**before Expenses:**

**Optional Redemption:** The Issuer may, at any time and from time to time, redeem all or a part of the notes, upon not less than 30 nor more than 60 days prior notice mailed by first class mail to each Holder's registered address, at a redemption price equal to the greater of (a) 100% of the principal amount of the notes redeemed, plus accrued and unpaid interest thereon to, but not including, the redemption date, and (b) the sum of the present values of the remaining scheduled payments of principal and interest on the notes from the redemption date through the maturity date of the notes (computed using a discount rate equal to the Treasury Rate as of such redemption date plus 50 basis points), plus accrued and unpaid interest to, but not including, the redemption date.

*Treasury Rate* means, as of any redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15(519) that has become publicly available at least two business days prior to the redemption date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the redemption date to the maturity date of the notes to be redeemed; *provided, however*, that if the period from the redemption date to the maturity date of the notes to be redeemed is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

**Optional Redemption Upon Certain Equity Offerings:** Prior to April 1, 2019, the Issuer may, at its option, at any time and from time to time, redeem up to 40% of the aggregate principal amount of the notes issued (including any Additional Notes) under the Indenture at a redemption price equal to 105.000% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but not including, the redemption date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, with the net proceeds of one or more Equity Offerings of the Issuer; *provided* that at least 60% of the sum of the aggregate principal amount of the notes originally issued under the Indenture on the Issue Date remains outstanding immediately after the occurrence of each such redemption; *provided further* that each such redemption occurs within 90 days of the date of closing of each such Equity Offering.
