## Item 1.01. Entry into a Material Definitive Agreement.

### *Merger Agreement*

On August 27, 2015, Greatbatch, Inc. (the Company), Provenance Merger Sub Inc., a Delaware corporation and an indirect wholly owned subsidiary of the Company ( Merger Sub ), and Lake Region Medical Holdings, Inc., a Delaware corporation ( Lake Region ), entered into an Agreement and Plan of Merger (the Merger Agreement ) providing for the merger of Merger Sub with and into Lake Region, with Lake Region continuing as the surviving corporation and a wholly owned indirect subsidiary of the Company. The aggregate merger consideration to be paid by the Company to the equityholders of Lake Region will consist of approximately \$478 million in cash and 5.1 million newly issued shares of common stock and options to purchase shares of common stock of the Company.

This aggregate merger consideration will be allocated among holders of Lake Region's outstanding common stock, certain holders of options to purchase shares of common stock of Lake Region ( Options ), holders of restricted stock units of Lake Region and participants in Lake Region's director's deferred compensation plan. Certain outstanding Options held by senior management of Lake Region will be exchanged at the closing of the merger ( Rollover Options ) for fully vested options to purchase shares of common stock of the Company that retain the same aggregate spread value as the Rollover Options and contain substantially similar terms and conditions as applied to the Rollover Options.

In connection with the merger, the Company also will pay off all of Lake Region's outstanding net funded debt, currently estimated at approximately \$1.0 billion. The Company expects to fund the cash portion of the merger consideration and the repayment of Lake Region's outstanding funded debt with a combination of new debt and cash on hand.

The Merger Agreement contains certain termination rights for both the Company and Lake Region, including if the merger is not completed on or before November 25, 2015; provided that if all the conditions to closing, as described below, other than the required regulatory approvals have been satisfied or waived, then such date may be extended for an additional ninety calendar days, to a date not beyond February 23, 2016.

The consummation of the merger is subject to customary closing conditions, including, without limitation, (i) the absence of any law or order that is in effect and restrains, enjoins or otherwise prohibits the merger, (ii) the receipt of regulatory approval or the expiration or termination of applicable waiting periods under the applicable antitrust laws of certain jurisdictions, including the expiration or termination of the applicable waiting period under the Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended, (iii) the shares of common stock of the Company to be issued in the merger as part of the merger consideration being approved for listing on the New York Stock Exchange and (iv) the approval of the merger by at least a majority of the voting securities held by the holders of Lake Region's common stock. The consummation of the merger is not subject to a financing condition.

The Merger Agreement generally requires each party to take any and all action reasonably necessary to obtain approval of the merger under any antitrust law; provided, however, that neither party shall be required to agree to a divestiture transaction if it is not conditioned on consummation of the merger and, with respect to the Company only, if such divestiture transaction would reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Company, taken as a whole.

The Merger Agreement contains detailed representations and warranties of the Company, Merger Sub and Lake Region. Lake Region and the Company have agreed to various covenants and agreements, including, among others, an agreement to conduct their respective businesses in the ordinary course during the period prior to the closing of the merger and not to engage in certain kinds of transactions during this period.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1 and incorporated by reference herein. The Merger Agreement has been included as an exhibit hereto solely to provide investors and security holders with information regarding its terms. It is not intended to be a source of financial, business or operational information about the Company, Lake Region or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement are made only for purposes of the Merger Agreement and are made as of specific dates; are solely for the benefit of the parties; may be subject to qualifications and limitations agreed upon by the parties in connection with negotiating the terms of the Merger Agreement, including being qualified by confidential disclosures made for the purpose of allocating contractual risk between the parties rather than establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Investors and security holders should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, Lake Region or their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures.

### *Commitment Letter*

On August 27, 2015, in connection with the signing of the Merger Agreement, Greatbatch Ltd., a direct wholly owned subsidiary of the Company and the direct parent of the Merger Sub, entered into a commitment letter (the

Commitment Letter ) with Manufacturers and Traders Trust Company, Credit Suisse Securities (USA) LLC, Credit Suisse AG, KeyBank National Association and KeyBanc Capital Markets Inc. The Commitment Letter provides a commitment, subject to customary conditions, for a (i) (A) a \$300 million senior secured term loan A facility (the TLA Facility ), (B) a \$1.0 billion senior secured term loan B facility (the TLB Facility ) and (C) a \$200 million senior secured revolving facility, including a \$15 million sublimit for standby letters of credit and a \$15 million sublimit swingline loans (the Revolving Facility , and collectively with the TLA Facility and the TLB Facility, the Senior Secured Facilities ), which Senior Secured Facilities will be secured on a first priority basis by a security interest in all or substantially all of the non-real estate assets of the Company, Greatbatch Ltd. and certain of their U.S. subsidiaries, subject to certain exclusions, and (ii) up to a \$400 million senior unsecured bridge facility. It is expected that the Company will seek long-term debt financing in lieu of a portion or all of the drawings under the bridge facility, subject to market and other conditions. The foregoing description of the Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the Commitment Letter, which is attached hereto as Exhibit 10.1 and incorporated by reference herein.
