Such loans, if any, generally bear interest at a rate based on the federal funds rate plus a margin. Such indebtedness, if any, may be refinanced with other banking institutions or brokerage firms.

The Reporting Group purchased the Shares based on the Reporting Group's belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Group and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Group, jointly or individually, may increase or decrease their position in the Issuer through the purchase or sale of Shares in the open market or in private transactions or otherwise on such terms and at such times as the Reporting Group may deem advisable.

The Reporting Group intends to review its investment in the Issuer on a continuing basis, engage in discussions with senior management and the board of directors of the Issuer and work with the Issuer to enhance shareholder value. Depending on various factors including, without limitation, the Issuer's financial position and strategy and results of operations, the Reporting Group's investment strategy, the price levels of the Shares, conditions in the securities markets and global, national and local economic and industry conditions, the Reporting Group may in the future take such actions with respect to its investment in the Issuer as it deems appropriate including, without limitation, making proposals to senior management and the board of directors of the Issuer concerning changes to the Issuer's capitalization, dividend policy, share-repurchase policy, investment and leverage strategy and operations, seeking Board representation, purchasing additional Shares, selling some or all of its Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing its intention with respect to any and all matters referred to in this Item 4.

No member of the Reporting Group, to the best of the Reporting Group's knowledge, has any present plans or proposals that relate to, or could result in, any of the matters referred to in paragraphs (a) through (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed above.

On May 18, 2015, the Reporting Group sold 70,000 Shares and as a result, the Reporting Group ceased to own more than 5% of the outstanding Shares of the Issuer.
