Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

(a) On December 29, 2014, AVEO Pharmaceuticals, Inc. (the Company) received a deficiency letter from the Listing Qualifications Department (the Staff) of The NASDAQ Stock Market notifying the Company that, for the last 30 consecutive business days, the bid price for the Company's common stock had closed below the minimum \$1.00 per share requirement for continued inclusion on The NASDAQ Global Market pursuant to NASDAQ Listing Rule 5450(a)(1) (the Rule). In accordance with Nasdaq Listing Rule 5810(c)(3)(A), the Company has been provided an initial period of 180 calendar days, or until June 29, 2015, to regain compliance with the Rule. If, at any time before June 29, 2015, the bid price for the Company's common stock closes at \$1.00 or more for a minimum of 10 consecutive business days as required under Listing Rule 5810(c)(3)(A), the Staff will provide written notification to the Company that it complies with the Rule, unless the Staff exercises its discretion to extend this 10 day period pursuant to Listing Rule 5810(c)(3)(F).

If the Company does not regain compliance with the Rule by June 29, 2015, the Company may be eligible for an additional 180 calendar day compliance period. To qualify, the Company would need to transfer the listing of its common stock to The NASDAQ Capital Market, provided that it meets the continued listing requirement for the market value of publicly held shares and all other initial listing standards, with the exception of the bid price requirement.

If the Company does not regain compliance with the Rule by June 29, 2015 and is not eligible for an additional compliance period at that time, the Staff will provide written notification to the Company that its common stock may be delisted. At that time, the Company may appeal the Staff's delisting determination to a NASDAQ Listing Qualifications Panel (Panel). The Company would remain listed pending the Panel's decision. There can be no assurance that, if the Company does appeal the delisting determination by the Staff to the Panel, that such appeal would be successful.
