**Item 1.02 Termination of a Material Definitive Agreement.**

On June 26, 2014, the NewStar Arlington Senior Loan Program LLC (the Program ), formerly known as NewStar Arlington Funding LLC ( NAF ) completed a \$409.4 million term debt securitization with respect to a portfolio of middle market commercial loans. NewStar Financial, Inc. (the Company ) acts as collateral manager for the Program to fund future loan originations. A portion of the proceeds from the securitization were used to repay all outstanding advances under a \$175 million warehouse facility provided to NAF. Additional proceeds from such securitization are available to the Program to fund future loan originations and acquisitions. As a result of this transaction, the Loan and Security Agreement, dated as of April 4, 2013, by and among the Company, as Servicer, NAF, as Borrower, Wells Fargo Bank, National Association as the Class A Lender, NewStar Financial, Inc. as the Class B Lender, Wells Fargo Securities, LLC as Administrative Agent, and U.S. Bank National Association as Trustee was terminated, except for certain provisions thereof which expressly survive termination. NAF also changed its name to NewStar Arlington Senior Loan Program LLC, and contemporaneously with the closing of the transaction, the membership interests in NAF owned by the Fund were redeemed, its Limited Liability Company Agreement was amended and restated, and new membership interests in NAF were issued to the equity investors in the Program. The Fund subsequently distributed the net proceeds received for the redemption of its interests in NAF to its members, which included the Company.

As a result of the repayment of the Company's advances as the Class B lender under the warehouse facility and the redemption of membership interests in the Fund, the Company has no ownership or financial interests in the Fund or its successors except to the extent that it receives management fees as Manager of the Program.

The Loan and Security Agreement had required the Company to comply with various financial and other covenants. The Company and certain of its subsidiaries have three credit facilities with Wells Fargo Bank, National Association, including a \$75 million credit facility to fund asset-based loans, a \$75 million credit facility to fund new equipment lease origination, and a \$275 million credit facility to fund leveraged finance loans.

**Item 8.01 Other Events.**

On July 1, 2014, the Company issued a press release announcing that it has expanded a managed credit fund to co-invest in middle market commercial loans originated by the Company, which is incorporated by reference herein and attached as Exhibit 99.1 to this Form 8-K.

Following completion of the term debt securitization, the Company expects that the financial results of the Program will not be consolidated with its financial results. The assets, liabilities and related operating results of the Arlington Fund had previously been included in the Company's consolidated financial results as a variable interest entity ( VIE ).
