**Item 4.01. Changes in Registrant's Certifying Accountant.**

**(a) Dismissal of Certifying Accountant**

Effective November 4, 2014, the Audit Committee of the Board of Directors of Neogenomics, Inc. (the Company) approved the dismissal of Frazier & Deeter, LLC (Frazier & Deeter) as the Company's independent registered public accounting firm. Frazier & Deeter had recently become the Company's independent registered public accounting firm on October 13, 2014 as result of two of the partners of Kingery & Crouse PA, the Company's previous accounting firm, joining Frazier & Deeter in its new Tampa, Florida office.

Frazier & Deeter did not prepare or issue any audit reports on the Company's financial statements during the past two years. During the Company's two most recent fiscal years and through the date of this Current Report on Form 8-K (i) there were no disagreements with Frazier & Deeter on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Frazier & Deeter's satisfaction, would have caused Frazier & Deeter to make reference to the subject matter in connection with their reports on the Company's financial statements for such years; and (ii) there were no reportable events, within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

The Company provided a copy of the foregoing disclosures to Frazier & Deeter prior to the date of the filing of this Current Report on Form 8-K (this Report) and requested that Frazier & Deeter furnish it with a letter addressed to the U.S. Securities and Exchange Commission stating whether it agrees with the above statements and, if it does not agree, the respects in which it does not agree. A copy of such letter, dated November 10, 2014, is filed as Exhibit 16.1 to this Report.
