company's financial reporting process on behalf of our Board of Directors. The functions performed by the Audit Committee are described in the section of this Proxy Statement titled "Report of the Audit Committee." During 2013, the Audit Committee held nine meetings and acted by written consent two times. The Audit Committee currently consists of Messrs. Jennings, Alden, Jordan and Lapekas, each of whom our Board of Directors has determined is independent as required by the written charter of the Audit Committee, the applicable listing standards of the Nasdaq Stock Market and the applicable rules of the Securities and Exchange Commission, or the SEC. All of our independent directors are members of the Audit Committee. Mr. Jennings is the Chairperson of the Audit Committee. In 2013, the Audit Committee consisted of Messrs. Jennings, Alden, Crowe and Lapekas. The Board of Directors has determined that each of Messrs. Jennings and Jordan meets the criteria of an audit committee financial expert under applicable rules of the SEC. Mr. Jennings' extensive background and experience includes leading the risk management and internal control consulting practice of PricewaterhouseCoopers LLP, serving as senior audit partner at Coopers & Lybrand and serving as Chief Financial Officer of Bankers Trust Company. Mr. Jordan's extensive background and experience includes serving as a financial services partner at KPMG and as a partner in KPMG's Department of Professional Practice specializing in SEC and PCAOB matters involving auditor independence and other regulatory matters.

2. *Compensation Committee.* Pursuant to its written charter, the Compensation Committee has the responsibility of reviewing and approving matters relating to the compensation of executive officers of the Company, as further described in the section of this Proxy Statement titled "Executive Compensation." In addition, pursuant to the terms of the Silgan Holdings Inc. 2004 Stock Incentive Plan, as amended, or the 2004 Stock Incentive Plan, the Compensation Committee is responsible for administering the 2004 Stock Incentive Plan, making awards and grants under the 2004 Stock Incentive Plan to officers and other key employees of the Company and its subsidiaries and setting performance goals and confirming performance levels in respect of performance awards made under the 2004 Stock Incentive Plan. Historically, the Compensation Committee in its discretion has periodically consulted with outside consultants (such as Frederic W. Cook & Co., Inc.) for certain matters regarding director and executive officer compensation, including setting up the 2004 Stock Incentive Plan, but it did not consult with outside consultants in 2013. The Compensation Committee held four meetings and acted by written consent once during 2013. The Compensation Committee currently consists of Messrs. Lapekas, Alden, Jennings and Jordan, each of whom is an independent director as required by the written charter of the Compensation Committee and the applicable listing standards of the Nasdaq Stock Market.

All of our independent directors are members of the Compensation Committee. Mr. Lapekas is the Chairperson of the Compensation Committee. In 2013, the Compensation Committee consisted of Messrs. Crowe, Alden, Jennings and Lapekas, and Mr. Crowe was the Chairperson of the Compensation Committee.

In November 2001, the Company and Messrs. Silver and Horrigan, our Co-Chairmen of the Board, entered into the Stockholders Agreement. You should read the section in this Proxy Statement titled "Certain Relationships and Related Transactions - Stockholders Agreement" for a description of the material terms of the Stockholders Agreement. Under the Stockholders Agreement, the Group (as defined in the Stockholders Agreement and generally including Messrs. Silver and Horrigan and their affiliates, family members, trusts and estates) has the contractual right to nominate for election all directors of the Company so long as the Group holds an aggregate of at least 14,306,180 shares of our Common Stock (as adjusted for the stock splits effected on September 15, 2005 and May 3, 2010). As of the date of this Proxy Statement, the Group held more than 14,306,180 shares of our Common Stock. In the very unlikely event that either of Messrs. Silver or Horrigan notifies our Board of Directors that the Group cannot agree on an individual for any nominee for director or if at least 45 days prior to our annual meeting of stockholders the Group fails to nominate for election at such annual meeting the requisite number of individuals to stand for election, then our Board of Directors has the right to nominate for director the number of individuals that the Group could not agree on as nominees or failed to nominate timely.

Accordingly, our Board of Directors does not have a nominating committee because the right to nominate all directors has been contractually granted to the Group, and our Board of Directors deems it very unlikely at this time that they would have to nominate for election any director. As a result, the Company does not have a nominating committee charter, does not have a policy to consider director candidates recommended by stockholders, does not have a policy regarding the composition or diversity of our Board of Directors and does not have a process for identifying or evaluating nominees for director. All nominees for Class II Director of the Company to be elected at the Meeting were nominated by the Group pursuant to the Stockholders Agreement.

Stockholder Communications with the Board of Directors

The Company's Board of Directors has a formal process for security holders to send communications to it. Security holders may send written communications addressed to the Board of Directors or to any specified Director of the Company by mail to the Company's office in Stamford, Connecticut. If the Company receives at its office in Stamford, Connecticut any such written communications, the Company will forward such written communications directly to all members of the Board of Directors or to such specified Director of the Company, as the case may be.

COMPENSATION OF DIRECTORS

Each of Messrs. Silver and Horrigan, our non-executive Co-Chairmen of the Board, is paid an annual retainer fee of \$100,000 for his service on our Board of Directors, plus reimbursement for business related travel and other reasonable out-of-pocket expenses. Additionally, the Company maintains an office for each of Messrs. Silver and Horrigan at its offices in Stamford, Connecticut and provides them with access to a shared assistant. Each of the other Directors of the Company who is not an officer or employee of the Company or any of its affiliates is paid an annual retainer fee of \$36,000 for service on our Board of Directors and a fee of \$2,000 for each meeting of our Board of Directors or committee thereof attended, plus reimbursement for business related travel and other reasonable out-of-pocket expenses. Additionally, each of our Directors (including our Co-Chairmen of the Board) who does not receive compensation as an officer or employee of the Company or any of our affiliates receives an annual equity based director award, on the first business day after our annual meeting of stockholders, having an aggregate fair market value of \$50,000 as of the date of grant. These awards are made in the form of restricted shares of our Common Stock or restricted stock units related to shares of our Common Stock, in the discretion of the Board of Directors, under the 2004 Stock Incentive Plan. Each of the members of the Audit Committee of our Board of Directors is also paid an annual retainer fee of \$12,000 for his service on the Audit Committee, and each of the chairpersons of the Audit and Compensation Committees of our Board of Directors is also paid an annual retainer fee of \$10,000 for his service as chairperson of such committee.

Mr. Allott, who is an officer and an employee of the Company, does not receive any annual retainer or meeting fees or any director awards under the 2004 Stock Incentive Plan.

The following table provides information concerning the compensation of Directors of the Company for the fiscal year ended December 31, 2013.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Stockholders Agreement

In November 2001, Messrs. Silver and Horrigan and the Company entered into the Stockholders Agreement. The Stockholders Agreement replaced in its entirety a previous stockholders agreement entered into among Messrs. Silver and Horrigan, the Company and the other parties thereto at the time of the initial public offering of shares of Common Stock of the Company on February 14, 1997.

Under the Stockholders Agreement, the Group (as defined in the Stockholders Agreement and generally including Messrs. Silver and Horrigan and their affiliates and related family transferees and estates) has the right to nominate for election all directors of the Company until the Group holds less than one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997. At least one of the Group's nominees must be either Mr. Silver or Mr. Horrigan during the three year period covering the staggered terms of our three classes of directors. On February 14, 1997, the Group held 28,612,360 shares of our Common Stock in the aggregate (as adjusted for the stock splits effected on September 15, 2005 and May 3, 2010), and, as of the date of this Proxy Statement, the Group held more than one-half of such number of shares of our Common Stock. Additionally, the Group has the right to nominate for election either Mr. Silver or Mr. Horrigan as a member of our Board of Directors when the Group no longer holds at least one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997 but beneficially owns at least 5% of our Common Stock. The Stockholders Agreement continues until the death or disability of both of Messrs. Silver and Horrigan.

If either Mr. Silver or Mr. Horrigan notifies our Board of Directors that the Group cannot agree on an individual for any of its nominees under the Stockholders Agreement or if at least 45 days prior to our annual meeting of stockholders the Group fails to nominate for election at such annual meeting the requisite number of individuals to stand for election to our Board of Directors at such annual meeting, then our Board of Directors has the right to nominate for election to our Board of Directors the number of individuals that the Group could not agree on as nominees or that the Group failed to nominate timely.

The provisions of the Stockholders Agreement could have the effect of delaying, deferring or preventing a change of control of the Company and preventing our stockholders from receiving a premium for their shares of our Common Stock in any proposed acquisition of the Company.

Review, Approval or Ratification of Transactions with Related Persons

Pursuant to its written charter, the Audit Committee of the Board of Directors of the Company is required to approve any related party transactions that are required to be disclosed under applicable securities rules. In evaluating any such proposed reportable transaction, the Audit Committee will consider the specific facts and circumstances of each transaction, which facts and circumstances will include the related person's interest in the transaction, whether the transaction is being negotiated on an arm's length basis, whether the terms of the transaction are fair to the Company and whether the terms of the transaction with the related person are no less favorable to the Company than could be obtained with a non-related third party under similar circumstances.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In this section of this Proxy Statement, we discuss the compensation for our executive officers, and we describe how we compensated each of our Chief Executive Officer, our Chief Financial Officer and our three other most highly compensated executive officers in 2013 based on total compensation, or, collectively, our Named Executive Officers. Our Named Executive Officers for the fiscal year ended December 31, 2013 were:

Robert B. Lewis, our Executive Vice President and Chief Financial Officer;

Adam J. Greenlee, our Executive Vice President and Chief Operating Officer;

Frank W. Hogan, III, our Senior Vice President, General Counsel and Secretary; and

Thomas J. Snyder, President of Silgan Containers.

Compensation Committee

The Compensation Committee is governed by a written charter approved by the Board of Directors of the Company. A copy of the written charter of the Compensation Committee is included in this Proxy Statement as Appendix A. Pursuant to the Compensation Committee's written charter, the Board of Directors of the Company has empowered the Compensation Committee to review and approve matters relating to the compensation of executive officers of the Company. Pursuant to its charter, the Compensation Committee is also responsible for administering the Company's equity compensation plans in which any executive officer of the Company participates (including the 2004 Stock Incentive Plan), including making awards and grants under such plans, setting performance goals for awards and grants as applicable under such plans, confirming performance levels as applicable in respect of performance awards made under such plans and interpreting and prescribing rules for administering such plans. The Compensation Committee also oversees and monitors the Company's compensation policies, practices and programs for executive officers of the Company in light of the compensation philosophy and objectives of the Company.

As required by its charter, the Compensation Committee must review and consider the outcome of any advisory vote of the stockholders of the Company at an annual meeting of stockholders regarding the compensation of the executive officers of the Company. In addition, the Compensation Committee is required to review and access the adequacy of its charter annually and recommend any proposed changes to its charter to the Board of Directors of the Company. In carrying out its responsibilities, the Compensation Committee has the authority, in its sole discretion, to retain and obtain advice of compensation consultants, legal counsel and other advisers, and the Company is required to provide funding therefor.

The Compensation Committee is comprised of four members, Messrs. Edward A. Lapekas, John W. Alden, William C. Jennings and Joseph M. Jordan. Mr. Lapekas serves as the Chairperson of the Compensation Committee. As required by its charter, all members of the Compensation Committee are (i) independent directors as required under the applicable rules of the Nasdaq Stock Market, (ii) outside directors for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, and (iii) non-employee directors for purposes of Rule 16b-3 of the Exchange Act.

In accordance with its charter, the Compensation Committee has reviewed and discussed with the Company's management this Compensation Discussion and Analysis and has recommended to the Board of Directors of the Company that this Compensation Discussion and Analysis be included in this Proxy Statement. The Compensation Committee has also reviewed and approved the Compensation Committee Report included in this Proxy Statement as required by its charter.

Compensation Philosophy

The Compensation Committee strives to establish a compensation program for the executive officers of the Company that meets the following objectives:

1. attracts and retains executive officers and provides fair compensation, taking into account responsibilities and the employment markets in which the Company and its subsidiaries compete;
2. rewards executive officers for achieving the Company's short-term business goals and long-term creation of stockholder value while at the same time not encouraging excessive risk taking; and
3. aligns the interests of the Company's executive officers and stockholders.

The components of the compensation program for all executive officers of the Company are base salary, annual cash incentive bonus and equity-based compensation consisting primarily of restricted stock units and performance awards of restricted stock units. The Compensation Committee believes that such form of equity-based compensation fosters more balanced risk taking because restricted stock units are more closely linked to ownership of stock than other equity-based compensation. By including a combination of cash and at-risk equity compensation, the Compensation Committee believes that the Company's executive compensation program is consistent with its business strategy and does not encourage its executive officers to take excessive risks that might threaten the long-term value of the Company. In addition, executive officers of the Company other than the Chief Executive Officer, or CEO, Chief Financial Officer, or CFO, and Chief Operating Officer, or COO, receive other benefits typically provided to officers (such as retirement benefits and medical benefits).

2013 Advisory Vote on Compensation of Named Executive Officers

At our annual meeting of stockholders in 2013, pursuant to an advisory vote our stockholders overwhelmingly approved the compensation provided to our Named Executive Officers in 2012, with approximately 99% of the votes cast approving such compensation. The Compensation Committee reviewed and considered the results of the advisory vote of our stockholders in 2013 on the compensation of our Named Executive Officers and did not implement any changes to the compensation of our Named Executive Officers as a result of such advisory vote of our stockholders.

Base Salary

The Compensation Committee endeavors to set base salaries for executive officers that enable the Company to attract and retain such officers and provide fair compensation taking into account relevant employment markets. The base salary for an individual executive officer is targeted such that the total compensation for such person is at a competitive level for individuals with similar responsibilities at manufacturing companies of a similar size, including packaging related companies, and, as relevant, in the applicable geographic area.

Generally, each executive officer's salary is reviewed on an annual basis by the Compensation Committee, and executive officer salaries may be adjusted based on: (i) a general increase associated with inflation in the cost of living; (ii) a change in the individual's responsibilities over the preceding years; and (iii) changes in competitive pay levels. In making such determinations, for the CEO and the CFO, the Compensation Committee has generally reviewed publicly available salary and other compensation information from the following packaging related companies: AEP Industries Inc.; AptarGroup, Inc.; Avery Dennison Corporation; Ball Corporation; Bemis Company Inc.; Crown Holdings, Inc.; Graphic Packaging Holding Company; Owens-Illinois, Inc.; Pactiv LLC; PolyOne Corporation; Rock-Tenn Company; Sealed Air Corporation; and Sonoco Products Company. Additionally, for the CEO and the CFO, the Compensation Committee has generally considered publicly available salary and other compensation information from the following other manufacturing companies: Acuity Brands, Inc.; Armstrong World Industries, Inc.; Boise Cascade Company; Carlisle Corporation; Cytec Industries Inc.; Ferro Corporation; Greif, Inc.; Jarden Corporation; MeadWestvaco Corporation; Olin Corporation; Packaging Corporation of America; Rockwood Holdings, Inc.; RPM International Inc.; Spartech Corporation; The Valspar Corporation; W.R. Grace & Co.; and Weyerhaeuser

Company. Although the Compensation Committee does not use benchmarking to determine any element of compensation, the Compensation Committee believes that it is important from time to time to review compensation information from other appropriate companies in order to gain a general understanding of the competitiveness of the Company's compensation program. For all other executive officers of the Company, the Compensation Committee reviews recommendations of the CEO of the Company and other information available to the Compensation Committee. For 2013, the salaries of each of Messrs. Allott, Lewis, Greenlee, Hogan and Snyder at year end 2012 were increased based on a general increase associated with inflation in the cost of living.

Annual Cash Bonuses under Incentive Programs

All executive officers of the Company are eligible to receive annual cash bonuses, which are provided to enable the Company to attract and retain such officers and provide fair compensation taking into account responsibilities and relevant employment markets. Additionally, the Compensation Committee uses annual cash bonuses for executive officers to reward them for achieving the Company's financial and non-financial goals. Executive officers of the Company are eligible for an annual cash bonus based on a percentage of their annual base salary, and that percentage is determined generally based on the person's responsibilities. In addition, the Compensation Committee may provide an executive officer with a cash bonus for a special assignment or in unusual circumstances where warranted.

Annual cash bonuses are paid to Mr. Allott under the Company's Senior Executive Performance Plan. Currently, Mr. Allott is the only person that is a participant in the Senior Executive Performance Plan. Pursuant to the Senior Executive Performance Plan, Mr. Allott could be eligible for an annual cash bonus of up to 200% of his annual base salary, with such maximum amount of Mr. Allott's annual cash bonus being set annually by the Compensation Committee. For 2013 and 2014, the Compensation Committee evaluated competitive data and approved a maximum annual cash bonus for Mr. Allott of up to 100% of his annual base salary. In setting the maximum amount of the annual cash bonus for Mr. Allott, the Compensation Committee bases its determination on its objective of retaining Mr. Allott and providing him with fair overall annual cash compensation taking into account his responsibilities and relevant employment markets.

At the beginning of each year, the Compensation Committee establishes a performance goal and a performance goal target for the Company for that year pursuant to the Senior Executive Performance Plan. Following such year, the Compensation Committee confirms the extent to which the performance goal target for such year was met. If the performance goal target was met, then the participant under the Senior Executive Performance Plan would receive the maximum amount of his annual bonus for which he was eligible for that year. If the performance goal target was not met, then the participant would receive a pro rata amount of the maximum amount of his annual bonus for which he was eligible for that year. For 2013, the performance goal established by the Compensation Committee under the Senior Executive Performance Plan was the earnings before interest, taxes, depreciation and amortization and rationalization charges, acquisition termination fees (net of related costs) and the impact from any foreign currency devaluations (Adjusted EBITDA) of the Company, and the performance goal target for the maximum amount of the annual bonus was the achievement in 2013 of the Adjusted EBITDA level of the Company for 2012 (\$499.2 million), with the manner for calculating the amount of Mr. Allott's annual bonus based on the following formula:

X multiplied by the Company's Adjusted EBITDA for 2013; with X being equal to a percentage,

the numerator of which is the maximum amount of Mr. Allott's annual bonus and the

denominator of which is the Company's Adjusted EBITDA for 2012.

The Company's Adjusted EBITDA for 2013 was \$506.8 million. Therefore, Mr. Allott received the maximum amount of his annual bonus for 2013 of 100% of his annual base salary for 2013 based on the Company's level of performance in 2013.

For 2014, the Compensation Committee set the performance goal for Mr. Allott under the Senior Executive Performance Plan as the Adjusted EBITDA of the Company in 2014 and the performance goal target for the

maximum amount of his annual bonus as the achievement of the Adjusted EBITDA level of the Company for 2013, with the manner for calculating the amount of his annual bonus being the same as in 2013. In setting the performance goal under the Senior Executive Performance Plan, the Compensation Committee chose earnings before interest, taxes, depreciation and amortization and rationalization charges of the Company because it believes that it is an important and accepted measure of performance of the Company, and the Compensation Committee decided to exclude acquisition termination fees (net of related costs) and the impact from any foreign currency devaluations from such calculation because such items are unusual, generally non-recurring and not indicative of the Company's operating results.

For 2013, each of Messrs. Lewis, Greenlee and Hogan was eligible to be paid an annual cash bonus, in an amount up to a maximum of 40% of his annual base salary, under a program, or the Holdings Executive Officer Program, which was approved by the Compensation Committee pursuant to which their annual cash bonuses were calculated on the same basis that an annual cash bonus was calculated for Mr. Allott under the Senior Executive Performance Plan. For 2014, the Compensation Committee approved an annual cash bonus program for each of Messrs. Lewis, Greenlee and Hogan pursuant to which each of them is eligible to receive an annual cash bonus in an amount up to a maximum of 40% of his annual base salary received in 2014, with the amount of such annual cash bonus being calculated on the same basis that an annual cash bonus is calculated for Mr. Allott for 2014 under the Senior Executive Performance Plan.

The Compensation Committee has established annual bonus programs applicable to Messrs. Allott, Lewis and Greenlee that are different from the annual cash bonus programs applicable to the other executive officers of the Company because Messrs. Allott, Lewis and Greenlee assist the Compensation Committee in establishing the annual cash bonus programs for the other executive officers of the Company, including setting financial and non-financial goals under such programs and determining whether goals were met under such programs. The Compensation Committee believes it is important that it receive an unbiased view from members of top management in establishing such programs, and believes that the best way to accomplish this objective is to not have those assessing such programs participate in them so that these individuals have no conflict of interest. Additionally, the objectives of the annual cash bonus programs for Messrs. Allott, Lewis, Greenlee and Hogan are to retain such individuals and provide them with fair overall annual cash compensation taking into account relevant employment markets, and such programs are not meant primarily as an award for short-term financial performance. The Compensation Committee believes that it is more advantageous for the Company that Messrs. Allott, Lewis, Greenlee and Hogan focus more on long-term creation of stockholder value rather than short-term goals. Accordingly, the Compensation Committee establishes a performance goal target with respect to annual bonuses payable to Messrs. Allott, Lewis, Greenlee and Hogan that, although not certain, should be attainable.

Annual cash bonuses are paid to participants in the incentive programs of the Company's business operations based upon the achievement of certain financial goals and certain non-financial goals, all as approved by the Compensation Committee. Participants in those programs, including those deemed to be executive officers of the Company, are viewed on a team basis for purposes of annual cash bonuses and establishing financial and non-financial goals. Mr. Snyder is the only Named Executive Officer who participated in an incentive program for one of the Company's business operations (U.S. metal containers) in 2013.

The financial goals for the Company's business operations for a given year are established at the beginning of such year by the CEO, CFO and COO, or the Holdings Executives, subject to approval of the Compensation Committee. Budgeted earnings before interest and taxes and rationalization charges, the foreign currency impact from certain intercompany agreements and the impact from any foreign currency devaluations and subject to further adjustment as determined by the Compensation Committee for unusual gains and losses (Adjusted EBIT) of the Company's business operations are used as the financial goal for the Company's business operations. Based on the recommendations of the Holdings Executives, the Compensation Committee determines the portion of annual cash bonuses that would be payable to managers of the business operations of the Company based on the financial goal. The Compensation Committee generally believes that at least a majority of the annual cash bonuses payable to managers of the Company's business operations should be based on a financial goal. The

table below sets forth the percentages for 2013 and 2014 of the annual cash bonuses for managers of the Company's business operations payable based on such operations' achievement of their financial goal under their incentive programs:

Business Operations	2013	2014
Metal containers (U.S.)	70%	70%
Metal containers (international)	80%	80%
Closures	80%	80%
Plastic containers	75%	75%

Non-financial goals for each of the Company's business operations for a given year are established at the beginning of the year by the Holdings Executives in conjunction with the managers of such business operations, subject to approval of the Compensation Committee. Such non-financial goals are generally items that both the Holdings Executives and the managers of the particular business operation desire additional attention during the year. Set forth below are the non-financial goals for our U.S. metal container operations for both 2013 and 2014 (which are applicable for Mr. Snyder):

management development;

market leadership;

operational leadership;

working capital management;

selling, general and administrative cost management; and

financial reporting and controls.

Set forth below are the non-financial goals for our international metal container operations for both 2013 and 2014:

market leadership (for 2014);

safety (for 2013; included in operational leadership for 2014);

working capital management;

operational leadership; and

financial reporting and controls.

Set forth below are the non-financial goals for our closures business for both 2013 and 2014:

market leadership;

operational leadership;

working capital management;

selling, general and administrative cost management; and

financial reporting and controls.

Set forth below are the non-financial goals for our plastic container operations for both 2013 and 2014:

management development (for 2014);

safety (for 2013; included in operational leadership for 2014);

working capital management;

market leadership;

operational leadership; and

financial reporting and controls.

Set forth below are the non-financial goals for our plastic food container operations for both 2013 and 2014:

working capital management;

market leadership;

operational leadership;

selling, general and administrative cost management; and

financial reporting and controls.

In determining levels of achievement by the Company's business operations of their non-financial goals, the Compensation Committee relies upon the subjective evaluations of Messrs. Allott, Lewis and Greenlee, as well as their own observations of the Company's business operations obtained from the reports given by the managers of such business operations at the regular quarterly meetings of the Board of Directors of the Company.

For 2013, managers of the Company's business operations were eligible for an annual target bonus ranging from 20% to 35% of their annual salary if applicable goals were met, with such percentage for any particular person being largely based on such person's responsibilities. The amount of the bonus of each such manager is determined by a formula which calculates such bonus based on the percentage that the actual applicable financial level achieved represents of the applicable financial goal and, when applicable, based on whether non-financial goals were met, and such managers can receive up to two times their target bonus amount if financial and non-financial goals of the applicable business operations are far exceeded. Generally, however, the Compensation Committee is of the view that non-financial goals, by their nature, are extremely hard to attain at a level warranting two times payment of the amount of the target bonus applicable to such non-financial goals, and therefore realistically managers can expect to receive between 50% and 150% of the amount of their target bonus applicable to such non-financial goals. For 2013, the percentages of the financial goals for our business operations that would have needed to have been achieved for a payment of two times the amount of the target bonus applicable to such financial goals ranged from 110% to 115% of such financial goals.

Mr. Snyder, as President of Silgan Containers, was eligible for an annual target bonus of 30% of his annual salary received in 2013 under the incentive program for our U.S. metal container operations. His bonus for 2013 was calculated as follows. For the portion of Mr. Snyder's bonus payable based upon the achievement of a financial goal (i.e., 70% of his annual target bonus of 30% of his annual salary, or 21% of his annual salary), the budgeted Adjusted EBIT for 2013 for the U.S. metal container operations was compared to the actual Adjusted EBIT for 2013 for the U.S. metal container operations. If the actual Adjusted EBIT of the U.S. metal container operations for 2013 was between 96% and 104% of the budgeted Adjusted EBIT for the U.S. metal container operations for 2013, then Mr. Snyder would have been entitled to 100% of the portion of his bonus payable based on the achievement of a financial goal for 2013 (i.e., 21% of his annual salary). If the actual Adjusted EBIT of the U.S. metal container operations for 2013 was less than 96% (but more than 90%) or greater than 104% (up to 110%) of the budgeted Adjusted EBIT for the U.S. metal container operations for 2013, then the portion of Mr. Snyder's bonus payable based on the achievement of a financial goal would have been adjusted on a pro rata basis on a sliding scale, as follows.

Percentage of Financial Goal Achieved	Percentage of Annual Salary to be Paid as a Bonus Based on Achievement of Financial Goal
--	--

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

90.0%	0%
96.0%	21%
100.0%	21%
104.0%	21%
110.0%	42%

For the portion of Mr. Snyder's bonus payable based on whether non-financial goals were met (i.e., 30% of his annual target bonus of 30% of his annual salary, or 9% of his annual salary), the Holdings Executives

determined the percentage (based on 100%) that such non-financial goals were met and recommended such percentage for the non-financial goals to the Compensation Committee for their approval. The approved percentage is then multiplied by such portion of the target bonus payable based on non-financial goals and such amount is added to the amount of the bonus payable for the financial goal achieved to determine the total bonus payable for 2013.

In 2013, the U.S. metal container operations achieved 96.5% of its budgeted Adjusted EBIT and 113.5% of its non-financial goals. Accordingly, the bonus amount payable to Mr. Snyder based on the achievement of a financial goal for 2013 was 21% of his annual salary received in 2013 per the chart above. The bonus amount payable to Mr. Snyder based on the achievement of non-financial goals was 10.22% of his annual salary received in 2012, calculated as follows:

$$113.5\% \times 9\% = 10.22\%$$

Therefore, Mr. Snyder's bonus for 2013 was the sum of the percentage payable for the financial goal and the percentage payable for the non-financial goals, or 31.22% (21% plus 10.22%) of his annual salary received in 2013 (which equates to approximately 104.1% of his annual target bonus of 30% of his annual salary received in 2013).

The officers of Silgan Holdings (other than Messrs. Allott, Lewis, Greenlee and Hogan), all of whom are also executive officers of the Company, are eligible to receive annual cash bonuses pursuant to an incentive program, or the Holdings Bonus Program, in which they participate and which is approved by the Compensation Committee. None of our Named Executive Officers participated in the Holdings Bonus Program in 2013. Bonuses under the Holdings Bonus Program are calculated on the basis of a weighted average of the levels of bonuses paid under the incentive programs of the Company's business operations, using each business operation's percentage of the overall Adjusted EBIT of the Company's business operations as the basis for weighting. Bonuses for such officers are thus determined by means of a pure mathematical calculation based on the weighted average of the levels of bonuses paid under the incentive programs of the Company's business operations once the bonus amounts under such incentive programs are determined. The officers participating in the Holdings Bonus Program are eligible for an annual target bonus of 30% of their annual salary, and they can receive up to two times their target bonus amount if the Company's business operations far exceed their applicable financial and non-financial goals. Generally, however, the Compensation Committee is of the view that non-financial goals, by their nature, are extremely hard to attain at a level warranting two times payment of the amount of the target bonus applicable to such non-financial goals, and therefore realistically such officers can expect to receive between 50% and 150% of the amount of their target bonus applicable to such non-financial goals.

The table below sets forth summary information for 2013 for our Named Executive Officers with regard to the incentive plan or program in which such individual participated, the bonus range, target bonus award and maximum bonus award as a percentage of salary for each such individual, the actual bonus award for each such individual and the actual bonus award as a percentage of salary for each such individual.

Equity Based Compensation

The Compensation Committee provides equity-based compensation to executive officers of the Company and its subsidiaries through awards under the 2004 Stock Incentive Plan that meet the Compensation Committee's objectives of attracting and retaining officers and aligning the interests of officers with those of the stockholders of the Company. The purpose of the 2004 Stock Incentive Plan is to promote the long-term success of the Company and the creation of stockholder value by (i) encouraging the attraction and retention of directors and officers and other key employees and (ii) linking directors and officers and other key employees of the Company directly to stockholder interests through stock ownership and appreciation. Although the Company encourages stock ownership by its officers and directors, the Company does not have any requirements or guidelines for stock ownership by its officers and directors.

The Compensation Committee is responsible for administering the 2004 Stock Incentive Plan. The Compensation Committee determines recipients of awards under the 2004 Stock Incentive Plan, approves awards, sets the terms and conditions of awards and interprets and prescribes rules for administering the 2004 Stock Incentive Plan. The 2004 Stock Incentive Plan provides for awards of stock options, stock appreciation rights, restricted stock, restricted stock units and performance awards.

Since 2005, the Compensation Committee has granted only restricted stock units and performance awards for restricted stock units under the 2004 Stock Incentive Plan. At this time, the Compensation Committee has determined to grant only restricted stock units and performance awards for restricted stock units under the 2004 Stock Incentive Plan because it believes that restricted stock units are more closely linked to ownership of stock.

as compared to stock options and stock appreciation rights, thereby aligning the interests of award recipients more closely with those of our stockholders.

The Compensation Committee's practice of granting restricted stock units under the 2004 Stock Incentive Plan is generally to make grants to newly hired individuals (including from acquisitions) and to individuals who are promoted and to grant performance awards annually to current officers and other key employees, all as described below. In addition, the Compensation Committee may make awards under the 2004 Stock Incentive Plan to officers and other key employees of the Company and its subsidiaries at other times and for other purposes, consistent with the terms of the 2004 Stock Incentive Plan.

In order to attract new officers and other key employees (including from acquisitions), the Compensation Committee will make grants of restricted stock units to such new individuals, which generally will vest ratably over a five-year period or all at once in a single installment at least three years from the date of grant. The number of restricted stock units that are granted to an individual will be determined by the Compensation Committee generally on the basis of what it believes is necessary to hire and retain such individual, taking into account the salary and bonus offered to such individual and the total nominal value of such restricted stock units. The Compensation Committee may also make grants of restricted stock units during the course of the year to officers who are promoted, largely on the basis of the nominal value of unvested restricted stock units of such individuals as compared to a targeted multiple of such individual's new annual base salary. The primary purpose of such equity awards is retention of the individual, and generally these restricted stock units will vest ratably over a five-year period. Typically, the Compensation Committee makes grants to newly hired individuals and persons who are promoted on only up to one business day during a fiscal quarter, generally at a regularly scheduled meeting of the Compensation Committee which generally follows the issuance by the Company of its quarterly earnings release. As a result, the practice of the Compensation Committee generally is to make grants on up to four dates during each year and, in addition, as applicable, in connection with certain acquisitions.

Additionally, in order to retain current officers and other key employees, the Compensation Committee annually reviews the nominal value of unvested restricted stock units of such persons. For each officer and other key employee of the Company, the Compensation Committee targets a multiple of such person's annual base salary as the level of the nominal value of unvested restricted stock units for each such person. The multiple for each individual is determined on the basis of the individual's anticipated long-term contribution to the Company. Within the first ninety days of each year, the Compensation Committee will fix and establish performance criteria for that year for potential grants of performance awards of restricted stock units in the following year. The minimum level of performance required to be attained for grants to be made in the following year is set by the Compensation Committee at a level that, although not certain, should be attainable because the primary purpose of these grants is retention. For the performance period that was the Company's 2013 fiscal year, the Compensation Committee established the Company's Adjusted EBITDA as the performance criteria and the minimum level of performance by the Company for 2013 for grants to be made in 2014 as 75% of the Company's Adjusted EBITDA level in 2012. At the time the performance criteria is set for a particular year, the Compensation Committee approves a maximum number of restricted stock units that may be granted to each individual in the following year if the minimum level of performance is attained. Then, following the end of a particular year if the minimum level of performance for that year is attained, the Compensation Committee will review the nominal value of the unvested restricted stock units previously granted to an individual and compare this to the individual's target multiple of salary. For each of Messrs. Allott, Lewis, Greenlee, Hogan and Snyder, the target multiple of salary is three times such person's salary. Generally, at its regularly scheduled meeting during the first quarter, the Compensation Committee will then consider performance awards of restricted stock units to individuals whose aggregate nominal value of unvested restricted stock units is less than their target multiple of salary so that the total nominal value of unvested restricted stock units approximates their target multiple of salary. Generally, any such restricted stock units so granted will vest ratably over a five-year period. In 2013, Messrs. Allott, Lewis, Greenlee, Hogan and Snyder were granted performance awards for 17,600 restricted stock units, 8,700 restricted stock units, 9,500 restricted stock units, 7,200 restricted stock units and 7,700 restricted stock units, respectively, on the basis described in this paragraph.

In addition, the Compensation Committee has granted performance awards for restricted stock units to Messrs. Allott, Lewis, Greenlee, Hogan and Snyder which vest all at once in a single installment at least three years from the date of grant. The primary purpose of these grants is to provide additional long-term compensation to such executive officers to keep them at competitive compensation levels and to do so in a manner that further augments the retention of such executive officers. Such grants have been subject to the attainment of performance criteria as established by the Compensation Committee, and such grants have been forfeitable in the event the Company does not attain such performance criteria. The performance criteria for such grants has generally been the Adjusted EBITDA of the Company for a particular year following such grant and the minimum level of performance required for such grant has been 75% of the Company's prior year Adjusted EBITDA level. In March 2013 on the basis described in this paragraph, Messrs. Lewis, Greenlee and Hogan were granted performance awards for 50,000, 50,000 and 25,000 restricted stock units, respectively, which, since the Company attained the applicable performance criteria for 2013, vest all at once in a single installment six years from the date of grant. In March 2014 on the basis described in this paragraph, Mr. Allott was granted a performance award for 200,000 restricted stock units which, so long as the Company attains the applicable performance criteria for 2014, vest all at once in a single installment five years from the date of grant.

Restricted stock units granted under the 2004 Stock Incentive Plan carry with them the right to receive dividend equivalents in an amount equal to all cash dividends paid on one share of Common Stock of the Company for each restricted stock unit while such restricted stock unit is outstanding and until such restricted stock unit vests. Such dividend equivalents for a restricted stock unit are accrued as dividends and are paid to the individual upon the vesting of such restricted stock unit. The Compensation Committee added dividend equivalent rights to restricted stock units to further align the interests of officers and other key employees of the Company and its subsidiaries with those of the stockholders of the Company.

Retirement and Other Benefits

The Company also provides retirement and other benefits to most of its executive officers for purposes of retention. Such benefits include pension, 401(k), supplemental retirement, medical, disability and life insurance benefits.

The Company does not provide retirement and other benefits to Messrs. Allott, Lewis and Greenlee, although they are eligible for group term life insurance benefits on the same general basis as all other U.S. employees of the Company and its subsidiaries, they can make contributions to the 401(k) plan without any matching contributions by the Company and they can participate in the medical benefits provided they pay 100% of their premiums. This approach allows Messrs. Allott, Lewis and Greenlee to assist the Compensation Committee in an unbiased manner in its oversight and review of these benefits.

The other officers of the Company (including Mr. Hogan) and the officers of Silgan Containers (including Mr. Snyder) participate in (i) if such officer was hired before 2007, the Silgan Containers Pension Plan for Salaried Employees, or the Silgan Containers Pension Plan (a defined benefit plan intended to be qualified as a pension plan under Section 401(a) of the Code), (ii) the Silgan Containers Retirement Savings Plan, or the Containers 401(k) Plan (a 401(k) plan which is intended to be qualified under Section 401(a) of the Code, which individuals can elect to participate in and which provides for matching contributions and in the case of certain individuals includes a potential profit sharing contribution), (iii) the Silgan Containers Supplemental Executive Retirement Plan, as amended, or the Containers Supplemental Plan (a non-qualified defined contribution plan that provides for contributions on behalf of participating individuals that are intended to make up for benefits not payable under the pension and 401(k) plans because of limits imposed by the Code), and (iv) medical benefits and group life insurance benefits generally available to all salaried employees on the same basis as they are available to all other salaried employees. Benefits under the Silgan Containers Pension Plan are based on the participant's average rate of base pay (or salary) over the final three years of employment, with increases to a participant's rate of base pay following January 1, 2007 (or the first January 1 the participant earned base pay, if later) capped at 3% per year for purposes of the Silgan Containers Pension Plan. The amount of average base pay

taken into account for any year is limited by Section 401(a)(17) of the Code, which imposes a cap of \$255,000 (to be indexed for inflation) on compensation taken into account for 2013. Benefits under the Silgan Containers Pension Plan are not subject to any deduction for social security or other offset amounts. The Silgan Containers Pension Plan was amended in 2006 to provide that salaried employees hired after 2006 are no longer eligible to participate in the Silgan Containers Pension Plan.

Perquisites and Other Personal Benefits

Generally, the Company does not provide its executive officers with any perquisites or other personal benefits.

Employment Agreements

Mr. Allott, President and Chief Executive Officer of the Company, entered into an employment agreement with the Company in April 2004. Mr. Allott's employment agreement provides for, among other things, a severance benefit if Mr. Allott is terminated by the Company without cause in an amount equal to the sum of (i) his then current annual salary plus (ii) his annual bonus, calculated at the then current maximum amount payable pursuant to the Senior Executive Performance Plan as previously approved by the Compensation Committee (for 2014, 100% of his then current annual salary).

Mr. Lewis, Executive Vice President and Chief Financial Officer of the Company, is entitled to a severance benefit, as provided in an employment letter from the Company dated June 30, 2004, if Mr. Lewis is terminated by the Company without cause in an amount equal to the sum of (i) his then current annual salary plus (ii) his annual bonus, calculated at the then current maximum bonus amount payable to him as previously approved by the Compensation Committee (for 2014, 40% of his then current annual salary).

Mr. Greenlee, Executive Vice President and Chief Operating Officer of the Company, is entitled to a severance benefit, as provided in an employment letter from the Company dated October 1, 2007, if he is terminated by the Company without cause in an amount equal to the sum of (i) his then current annual salary plus (ii) his annual bonus, calculated at the then current maximum bonus amount payable to him as previously approved by the Compensation Committee (for 2014, 40% of his then current annual salary).

Tax Deductibility

Section 162(m) of the Code disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1 million in any taxable year to an individual who, on the last day of the taxable year, was (i) the chief executive officer or (ii) among the three other most highly compensated executive officers (other than the chief executive officer or chief financial officer) employed by such corporation (or a member of its affiliated group), and allows an exception for performance-based compensation which does not count towards the \$1 million limit if certain requirements are met. The Company's intention is to maximize the tax deductibility of its compensation programs. However, because the Company believes that the use of prudent judgment in determining compensation levels is in the best interests of the Company and its stockholders, under some circumstances it may determine to pay amounts of compensation that may not be fully deductible. The Company reserves the right to use prudent judgment in establishing compensation policies to attract and retain qualified executives to manage the Company and to reward such executives for outstanding performance, while taking into consideration the financial impact of such actions on the Company.

Hogan and Snyder represents contributions for 2013 by the Company (in the case of Mr. Hogan) and by Silgan Containers (in the case of Mr. Snyder) to the Containers Supplemental Plan. These amounts are included in column (i) "All Other Compensation" for Messrs. Hogan and Snyder, respectively, in the Summary Compensation Table.
- (3) The amount in column (d) for each of Messrs. Hogan and Snyder consists of the appreciation and earnings on his account under the Containers Supplemental Plan. Since this amount does not constitute above-market earnings, none of these amounts are included in the Summary Compensation Table.

Potential Payments Upon Termination or Change of Control

Potential Payments Upon Termination

In the event that a Named Executive Officer's employment is terminated for any reason, such person is entitled to receive amounts earned through the date of termination, including salary, amounts contributed under the applicable 401(k) plan (including, to the extent applicable, contributions made by the Company or a subsidiary of the Company that are vested), unused vacation pay and, in the case of Messrs. Hogan and Snyder, accrued and vested benefits under and pursuant to the applicable pension plan and supplemental executive retirement plan.

If termination of a Named Executive Officer's employment is not voluntary, such person may exercise any stock options granted to him under the 2004 Stock Incentive Plan (but only if such involuntary termination was without cause) that had become exercisable as of the date of termination for a period up to 90 days after the date of termination, or in the event of death or disability, for a period of up to one year after the date of termination. As of December 31, 2013, there were no outstanding stock options held by any of our employees, including any of our Named Executive Officers. Upon termination of employment for any reason, all stock options and restricted stock units of a Named Executive Officer that are unvested are forfeited except as described in the section below titled "Potential Payments Upon Change of Control." In addition, if such termination is not voluntary, such person is entitled to receive a pro rata amount of his bonus for the year in which such person is terminated.

In addition to the foregoing, each of our Named Executive Officers is entitled to the following:

In the event that his employment is terminated without cause, Mr. Allott is entitled to a lump sum severance benefit equal to his then current annual salary plus his annual bonus (calculated at then current maximum amount payable as previously approved by the Compensation Committee).

In the event that his employment is terminated without cause, Mr. Lewis is entitled to a lump sum severance benefit equal to his then current annual salary plus his annual bonus (calculated at then current maximum amount payable as previously approved by the Compensation Committee).

In the event that his employment is terminated without cause, Mr. Greenlee is entitled to a lump sum severance benefit equal to his then current annual salary plus his annual bonus (calculated at then current maximum amount payable as previously approved by the Compensation Committee).

In the event that his employment is terminated without cause, Mr. Hogan is entitled to a lump sum severance benefit equal to his then current annual salary.

In the event that his employment is terminated without cause, Mr. Snyder is entitled to a lump sum severance benefit equal to his then current annual salary.

The following table sets forth the potential payments to each Named Executive Officer if such officer had been terminated without cause on December 31, 2013.

<u>(a)</u> Name	<u>(b)</u> Severance Payment\$(1)
Anthony J. Allott	\$1,851,968
Robert B. Lewis	\$ 791,966
Adam J. Greenlee	\$ 791,966
Frank W. Hogan, III	\$ 400,043
Thomas J. Snyder	\$ 461,250

- (1) The amounts in column (b) consist of salary at each person's annual salary rate at the end of 2013 plus in the case of each of Messrs. Allott, Lewis and Greenlee a bonus for 2013 at the maximum amount payable to him as described above.

Potential Payments Upon Change of Control

The Company does not have any agreement or other arrangement with any of our Named Executive Officers in the event of a change of control involving the Company, other than in respect of outstanding stock options and restricted stock units granted under the 2004 Stock Incentive Plan. For stock options and restricted stock units granted under the 2004 Stock Incentive Plan, upon a change of control all such stock options shall become exercisable and all such restricted stock units shall become vested unless the acquiring or surviving corporation assumes such stock options and/or restricted stock units. In such case, if the employment of a holder of any such assumed stock option or restricted stock unit, including a Named Executive Officer, is terminated without cause within 24 months of such change of control, then all such assumed stock options of such holder shall become immediately exercisable and all such assumed restricted stock units of such holders shall become immediately vested. Notwithstanding the foregoing, the 2004 Stock Incentive Plan provides that the applicable award agreement shall govern the treatment of an award upon a change in control, which may differ from the foregoing, and any such provision for a change in control shall be in a manner consistent with the provisions of Section 409A of the Code.

Based upon a price per share of \$48.02 (the closing sales price of a share of our Common Stock on December 31, 2013, the last business day of 2013 as quoted by the Nasdaq Global Select Market System) and the number of restricted stock units held by our Named Executive Officers that were unvested as of December 31, 2013 (information concerning such unvested restricted stock units is provided in the Outstanding Equity

Awards

37

at Fiscal Year-End Table), we estimate the value related to the immediate vesting of these unvested restricted stock units held by each of our Named Executive Officers upon a change of control involving the Company (assuming the acquiring or surviving corporation does not assume the outstanding restricted stock units under the 2004 Stock Incentive Plan) to be as follows:

<u>(a)</u>	<u>(b)</u>
<u>Name</u>	Value Related to Immediate Vesting of Unvested Restricted Stock
	Units \$(1)
Anthony J. Allott	\$7,716,814
Robert B. Lewis	\$8,371,807
Adam J. Greenlee	\$8,352,599
Frank W. Hogan, III	\$4,418,800
Thomas J. Snyder	\$2,855,269

- (1) As of December 31, 2013, there were no outstanding stock options held by any of our employees, including any of our Named Executive Officers.

PROPOSAL 2: REAPPROVAL OF THE MATERIAL TERMS OF THE PERFORMANCE

GOALS UNDER THE SILGAN HOLDINGS INC. 2004 STOCK INCENTIVE PLAN, AS AMENDED

You are being asked to reapprove the material terms of the performance goals under the Silgan Holdings Inc. 2004 Stock Incentive Plan, as amended. A copy of the 2004 Stock Incentive Plan is included in this Proxy Statement as Appendix B.

Section 162(m) of the Code, or Section 162(m), imposes limitations on the amount of compensation expense that a publicly held corporation may deduct for federal income tax purposes. In general, the Company may not deduct compensation in excess of \$1 million paid in a taxable year to an individual who, on the last day of the taxable year, was (i) the Chief Executive Officer of the Company or (ii) among the three other most highly compensated executive officers of the Company (other than the Chief Executive Officer or Chief Financial Officer of the Company). However, compensation that qualifies as performance-based is not subject to this deduction limitation. Awards made pursuant to the 2004 Stock Incentive Plan may constitute performance-based compensation that is not subject to the deductibility limitation of Section 162(m). Since the Compensation Committee, which administers the 2004 Stock Incentive Plan, has the authority to change the targets under the performance goals set forth in the 2004 Stock Incentive Plan, our stockholders must approve the material terms of the performance goals under the 2004 Stock Incentive Plan every five years. The material terms of the performance goals under the 2004 Stock Incentive Plan were last approved by our stockholders in 2009. At the Meeting, the Company is seeking reapproval by our stockholders of the material terms of the performance goals under the 2004 Stock Incentive Plan.

This proposal does not seek to increase the number of shares of our Common Stock that can be issued pursuant to awards under the 2004 Stock Incentive Plan and does not seek to alter the terms of the 2004 Stock Incentive Plan in any manner.

Vote Required

Stockholder reapproval of the material terms of the performance goals under the 2004 Stock Incentive Plan requires the favorable vote of a majority of the votes cast at the Meeting. If stockholders do not reapprove the material terms of the performance goals under the 2004 Stock Incentive Plan, the Company will not be able to award performance-based compensation under the 2004 Stock Incentive Plan that complies with the exception to the Section 162(m) deduction limitation after the Meeting.

Description of the Material Terms of the Performance Goals under the 2004 Stock Incentive Plan

The material terms of the performance goals used to determine compensation payable under the 2004 Stock Incentive Plan include: (i) the class of employees eligible to receive awards under the 2004 Stock Incentive Plan; (ii) the maximum amount of awards that can be paid during a specified period to any senior executive under the 2004 Stock Incentive Plan; and (iii) the types of business criteria on which the payments of such awards are based. A description of these material terms of the performance goals is provided below, which is qualified in its entirety by the actual provisions of the 2004 Stock Incentive Plan, included in this Proxy Statement as Appendix B.

Participants

The Compensation Committee retains the sole discretion to select or approve the selection of employees to receive awards under the 2004 Stock Incentive Plan. Each of the approximately 55 officers and other key employees of the Company and its consolidated subsidiaries is potentially eligible to receive awards under the 2004 Stock Incentive Plan. Currently, each of the non-employee directors of the Company receives restricted shares or restricted stock units under and in accordance with the 2004 Stock Incentive Plan. We currently have six non-employee directors.

Award Limitations

No more than 900,000 shares of our Common Stock in the aggregate may be granted to any employee in any period of 36 consecutive months pursuant to stock options and stock appreciation rights. In addition, no more than 450,000 shares of our Common Stock in the aggregate may be awarded to any one employee during any period of 36 consecutive months pursuant to awards of restricted shares or restricted stock units or otherwise pursuant to performance awards. Each of the foregoing maximum aggregate number of shares of our Common Stock set forth in this paragraph is subject to adjustment in the event of a stock split, stock dividend, reclassification or similar event.

The limits described above are not intended to indicate that all of these awards are or will be made, or that awards are or will be made up to these limits.

Performance Criteria

A performance award under the 2004 Stock Incentive Plan is an award of restricted shares or restricted stock units where the grant of the award, or the vesting of the award, is subject to the attainment of specified performance goals. The Compensation Committee sets performance goals over periods that it selects in advance, which cannot be shorter than twelve months, and after the end of each period the Compensation Committee confirms the extent to which those goals are attained. The performance goals are based on the attainment by the Company, or by one or more business units or subsidiaries of the Company, of specified levels of performance criteria, which may include one or more of the following:

pre-tax or after-tax income;

earnings per share;

income from operations;

earnings before interest expense and provision for income taxes (EBIT);

earnings before interest expense, provision for income taxes, depreciation and amortization expenses (EBITDA);

net income;

revenue growth;

economic value added (EVA);

return on net or total assets;

free cash flow from operations;

free cash flow per share;

return on invested capital;

return on stockholders' equity;

expense reduction;

working capital;

total stockholder return; and

performance of the Company's stock price.

The Compensation Committee determines whether to measure performance under these criteria in absolute terms or in comparison to the performance of other corporations. In applying these criteria to a particular period, the Compensation Committee may, in its discretion, exclude the impact of the following: unusual or infrequently

occurring charges (including, without limitation, the impact from any foreign currency devaluations and acquisition termination fees (net of related costs)); the amount of all charges and expenses incurred or income earned in connection with any refinancing, restructuring, rationalization, recapitalization or reorganization; the cumulative effect of accounting changes; discontinued operations; and any business units, divisions, subsidiaries or other entities sold or acquired. Notwithstanding the attainment of the performance goals for a particular period, the Compensation Committee may decrease the amount payable under any individual's performance award, as long as that action does not increase the payment to any other holder of a performance award.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE REAPPROVAL OF THE MATERIAL TERMS OF THE PERFORMANCE GOALS UNDER THE SILGAN HOLDINGS INC. 2004 STOCK INCENTIVE PLAN, AS AMENDED.

We are providing a brief summary of the other material terms of the 2004 Stock Incentive Plan below, which is also qualified in its entirety by the actual provisions of the 2004 Stock Incentive Plan, included in this Proxy Statement as Appendix B.

Description of the Other Material Terms of the 2004 Stock Incentive Plan

Purpose

The purpose of the 2004 Stock Incentive Plan is to promote the long-term success of the Company and the creation of stockholder value by (i) encouraging officers and other key employees and outside directors of the Company to focus on critical long-range objectives, (ii) encouraging the attraction and retention of officers and other key employees and outside directors with exceptional qualifications, and (iii) linking officers and other key employees and outside directors of the Company directly to stockholder interests through increased stock ownership.

Awards

The 2004 Stock Incentive Plan provides for awards of stock options, stock appreciation rights, restricted stock, restricted stock units and performance awards. As of the first business day following the day of each annual meeting of our stockholders (including the Meeting), each non-employee director is awarded either restricted shares of our Common Stock or restricted stock units related to shares of our Common Stock, with an aggregate fair market value of \$50,000 as of the date of grant, rounded down to the nearest number of whole shares or whole stock units.

Administration

The Compensation Committee is responsible for administering the 2004 Stock Incentive Plan. The Compensation Committee selects or approves award recipients, sets the terms and conditions of awards, makes adjustments to outstanding awards and to the share reserve as permitted by the 2004 Stock Incentive Plan, interprets the 2004 Stock Incentive Plan and prescribes rules for administering the 2004 Stock Incentive Plan. While the Compensation Committee is permitted to amend outstanding awards, it is not permitted to reduce the exercise price of any outstanding stock option or stock appreciation right without obtaining approval of our stockholders.

Transfer

Awards may not be transferred by a participant other than by will or the laws of descent and distribution, except that restricted shares may be freely transferred after the restrictions lapse or are satisfied and shares of Common Stock are delivered.

Amendment and Termination

The 2004 Stock Incentive Plan may be amended or terminated by the Board of Directors at any time without stockholder approval, except that any material revision to the terms of the 2004 Stock Incentive Plan requires stockholder approval before it can be effective. A revision is material for this purpose if, among other changes, it materially increases the number of shares of our Common Stock that may be issued under the 2004 Stock Incentive Plan (other than an increase pursuant to an adjustment for stock splits, stock dividends or other events permitting adjustments under the 2004 Stock Incentive Plan), changes the types of awards under the 2004 Stock Incentive Plan, materially expands the class of persons eligible to receive awards under the 2004 Stock Incentive Plan, materially extends the term of the 2004 Stock Incentive Plan, materially decreases the exercise price at which stock options or stock appreciation rights may be granted in the future, reduces the exercise price of outstanding stock options or stock appreciation rights, or results in the replacement of outstanding stock options or stock appreciation rights with awards that have a lower exercise price. No amendment of the 2004 Stock Incentive Plan can adversely affect the rights of any holder of an outstanding award without the holder's written consent.

Effective Date; Termination

The 2004 Stock Incentive Plan was initially approved and adopted by our Board of Directors and Compensation Committee effective as of April 12, 2004, and approved by our stockholders at our annual meeting of stockholders on May 27, 2004. Our Board of Directors subsequently approved and adopted an amendment to the 2004 Stock Incentive Plan effective as of March 15, 2005, and our stockholders approved that amendment to the 2004 Stock Incentive Plan at our annual meeting of stockholders on May 23, 2005. Our Board of Directors subsequently approved and adopted a second amendment to the 2004 Stock Incentive Plan effective as of April 9, 2009, and our stockholders approved that second amendment to the 2004 Stock Incentive Plan at our annual meeting of stockholders on May 26, 2009.

If not terminated earlier by the Board of Directors, the 2004 Stock Incentive Plan will automatically terminate on May 27, 2016. No awards may be granted under the 2004 Stock Incentive Plan after it is terminated, but any previously granted awards will remain in effect until they expire in accordance with the terms of the 2004 Stock Incentive Plan and the applicable award agreements.

Deferral

The Compensation Committee may permit a participant to defer receipt of any cash that otherwise would be paid as a result of the exercise of a stock appreciation right or of any Common Stock that otherwise would be delivered as restricted shares or as a result of the exercise of a stock option or stock appreciation right or the settlement of restricted stock units. The Compensation Committee may also prescribe rules for the treatment of deferred amounts in the event of a participant's termination of service. A deferral may be credited with dividend equivalents, interest or other forms of investment return, as determined by the Compensation Committee. Any dividend equivalents provided on the deferral amounts are paid immediately to the participant. A participant does not have voting rights with respect to deferred shares of Common Stock until the shares are distributed to the participant.

Change in Control

In the event of a change in control of the Company, as defined in the 2004 Stock Incentive Plan, all outstanding stock options and stock appreciation rights will become vested and exercisable, unless the acquiring or surviving corporation assumes those awards or substitutes its own stock for the shares underlying the awards. A change in control will also result in the waiver of all restrictions with respect to outstanding restricted shares and restricted stock units. Any performance awards that have been earned but remain unvested will immediately become vested unless the acquiring or surviving corporation assumes the performance awards or substitutes its own stock for the shares underlying the awards.

A participant's assumed or substituted stock options, stock appreciation rights, restricted shares, restricted stock units and performance awards will immediately vest if the participant's service with the Company or the acquiring or surviving corporation is terminated involuntarily without cause within 24 months after the change in control.

Unless an award provides otherwise, any amounts credited to a deferred compensation account will continue to be deferred following a change in control if our Common Stock continues to be publicly traded. If our Common Stock is not publicly traded following the change in control, the full value of the deferred amounts will be settled in cash and immediately distributed to the participant.

Federal Income Tax Consequences

The following is a brief summary of the current principal United States federal income tax consequences of the grant, exercise and disposition of awards under the 2004 Stock Incentive Plan. This summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign tax consequences.

Awards

A participant does not recognize any income at the time a stock option or stock appreciation right is granted. When a stock option is exercised, the holder recognizes ordinary income in an amount equal to the excess of the fair market value of shares of Common Stock received as of the date of exercise over the exercise price. When a stock appreciation right is exercised, the holder recognizes ordinary income in an amount equal to the cash received or, if the right is paid in shares of Common Stock, the fair market value of our Common Stock received as of the date of exercise.

A participant does not recognize any income at the time restricted shares of our Common Stock are granted. In the year in which restrictions on restricted shares lapse, the participant recognizes ordinary income in an amount equal to the excess of the fair market value of the shares on the date of vesting over the amount, if any, that the participant paid for the shares. A participant may, however, elect within 30 days after receiving restricted shares to recognize ordinary income in the year of receipt instead of the year of vesting. If an election is made, the amount of income recognized by the participant is equal to the excess of the fair market value of the shares on the date of receipt over the amount, if any, the participant paid for the shares.

A participant does not recognize any income at the time a restricted stock unit is granted. When payment on a restricted stock unit is made, the participant recognizes ordinary income in an amount equal to the fair market value of the shares of Common Stock received.

A participant does not recognize any income at the time a performance award is granted. To the extent a performance award is paid in restricted shares, a participant recognizes compensation income in the year in which the award vests and in the amount of the fair market value of the shares of Common Stock as of the vesting date. To the extent a performance award is paid in restricted stock units, a participant recognizes compensation in the year of payment in the amount of the fair market value of the shares of Common Stock as of the payment date.

Subject to the deduction limitations of Section 162(m), the Company will be entitled to a tax deduction with respect to an award at the same time and in the same amount as the participant recognizes income.

Code Section 162(m)

With certain exceptions, Section 162(m) limits the Company's deduction for compensation in excess of \$1 million paid to covered employees. Compensation paid to covered employees is not subject to the deduction limitation, however, if it is considered performance-based compensation within the meaning of Section 162(m),

as described in the introductory paragraphs to this proposal. Subject to the reapproval by our stockholders of the material terms of the performance goals thereunder, the 2004 Stock Incentive Plan allows the Company to grant stock options, stock appreciation rights and awards of restricted shares and restricted stock units that are performance-based compensation, which would be deductible for federal income tax purposes by the Company.

Code Section 409A

Awards that result in the deferral of compensation are subject to ordinary income tax and penalties in the year of vesting unless they satisfy the requirements of Section 409A of the Code. It is the intent of the Company to structure awards and administer the 2004 Stock Incentive Plan in a manner that complies with the requirements of Section 409A.

New Plan Benefits

The awards that will be granted in the future under the 2004 Stock Incentive Plan are not currently determinable, other than awards to non-employee directors. The following table sets forth information with respect to awards to be granted to non-employee directors under the 2004 Stock Incentive Plan each year.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is governed by a written charter approved by the Company's Board of Directors. A copy of the written charter of the Audit Committee was filed as Appendix A to the Company's Proxy Statement on Schedule 14A filed with the SEC on April 25, 2013. In accordance with the written charter of the Audit Committee, the applicable listing standards of the Nasdaq Stock Market and the applicable rules of the SEC, all members of the Audit Committee are independent. The Audit Committee held nine meetings during 2013.

The Audit Committee provides assistance to the Board of Directors of the Company in fulfilling its oversight responsibility relating to the Company's consolidated financial statements and financial reporting process, systems of internal accounting and financial controls, internal audit activities and compliance with legal and regulatory requirements relating to accounting and financial reporting matters and the annual independent audits of the Company's consolidated financial statements and the effectiveness of the Company's internal control over financial reporting. Management of the Company is responsible for the consolidated financial statements and reporting process of the Company, including maintaining effective internal control over financial reporting and assessing the effectiveness of the Company's internal control over financial reporting. Ernst & Young LLP, the independent registered public accounting firm of the Company, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The independent registered public accounting firm is also responsible for auditing the effectiveness of the Company's internal control over financial reporting. The Audit Committee's responsibility is to oversee these audits and the financial reporting process of the Company.

In fulfilling its oversight responsibilities, the Audit Committee discussed with management, the Company's internal auditors and the Company's independent registered public accounting firm the overall scope and plans for the Company's audits. The Audit Committee met with the Company's internal auditors and independent registered public accounting firm, with and without management present, to discuss the Company's audits, the Company's consolidated financial statements and the effectiveness of the Company's internal control over financial reporting. The Audit Committee also reviewed and discussed with management and the Company's independent registered public accounting firm the audited consolidated financial statements of the Company included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013. Additionally, the Audit Committee reviewed with management its report on its assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's report on the effectiveness of the Company's internal control over financial reporting.

The Audit Committee has received the written disclosures and the letter from the Company's independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding such firm's communications with the Audit Committee concerning independence, and has discussed with the Company's independent registered public accounting firm such firm's independence. The Audit Committee has also considered the compatibility of nonaudit services with such firm's independence. Additionally, in assessing such firm's independence, the Audit Committee reviewed the amount of fees paid to the Company's independent registered public accounting firm for audit and nonaudit services.

The Audit Committee has also discussed with the Company's independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors of the Company that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the SEC.

The Audit Committee is also directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm of the Company. Accordingly, the Audit Committee has approved, subject to stockholder ratification, the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014.

The Audit Committee has adopted a formal policy, consistent with its written charter, that requires its approval in advance for any audit, audit-related, tax and other services to be performed by the Company's independent registered public accounting firm. Pursuant to its formal policy, the Audit Committee approved in advance all audit, audit-related, tax and other services performed by the Company's independent registered public accounting firm in 2013. This policy provides that the Audit Committee may delegate to any of its members the authority to approve in advance any audit and nonaudit services to be performed by the Company's independent registered public accounting firm, and, in such case, requires such member to report any decisions to the Audit Committee at its next scheduled meeting.

**PROPOSAL 3: RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Appointment of Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors of the Company has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014. The Board of Directors of the Company is requesting ratification of this appointment by the stockholders of the Company. It should be noted however that, even if this appointment is ratified by the stockholders of the Company, the Audit Committee in its discretion may replace the Company's independent registered public accounting firm and appoint a new independent registered public accounting firm for the Company at any time during the year if it determines that such a change would be in the best interests of the Company.

A representative of Ernst & Young LLP is expected to be present at the Meeting and to be available to respond to appropriate questions from those attending the Meeting, but is not otherwise expected to make a statement.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2014.

PROPOSAL 4: ADVISORY VOTE TO APPROVE

COMPENSATION OF NAMED EXECUTIVE OFFICERS

At our annual meeting of stockholders in 2011, for the advisory vote on the frequency of future advisory votes on the compensation of the Company's Named Executive Officers, a frequency of every year received a majority of the votes cast at such meeting. In light of this result and other factors considered by the Board of Directors of the Company, the Board of Directors of the Company decided that the Company will hold an advisory vote on the compensation of its Named Executive Officers each year at its annual meeting of stockholders until the next required advisory vote on the frequency of the same, which is no later than the Company's annual meeting of stockholders in 2017. Accordingly, pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we are including in this Proxy Statement an advisory vote on the compensation of our Named Executive Officers as described in this Proxy Statement (commonly referred to as a "Say-on-Pay").

You should read the section of this Proxy Statement entitled "Executive Compensation" for a description of the compensation provided to our Named Executive Officers. The Company's executive compensation program provides base salaries and annual cash incentive bonuses that enable the Company to attract and retain such executives and provide fair compensation to them taking into account responsibilities and relevant employment markets. The Company's executive compensation program also provides equity-based compensation consisting primarily of performance awards of restricted stock units, which the Company believes fosters more balanced risk taking because restricted stock units are more closely linked to ownership of stock than other equity-based compensation. In addition, the Company provides modest retirement and other benefits primarily for purposes of retention to its executives other than Messrs. Allott, Lewis and Greenlee. Messrs. Allott, Lewis and Greenlee generally are not provided with any retirement or other benefits, thereby allowing them to assist the Compensation Committee in an unbiased manner in its oversight and review of such benefits.

Overall, the Board of Directors believes the compensation program for our Named Executive Officers attracts and retains them by providing fair compensation, rewards them for achieving short-term business goals and long-term creation of stockholder value while at the same time not encouraging excessive risk taking, and aligns their interests with the interests of our stockholders. The Board of Directors believes the compensation program for our Named Executive Officers strikes the appropriate balance between utilizing responsible, measured compensation practices and effectively incentivizing our executives to focus on long-term value creation for stockholders. Additionally, the Board of Directors believes that total compensation, as shown in the Summary Compensation Table, for any Named Executive Officer should be considered over a longer period of time than one year as a result of the fact that equity based awards may be granted in an uneven manner in one year as compared to another year based on the practices of the Compensation Committee in granting equity based awards as described in the section of this Proxy Statement titled "Compensation Discussion and Analysis - Equity Based Compensation." Accordingly, the Board of Directors strongly endorses the Company's compensation for our Named Executive Officers and recommends that the stockholders of the Company vote in favor of the following resolution:

RESOLVED, that the compensation provided to the Company's Named Executive Officers, as described in this Proxy Statement in the section entitled "Executive Compensation," including the Compensation Discussion and Analysis, compensation tables and the accompanying narrative disclosures, is hereby approved, on an advisory basis, by the stockholders of the Company.

Because this vote is advisory, it will not be binding upon the Company, and neither the Board of Directors nor the Compensation Committee will be required to take any action as a result of this vote. The Compensation Committee will consider the outcome of this vote when reviewing compensation matters in the future.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS OF THE COMPANY.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and officers and persons holding more than ten percent of a registered class of our equity securities to file with the SEC initial reports of ownership, reports of changes in ownership and annual reports of ownership of Common Stock and other equity securities of the Company. These directors, officers and ten percent stockholders are also required to furnish us with copies of all such filed reports.

Based solely upon a review of the copies of reports furnished to us and/or representations that no reports were required, we believe that all of our directors, officers and ten percent stockholders complied with all filing requirements under Section 16(a) of the Exchange Act in 2013.

However, persons named in the accompanying proxy card shall have authority to vote such proxy as to any other matters that properly come before the Meeting and as to matters incidental to the conduct of the Meeting in accordance with their discretion.

SILGAN HOLDINGS INC.
CHARTER OF THE
COMPENSATION COMMITTEE
OF THE
BOARD OF DIRECTORS

Purpose

This Charter governs the operations of the Compensation Committee (the Compensation Committee) of the Board of Directors of Silgan Holdings Inc. (the Company). The Board of Directors of the Company has established the Compensation Committee and has empowered the Compensation Committee to review and approve matters relating to the compensation of all executive officers of the Company, including the Chief Executive Officer of the Company. Pursuant to the terms of the Company's 2004 Stock Incentive Plan, as amended (the 2004 Stock Incentive Plan), the Compensation Committee is also responsible for administering the 2004 Stock Incentive Plan, including making awards and grants under the 2004 Stock Incentive Plan, setting performance goals and other terms for awards and grants under the 2004 Stock Incentive Plan, confirming performance levels in respect of performance awards made under the 2004 Stock Incentive Plan and interpreting and prescribing rules for administering the 2004 Stock Incentive Plan. The Compensation Committee also assists the Board of Directors of the Company in establishing policies, practices, plans and programs relating to the compensation of all executive officers of the Company and in overseeing and maintaining such policies, practices, plans and programs. The Compensation Committee shall also have such other responsibilities as are set forth in this Charter or as shall be assigned to it by the Board of Directors of the Company.

Membership

The Compensation Committee shall consist of at least two (2) members of the Board of Directors of the Company and shall be comprised of such number of members of the Board of Directors of the Company as the Board of Directors of the Company shall determine from time to time. Each member of the Compensation Committee shall be appointed to such position by the Board of Directors of the Company and shall serve at the discretion of the Board of Directors of the Company.

Each member of the Compensation Committee shall be (i) independent under the applicable requirements of the NASDAQ Stock Market (NASDAQ) or otherwise eligible to serve on the Compensation Committee in accordance with the transition periods or exceptions provided by NASDAQ, in each case, as interpreted by the Board of Directors of the Company, (ii) a non-employee director as defined under Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and (iii) an outside director as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended. In determining whether a director is eligible to serve on the Compensation Committee, the Board of Directors of the Company must consider the source of compensation of such director, including any consulting, advisory or other compensatory fee paid by the Company to such director, and whether such director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company and determine whether such affiliation would impair such director's judgment as a member of the Compensation Committee. It shall be the responsibility of the Board of Directors of the Company to determine, in its judgment, whether a member of the Compensation Committee is independent of management and free from any relationship or service to the Company that might interfere with his or her exercise of independent judgment in carrying out his or her responsibilities as a member of the Compensation Committee.

It shall be the responsibility of each member of the Compensation Committee to immediately disclose to the Board of Directors of the Company any relationship that, either in fact or in appearance, might impact the independent judgment of such member in his or her service as a member of the Compensation Committee.

Organization and Procedures

The Board of Directors of the Company may designate a Chairperson of the Compensation Committee. Such Chairperson shall preside over the meetings of the Compensation Committee. In the event that the Board of Directors of the Company has not designated a Chairperson of the Compensation Committee, then at the beginning of a meeting of the Compensation Committee the members of the Compensation Committee shall choose one of the members of the Compensation Committee to preside over such meeting. A majority of the members of the Compensation Committee shall constitute a quorum for the transaction of business, and the action of a majority of the members of the Compensation Committee present at any meeting at which there is a quorum shall be the act of the Compensation Committee. Unless otherwise expressly stated in this Charter, the Compensation Committee shall be governed by the same procedural rules, including rules regarding meetings, actions without meetings, notices and waivers of notice as are applicable to the Board of Directors of the Company.

In order to carry out its responsibilities under this Charter, the Compensation Committee may, in its sole discretion, retain and obtain the advice of compensation consultants, legal counsel and other advisers (each a Compensation Adviser). The Compensation Committee shall be directly responsible for the appointment, compensation and oversight of the work of any Compensation Adviser retained by the Compensation Committee. The Company must provide for appropriate funding, as determined by the Compensation Committee, for payment of reasonable compensation to a Compensation Adviser retained by the Compensation Committee. The Compensation Committee may select, or receive advice from, a Compensation Adviser only after taking into consideration the following factors:

- (i) the provision of other services to the Company by the person or entity that employs such Compensation Adviser;
- (ii) the amount of fees received from the Company by the person or entity that employs such Compensation Adviser, as a percentage of the total revenue of such person or entity;
- (iii) the policies and procedures of the person or entity that employs such Compensation Adviser that are designed to prevent conflicts of interest;
- (iv) any business or personal relationship of such Compensation Adviser with a member of the Compensation Committee;
- (v) any stock of the Company owned by such Compensation Adviser; and
- (vi) any business or personal relationship of such Compensation Adviser or the person or entity employing such Compensation Adviser with any executive officer of the Company.

Nothing in this Charter shall be construed to require the Compensation Committee to implement or act consistently with the advice or recommendations of any Compensation Adviser retained by the Compensation Committee or to affect the ability or obligation of the Compensation Committee to exercise its own judgment in the fulfillment of its duties and responsibilities.

The Compensation Committee shall be required to conduct the independence assessment outlined above with respect to any Compensation Adviser that provides advice to the Compensation Committee, other than in-house legal counsel. However, nothing in this Charter requires a Compensation Adviser to be independent, only that the Compensation Committee consider the independence factors enumerated above before selecting, or receiving advice from, a Compensation Adviser. The Compensation Committee may select, or receive advice from, any Compensation Adviser it prefers, including any Compensation Adviser that is not independent, after considering the independence factors enumerated above. Notwithstanding the foregoing, the Compensation Committee shall not be required to conduct an independence assessment for a Compensation Adviser that acts in a role limited to the following activities for which no disclosure is required under applicable federal securities laws: (i) consulting on any broad-based plan that does not discriminate in scope, terms or operation in favor of executive officers or

directors of the Company and that is available generally to all salaried employees of the Company; and/or (ii) providing information that either is not customized for a particular issuer or that is customized based on parameters that are not developed by such Compensation Adviser and about which such Compensation Adviser does not provide advice.

Responsibilities

In addition to the other responsibilities of the Compensation Committee expressly provided for in this Charter, the Compensation Committee shall be responsible for and authorized to carry out the following:

1. Review and approve matters relating to the compensation of all executive officers of the Company, including the Chief Executive Officer of the Company.
2. Administer the Company's equity compensation plans which include as participants any executive officers of the Company (including the 2004 Stock Incentive Plan), including making awards and grants under such plans, setting performance goals and other terms for awards and grants as applicable under such plans, confirming performance levels as applicable in respect of performance awards made under such plans and interpreting and prescribing rules for administering such plans.
3. Oversee and monitor the Company's compensation policies, practices and programs for the executive officers of the Company in light of the compensation philosophy and objectives of the Company.
4. Review and approve the annual Compensation Committee Report for inclusion in the Company's annual proxy statement in accordance with applicable rules and regulations.
5. Review and discuss with the Company's management the Compensation Discussion and Analysis (CD&A) to be included in the Company's annual proxy statement and determine whether to recommend to the Board of Directors of the Company that the CD&A be included in the Company's annual proxy statement.
6. Review and assess the adequacy of this Charter annually and recommend any proposed changes to this Charter to the Board of Directors of the Company for its approval.
7. Review and consider the outcome of any advisory vote of the stockholders of the Company at an annual meeting of stockholders of the Company regarding the compensation of the executive officers of the Company.
8. Discharge any other duties, responsibilities or activities delegated to the Compensation Committee by the Board of Directors of the Company from time to time.

In carrying out its responsibilities, the Compensation Committee shall have such access to members of the Company's management and to information and records of the Company as the Compensation Committee shall require.

Meetings

The Compensation Committee shall meet as frequently as the members of the Compensation Committee in their discretion deem necessary, but at least twice a year. The Compensation Committee will cause to be kept adequate minutes of its meetings with the Company's records and shall report to the Board of Directors regarding its meetings. The Compensation Committee may have in attendance at its meeting other members of the Board of Directors of the Company, members of the Company's management, consultants, advisors or others as it may deem necessary; provided that the Chief Executive Officer of the Company may not be in attendance during any voting or deliberations regarding the compensation of the Chief Executive Officer of the Company.

The Plan seeks to achieve this purpose by providing for Awards in the form of Restricted Shares, Options, SARs, Stock Units and/or Performance Awards. Any Awards granted under the Plan shall be contingent on the approval of the Plan by the Company's stockholders. If their approval is not obtained, the Plan will have no effect, and any Awards granted under the Plan shall be rescinded.

the Board of Directors in accordance with the procedures described in the Stockholders Agreement between R. Philip Silver and D. Greg Horrigan and the Board of Directors, dated as of February 14, 1997, as that agreement may be amended from time to time, or (ii) whose election or nomination for election by the Company's stockholders was approved by a vote of a majority of those individuals who are members of the Board of Directors and who were also members of the Incumbent Board (or deemed to be such pursuant to this proviso) shall be considered as though such individual was a member of the Incumbent Board; but, provided further, that any such individual whose initial assumption of office occurs as a result of any actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board of Directors shall not be so considered as a member of the Incumbent Board; or

(iii) To authorize any person to execute, on behalf of the Company, any instrument required to carry out the purposes of the Plan;

(d) *Delegation.* The Committee may not delegate any authority or responsibility granted to the Committee in subsection (c) of this Section 3.

SECTION 4. ELIGIBILITY.

Only officers and other Key Employees shall be eligible for the grant of SARs and Performance Awards. Officers, other Key Employees and Outside Directors shall be eligible for the grant of Restricted Shares, Stock Units and Options.

SECTION 5. STOCK SUBJECT TO PLAN.

(a) *Basic Limitation.* Shares offered under the Plan shall be authorized but unissued Shares or treasury Shares. The maximum aggregate number of Shares that may be issued in connection with Options, SARs, Stock Units, Restricted Shares and Performance Awards awarded under the Plan shall not exceed 900,000 Shares, which includes the number of Shares remaining available for future grants under the Prior Plans as of the date

this Plan is approved by stockholders. The limitation of this Section 5(a) shall be subject to adjustment pursuant to Section 17.

(b) *Application of Limitation.* The number of Shares available for future Awards under the Plan shall be reduced (i) in the case of Awards of Options and SARs, by the number of Shares issuable upon exercise of such Options, and (ii) in the case of Awards of Restricted Shares or Stock Units by two Shares for every one Restricted Share or Stock Unit awarded. For this purpose, when an Option and SAR are awarded in tandem, so that exercise of one results in cancellation of the other, the Option and SAR shall be deemed to relate to the same Share. If Awards are forfeited or cancelled or expire or terminate for any other reason before being exercised, then the corresponding Shares shall again become available for Awards under the Plan. Shares granted under this Plan in connection with Awards that are assumed, converted or substituted as a result of the acquisition of another business, corporation or other entity by the Company or a combination of the Company with another business, corporation or entity shall not reduce the number of Shares available for Awards under the Plan. Shares granted under the Prior Plans shall not again become available for Awards under the Plan, even if the Shares expire or terminate or are forfeited, cancelled, or settled in cash.

(c) *Dividends and Dividend Equivalents.* The Committee in its discretion may provide in any Award Agreement that dividends and dividend equivalents shall be paid or credited on vested Awards or on all Awards granted under the Award Agreement. Any dividend equivalents paid or credited under the Plan shall not be applied against the number of Awards available under the Plan. Dividends and dividend equivalents may be distributed immediately or credited to a deferred compensation account established for the Participant by the Committee as an entry on the Company's books, as elected by the Participant. The Committee shall determine any terms and conditions on deferral of a dividend or dividend equivalent, including any interest or other form of investment return.

(d) *Limits on Individual Grants.* Subject to Section 17, no Participant may be granted Awards of more than 112,500 Restricted Shares or Stock Units (or any combination thereof) during any period of 36 consecutive months. Performance Awards shall be paid in Restricted Shares or Stock Units, and shall be subject to the limit set forth in the preceding sentence. Subject to Section 17, no Participant may be granted Awards of Options or SARs (or any combination thereof) with respect to more than 225,000 Shares during any period of 36 consecutive months (for this purpose, when an Option and SAR are awarded in tandem, so that exercise of one results in cancellation of the other, the Option and SAR shall be deemed to relate to the same Shares).

SECTION 6. RESTRICTED SHARES.

(a) *Award Agreement.* Each grant of Restricted Shares under the Plan shall be evidenced by an Award Agreement between the recipient and the Company. Such Restricted Shares shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The Committee may condition a Participant's eligibility for a grant of Restricted Shares on the achievement by the Company or a Subsidiary or business unit of the Company of a target level of performance for a specified Performance Cycle, in which case the Award shall be a Performance Award subject to Section 12. The provisions of the various Award Agreements granting Restricted Shares under the Plan need not be identical.

(b) *Payment for Awards.* Subject to the following sentence, Restricted Shares may be sold or awarded under the Plan for such consideration as the Committee may determine, including (without limitation) cash, cash equivalents, past service and future service. To the extent that an Award consists of newly issued Restricted Shares, the Award recipient shall furnish consideration with a value not less than the par value of such Restricted Shares in the form of cash, cash equivalents, or past services rendered to the Company (or a Parent or Subsidiary), as the Committee may determine.

(c) *Vesting.* Each Award of Restricted Shares to an Employee shall become fully vested, in the discretion of the Committee, over a period no shorter than three years from the date of grant, as specified in the Award Agreement, except that Restricted Shares granted to a new Employee in the fiscal year of the Company in which

his or her Service first commences may become vested more quickly, but over a period no shorter than one year from the date of grant. Vesting shall occur, at once or in installments, upon satisfaction of the conditions specified in the Award Agreement. If the conditions on vesting have not been satisfied as of the Employee's termination of employment, the unvested Shares shall be forfeited, provided that an Award Agreement may provide for accelerated vesting in the event of the Employee's death, Disability or Retirement or other events. Restricted Shares shall immediately become vested in the event of a Change in Control unless the Shares vest on the basis of the performance of the Company, a Subsidiary or a business unit, in which case the provisions of Section 12 shall control, or the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding Restricted Shares or substitutes its own stock for the outstanding Restricted Shares or the outstanding Restricted Shares are converted into stock of the surviving corporation or its parent or subsidiary. If the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding Restricted Shares or substitutes its own stock for the Restricted Stock, a Participant's assumed or substituted Shares shall become fully vested in the event the Participant's service with the Company or the acquiring or surviving corporation (or with any of their respective parent or subsidiary corporations) is terminated involuntarily without Cause within 24 months after the Change in Control. The vesting requirements of Restricted Shares granted to Outside Directors shall be subject to Section 15(b).

(d) *Voting and Dividend Rights.* Participants holding Restricted Shares awarded under the Plan shall have the same voting, dividend and other rights as the Company's other stockholders, except that Restricted Shares shall be forfeited if the Participant attempts to sell, transfer, assign, pledge or otherwise encumber or dispose of the Shares before the Award vests.

SECTION 7. OTHER TERMS AND CONDITIONS OF AWARDS OR SALES.

(a) *Duration of Offers and Nontransferability of Rights.* Any right to acquire Shares under the Plan (other than pursuant to an Option) shall automatically expire if not exercised by the Participant 30 days after the grant of such right was communicated to him or her by the Committee. Such right shall not be transferable and shall be exercisable only by the Participant to whom such right was granted.

(b) *Withholding Taxes.* As a condition to the purchase of Shares, the Participant shall make such arrangements as the Committee may require for the satisfaction of any federal, state or local withholding tax obligations that may arise in connection with such purchase.

SECTION 8. TERMS AND CONDITIONS OF OPTIONS.

(a) *Award Agreement.* Each grant of an Option under the Plan shall be evidenced by an Award Agreement between the recipient and the Company. All Options granted under the Plan shall be nonstatutory stock options. Such Option shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions that are not inconsistent with the Plan and that the Committee deems appropriate for inclusion in an Award Agreement. The provisions of the various Award Agreements granting Options under the Plan need not be identical.

(b) *Exercise Price.* Each Award Agreement granting Options shall specify the Exercise Price. The Exercise Price of an Option shall not be less than 100% of the Fair Market Value of a Share on the date of grant, except for Options granted in connection with Awards that are assumed, converted or substituted as a result of the acquisition of another business, corporation or other entity by the Company or a combination of the Company with another business, corporation or entity. Subject to the foregoing in this Section 8(b), the Exercise Price under any Option shall be determined by the Committee at its sole discretion. The Exercise Price shall be payable in one of the forms described in Section 9.

(c) *Withholding Taxes.* As a condition to the exercise of an Option, the Participant shall make such arrangements as the Committee may require for the satisfaction of any federal, state or local withholding tax obligations that may arise in connection with such exercise.

(d) *Exercisability.* Each Award Agreement granting Options shall specify the date when all or any installment of the Option is to become exercisable. Each Option granted to an Employee shall become fully vested, in the discretion of the Committee, over a period no shorter than 12 months. Vesting shall occur, at once or in installments, upon satisfaction of the conditions specified in the Award Agreement. If the conditions on vesting have not been satisfied as of the Employee's termination of employment, the unvested Options shall be forfeited. Subject to the foregoing in this subsection (d), the Committee at its sole discretion shall determine when all or any installment of an Option is to become exercisable. Such provisions need not be uniform among all Options issued pursuant to the Plan. The vesting requirements of Options granted to Outside Directors shall be subject to Section 15(b).

(e) *Term of the Option.* The Award Agreement granting Options to an Employee shall also specify the term of the Option, which term shall not be longer than seven years, and shall provide for extension of the Option term or expiration of the Option prior to the end of the term in the event of the termination of the Employee's Service, as described below:

(i) In the event of the Employee's termination of Service due to death or Disability, the term of the Option shall expire as of the earlier of the first anniversary of such termination of Service or the original expiration date specified in the Award Agreement; provided, however, that there shall be a minimum period of six months following such death to exercise any vested Options, regardless of the original expiration date specified in the Award Agreement.

(ii) In the event of the Employee's Retirement, the term of the Option shall expire as of the earlier of the first anniversary of the Employee's Retirement or the original expiration date specified in the Award Agreement; provided, however, that if the Employee dies during such post-Retirement period, there shall be a minimum period of six months following such death to exercise any vested Options, regardless of the original expiration date specified in the Award Agreement.

(iii) In the event of the involuntary termination of the Employee's Service without Cause, the term of the Option shall expire as of the earlier of 90 days following the date of the Employee's termination or the original expiration date specified in the Award Agreement; provided, however, that if the Employee dies during such 90-day period there shall be a minimum period of six months following such death to exercise any vested Options, regardless of the original expiration date specified in the Award Agreement.

(iv) In the event of the Employee's voluntary resignation (other than Retirement) or the Employee's involuntary termination of Service for Cause, all outstanding Options shall immediately be cancelled.

Options granted to an Employee may be awarded in combination with SARs, and such an Award shall provide that the Options shall not be exercisable unless the related SARs are forfeited. Subject to the foregoing in this subsection (e), the Committee at its sole discretion shall determine when an Option is to expire. Such provisions need not be uniform among all Options issued pursuant to the Plan.

The term of any Option granted to Outside Directors shall conform to the requirements of Section 15(c).

(f) *Effect of Change in Control.* An Option shall become exercisable as to all of the Shares subject to such Option in the event of a Change in Control, unless the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding Options or substitutes its own stock for the Shares underlying the outstanding Options. If the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding Options or substitutes its own stock for the Shares underlying the outstanding Options, a Participant's assumed Options or substituted options shall become exercisable as to all of the shares subject to such options in the event the Participant's service with the Company or the acquiring or surviving corporation (or with any of their respective parent or subsidiary corporations) is terminated involuntarily without Cause within 24 months after the Change in Control.

(g) *No Rights as a Stockholder.* A Participant or a transferee of a Participant shall have no rights as a stockholder with respect to any Shares covered by his Option until the date of the issuance of a stock certificate for such Shares. No adjustments shall be made to the Award, except as provided in Section 17.

(h) *Prohibition on Repricing.* The Committee shall not reduce the Exercise Price of an Option (except for adjustments permitted by Section 17), or cancel and replace an existing Option with an Option having a lower Exercise Price, without first obtaining approval for such actions from the Company's stockholders.

SECTION 9. PAYMENT FOR SHARES.

(a) *General Rule.* The entire Exercise Price of Shares issued under the Plan shall be payable in lawful money of the United States of America or an approved cash equivalent at the time when such Shares are purchased, either alone or in combination with one or both of the payment methods permitted under Section 9(b) and 9(c) below.

(b) *Surrender of Stock.* To the extent that an Award Agreement so provides, payment may be made all or in part by surrendering, or attesting to the ownership of, Shares that have already been owned by the Participant or his representative for more than six months. Such Shares shall be valued at their Fair Market Value on the date when the new Shares are purchased under the Plan. Notwithstanding the foregoing, the Participant shall not surrender, or attest to the ownership of, Shares in payment of the Exercise Price if such action would cause the Company to recognize compensation expense (or additional compensation expense) with respect to the Option for financial reporting purposes.

(c) *Cashless Exercise.* To the extent that an Award Agreement so provides, payment may be made all or in part by delivery (on a form prescribed by the Committee) of an irrevocable direction to a securities broker to sell Shares and to deliver all or part of the sale proceeds to the Company in payment of the aggregate Exercise Price.

SECTION 10. STOCK APPRECIATION RIGHTS.

(a) *Award Agreement.* Each grant of a SAR under the Plan shall be evidenced by an Award Agreement between the recipient and the Company. Such SAR shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Award Agreements granting SARs under the Plan need not be identical.

(b) *Exercise Price.* Each Award Agreement granting SARs shall specify the Exercise Price. The Exercise Price of a SAR shall not be less than 100% of the Fair Market Value of a Share on the date of grant, except for SARs granted in combination with Options or in connection with Awards that are assumed, converted or substituted as a result of the acquisition of another business, corporation or other entity by the Company or a combination of the Company with another business, corporation or entity. Subject to the foregoing in this Section 10(b), the Exercise Price under any SAR shall be determined by the Committee at its sole discretion.

(c) *Exercisability.* Each Award Agreement granting SARs shall specify the date when all or any installment of the SAR is to become exercisable. Each SAR shall become fully vested, in the discretion of the Committee, over a period no shorter than 12 months. Vesting shall occur, at once or in installments, upon satisfaction of the conditions specified in the Award Agreement. If the conditions on vesting have not been satisfied as of the Participant's termination of employment, the unvested SAR shall be forfeited. Subject to the foregoing in this Section 10(c), the Committee at its sole discretion shall determine when all or any installment of a SAR is to become exercisable. Such provisions need not be uniform among all SARs issued pursuant to the Plan.

(d) *Term of SAR.* The Award Agreement granting the SAR shall also specify the term of the SAR, which term shall not be longer than seven years, and may provide for extension of the SAR term or expiration prior to the end of the SAR term in the event of the termination of the Participant's employment.

(i) In the event of the Participant's termination of Service due to death or Disability, the term of the SAR shall expire as of the earlier of the first anniversary of such termination of Service or the original expiration date specified in the Award Agreement; provided, however, that there shall be a minimum period of six months to exercise any vested SARs following such termination of Service, regardless of the original expiration date specified in the Award Agreement.

(ii) In the event of the Participant's Retirement, the term of the SAR shall expire as of the earlier of the first anniversary of the Participant's Retirement or the original expiration date specified in the Award Agreement; provided, however, that if the Participant dies during such post-Retirement period, there shall be a minimum period of six months following such death to exercise any vested SARs, regardless of the original expiration date specified in the Award Agreement.

(iii) In the event of the involuntary termination of the Participant's Service without Cause, the term of the SAR shall expire as of the earlier of 90 days following the date of the Participant's termination or the original expiration date specified in the Award Agreement; provided, however, that if the Participant dies during such 90-day period there shall be a minimum period of six months following such death to exercise any vested SARs, regardless of the original expiration date specified in the Award Agreement.

(iv) In the event of the Participant's voluntary resignation (other than Retirement) or the Participant's involuntary termination of Service for Cause, all outstanding SARs shall immediately be cancelled.

A SAR may be awarded in combination with an Option either at the time of the Option grant or any time thereafter. Such an Award shall provide that the SAR shall not be exercisable unless the related Option is forfeited. A SAR granted under the Plan may provide that it shall be exercisable only in the event of a Change in Control. Subject to the foregoing in this Section 10(c), the Committee at its sole discretion shall determine when a SAR is to expire. Such provisions need not be uniform among all SARs issued pursuant to the Plan.

(e) *Effect of Change in Control.* A SAR shall become fully exercisable in the event of a Change in Control, unless the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding SAR or substitutes its own stock for the Shares underlying the outstanding SARs. If the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding SARs or substitutes its own stock for the Shares underlying the outstanding SARs, a Participant's assumed SARs or substituted SARs shall become exercisable as to all of the shares subject to such SARs in the event the Participant's service with the Company or the acquiring or surviving corporation (or with any of their respective parent or subsidiary corporations) is terminated involuntarily without Cause within 24 months after the Change in Control.

(f) *Exercise of SARs.* If, on the date when a SAR expires, the Exercise Price under such SAR is less than the Fair Market Value on such date but any portion of such SAR has not been exercised or surrendered, then such SAR shall automatically be deemed to be exercised as of such date with respect to such portion. Upon exercise of a SAR, the Participant holding the SAR (or any person having the right to exercise the SAR after his or her death) shall receive from the Company (a) Shares, (b) cash or (c) a combination of Shares and cash, as the Committee shall determine. The amount of any cash or the Fair Market Value of any Shares received upon exercise of a SAR shall, in the aggregate, be equal to the amount by which the Fair Market Value (on the date of surrender) of the Shares subject to the SAR exceeds the Exercise Price.

(g) *Prohibition on Repricing.* The Committee shall not reduce the Exercise Price of a SAR (except for adjustments permitted by Section 17), or cancel and replace an existing SAR with a SAR having a lower Exercise Price, without first obtaining approval for such actions from the Company's stockholders.

SECTION 11. RESTRICTED STOCK UNITS.

(a) *Award Agreement.* Each grant of Restricted Stock Units under the Plan shall be evidenced by an Award Agreement between the recipient and the Company. Such Stock Units shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The Award Agreement shall specify the number of Restricted Stock Units and the circumstances (if any) under which the Stock Units can be deferred. The Committee may condition a Participant's eligibility for a grant of Restricted Stock Units on the achievement by the Company or a Subsidiary or business unit of the Company of a target level of performance for a specified Performance Cycle, in which case the Award shall be a Performance Award subject to Section 12. The provisions of the various Award Agreements granting Stock Units under the Plan need not be identical.

(b) *Payment for Awards.* To the extent that an Award is granted in the form of Stock Units, no cash consideration shall be required of the Award recipients.

(c) *Vesting Conditions.* Each Award of Restricted Stock Units to an Employee shall become fully vested, in the discretion of the Committee, over a period no shorter than three years, as specified in the Award Agreement, except that Restricted Stock Units granted to a new Employee in the fiscal year of the Company in which his Service commences may vest more quickly. Vesting shall occur, at once or in installments, upon satisfaction of the conditions specified in the Award Agreement. If the conditions on vesting have not been satisfied as of the Employee's termination of employment or directorship, the unvested Stock Units shall be forfeited. Restricted Stock Units shall immediately become vested in the event of a Change in Control unless the Stock Units vest on the basis of the performance of the Company, a Subsidiary or a business unit, in which case the provisions of Section 12 shall control, or unless the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding Stock Units or substitutes its own stock for the outstanding Stock Units. If the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding Stock Units or substitutes its own stock for the Shares underlying the outstanding Stock Units, a Participant's assumed or substituted Restricted Stock Units shall become immediately vested in the event the Participant's service with the Company or the acquiring or surviving corporation (or with any of their respective parent or subsidiary corporations) is terminated involuntarily without Cause within 24 months after the Change in Control. The vesting requirements of Restricted Stock Units granted to Outside Directors shall be subject to Section 15(b).

(d) *Voting and Dividend Rights.* Participants holding Stock Units shall have no voting rights. Prior to settlement or forfeiture, any Stock Unit awarded under the Plan may, at the Committee's discretion, carry with it a right to dividend equivalents. Such right entitles the holder to be credited with an amount equal to all cash dividends paid on one Share while the Stock Unit is outstanding. The Committee, in its discretion, may grant dividend equivalents from the date of grant or only after a Stock Unit is vested.

(e) *Settlement of Stock Units.* Settlement of vested Stock Units shall be made in the form of Shares, except that dividend equivalents credited on Stock Units shall be paid in cash. Distribution of Shares attributable to Stock Units may occur or commence when all vesting and settlement conditions applicable to the Stock Units have been satisfied or have lapsed, or it may be deferred to any later date in accordance with Section 18. Until an Award of Stock Units is settled, the number of such Stock Units shall be subject to adjustment pursuant to Section 17.

(f) *Creditors' Rights.* A Participant holding Stock Units shall have no rights thereby other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Award Agreement.

SECTION 12. PERFORMANCE AWARDS.

(a) *Award Agreement.* Each grant of Performance Awards under this Plan shall be evidenced by an Award Agreement between the recipient and the Company. Such Performance Awards shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Award Agreements granting Performance Awards under the Plan need not be identical.

(b) *Eligibility.* Within 90 days after the commencement of a Performance Cycle, the Committee shall determine the Employees who are eligible to receive a Performance Award for the Performance Cycle, provided that the Committee may determine the eligibility of any Employee other than a 162(m) Employee after the expiration of this 90-day period.

(c) *Performance Cycle.* Performance Awards shall be granted in connection with a Performance Cycle, as determined by the Committee in its discretion, provided that a Performance Cycle may be no shorter than 12 months and no longer than 5 years.

(d) *Earn-Out.*

(i) Within 90 days after the commencement of a Performance Cycle, the Committee shall fix and establish in writing the Performance Criteria that shall apply to that Performance Cycle and the Maximum Amount that may be paid to each recipient of a Performance Award. The Committee shall also set forth the minimum level of performance, based on objective factors, that must be attained during the Performance Cycle before any Performance Award shall be paid, and, if applicable, the maximum amount that may be earned upon attainment of various levels of performance that equal or exceed the minimum required level, and any vesting schedule that shall apply after the Performance Award is earned.

(ii) The Committee may, in its discretion, select Performance Criteria that measure the performance of the Company or one or more business units or Subsidiaries of the Company. The Committee may select Performance Criteria that are absolute or relative to the performance of one or more comparable companies or an index of comparable companies.

(iii) The Committee, in its discretion, may, on a case-by-case basis, reduce, but not increase, the Performance Awards payable to any Employee with respect to any given Performance Cycle, provided that no reduction shall result in an increase in the dollar amount or number of Shares payable under any Performance Award of another Employee.

(iv) No 162(m) Employee shall be paid any Performance Award until the Committee certifies in writing the level of performance attained for the Performance Cycle in relation to the applicable Performance Criteria. Performance Awards awarded to Participants who are not 162(m) Employees shall be based on the Performance Criteria and payment formulas that the Committee, in its discretion, may establish for these purposes. These Performance Criteria and formulas may be the same as or different than the Performance Criteria and formulas that apply to 162(m) Employees.

(e) *Vesting.*

(i) Each Performance Award shall vest, in the discretion of the Committee, over such period as is specified in the Award Agreement. If the conditions on vesting have not been satisfied as of the Participant's termination of employment with respect to any earned Performance Awards, the unvested Performance Awards shall be forfeited.

(ii) In the event of a Change in Control, any Performance Award (including any dividend equivalents, interest or other forms of return credited on the Performance Award) that has been earned but remains unvested shall immediately become fully vested, unless the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding Performance Award, converts the Performance Award to its own stock, or substitutes its own stock for any Shares underlying the Performance Award. If the acquiring or surviving corporation or its parent or subsidiary assumes the outstanding Performance Awards, converts the Performance Award to its own stock, or substitutes its own stock for any Shares underlying the Performance Award, a Participant's assumed or substituted Performance Awards shall become immediately vested in the event the Participant's service with the Company or the acquiring or surviving corporation (or with any of their respective parent or subsidiary corporations) is terminated involuntarily without Cause within 24 months after the Change in Control.

(f) *Settlement of Performance Awards.* Performance Awards shall be settled solely in the form of Restricted Shares or Stock Units or any combination of the foregoing.

(g) *Dividend Equivalents.* A Performance Award may be credited with dividend equivalents, interest or any other form of investment return, as determined by the Committee. These credits shall be distributed to the Participant immediately.

(h) *Section 162(m) of the Code.* It is the intent of the Company that Performance Awards be performance-based compensation for purposes of Section 162(m) of the Code, that this Section 12 be interpreted in a manner that satisfies the applicable requirements of Section 162(m)(C) of the Code and related regulations, and that the

Plan be operated so that the Company may take a full tax deduction for Performance Awards. If any provision of this Plan or any Performance Award would otherwise frustrate or conflict with this intent, the provision shall be interpreted and deemed amended so as to avoid this conflict.

SECTION 13. LEAVES OF ABSENCE.

An Employee's Service shall cease when such Employee ceases to be actively employed by, or a consultant or adviser to, the Company (or any Subsidiary), as determined in the sole discretion of the Committee. Service does not terminate when an Employee goes on a bona fide leave of absence that was approved by the Company in writing, if the terms of the leave provide for continued service crediting or if continued service crediting is required by applicable law. Service terminates in any event when the approved leave ends, unless such Employee immediately returns to active work. The Committee shall determine which leaves count toward Service and when Service terminates for all purposes under the Plan.

SECTION 14. TERMINATION FOR CAUSE.

Notwithstanding anything to the contrary herein, if an Employee incurs a termination of Service for Cause, then all of the Employee's outstanding Options and SARs, whether vested or unvested, and all of the Employee's unvested Restricted Shares and Restricted Stock Units shall immediately be cancelled.

SECTION 15. DIRECTOR AWARDS.

(a) *Annual Grant.* On the first business day following the day of each annual meeting of the stockholders of the Company, each Outside Director shall be granted, in the discretion of the Board of Directors, 750 Restricted Shares, 750 Restricted Stock Units or an Option to purchase 1,500 Shares, in each case subject to adjustment as provided in Section 17. Notwithstanding anything to the contrary herein, the Board of Directors shall determine the terms of any Award to an Outside Director, which terms shall be set forth in an Award Agreement between the recipient and the Company. The terms of any Award of Restricted Shares shall conform to the provisions of Section 6, the terms of any Award of Restricted Stock Units shall conform to the provisions of Section 11, and the terms of any Award of Options shall conform to the provisions of Section 8, in each case except to the extent specifically modified by this Section 15.

(b) *Vesting.* Each Award of Restricted Shares, Restricted Stock Units or Options to an Outside Director shall become fully vested, in the sole discretion of the Board of Directors, over a period no shorter than six months, as specified in the Award Agreement. Vesting shall occur, at once or in installments, upon satisfaction of the conditions set forth in the Award Agreement. If the conditions on vesting have not been satisfied as of the termination of the Outside Director's Service, the unvested Awards shall be forfeited.

(c) *Option Term.* The Award Agreement granting an Option shall specify the term of the Award, which term shall not be longer than 10 years, and shall provide for expiration of the Option prior to the end of the term in the event of termination of the Outside Director's Service, as described below:

(i) In the event of termination of the Outside Director's Service due to death or Disability, the term of the Option shall expire as of the earlier of the first anniversary of such termination of Service or the original expiration date specified in the Award Agreement.

(ii) In the event of the Outside Director's involuntary termination of Service or termination of Service due to the expiration of the Outside Director's term on the Board of Directors, the term of the Option shall expire as of the earlier of 90 days following the date of the Outside Director's termination or the original expiration date specified in the Award Agreement.

(iii) In the event of the Outside Director's voluntary resignation prior to the expiration of the Outside Director's term on the Board of Directors, all outstanding Options shall immediately be cancelled and all unvested Restricted Shares shall immediately be forfeited.

SECTION 16. DEATH OF RECIPIENT.

Any Award that becomes payable after the recipient's death shall be distributed to the recipient's beneficiary or beneficiaries. Each recipient of an Award under the Plan shall designate one or more beneficiaries for this purpose by filing the prescribed form with the Company. A beneficiary designation may be changed by filing the prescribed form with the Company at any time before the Award recipient's death. If no beneficiary was designated or if no designated beneficiary survives the Award recipient, then any Award that becomes payable after the recipient's death shall be distributed to the recipient's estate.

SECTION 17. ADJUSTMENT OF SHARES.

(a) *Adjustments.* In the event of a subdivision of the outstanding Stock, a declaration of a dividend payable in Shares, a declaration of a dividend payable in a form other than Shares in an amount that has a material effect on the price of Shares, a combination or consolidation of the outstanding Stock (by reclassification or otherwise) into a lesser number of Shares, a recapitalization, spin-off or a similar occurrence, the Committee shall make such adjustments as it, in its sole discretion, deems appropriate in one or more of:

- (i) The number of Shares available for future Awards under Section 5(a);
- (ii) The limitation on Shares available for grant to any individual under Section 5(d);
- (iii) The number of Shares covered by each outstanding Option and SAR;
- (iv) The Exercise Price under each outstanding Option and SAR; or
- (v) The number of Stock Units included in any Award that has not yet been settled.

Except as provided in this Section 17, a Participant shall have no rights by reason of any issue by the Company of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class. No adjustment shall be made with respect to Awards granted to a 162(m) Employee to the extent the adjustment would cause the Award to fail to qualify as performance-based compensation under Section 162(m) of the Code.

(b) *Dissolution or Liquidation.* To the extent not previously exercised or settled, all Awards shall terminate immediately prior to the dissolution or liquidation of the Company.

(c) *Reorganizations.* In the event that the Company is a party to a merger or other reorganization, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement shall provide for the following:

- (i) The continuation of the outstanding Awards by the Company, if the Company is a surviving corporation;
- (ii) The assumption of the outstanding Awards by the surviving corporation or its parent or subsidiary, provided that any such Award shall become immediately and fully vested if the employment of the Participant holding the Award is involuntarily terminated without Cause within 24 months of the effective date of the reorganization;
- (iii) The substitution by the surviving corporation or its parent or subsidiary of its own awards for the outstanding Awards, provided that any such Award shall become immediately and fully vested if the employment of the Participant holding the Award is involuntarily terminated without Cause within 24 months of the effective date of the reorganization;
- (iv) Full exercisability or vesting and accelerated expiration of the outstanding Awards; or
- (v) Settlement of the outstanding Awards (including any dividend equivalents, interest or other return credited to the Participant's deferred compensation account) in cash or cash equivalents followed by cancellation of such Awards.

When an Award is granted or at any time thereafter, the Committee, in its discretion, may specify how the Award shall be treated in the event of a merger or other reorganization if the agreement of merger or reorganization does not make provision for outstanding Awards.

(d) *Reservation of Rights.* Except as provided in this Section 17, a Participant shall have no rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend or any other increase or decrease in the number of shares of stock of any class. Any issue by the Company of shares of stock of any class or securities convertible into shares of stock of any class shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares subject to an Award or the Exercise Price of Shares subject to an Option or SAR. The grant of an Award pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes to its capital or business structure, to merge or consolidate, or to dissolve, liquidate, sell or transfer all or any part of its business or assets.

SECTION 18. DEFERRAL OF AWARDS.

(a) *Deferral Forms.* The Committee (in its sole discretion) may permit an Employee or Outside Director to:

(i) have Shares that otherwise would be delivered to such Participant as a result of the exercise of an Option or SAR converted into an equal number of Stock Units;

(ii) have cash that otherwise would be paid to such Employee as a result of the exercise of a SAR credited to a deferred compensation account established for such Employee by the Committee as an entry on the Company's books; or

(iii) have Shares that otherwise would be delivered to such Participant as Restricted Shares or as a result of the exercise of an Option or SAR or the settlement of Stock Units converted into amounts credited to a deferred compensation account established for such Participant by the Committee as an entry on the Company's books. Such amounts shall be determined by reference to the Fair Market Value of such Shares as of the date when they otherwise would have been delivered to such Participant.

(b) *Deferral Conditions.* If the deferral or conversion of Awards is permitted, the Committee (in its sole discretion) may establish rules, procedures and forms pertaining to such Awards, including (without limitation) with respect to the settlement of deferred compensation accounts established under this Section 18. The Award Agreement may provide that, in the event of the Participant's death, disability, involuntary termination of Service or attainment of a particular age, a deferred Award shall be paid to the Participant, to the extent vested, unless the Participant affirmatively elects to continue to defer distribution.

(c) *Effect of a Change in Control.* In the event of a Change in Control, any amounts credited to a deferred compensation account shall continue to be deferred if the Stock of the Company continues to be publicly traded following the Change in Control, except to the extent that the Award Agreement provides otherwise. If the Stock of the Company is not publicly traded following the Change in Control, the full value of the deferred amounts shall be settled in cash or cash equivalents and immediately distributed to the Participant.

(d) *Voting and Dividend Rights.* A deferred compensation account established under this Section 18 may be credited with dividend equivalents, interest or other forms of investment return, as determined by the Committee in its discretion. Any dividend equivalents issued on the deferred amounts shall be paid to the Participant immediately. A Participant shall not have voting rights with respect to deferred Shares until the Shares are distributed to the Participant. A Participant for whom a deferred compensation account is established shall have no rights with respect to the deferred amounts other than the rights of a general creditor of the Company. Such an account shall represent an unfunded and unsecured obligation of the Company and shall be subject to the terms and conditions of the applicable agreement between the Participant and the Company.

SECTION 19. FRACTIONAL SHARES.

No fractional Shares shall be issued under the Plan. If a Participant acquires the right to receive a fractional Share under the Plan, the Participant shall receive, in lieu of the fractional Share, an amount in cash equal to the Fair Market Value of the fractional Share as of the date of settlement of the Award.

SECTION 20. AWARDS UNDER OTHER PLANS.

The Company may grant awards under other agreements, plans or programs. Such awards may be settled in the form of Shares issued under this Plan. Such Shares shall be treated for all purposes under the Plan as Shares issued in settlement of Stock Units and shall, when issued, reduce the number of Shares available under Section 5(a).

The Company may also grant Shares under this Plan in connection with Awards that are assumed, converted or substituted as a result of the acquisition of another business, corporation or other entity by the Company or a combination of the Company with another business, corporation or entity. Such Shares shall not reduce the number of Shares available under Section 5(a).

SECTION 21. NONTRANSFERABILITY OF AWARD.

No Award under the Plan shall be subject in any manner to alienation, anticipation, sale, assignment, pledge, encumbrance or transfer, and no other persons shall otherwise acquire any rights therein, except as provided below:

(a) An Award may be transferred by will or by the laws of descent or distribution.

(b) Restricted Shares may be freely transferred after the Shares vest and are delivered to the Participant, provided that Restricted Shares awarded to an affiliate of the Company may be transferred only pursuant to Rule 144 under the Securities Act of 1933, as amended (the Securities Act), or pursuant to an effective registration for resale under the Securities Act. For purposes of this subsection (b), affiliate shall have the meaning assigned to that term under Rule 144.

SECTION 22. LEGAL AND REGULATORY REQUIREMENTS.

Shares shall not be issued under the Plan unless the issuance and delivery of such Shares complies with (or is exempt from) all applicable requirements of law, including (without limitation) the Securities Act of 1933, as amended, the rules and regulations promulgated thereunder, applicable state securities laws and regulations and the regulations of the National Association of Securities Dealers or any stock exchange on which the Company's securities may then be listed, and the Company has obtained the approval or favorable ruling from any governmental agency that the Company determines is necessary or advisable. Awards under the Plan are also intended to satisfy the requirements of Rule 16b-3 under the Exchange Act. If any provision of the Plan or any grant of an Award would otherwise frustrate or conflict with this intent, that provision shall be interpreted and deemed amended so as to avoid conflict. No Participant shall be entitled to receive, exercise, transfer or settle any Award if the grant, exercise, transfer or settlement would violate the provisions of the Sarbanes-Oxley Act of 2002 or any other applicable law.

SECTION 23. WITHHOLDING TAXES.

(a) *General.* To the extent required by applicable federal, state, local or foreign law, a Participant shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise in connection with the Plan. The Company shall not be required to issue any Shares or make any cash payment under the Plan until such obligations are satisfied.

(b) *Method of Satisfying Withholding Obligations.* The Committee, in its sole discretion, may permit a Participant to satisfy all or part of his or her withholding or income tax obligations by having the Company withhold all or a portion of any Shares or cash that otherwise would be issued to him or her, or by surrendering all or a portion of any Shares that he or she previously acquired and has held for at least six months. Such Shares shall be valued at their Fair Market Value as of the date when taxes otherwise would be withheld in cash. In no event may a Participant have Shares withheld that would otherwise be issued to him or her in excess of the number necessary to satisfy the legally required minimum tax withholding.

SECTION 24. NO EMPLOYMENT RIGHTS.

No provision of the Plan nor any right or Option granted under the Plan shall be construed to give any person the right to become, to be treated as, or to remain an Employee or director of the Company. The Company and its Subsidiaries reserve the right to terminate any person's employment at any time and for any reason, with or without notice.

SECTION 25. NO SEGREGATION OF ASSETS.

Neither the Company nor any Subsidiary shall be required to segregate any assets that may at any time be represented by Awards granted pursuant to the Plan.

SECTION 26. EFFECT ON OTHER PLANS.

Any gain realized pursuant to Awards under the Plan constitutes a special incentive payment to the Participant and shall not be taken into account as compensation for purposes of any other employee benefit plan of the Company or a Subsidiary, except as the Committee otherwise provides. The adoption of the Plan shall have no impact on Awards made or to be made under any other benefit plan covering an employee of the Company or a Subsidiary or any predecessor or successor of the Company or a Subsidiary.

SECTION 27. DURATION AND AMENDMENTS.

(a) *Term of the Plan.* The Plan, as set forth herein, shall terminate automatically on May 27, 2011, and may be terminated on any earlier date pursuant to subsection (b) below.

(b) *Right to Amend or Terminate the Plan.* The Board of Directors may amend the Plan at any time and from time to time. Rights and obligations under any Award granted before amendment of the Plan shall not be materially impaired by such amendment, except with the consent of the person to whom the Award was granted. An amendment of the Plan shall be subject to the approval of the Company's stockholders only to the extent required by applicable laws, regulations or rules. Notwithstanding the foregoing, no material revision to the terms of the Plan shall be effective until the amendment is approved by the stockholders of the Company. A revision is material for this purpose if, among other changes, it materially increases the number of Shares that may be issued under the Plan (other than an increase described in Section 5(b) or Section 17 of the Plan), changes the types of Awards available under the Plan, materially expands the class of persons eligible to receive Awards under the Plan, materially extends the term of the Plan or decreases the Exercise Price at which Options or SARs may be granted (other than an adjustment in Exercise Price permitted by Section 17).

(c) *Effect of Amendment or Termination.* The termination of the Plan or any amendment thereof shall not affect any Share previously issued or any Award previously granted under the Plan. No Shares shall be issued or sold under the Plan after the termination thereof, except upon exercise of an Option or SAR or settlement of a Stock Unit granted prior to such termination.

SECTION 28. CHOICE OF LAW.

The Plan and all determinations made and actions taken under the Plan shall be governed by the internal substantive laws, and not the choice of law rules, of the State of Delaware and construed accordingly, to the extent not superseded by federal law.

SECTION 29. SEVERABILITY.

If any provision of the Plan is held unlawful or otherwise invalid or unenforceable in whole or in part, the unlawfulness, invalidity or unenforceability shall not affect any other parts of the Plan, which shall remain in full force and effect.

SECTION 30. EXECUTION.

To record the adoption of the Plan by the Board of Directors effective as of April 12, 2004, the Company has caused its authorized officer to execute the same.
