(MSSF), as Administrative Agent and a lender, and the other lenders party thereto (the First Amendment), which, among other things, provides for (i) the permissibility of an incremental term facility under the Company's existing 2013 Credit Agreement (the 2013 Credit Agreement) that would have an annual amortization percentage of 40% of the aggregate principal amount of such incremental facility, with quarterly amortization percentages of 7.1%, 7.1%, 12.9%, and 12.9% for the first, second, third, and fourth quarters respectively; (ii) the addition of a senior secured leverage financial maintenance covenant; (iii) streamlined conditions for the incurrence of an incremental term facility to be used for a permitted acquisition; (iv) a required escrow and prepayment (such prepayment to be for the benefit of the incremental facility lenders) by NeuStar under certain specified circumstances; and (v) certain tax related changes favorable to NeuStar to the terms of the 2013 Credit Agreement and related security agreement (the 2013 Security Agreement).

On December 9, 2015, NeuStar entered into that certain Amendment No. 2 to Credit Agreement, by and among NeuStar, the Guarantors, MSSF, as Administrative Agent, Collateral Agent and a Lead Arranger, the other Lead Arrangers party thereto, the Increasing Lenders party thereto, and the Assuming Lenders party thereto (the Second Amendment), which, among other things, provides for the creation of an additional incremental term loan in an aggregate principal amount of \$350,000,000 pursuant to Section 2.19 of the 2013 Credit Agreement, as amended by the First Amendment (the Incremental Facility), and borrowed the full amount of the Incremental Facility. The

proceeds of the Incremental Facility were used to consummate the Acquisition and to pay related fees and expenses. The Incremental Facility (i) was issued with a eurodollar rate margin of 4.00% and a corresponding base rate margin of 3.00%, (ii) was issued with 400 basis points of original issue discount and additional customary fees, and (iii) has an annual amortization percentage of 40% of the aggregate principal amount of such Incremental Facility, with quarterly amortization percentages of 7.1%, 7.1%, 12.9%, and 12.9% for the first, second, third, and fourth quarters respectively. Pursuant to the provisions of the 2013 Credit Agreement, the eurodollar rate margin on the existing term loans under the 2013 Credit Agreement was increased as a result of the pricing on the Incremental Facility to 4.50%, with a corresponding base rate margin of 3.25%. The amortization schedule for the existing term loans under the 2013 Credit Agreement remained unchanged at 2.5% per annum. Both the existing term loans and the term loans under the Incremental Facility mature on January 22, 2018. In addition, under the Second Amendment, NeuStar and the Guarantors reaffirmed their respective obligations, including guaranty obligations and the granting of liens in substantially all of their assets, under the 2013 Security Agreement.
