This prospectus may be used by our affiliate, Jefferies LLC or any of its affiliates (which we collectively refer to as Jefferies) in connection with offers and sales by Jefferies of our notes (as defined below) in market-making transactions effected from time to time. RISK FACTORS

*An investment in the notes involves risks. Before deciding whether to invest in the notes, in addition to the other information included in this prospectus, you should consider the matters addressed in the section entitled **Cautionary Statement Regarding Forward-Looking Statements** and the risks discussed below, together with the information set forth under **Risk Factors** in the 2016 10-K, which is incorporated by reference. While we believe that these risks are the most important for you to consider, you should read this prospectus carefully, including our financial statements, the notes to our financial statements and management's discussion and analysis of our financial condition and results of operations, which are included elsewhere in this prospectus or incorporated by reference herein. These risk factors are not the only risks that we or our subsidiaries may face. Additional risks and uncertainties not presently known to us or not currently believed to be important also may adversely affect our business.*

Risks Related to the Notes

The notes will be Spectrum Brands' senior unsecured obligations and the guarantees will be unsecured obligations of the guarantors. As such, the notes and the guarantees will be effectively subordinated to any of Spectrum Brands' or the guarantors' secured debt, including our existing and any future debt under our secured credit facilities.

Spectrum Brands' obligations under the notes and the guarantors' obligations under the guarantees will not be secured. The notes will be effectively subordinated to Spectrum Brands' and the guarantors' existing and any future secured indebtedness, including our secured credit facilities under our Credit Agreement, to the extent of the value of the assets securing such indebtedness, which assets include substantially all of our assets and the assets of our domestic restricted subsidiaries. As of September 30, 2016, Spectrum Brands and the guarantors had \$1,254.9 million of secured indebtedness outstanding. If we are involved in any dissolution, liquidation or reorganization, or if we default under in the indentures governing the notes offered hereby (such indentures, collectively, the **indentures**), holders of our secured debt would be paid before holders of the notes receive any amounts due under the notes to the extent of the value of the collateral securing such indebtedness. In that event, holders of the notes may not be able to recover any or all of the principal or interest due under the notes.

The notes will be effectively subordinated to all liabilities of, and claims of creditors of, all of our foreign subsidiaries.

The notes will not be guaranteed by any of our non-U.S. subsidiaries. Any right that we or the guarantors have to receive any assets of any of the foreign subsidiaries upon the liquidation or reorganization of those subsidiaries, and the consequent rights of holders of notes to realize proceeds from the sale of any of those subsidiaries' assets, will be effectively subordinated to the claims of those subsidiaries' creditors, including trade creditors, and holders of preferred equity interests of those subsidiaries. The indentures permit these subsidiaries to incur additional debt, subject to certain limits, and will not limit their ability to incur liabilities other than debt. As of September 30, 2016, these non-guarantor subsidiaries had 16% of our total liabilities and generated 52% of our revenue in the twelve months ended September 30, 2016.

If we are unable to comply with the restrictions and covenants in the agreements governing the notes and our other debt, there could be a default under the terms of these agreements, which could result in an acceleration of payment of funds that we have borrowed and would impact our ability to make principal and interest payments on the notes.

If we are unable to comply with the restrictions and covenants in the indentures, our secured credit facilities or in current or future debt financing agreements, there could be a default under the terms of these agreements. Our ability to comply with these restrictions and covenants, including meeting any applicable financial ratios and tests, may be affected by events beyond our control. As a result, we cannot assure you that we will be able to comply with these restrictions and covenants or meet these tests. Any default under the agreements governing our indebtedness, including a default under the aforementioned debt instruments, that is not waived by the required lenders, and the remedies sought by the holders of such indebtedness, could prevent us from paying

Table of Contents

principal, premium, if any, and interest on the notes and substantially decrease the market value of the notes. If we are unable to generate sufficient cash flow and are otherwise unable to obtain funds necessary to meet required payments of principal, premium, if any, and interest on our indebtedness, or if we otherwise fail to comply with the various covenants, including financial and operating covenants in the instruments governing our indebtedness (including covenants in the aforementioned debt instruments), we could be in default under the terms of the agreements governing such indebtedness. In the event of such default:

the holders of such indebtedness could elect to declare all the funds borrowed thereunder to be due and payable, together with accrued and unpaid interest;

the lenders under the Credit Agreement could elect to terminate their commitments thereunder, cease making further loans and institute foreclosure proceedings against our assets; and

we could be forced into bankruptcy or liquidation.

Moreover, the Credit Agreement and the indentures each contain cross-default or cross-acceleration provisions that would be triggered by the occurrence of a default or acceleration under other instruments governing our indebtedness. If the payment of our indebtedness is accelerated, there can be no assurance that our assets would be sufficient to repay in full that indebtedness and our other indebtedness that would become due as a result of any acceleration.

If our operating performance declines, we may in the future need to obtain waivers from the required lenders under our Credit Agreement to avoid being in default. If we breach our covenants under our Credit Agreement and seek a waiver, we may not be able to obtain a waiver from the required lenders. If this occurs, we would be in default under our Credit Agreement, the lenders could exercise their rights, as described above, and we could be forced into bankruptcy or liquidation.

Despite our current levels of debt, we may still incur substantially more debt ranking equal or effectively senior to the notes and increase the risks associated with our proposed leverage.

Subject to certain restriction and limitation, we or our subsidiaries could incur significant additional indebtedness in the future. The provisions contained in the indentures and in our other debt agreements limit but do not prohibit our ability to incur additional indebtedness on an equal and ratable basis with the notes. In addition, any of our debt could be secured and therefore would be effectively senior to the notes to the extent of the value of the collateral securing that debt. This may have the effect of reducing the amount of proceeds available for the notes in the event of any bankruptcy, liquidation, reorganization or similar proceeding. If new debt is added to our current debt levels, the related risks that we now face as a result of our indebtedness could intensify.

Fraudulent transfer statutes may limit your rights as a holder of the notes.

Federal and state fraudulent transfer laws as previously interpreted by various courts permit a court, if it makes certain findings, to:

avoid all or a portion of our obligations to holders of the notes;

subordinate our obligations to holders of the notes to our other existing and future creditors, entitling such creditors to be paid in full before any payment is made on the notes; and

take other action detrimental to holders of the notes, including invalidating the notes.

In that event, we cannot assure you that you would ever be repaid. There is also no assurance that amounts previously paid to you pursuant to the notes or guarantees would not be subject to return.

Table of Contents

Under federal and state fraudulent transfer laws, in order to take any of those actions, courts will typically need to find that we or the guarantors received less than fair consideration or reasonably equivalent value for incurring the indebtedness represented by the notes, and at the time the notes were issued:

were insolvent or were rendered insolvent by reason of the issuance of the notes;

were engaged, or were about to engage, in a business or transaction for which our capital was unreasonably small;

intended to incur, or believed or should have believed we would incur, indebtedness beyond our ability to pay as such indebtedness matures; or

were a defendant in an action for money damages, or had a judgment for money damages docketed against us or such guarantor if, in either case, after final judgment, the judgment was unsatisfied.

A court may also void an issuance of notes, a guarantee or grant of security, without regard to the above factors, if the court found that we issued the notes or the guarantors entered into their respective guaranty with actual intent to hinder, delay or defraud current or future creditors.

Many of the foregoing terms are defined in or interpreted under those fraudulent transfer statutes and as judicially interpreted. A court could find that we did not receive fair consideration or reasonably equivalent value for the incurrence of the indebtedness represented by the notes.

The measure of insolvency for purposes of the foregoing considerations will vary depending on the law of the jurisdiction that is being applied in any such proceeding. Generally, a company would be considered insolvent if, at the time it incurred the indebtedness:

the sum of its indebtedness (including contingent liabilities) is greater than its assets, at fair valuation;

the present fair saleable value of its assets is less than the amount required to pay the probable liability on its total existing indebtedness and liabilities (including contingent liabilities) as they become absolute and matured; or

it could not pay its debts as they became due.

We cannot assure you what standard a court would apply in determining our solvency and whether it would conclude that we were solvent when we incurred our obligations under the notes.

In addition, the guarantees of the notes may also be subject to review under various laws for the protection of creditors. A court would likely find that we or a guarantor did not receive reasonably equivalent value or fair consideration for the notes or the guarantees, respectively, if we or a guarantor did not substantially benefit directly

from the issuance of the notes. If a court were to void an issuance of the notes or the guarantees, you would no longer have a claim against us or the guarantors. Sufficient funds to repay the notes (or the related exchange notes) may not be available from other sources, including the remaining guarantors, if any. In addition, the court might direct you to repay any amounts that you already received from us or the guarantors. In addition, any payment by us pursuant to the notes made at a time we were found to be insolvent could be voided and required to be returned to us or to a fund for the benefit of our creditors if such payment is made to an insider within a one-year period prior to a bankruptcy filing or within 90 days for any outside party and such payment would give the creditors more than such creditors would have received in a distribution under the bankruptcy code.

We may not be able to make the change of control offer required by the indentures.

Upon a change of control, subject to certain conditions, we are required to offer to repurchase all outstanding notes in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest to the

Table of Contents

date of repurchase. We cannot assure you that we will have sufficient funds at the time of any change of control to make required repurchases of notes tendered. In addition, our other indebtedness agreements provide that certain change of control events will constitute an event of default thereunder. If the holders of the notes exercise their right to require us to repurchase all of the notes upon a change of control, the financial effect of this repurchase could cause a default under our other indebtedness, even if the change of control itself would not cause a default. Accordingly, it is possible that we will not have sufficient funds at the time of any such change of control to make the required repurchase of our other indebtedness and the notes or that restrictions in the indentures will not allow such repurchases. In addition, holders may not be entitled to require us to repurchase their notes upon a change of control in certain circumstances involving a significant change in the composition of our board of directors, including in connection with a proxy contest where our board of directors does not endorse a dissident slate of directors but approves them for purposes of the Continuing Directors definition. Lastly, certain other corporate events, such as leveraged recapitalizations that would increase the level of our indebtedness, would not constitute a Change of Control under the indentures. See Description of 2022 Notes Repurchase at the Option of Holders Change of Control, Description of 2024 Notes Repurchase at the Option of Holders Change of Control and Description of 2025 Notes Repurchase at the Option of Holders Change of Control, as applicable, for additional information.

The market price of the notes may decline if we enter into a transaction that is not a change of control under the indentures.

We may enter into a highly leveraged transaction, reorganization, merger or similar transaction that is not a change of control under the indentures. Nevertheless, such transactions could result in a downgrade of our credit ratings, thereby negatively affecting the value of the notes.

Changes in credit ratings issued by nationally recognized statistical ratings organizations could adversely affect our cost of financing and the market price of our securities, including the notes.

Credit rating agencies rate our debt securities on factors that include our operating results, actions that we take, their view of the general outlook for our industry and their view of the general outlook for the economy. Actions taken by the rating agencies can include maintaining, upgrading, or downgrading the current rating or placing us on a watch list for possible future downgrading. Downgrading the credit rating of our debt securities or placing us on a watch list for possible future downgrading would likely increase our cost of financing, limit our access to the capital markets and have an adverse effect on the market price of our securities, including the notes offered hereby.

If the notes are rated investment grade at any time by both Moody's Investor Service and Standard & Poor's Ratings Services, most of the restrictive covenants and corresponding events of default contained in the indentures governing the notes will be suspended, resulting in a reduction of credit protection.

If, at any time, the credit rating on the applicable series of notes, as determined by both Moody's Investors Service and Standard & Poor's Ratings Services, equals or exceeds Baa3 and BBB-, respectively, or any equivalent replacement ratings, we will no longer be subject to most of the restrictive covenants and corresponding events of default contained in the applicable indenture. Any restrictive covenants or corresponding events of default that cease to apply to us as a result of achieving these ratings will be restored if one or both of the credit ratings on the notes later falls below these thresholds. However, during any period in which these restrictive covenants are suspended, we may incur other indebtedness, make restricted payments and take other actions that would have been prohibited if these covenants had been in effect. If the restrictive covenants are later restored, the actions taken while the covenants were suspended will not result in an event of default under the applicable indenture even if they would constitute an event of default at the time the covenants are restored. Accordingly, if these covenants and corresponding events of default are suspended, you will have less credit protection than you will at the time the notes are issued. See Description of 2022

Notes Suspension of Certain Covenants, Description of 2024 Notes Suspension of Certain Covenants and Description of 2025 Notes Suspension of Certain Covenants, as applicable.

There is no assurance of an active trading market for the notes.

We cannot assure you that a liquid market for the notes will develop or, if developed, that it will continue or that you will be able to sell your notes at a particular time or at favorable prices. We have not applied, and do not intend to apply for listing or quotation of the notes on any securities exchange or automated quotation system.

The liquidity of any market for the notes is subject to a number of factors, including:

our operating performance and financial condition;

the market for similar securities;

the interest of securities dealers in making a market in the notes; and

prevailing interest rates.

One or more of the initial purchasers with respect to the notes initially issued may, from time to time, make a market in the notes. However, they are not obligated to do so, and any market-making activity with respect to the notes may be discontinued at any time without notice. Table of Contents**DESCRIPTION OF OTHER INDEBTEDNESS****Credit Agreement**

On October 6, 2016, we entered into the first amendment to the Credit Agreement, dated as of June 23, 2015 (as amended, restated, supplemented or otherwise modified from time to time, the Credit Agreement), by and among Spectrum Brands, SB/RH Holdings, Deutsche Bank AG New York Branch, as administrative agent, and the lenders party thereto from time to time.

General

The terms of the Credit Agreement allow Spectrum Brands and certain of its subsidiaries, subject to certain conditions, to increase the amount of the commitment thereunder by an aggregate incremental amount not to exceed at the time of incurrence the sum of (x) \$900 million plus (y) all voluntary prepayments (unless funded by a contemporaneous refinancing or new long-term indebtedness) of the credit facilities. Incremental amounts may be incurred in reliance on the basket in clause (x) or clause (y) plus (z) additional amounts so long as on the date of incurrence thereof (or, at our option, on the date of establishment of the commitments in respect thereof), the First Lien Leverage Ratio (as defined in the Credit Agreement) on a pro forma basis would not exceed 3.25:1.00. As of the date hereof, no such incremental amounts have been committed to by any lender.

Obligations under the Credit Agreement and, at our option, under certain interest rate protection or other hedging arrangements and certain cash management arrangements (collectively, the Secured Obligations) are guaranteed by SB/RH Holdings and the direct and indirect wholly-owned material domestic subsidiaries of SB/RH Holdings, other than Spectrum Brands (the Subsidiary Guarantors), subject to certain exceptions, pursuant to the Loan Guaranty, dated as of June 23, 2015, by and among SB/RH Holdings, the subsidiary guarantors party thereto from time to time and Deutsche Bank AG New York Branch, as administrative agent and collateral agent (the Loan Guaranty). The Secured Obligations are secured by first-priority liens on substantially all of the assets of Spectrum Brands and the Subsidiary Guarantors and on the equity interests of Spectrum Brands directly held by SB/RH Holdings pursuant to the Security Agreement, dated as of June 23, 2015, by and among Spectrum Brands, SB/RH Holdings, the subsidiary guarantors party thereto from time to time and Deutsche Bank AG New York Branch, as collateral agent (the Security Agreement).

All outstanding amounts under the USD Term Loan Facility (if funded in U.S. dollars) will bear interest, at Spectrum's option, at a rate per annum equal to (x) the LIBO rate with a 0.75% floor, adjusted for statutory reserves, plus a margin equal to 2.50% or (y) the Alternate Base Rate (as defined in the Credit Agreement), with a 1.75% per annum floor, plus a margin equal to 1.50%. The Euro Term Loan Facility (if funded in Euros) will bear interest at a rate per annum equal to the EURIBOR Rate (as defined in the Credit Agreement) with a 0.75% per annum floor, plus a margin equal to 2.75% per annum. The CAD Term Loan Facility (if funded in Canadian dollars) will bear interest, at Spectrum's option, at a rate per annum equal to (x) the BA Rate (as defined in the Credit Agreement) with a 0.75% floor, plus a margin equal to 3.50% or (y) the Canadian Base Rate (as defined in the Credit Agreement), plus a margin equal to 2.50%. The Term Credit Facilities will mature on the seventh anniversary of June 23, 2015.

All outstanding amounts under the Revolving Credit Facility (if funded in U.S. dollars) will bear interest, at Spectrum's option, at a rate per annum equal to (x) the LIBO rate, adjusted for statutory reserves, plus a margin equal to 3.00% or (y) the Alternate Base Rate (as defined in the Credit Agreement), plus a margin equal to 2.00%, which margins may be reduced by 0.25% based on achieving a certain First Lien Leverage Ratio specified in the Credit Agreement. The Revolving Credit Facility (if funded in Euros) will bear interest at a rate per annum equal to the EURIBOR Rate (as defined in the Credit Agreement), plus a margin equal to 2.75% per annum, which margin may be

reduced by 0.25% based on achieving a certain First Lien Leverage Ratio specified in the Credit Agreement. The Revolving Credit Facility (if funded in Canadian dollars) will bear interest, at Spectrum's option, at a rate per annum equal to (x) the BA Rate (as defined in the Credit Agreement) with a 0.75% per annum floor, plus a margin equal to 3.50% or (y) the Canadian Base Rate (as defined in the Credit Agreement) with a 1.75% per annum floor, plus a margin

Table of Contents

equal to 2.50%, which margins may be reduced by 0.25% based on achieving a certain First Lien Leverage Ratio specified in the Credit Agreement. The Revolving Credit Facility will mature on the fifth anniversary of June 23, 2015.

Subject to certain exceptions, the Credit Agreement requires mandatory prepayments, in amounts equal to (i) 50% (reduced to 25% and 0% upon the achievement of certain specified First Lien Leverage Ratio) of excess cash flow (as defined in the Credit Agreement), at the end of each fiscal year commencing with the fiscal year ending September 30, 2016, (ii) 100% of the net cash proceeds from certain asset sales by Spectrum Brands or any of its restricted subsidiaries and certain casualty and condemnation events (subject to certain exceptions and reinvestment rights) and (iii) 100% of the net cash proceeds from the issuance or incurrence after June 23, 2015 of any additional debt by Spectrum Brands or any of its restricted subsidiaries excluding debt permitted under the Credit Agreement except for permitted refinancing indebtedness.

Voluntary prepayments of borrowings under the Credit Agreement are permitted at any time, in agreed-upon minimum principal amounts. There is a prepayment fee equal to 1.00% of the principal amount of the loans under any New Term Loan Facility optionally prepaid with the proceeds of lower cost debt on or prior to the date that is six months following June 23, 2015. Prepayment made after such date will not be subject to premium or penalty (except customary LIBOR breakage costs, if applicable).

4.00% Senior Notes due 2026

On September 20, 2016, Spectrum Brands issued 425 million aggregate principal amount of its 4.000% Senior Notes due 2026 (the 2026 notes) at par value, which mature October 1, 2026. The 2026 notes are guaranteed by SB/RH Holdings as well as by Spectrum Brands existing and future domestic subsidiaries.

Spectrum Brands may redeem all or a part of the 2026 notes, at any time on or after October 1, 2021 at specified redemption prices. In addition, prior to October 1, 2021, Spectrum Brands may redeem the notes at a redemption price equal to 100% of the principal amounts plus a make-whole premium. Spectrum Brands is also entitled to redeem up to 35% of the aggregate principal amount of the notes before October 1, 2019 with an amount of cash equal to the net proceeds that Spectrum Brands raises in equity offerings at specified redemption prices. Further, the indenture governing the 2026 notes (the 2026 notes indenture) requires Spectrum Brands to make an offer, in cash, to repurchase all or a portion of the applicable outstanding notes for a specified redemption price, including a redemption premium, upon the occurrence of a change of control of Spectrum Brands, as defined in the 2026 notes indenture.

The 2026 notes indenture contains customary covenants that limit, among other things, the incurrence of additional indebtedness, payment of dividends on or redemption or repurchase of equity interests, the making of certain investments, expansion into unrelated businesses, creation of liens on assets, merger or consolidation with another company, transfer or sale of all or substantially all assets, and transactions with affiliates.

In addition, the 2026 notes indenture provides for customary events of default, including failure to make required payments, failure to comply with certain agreements or covenants, failure to make payments when due or on acceleration of certain other indebtedness, and certain events of bankruptcy and insolvency. Events of default under the 2026 notes indenture arising from certain events of bankruptcy or insolvency will automatically cause the acceleration of the amounts due under the 2026 notes. If any other event of default under the 2026 notes indenture occurs and is continuing, the trustee for the 2026 notes indenture or the registered holders of at least 25% in the then aggregate outstanding principal amount of the 2026 notes, may declare the acceleration of the amounts due under those notes.

DESCRIPTION OF 2022 NOTES

In this Description of 2022 Notes, (i) **Spectrum Brands** refers to Spectrum Brands, Inc. (**Spectrum**) and any successor obligor on the 2022 notes and not to any of its subsidiaries, affiliates or direct or indirect parent companies and (ii) the terms **we**, **our** and **us** refer to Spectrum and the Guarantors. You can find the definitions of certain terms used in this description under **Certain Definitions**.

Spectrum Brands issued \$570.0 million aggregate principal amount of 2022 notes under the 2022 notes indenture between Spectrum Brands Escrow Corp. (**Escrow Corp.**) and U.S. Bank National Association, as Trustee, as supplemented by: (i) the first supplemental indenture dated as of December 17, 2012, pursuant to which Spectrum Brands, Inc. assumed Escrow Corp. 's obligations under the 2022 notes; and (ii) the second, third, fourth, and fifth supplemental indentures dated March 5, 2014, October 16, 2014, February 24, 2015 and June 23, 2015, respectively, pursuant to which certain Guarantors agreed to Guarantee the 2022 notes.

The following is a summary of the material provisions of the 2022 notes indenture. Because this is a summary, it may not contain all the information that is important to you. You should read the 2022 notes indenture in its entirety because it, and not this description, defines your rights as holders of the 2022 notes. Copies of the 2022 notes indenture are available at the address described under **Where You Can Find More Information**.

Basic Terms of 2022 Notes

The 2022 notes will:

be general unsecured obligations of Spectrum, ranking equally in right of payment with all existing and future unsecured senior Indebtedness of Spectrum;

be guaranteed by Spectrum 's direct parent, SB/RH Holdings, LLC (**Holdings**), and each of Spectrum 's existing and future Domestic Subsidiaries, which guaranty in each case shall be a senior unsecured obligation of such Guarantor, ranking equally in right of payment with all existing and future senior Indebtedness of such Guarantor;

rank senior in right of payment to all of Spectrum 's and the Guarantors ' existing and future Indebtedness that expressly provides for its subordination to the 2022 notes and the Note Guarantees;

be effectively subordinated to any secured Indebtedness of Spectrum, to the extent of the value of the assets securing such Indebtedness; and

be structurally subordinated to all Indebtedness and other liabilities of Spectrum 's subsidiaries that do not guarantee the 2022 notes.

Principal, Maturity and Interest

The 2022 notes will mature on November 15, 2022. Spectrum Brands will pay interest on the 2022 notes semi-annually in arrears on May 15 and November 15 of each year to holders of record on the immediately preceding May 1 and November 1. Interest on the 2022 notes will accrue from the most recent date to which interest has been paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Table of Contents

Spectrum Brands will pay interest on overdue principal of the 2022 notes at a rate equal to 1.0% per annum in excess of the rate per annum set forth on the cover of this prospectus and will pay interest on overdue installments of interest at such higher rate, in each case to the extent lawful.

Additional Notes

Subject to the covenants described below, Spectrum Brands may issue additional 2022 notes or may issue 2020 notes or both series (Additional Notes) under the 2022 notes indenture in an unlimited aggregate principal amount, having the same terms in all respects as that series of notes, or in all respects except with respect to issue price and interest accrued on or prior to the issue date thereof.

To the extent required by applicable tax regulations, if Additional Notes of a series are not fungible with other notes of such series, the Additional Notes may trade under a separate CUSIP number and may be treated as a separate class for purposes of transfer and exchange. Nevertheless, each series of notes offered hereby and any Additional Notes of such series may, at our election, be treated as a single class for all purposes under the 2022 notes indenture and vote together as one class on all matters with respect to the notes of such series.

Methods of Receiving Payments on the 2022 Notes

If a Holder has given wire transfer instructions to Spectrum Brands at least ten Business Days prior to the applicable payment or redemption date, Spectrum Brands will pay all principal, interest and premium, if any, on that Holder's 2022 notes in accordance with those instructions. All other payments on 2022 notes will be made at the office or agency of the Paying Agent and Registrar unless Spectrum Brands elects to make interest payments by check mailed to the Holders at their addresses set forth in the register of Holders.

Paying Agent and Registrar for the 2022 Notes

The Trustee is acting as Paying Agent and Registrar. Under the 2022 notes indenture, Spectrum Brands reserves the right to change the Paying Agent or Registrar without prior notice to the Holders, and Spectrum Brands or any of its Subsidiaries may act as Paying Agent or Registrar.

Transfer and Exchange

A Holder may transfer or exchange 2022 notes in accordance with the 2022 notes indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and Spectrum Brands may require a Holder to pay any taxes and fees required by law or permitted by the 2022 notes indenture. Spectrum Brands is not required to transfer or exchange any 2022 note selected for redemption. Also, Spectrum Brands is not required to transfer or exchange any 2022 note for a period of 15 days before a selection of the 2022 notes to be redeemed.

The registered Holder of a 2022 note will be treated as the owner of such 2022 note for all purposes.

Table of Contents

Note Guarantees

Spectrum Brands' obligations under the 2022 notes and the 2022 notes indenture will be guaranteed, jointly and severally, on a senior unsecured basis, by Holdings and all of the Domestic Subsidiaries of Spectrum. Each Note Guarantee will:

be a general, unsecured obligation of the Guarantor;

rank equally in right of payment with all existing and future unsecured senior Indebtedness of the Guarantor;

rank senior in right of payment to all existing and any future subordinated Indebtedness of the Guarantor;

be effectively subordinated to any secured Indebtedness of the Guarantor, to the extent of the value of the assets securing such Indebtedness; and

be structurally subordinated to all Indebtedness and other liabilities of any of Spectrum's subsidiaries that do not guarantee the 2022 notes.

The 2022 notes indenture will provide that the obligations of each Guarantor under its Note Guarantee will be limited as necessary to prevent that Note Guarantee from constituting a fraudulent conveyance under applicable law. If Spectrum Brands or any of its Restricted Subsidiaries acquires or creates another Domestic Subsidiary, then that newly acquired or created Domestic Subsidiary must become a Guarantor, execute a supplemental indenture and deliver an Opinion of Counsel to the Trustee.

None of Spectrum's Foreign Subsidiaries will guarantee the 2022 notes. Spectrum's Subsidiaries that will not be guaranteeing the 2022 notes had, as of September 30, 2016, approximately 16% of total liabilities and generated 52% of Spectrum's revenue for the twelve month period ended September 30, 2016. See Risk Factors Risks Related to the Notes The notes will be effectively subordinated to all liabilities of, and claims of creditors of, all of our foreign subsidiaries. Under the circumstances described below under the caption Certain Covenants Designation of Restricted and Unrestricted Subsidiaries, we will be permitted to designate certain of our Subsidiaries as Unrestricted Subsidiaries. Spectrum's Unrestricted Subsidiaries will not be subject to the restrictive covenants in the 2022 notes indenture and will not guarantee the 2022 notes.

Table of Contents**Optional Redemption***2022 notes*

At any time prior to November 15, 2017, Spectrum Brands may redeem the 2022 notes at its option, in whole at any time or in part from time to time, at a redemption price equal to 100% of the principal amount of 2022 notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the applicable redemption date.

At any time on or after November 15, 2017, Spectrum Brands may redeem all or a part of the 2022 notes, from time to time, upon not less than 30 nor more than 60 days notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, to the applicable redemption date, in cash, if redeemed during the twelve-month period beginning on November 15 in the years indicated below:

Year	Percentage
2017	103.3125%
2018	102.2083%
2019	101.1042%
2020 and thereafter	100.0000%

Selection and Notice

If less than all of the notes of a series are to be redeemed at any time, the Trustee will select notes of that series for redemption as follows:

- (1) if the notes are listed, in compliance with the requirements of the principal national securities exchange on which the notes are listed; or
- (2) if the notes are not so listed, on a pro rata basis, by lot or by such method as the Trustee shall deem fair and appropriate.

No 2022 notes of less than \$2,000 shall be redeemed in part. Notices of redemption shall be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each Holder of the 2022 notes to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with the defeasance of the 2022 notes or a satisfaction and discharge of the 2022 notes indenture. Other than in connection with Equity Offerings as described above, notices of redemption may not be conditional.

If any 2022 note is to be redeemed in part only, the notice of redemption that relates to that 2022 note shall state the portion of the principal amount thereof to be redeemed. A new 2022 note in principal amount equal to the unredeemed portion of the original 2022 note will be issued in the name of the Holder thereof upon cancellation of the original 2022 note. The 2022 notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on the 2022 notes or portions of them called for redemption.

Mandatory Redemption; Open Market Purchases and Other Purchases

Spectrum Brands is not required to make mandatory redemption or sinking fund payments with respect to the 2022 notes.

From time to time, Spectrum Brands, its Restricted Subsidiaries, its direct or indirect parents or its Affiliates may acquire any series of 2022 notes through open market purchases, privately negotiated transactions, tender offers, exchange offers, redemptions or otherwise, upon such terms and at such prices

Table of Contents

as Spectrum Brands, its Restricted Subsidiaries, its direct or indirect parents or its Affiliates (as applicable) may determine (or as may be provided for in the 2022 notes indenture), which may be more or less than the consideration for which such series of 2022 notes are being sold and may be less than the redemption price in effect and could be for cash or other consideration, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the 2022 notes indenture. There can be no assurance as to which, if any, of these alternatives or combinations thereof Spectrum Brands, its Restricted Subsidiaries, its direct or indirect parents or its Affiliates may choose to pursue in the future.

Repurchase at the Option of Holders

Change of Control

If a Change of Control occurs, each Holder of 2022 notes will have the right to require Spectrum Brands to repurchase all or any part (equal to \$2,000 or a higher multiple of \$1,000) of that Holder's 2022 notes pursuant to a Change of Control Offer on the terms set forth in the 2022 notes indenture. In the Change of Control Offer, Spectrum Brands will offer a payment (such payment, a Change of Control Payment) in cash equal to 101% of the aggregate principal amount of 2022 notes repurchased, plus accrued and unpaid interest thereon, to the date of purchase. Within 30 days following any Change of Control, Spectrum Brands will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase 2022 notes on the date specified in such notice (the Change of Control Payment Date), which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the 2022 notes indenture and described in such notice. Spectrum Brands will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the 2022 notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the 2022 notes indenture, Spectrum Brands will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the 2022 notes indenture by virtue of such compliance.

On or before the Change of Control Payment Date, Spectrum Brands will, to the extent lawful:

- (1) accept for payment all 2022 notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all 2022 notes or portions thereof properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the 2022 notes so accepted together with an Officers' Certificate stating the aggregate principal amount of 2022 notes or portions thereof being purchased by Spectrum Brands.

The Paying Agent will promptly mail or wire transfer to each Holder of 2022 notes properly tendered the Change of Control Payment for such 2022 notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new 2022 note equal in principal amount to any unpurchased portion of the 2022 notes surrendered, if any; *provided* that such new 2022 note will be in a principal amount of \$2,000 or a higher integral multiple of \$1,000.

Spectrum Brands' Credit Agreement provides that certain change of control events with respect to Spectrum Brands would constitute a default under such agreement. Any future credit agreements or other agreements to which Spectrum Brands becomes a party may contain similar provisions. Spectrum Brands' ability to pay cash to the Noteholders following the occurrence of a Change of Control may be limited by Spectrum Brands' then existing

financial resources. Moreover, the exercise by the Noteholders of their right to require Spectrum Brands to purchase the 2022 notes could cause a default under other debt, even if the Change of Control itself does not, due to the financial effect of the purchase on Spectrum Brands. There can be no assurance that sufficient funds will be available when necessary to make the required purchase of the 2022 notes. See Risk Factors Risks Related to the Notes We may not be able to make the change of control offer required by the indentures.

Table of Contents

Spectrum Brands will not be required to make a Change of Control Offer with respect to a series of 2022 notes upon a Change of Control if (1) a third party makes the Change of Control Offer with respect to such series in the manner, at the times and otherwise in compliance with the requirements set forth in the 2022 notes indenture applicable to a Change of Control Offer made by Spectrum Brands and purchases all 2022 notes validly tendered and not withdrawn under such Change of Control Offer or (2) notice of redemption with respect to such series has been given pursuant to the 2022 notes indenture as described above under the caption *Optional Redemption*, unless and until there is a default in payment of the applicable redemption price.

A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control or other events, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The provisions under the 2022 notes indenture relative to Spectrum Brands' obligation to make a Change of Control Offer with respect to a series of 2022 notes may be waived or modified with the written consent of the holders of a majority in principal amount of the 2022 notes of that series then outstanding.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of all or substantially all of the properties or assets of Spectrum Brands and its Subsidiaries taken as a whole. Although there is a limited body of case law interpreting the phrase *substantially all*, there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder of the 2022 notes to require Spectrum Brands to repurchase such 2022 notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of Spectrum Brands and its Subsidiaries taken as a whole to another Person or group may be uncertain.

Under a recent Delaware Chancery Court interpretation of a change of control repurchase requirement with a continuing director provision, a board of directors may approve a slate of shareholder-nominated directors without endorsing them or while simultaneously recommending and endorsing its own slate instead. The foregoing interpretation would permit Spectrum Brands' Board of Directors to approve a slate of directors that included a majority of dissident directors nominated pursuant to a proxy contest, and the ultimate election of such directors would not constitute a Change of Control under the 2022 notes indenture that would trigger the rights of a holder of 2022 notes to require a repurchase of the 2022 notes pursuant to this covenant.

Asset Sales

Spectrum Brands will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) Spectrum Brands (or the Restricted Subsidiary, as the case may be) receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets or Equity Interests issued or sold or otherwise disposed of; and
- (2) at least 75% of the consideration therefore received by Spectrum Brands or such Restricted Subsidiary is in the form of Cash Equivalents or Replacement Assets. For purposes of this clause, each of the following shall be deemed to be Cash Equivalents:
 - (a) any liabilities (as shown on Spectrum Brands' or such Restricted Subsidiary's most recent balance sheet) of Spectrum Brands or any Restricted Subsidiary (other than contingent liabilities, Indebtedness that is by its terms subordinated to the 2022 notes or any Note Guarantee and liabilities to the extent owed to Spectrum Brands or any Affiliate of Spectrum Brands) that are assumed

Table of Contents

by the transferee of any such assets and with respect to which Spectrum Brands and its Restricted Subsidiaries are unconditionally released from further liability in writing or that are otherwise cancelled or terminated in connection with the transaction with such transferee;

(b) any securities, notes or other obligations or assets received by Spectrum Brands or any such Restricted Subsidiary from such transferee that are converted by Spectrum Brands or such Restricted Subsidiary into cash (to the extent of the cash received in that conversion) within 180 days of the applicable Asset Sale; and

(c) any Designated Non-cash Consideration received by Spectrum Brands or any of its Restricted Subsidiaries in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of \$10.0 million or 1.0% of Consolidated Net Tangible Assets at the time of the receipt of such Designated Non-cash Consideration (with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

If at any time any non-cash consideration received by Spectrum Brands or any Restricted Subsidiary, as the case may be, in connection with any Asset Sale is repaid or converted into or sold or otherwise disposed of for cash (other than interest received with respect to any such non-cash consideration), then the date of such repayment, conversion or disposition shall be deemed to constitute the date of an Asset Sale hereunder and the Net Proceeds thereof shall be applied in accordance with this covenant.

Within 365 days after the receipt of any Net Proceeds from an Asset Sale, Spectrum Brands may apply such Net Proceeds at its option:

(1) to repay secured Indebtedness or Indebtedness of a non-Guarantor Restricted Subsidiary owed to a Person that is not an Affiliate of Spectrum Brands and, except in the case of Indebtedness under the Revolving Credit Agreement, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) to prepay, repay or repurchase any Indebtedness of Spectrum Brands or any of its Restricted Subsidiaries which is not expressly subordinated to the prior payment in full in cash of all Obligations with respect to the 2022 notes, in the case of Spectrum Brands, or the Note Guarantee, in the case of a Guarantor; or

(3) to purchase Replacement Assets or make a capital expenditure in or that is used or useful in a Permitted Business; provided that, if during the 365 day period following the consummation of an Asset Sale, Spectrum Brands or a Restricted Subsidiary enters into a definitive binding agreement committing it to apply the Net Proceeds in accordance with the requirements of this clause (3) after such 365 day period, such 365 day period will be extended with respect to the amount of Net Proceeds so committed until such Net Proceeds are required to be applied in accordance with such agreement (but such extension will in no event be for a period longer than 180 days) or, if earlier, the date of termination of such agreement.

Following the entering into of a binding agreement with respect to an Asset Sale and prior to the consummation thereof, Cash Equivalents (whether or not actual Net Proceeds of such Asset Sale) used for the purposes described in clause (3) that are designated as used in accordance with clause (3), and not previously or subsequently so designated in respect of any other Asset Sale, shall be deemed to be Net Proceeds applied in accordance with clause (3).

Pending the final application of any such Net Proceeds, Spectrum Brands may temporarily reduce revolving credit borrowings or otherwise invest such Net Proceeds in any manner that is not prohibited by the 2022 notes indenture.

Table of Contents

Any Net Proceeds from Asset Sales that are not applied or invested as provided in clause (1), (2) or (3) of the second preceding paragraph will constitute Excess Proceeds. Within 30 days after the aggregate amount of Excess Proceeds exceeds \$50.0 million, Spectrum Brands will make an Asset Sale Offer to all Noteholders and all holders of other Indebtedness that is pari passu with the 2022 notes or any Note Guarantee containing provisions similar to those set forth in the 2022 notes indenture with respect to offers to purchase with the proceeds of sales of assets, to purchase the maximum principal amount of the 2022 notes and such other pari passu Indebtedness that may be purchased out of the Excess Proceeds. Spectrum Brands and its Restricted Subsidiaries may make an Asset Sale Offer under this section using Net Proceeds prior to the time any such Net Proceeds become Excess Proceeds, in which case such Net Proceeds shall be deemed to have been applied within the time frame required by this covenant. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount of the 2022 notes and such other pari passu Indebtedness plus accrued and unpaid interest to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Spectrum Brands may use such Excess Proceeds for any purpose not otherwise prohibited by the 2022 notes indenture. If the aggregate principal amount of the 2022 notes and such other pari passu Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the 2022 notes and such other pari passu Indebtedness shall be purchased on a pro rata basis based on the principal amount of the 2022 notes and such other pari passu Indebtedness tendered. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

Spectrum Brands will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with each repurchase of the 2022 notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sales provisions of the 2022 notes indenture, Spectrum Brands will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Asset Sale provisions of the 2022 notes indenture by virtue of such compliance.

Suspension of Certain Covenants

If at any time after the Issue Date that (i) the 2022 notes are rated Investment Grade by each of S&P and Moody's (or, if either (or both) of S&P and Moody's have been substituted in accordance with the definition of Rating Agencies, by each of the then applicable Rating Agencies) and (ii) no Default has occurred and is continuing under the 2022 notes indenture, Spectrum Brands and its Restricted Subsidiaries will not be subject to the covenants in the 2022 notes indenture specifically listed under the following captions in this Description of Notes section of this prospectus (the Suspended Covenants):

- (1) Certain Covenants Incurrence of Indebtedness and Issuance of Preferred Stock ;
- (2) Certain Covenants Restricted Payments (except to the extent applicable under the definition of Unrestricted Subsidiary) ;
- (3) Certain Covenants Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries ;
- (4) Certain Covenants Limitation on Transactions with Affiliates ;
- (5) Asset Sales ; and
- (6) clause (3) under Certain Covenants Merger, Consolidation or Sale of Assets.

Additionally, during such time as the above referenced covenants are suspended (a Suspension Period), Spectrum Brands will not be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary.

In the event that Spectrum Brands and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the Reversion Date) the condition set forth in clause (i) of the first paragraph of this section is no longer satisfied, then Spectrum Brands and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenant with respect to future events.

Table of Contents

On each Reversion Date, all Debt incurred during the Suspension Period prior to such Reversion Date will be deemed to be Debt incurred pursuant to clause (b)(2) under Incurrence of Indebtedness and Issuance of Preferred Stock. For purposes of calculating the amount available to be made as Restricted Payments under clause (3) of clause (A) of

Restricted Payments, calculations under such covenant shall be made as though such covenant had been in effect during the Suspension Period. Restricted Payments made during the Suspension Period not otherwise permitted pursuant under clause (B) of the Restricted Payments covenant will reduce the amount available to be made as Restricted Payments under clause (3) of clause (A) of such covenant. For purposes of the Asset Sales covenant, on the Reversion Date, the amount of Excess Proceeds will be reset to the amount of Excess Proceeds in effect as of the first day of the Suspension Period ending on such Reversion Date. Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default shall be deemed to have occurred as a result of a failure to comply with the Suspended Covenants during a Suspension Period (or on the Reversion Date after a Suspension Period based solely on events that occurred during the Suspension Period).

There can be no assurance that the 2022 notes will ever achieve or maintain a rating of Investment Grade from the Rating Agencies.

Certain Covenants

Restricted Payments

(A) Spectrum Brands will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of Spectrum Brands or any of its Restricted Subsidiaries Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving Spectrum Brands or any of its Restricted Subsidiaries) or to the direct or indirect holders of Spectrum Brands or any of its Restricted Subsidiaries Equity Interests in their capacity as such (other than (A) dividends, payments or distributions payable in Equity Interests (other than Disqualified Stock) of Spectrum Brands or to Spectrum Brands or a Restricted Subsidiary of Spectrum Brands; and (B) dividends, payments or distributions by a Restricted Subsidiary so long as, in the case of any dividends, payments or distributions payable on or in respect of any class or series of securities issued by a Restricted Subsidiary that is not Wholly Owned, Spectrum Brands or a Restricted Subsidiary receives at least its pro rata share of such dividends, payments or distributions in accordance with its Equity Interests in such class or series of securities);

(2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving Spectrum Brands) any Equity Interests of Spectrum Brands or any direct or indirect parent of Spectrum Brands, including Holdings;

(3) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness that is contractually subordinated in right of payment to the 2022 notes or the Note Guarantees, except (a) payments of interest on or after Stated Maturity thereof, (b) payments, purchases, redemptions, defeasances or other acquisitions or retirements for value of principal on or after the date that is one year prior to the Stated Maturity thereof or (c) payments on Indebtedness permitted to be incurred pursuant to clause (6) of the covenant described below under the caption Incurrence of Indebtedness and Issuance of Preferred Stock, or

(4) make any Restricted Investment.

(all such payments and other actions set forth in clauses (1) through (4) above being collectively referred to as Restricted Payments), unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof;
and

Table of Contents

(2) Spectrum Brands would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of the covenant described below under the caption Incurrence of Indebtedness and Issuance of Preferred Stock ; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by Spectrum Brands and its Restricted Subsidiaries after June 16, 2010 (excluding Restricted Payments permitted by clauses (2), (3) (4) (to the extent such dividends are paid to Spectrum Brands or any of its Restricted Subsidiaries) and (5), (6), (8), (9)(i), (ii) or (iv), (10), (11), (12) and (13) of the next succeeding paragraph (B)), is less than the sum, without duplication, of:

(a) 50% of the Consolidated Net Income of Spectrum Brands for the period (taken as one accounting period) from April 1, 2010 to the end of Spectrum Brands most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); plus

(b) 100% of the aggregate net cash proceeds (and fair market value of marketable securities or other property) received by Spectrum Brands after June 16, 2010 as a contribution to its common equity capital or from the issue or sale of Equity Interests (other than Disqualified Stock) of Spectrum Brands or from the issue or sale of convertible or exchangeable Disqualified Stock or convertible or exchangeable debt securities of Spectrum Brands that have been converted into or exchanged for such Equity Interests (other than Equity Interests (or Disqualified Stock or debt securities) sold to a Subsidiary of Spectrum Brands); plus

(c) with respect to Restricted Investments made by Spectrum Brands and its Restricted Subsidiaries after June 16, 2010, an amount equal to the net reduction in Investments (other than reductions in Permitted Investments) in any Person resulting from repayments of loans or advances, or other transfers of assets, in each case to Spectrum Brands or any Restricted Subsidiary or from the net cash proceeds from the sale of any such Investment (except, in each case, to the extent any such payment or proceeds are included in the calculation of Consolidated Net Income) from the release of any Guarantee (except to the extent any amounts are paid under such Guarantee) or from redesignations of Unrestricted Subsidiaries as Restricted Subsidiaries, not to exceed, in each case, the amount of Investments previously made by Spectrum Brands or any Restricted Subsidiary in such Person or Unrestricted Subsidiary.

For purposes of determining compliance with this Incurrence of Indebtedness and Issuance of Preferred Stock covenant, in the event that any proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (17) above, or is entitled to be incurred pursuant to paragraph (a) of this covenant, Spectrum Brands will be permitted to divide, classify or reclassify at the time of its incurrence such item of Indebtedness in any manner that complies with this covenant; and

In addition, any Indebtedness originally classified as incurred pursuant to paragraph (a) or clauses (1) through (17) above may later be reclassified by Spectrum Brands such that it will be deemed as having been incurred pursuant to another of such clauses or paragraph (a) above to the extent that such reclassified Indebtedness could be incurred pursuant to such new clause or paragraph (a) at the time of such reclassification (based on circumstances existing at the time of such reclassification). If any Contribution Debt is designated as incurred under any provision other than clause (16) under paragraph (b), the related issuance of Equity Interests may be included in any calculation under paragraph (A)(3)(b) of Restricted Payments.

Guarantees

If Spectrum Brands or any of its Restricted Subsidiaries acquires or creates another Domestic Subsidiary on or after the Escrow Release Date, then that newly acquired or created Domestic Subsidiary must become a Guarantor and execute a supplemental indenture and deliver an Opinion of Counsel to the Trustee.

A Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person), another Person, other than Spectrum Brands or another Guarantor unless:

- (1) immediately after giving effect to that transaction, no Default or Event of Default exists; and
- (2) either:
 - (a) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) is a Person organized or existing under the laws of the United States, any state thereof or the District of Columbia and assumes all the obligations of that Guarantor under the 2022 notes indenture, Note Guarantee and the Registration Rights Agreement pursuant to a supplemental indenture satisfactory to the Trustee; or

The Note Guarantee of a Guarantor (other than Holdings) will be released:

(1) in connection with any sale or other disposition of all of the Capital Stock of a Guarantor to a Person that is not (either before or after giving effect to such transaction) Spectrum Brands or a Restricted Subsidiary, if the sale of all such Capital Stock of that Guarantor complies with the covenant described above under the caption Repurchase at the Option of Holders Asset Sales ;

Reports

From and after the Escrow Release Date, so long as any 2022 notes are outstanding, Spectrum Brands will file with the U.S. Securities and Exchange Commission (Commission) and furnish to the Trustee and, upon request, to the Holders:

(1) within 90 days after the end of each fiscal year, an annual report on Form 10-K;

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, a quarterly report on Form 10-Q; and

(3) promptly from time to time after the occurrence of an event required to be therein reported pursuant to Form 8-K, a current report on Form 8-K.

If Spectrum Brands is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, Spectrum Brands will nevertheless continue filing the reports specified in the preceding paragraphs of this covenant with the Commission within the time periods specified above unless the Commission will not accept such a filing. If the Commission will not accept Spectrum Brands' filings for any reason, Spectrum Brands will furnish the reports referred to in the preceding paragraphs to the Trustee within the time periods that would apply if Spectrum Brands were required to file those reports with the Commission. Spectrum Brands will not take any action for the purpose of causing the Commission not to accept any such filings. Any information filed with, or furnished to, the Commission via EDGAR shall be deemed to have been made available to the Trustee and the registered holders of the 2022 notes.

Notwithstanding the foregoing, if Holdings or any other direct or indirect parent of Spectrum Brands fully and unconditionally guarantees the 2022 notes, the filing of such reports by such parent within the time periods specified above will satisfy such obligations of Spectrum Brands; *provided* that such reports shall include the information required by Rule 3-10 of Regulation S-X with respect to Spectrum Brands and the Guarantors.

Spectrum Brands shall distribute such information and such reports to the Trustee, and make them available, upon request, to any Holder and to any such prospective investor or securities analyst. To the extent not satisfied by the foregoing, Spectrum Brands shall also make publicly available the information required to be available pursuant to Rule 144A(d)(4) under the Securities Act.

Events of Default and Remedies

Each of the following is an Event of Default with respect to a series of 2022 notes:

- (1) default for 30 days in the payment when due of interest on such series of 2022 notes;
- (2) default in payment when due (whether at maturity, upon acceleration, redemption or otherwise) of the principal of, or premium, if any, on such series of 2022 notes;
- (3) failure by Spectrum Brands or any of its Restricted Subsidiaries to comply with the provisions described under the captions Repurchase at the Option of Holders Change of Control, Repurchase at the Option of Holders Asset Sales or Certain Covenants Merger, Consolidation or Sale of Assets or the provisions described in the second paragraph under the caption Certain Covenants Guarantees ;
- (4) failure by Spectrum Brands or any of its Restricted Subsidiaries for 60 days after written notice by the Trustee or Holders representing 25% or more of the aggregate principal amount of 2022 notes outstanding to comply with any of the other agreements in the 2022 notes indenture;
- (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Spectrum Brands or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by Spectrum Brands or any of its Restricted Subsidiaries) whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, if that default:
 - (a) is caused by a failure to make any payment of principal at the final maturity of such Indebtedness (a Payment Default);
 - (b) results in the acceleration of such Indebtedness prior to its express maturity,and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$50.0 million or more;
- (6) failure by Spectrum Brands or any of its Restricted Subsidiaries to pay final judgments (to the extent such judgments are not paid or covered by insurance provided by a carrier that has acknowledged coverage in writing and has the ability to perform) aggregating in excess of \$50.0 million, which judgments are not paid, discharged or stayed for a period of 60 days;
- (7) except as permitted by the 2022 notes indenture, any Note Guarantee shall be held in any judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect or any Guarantor, or any authorized Person acting on behalf of any Guarantor, shall deny or disaffirm its obligations under its Note Guarantee; and
- (8) certain events of bankruptcy or insolvency with respect to Spectrum Brands, any Significant Subsidiary of Spectrum Brands (or any Restricted Subsidiaries that together would constitute a Significant Subsidiary).

In the case of an Event of Default arising from certain events of bankruptcy or insolvency, with respect to Spectrum Brands, all outstanding 2022 notes will become due and payable immediately without further action or notice. If any other Event of Default with respect to a series of 2022 notes occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding 2022 notes of such series may declare all the 2022 notes of such

series to be due and payable immediately by notice in writing to Spectrum Brands specifying the Event of Default.

Holders of the 2022 notes may not enforce the 2022 notes indenture or the 2022 notes except as provided in the 2022 notes indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding 2022 notes of a series may direct the Trustee in its exercise of any trust or power with respect to such series of 2022 notes. The Trustee may withhold from Holders of the 2022 notes of such series notice of any Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest.

Table of Contents

The Holders of a majority in aggregate principal amount of a series of 2022 notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the 2022 notes of such Series waive any existing Default or Event of Default and its consequences under the 2022 notes indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the 2022 notes of such series. The Holders of a majority in principal amount of a series of 2022 notes then outstanding will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee with respect to such series of 2022 notes. However, the Trustee may refuse to follow any direction that conflicts with law or the 2022 notes indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of such series of 2022 notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders.

A Holder may not institute any proceeding, judicial or otherwise, with respect to the 2022 notes indenture or the 2022 notes, or form the appointment of a recipient or a trustee, or pursue any remedy with respect to the 2022 notes indenture or the 2022 notes unless:

- (1) the Holder gives the Trustee written notice of a continuing Event of Default;
- (2) the Holders of at least 25% in aggregate principal amount of outstanding 2022 notes of a series make a written request to the Trustee to pursue the remedy with respect to such series of 2022 notes;
- (3) such Holder or Holders offer the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding 2022 notes of such series do not give the Trustee a direction that is inconsistent with the request with respect to such series of 2022 notes.

However, such limitations do not apply to the right of any Holder of a 2022 note to receive payment of the principal of, premium, if any, or interest on, such 2022 note or to bring suit for the enforcement of any such payment, on or after the due date expressed in the 2022 notes, which right shall not be impaired or affected without the consent of the Holder.

Spectrum Brands is required to deliver to the Trustee annually within 120 days after the end of each fiscal year a statement regarding compliance with the 2022 notes indenture. Upon becoming aware of any Default or Event of Default, Spectrum Brands is required to deliver to the Trustee a statement specifying such Default or Event of Default.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator, stockholder or controlling person of Spectrum Brands or any Guarantor, as such, shall have any liability for any obligations of Spectrum Brands or the Guarantors under the 2022 notes, the 2022 notes indenture, the Note Guarantees, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of 2022 notes by accepting a 2022 note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the 2022 notes.

Legal Defeasance and Covenant Defeasance

Spectrum Brands may, at its option and at any time, elect to have all of its obligations discharged with respect to the outstanding 2022 notes of a series (Legal Defeasance) except for:

- (1) the rights of Holders of outstanding 2022 notes of a series to receive payments in respect of the principal of, or interest or premium, if any, on such series of 2022 notes when such payments are due from the trust referred to below;
- (2) Spectrum Brands obligations with respect to such series of 2022 notes concerning issuing temporary 2022 notes, registration of 2022 notes, mutilated, destroyed, lost or stolen 2022 notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee, and Spectrum Brands and the Guarantors obligations in connection therewith; and
- (4) the Legal Defeasance provisions of the 2022 notes indenture.

In addition, Spectrum Brands may, at its option and at any time, elect to have the obligations of Spectrum Brands and the Guarantors released with respect to a series of 2022 notes with respect to most covenants that are described in the 2022 notes indenture (Covenant Defeasance) and thereafter any omission to comply with those covenants shall not constitute a Default or Event of Default with respect to such series of 2022 notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under Events of Default and Remedies will no longer constitute Events of Default with respect to such series of 2022 notes.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to a series of 2022 notes:

- (1) Spectrum Brands must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of such series of 2022 notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants (or, if two or more nationally recognized firms of independent public accountants decline to issue such opinion as a matter of policy, in the opinion of Spectrum Brands chief financial officer) to pay the principal of, or interest and premium, if any, on the outstanding 2022 notes of such series on the stated maturity or on the applicable redemption date, as the case may be, and Spectrum Brands must specify whether such series of 2022 notes are being defeased to maturity or to a particular redemption date;
- (2) in the case of Legal Defeasance, Spectrum Brands shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (a) Spectrum Brands has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding 2022 notes of such series will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (3) in the case of Covenant Defeasance, Spectrum Brands shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding 2022 notes of such series will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be

subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit other than a Default resulting from the borrowing of funds to be applied to such deposit;

Table of Contents

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument to which Spectrum Brands or any of its Subsidiaries is a party or by which Spectrum Brands or any of its Subsidiaries is bound;

(6) Spectrum Brands must deliver to the Trustee an Officers Certificate stating that the deposit was not made by Spectrum Brands with the intent of preferring the Holders of 2022 notes of such series over the other creditors of Spectrum Brands with the intent of defeating, hindering, delaying or defrauding creditors of Spectrum Brands or others;

(7) if the 2022 notes are to be redeemed prior to their stated maturity, Spectrum Brands must deliver to the Trustee irrevocable instructions to redeem all of the 2022 notes of such series on the specified redemption date; and

(8) Spectrum Brands must deliver to the Trustee an Officers Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

In the case of legal or covenant defeasance, all Guarantees and Liens will be released.

Amendment, Supplement and Waiver

Except as provided in the next succeeding paragraphs, with respect to a series of 2022 notes, the 2022 notes indenture, the 2022 notes or the Guarantees with respect to such series may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of such series of 2022 notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such series of 2022 notes), and any existing Default or Event of Default or compliance with any provision of the 2022 notes indenture, the 2022 notes or the Guarantees with respect to such series may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding 2022 notes of such series (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such series of 2022 notes).

Without the consent of each Holder of 2022 notes of such series affected, an amendment, supplement or waiver may not (with respect to such series of 2022 notes held by a non-consenting Holder):

(1) reduce the principal amount of the 2022 notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any 2022 note or alter the provisions, or waive any payment, with respect to the redemption of the 2022 notes (other than the notice period with respect to the redemption of the 2022 notes);

(4) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on the 2022 notes (except a rescission of acceleration of the 2022 notes by the Holders of at least a majority in aggregate principal amount of the then outstanding 2022 notes and a waiver of the payment default that resulted from such acceleration);

(5) make any 2022 note payable in money other than U.S. dollars;

(6) make any change in the provisions of the 2022 notes indenture relating to waivers of past Defaults or the rights of Holders of 2022 notes to receive payments of principal of, or interest or premium, if any, on the 2022 notes;

(7) release any Guarantor from any of its obligations under its Note Guarantee or the 2022 notes indenture, except in accordance with the terms of the 2022 notes indenture;

(8) impair the right to institute suit for the enforcement of any payment on or with respect to the 2022 notes or the Note Guarantees;

Table of Contents

(6) to comply with the provision described under Certain Covenants Guarantees ;

(7) to evidence and provide for the acceptance of appointment by a successor Trustee;

(8) to provide for the issuance of Additional Notes in accordance with the 2022 notes indenture; or

(9) to conform any provision to this Description of Notes.

Satisfaction and Discharge

The 2022 notes indenture will be discharged and will cease to be of further effect as to a series of 2022 notes issued thereunder, when:

(1) either:

(a) all 2022 notes of such series that have been authenticated (except lost, stolen or destroyed 2022 notes that have been replaced or paid and 2022 notes for whose payment money has theretofore been deposited in trust and thereafter repaid to Spectrum Brands) have been delivered to the Trustee for cancellation; or

Table of Contents

(2) no Default or Event of Default shall have occurred and be continuing with respect to such series of 2022 notes on the date of such deposit or shall occur as a result of such deposit (other than from the borrowing of funds to be applied to such deposit) and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument (other than the 2022 notes indenture) to which Spectrum Brands or any Guarantor is a party or by which Spectrum Brands or any Guarantor is bound;

(3) Spectrum Brands or any Guarantor has paid or caused to be paid all sums payable by it under the 2022 notes indenture with respect to such series of 2022 notes; and

(4) Spectrum Brands has delivered irrevocable instructions to the Trustee under the 2022 notes indenture to apply the deposited money toward the payment of the 2022 notes of such series at maturity or the redemption date, as the case may be.

In addition, Spectrum Brands must deliver an Officers Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

If the Trustee becomes a creditor of Spectrum Brands or any Guarantor, the 2022 notes indenture limits its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue or resign.

The 2022 notes indenture provides that in case an Event of Default shall occur and be continuing, the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent person in the conduct of such person's own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the 2022 notes indenture at the request of any Holder of the 2022 notes, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

DESCRIPTION OF 2024 NOTES

In this Description of 2024 Notes, (i) **Spectrum Brands** refers only to Spectrum Brands, Inc. and any successor obligor on the 2024 notes and not to any of its subsidiaries, affiliates or direct or indirect parent companies and (ii) the terms **we**, **our** and **us** refer to Spectrum Brands and the Guarantors. You can find the definitions of certain terms used in this description of 2024 notes under **Certain Definitions**.

Spectrum Brands issued \$250.0 million aggregate principal amount of 2024 notes under the 2024 notes indenture among Spectrum Brands, the guarantors named therein and U.S. Bank National Association, as Trustee, as supplemented by the supplemental indenture dated as of February 24, 2015 and as further supplemented by the supplemental indenture dated as of June 23, 2015.

The following is a summary of the material provisions of the 2024 notes indenture. Because this is a summary, it may not contain all the information that is important to you. You should read the 2024 notes indenture in its entirety because it, and not this description, defines your rights as holders of the 2024 notes. Copies of the 2024 notes indenture are available at the address described under **Where You Can Find More Information**.

Basic Terms of 2024 Notes

The 2024 notes will:

be general unsecured obligations of Spectrum Brands, ranking equally in right of payment with all existing and future unsecured senior Indebtedness of Spectrum Brands;

be guaranteed by Spectrum Brands' direct parent, SB/RH Holdings, LLC (**Holdings**), and each of Spectrum Brands' existing and future Domestic Subsidiaries, which guaranty in each case shall be a senior unsecured obligation of such Guarantor, ranking equally in right of payment with all existing and future senior Indebtedness of such Guarantor;

rank senior in right of payment to all of Spectrum Brands' and the Guarantors' existing and future Indebtedness that expressly provides for its subordination to the 2024 notes and the Note Guarantees;

be effectively subordinated to any secured Indebtedness of Spectrum Brands, to the extent of the value of the assets securing such Indebtedness; and

be structurally subordinated to all Indebtedness and other liabilities of Spectrum Brands' subsidiaries that do not guarantee the 2024 notes.

Principal, Maturity and Interest

The 2024 notes will mature on December 15, 2024. Spectrum Brands will pay interest on the 2024 notes semi-annually in arrears on June 15 and December 15 of each year to holders of record on the immediately preceding June 1 and December 1. Interest on the 2024 notes will accrue from the most recent date to which interest has been or,

if no interest has been paid, from the Issue Date. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Spectrum Brands will pay interest on overdue principal of the 2024 notes at a rate equal to 1.0% per annum in excess of 6.125% per annum and will pay interest on overdue installments of interest at such higher rate, in each case to the extent lawful.

Additional Notes

Subject to the covenants described below, Spectrum Brands may issue additional 2024 notes (Additional Notes) under the 2024 notes indenture in an unlimited aggregate principal amount, having the same terms in all respects as the 2024 notes, or in all respects except with respect to issue price and interest accrued on or prior to the issue date thereof.

Table of Contents

To the extent required by applicable tax regulations, if Additional Notes are not fungible with other 2024 notes for U.S. federal income tax purposes, the Additional Notes will trade under a separate CUSIP number and will be treated as a separate class for purposes of transfer and exchange. Nevertheless, the 2024 notes offered hereby and any Additional Notes may, at our election, be treated as a single class for all purposes under the 2024 notes indenture and vote together as one class on all matters with respect to the 2024 notes.

Methods of Receiving Payments on the 2024 Notes

If a Holder has given wire transfer instructions to Spectrum Brands at least ten Business Days prior to the applicable payment or redemption date, Spectrum Brands will pay all principal, interest and premium, if any, on that Holder's 2024 notes in accordance with those instructions. All other payments on 2024 notes will be made at the office or agency of the Paying Agent and Registrar unless Spectrum Brands elects to make interest payments by check mailed to the Holders at their addresses set forth in the register of Holders.

Paying Agent and Registrar for the 2024 Notes

The Trustee is acting as Paying Agent and Registrar. Under the 2024 notes indenture, Spectrum Brands reserves the right to change the Paying Agent or Registrar without prior notice to the Holders, and Spectrum Brands or any of its Subsidiaries may act as Paying Agent or Registrar.

Transfer and Exchange

A Holder may transfer or exchange 2024 notes in accordance with the 2024 notes indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and Spectrum Brands may require a Holder to pay any taxes and fees required by law or permitted by the 2024 notes indenture. Spectrum Brands is not required to transfer or exchange any 2024 note selected for redemption. Also, Spectrum Brands is not required to transfer or exchange any 2024 note for a period of 15 days before a selection of the 2024 notes to be redeemed.

The registered Holder of a 2024 note will be treated as the owner of such 2024 note for all purposes.

Note Guarantees

Spectrum Brands' obligations under the 2024 notes and the 2024 notes indenture will be guaranteed, jointly and severally, on a senior unsecured basis, by Holdings and all of the Domestic Subsidiaries of Spectrum Brands. Each Note Guarantee will:

be a general, unsecured obligation of the Guarantor;

rank equally in right of payment with all existing and future unsecured senior Indebtedness of the Guarantor;

rank senior in right of payment to all existing and any future subordinated Indebtedness of the Guarantor;

be effectively subordinated to any secured Indebtedness of the Guarantor, to the extent of the value of the assets securing such Indebtedness; and

be structurally subordinated to all Indebtedness and other liabilities of any of Spectrum Brands subsidiaries that do not guarantee the 2024 notes.

Table of Contents

The 2024 notes indenture will provide that the obligations of each Guarantor under its Note Guarantee will be limited as necessary to prevent that Note Guarantee from constituting a fraudulent conveyance under applicable law. If Spectrum Brands or any of its Restricted Subsidiaries acquires or creates another Domestic Subsidiary on or after the Issue Date, then that newly acquired or created Domestic Subsidiary must promptly become a Guarantor, execute a supplemental indenture and deliver an opinion of counsel to the Trustee.

None of Spectrum Brands' Foreign Subsidiaries will guarantee the 2024 notes. Spectrum Brands' Subsidiaries that will not be guaranteeing the 2024 notes had, as of September 30, 2016, approximately 16% of total liabilities and generated 52% of Spectrum's revenue for the twelve month period ended September 30, 2016. See Risk Factors Risks Related to the Notes. The notes will be effectively subordinated to all liabilities of and claims of creditors of all of our foreign subsidiaries. Under the circumstances described below under the caption Certain Covenants Designation of Restricted and Unrestricted Subsidiaries, we will be permitted to designate certain of our Subsidiaries as Unrestricted Subsidiaries. Spectrum Brands' Unrestricted Subsidiaries will not be subject to the restrictive covenants in the 2024 notes indenture and will not guarantee the 2024 notes.

Optional Redemption

At any time prior to December 15, 2019, Spectrum Brands may redeem the 2024 notes at its option, in whole at any time or in part from time to time, at a redemption price equal to 100% of the principal amount of the 2024 notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the applicable redemption date.

At any time on or after December 15, 2019, Spectrum Brands may redeem all or a part of the 2024 notes, from time to time, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, to the applicable redemption date, in cash, if redeemed during the twelve-month period beginning on December 15 in the years indicated below:

Year	Percentage
2019	103.063%
2020	102.042%
2021	101.021%
2022 and thereafter	100.000%

At any time and from time to time prior to December 15, 2017, Spectrum Brands may redeem the 2024 notes with an amount of cash equal to the net cash proceeds received by Spectrum Brands from one or more Equity Offerings at a redemption price equal to 106.125% of the principal amount plus accrued and unpaid interest to the redemption date, in an aggregate principal amount for all such redemptions not to exceed 35% of the aggregate principal amount of the 2024 notes (calculated after giving effect to any issuance of Additional Notes), provided that

- (1) in each case the redemption takes place not later than 90 days after the closing of the related Equity Offering, and
- (2) not less than 65% of the aggregate principal amount of the 2024 notes (calculated after giving effect to any issuance of Additional Notes) issued under the 2024 notes indenture remains outstanding immediately thereafter.

Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering, and any such redemption or notice may, at Spectrum Brands' discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering.

Selection and Notice

If less than all of the 2024 notes are to be redeemed at any time, the Trustee will select 2024 notes for redemption as follows:

- (1) if the 2024 notes are listed, in compliance with the requirements of the principal national securities exchange on which the 2024 notes are listed; or
- (2) if the 2024 notes are not so listed, on a pro rata basis, by lot or by such method as the Trustee shall deem fair and appropriate.

No 2024 notes of less than \$2,000 shall be redeemed in part. Notices of redemption shall be mailed by first class mail, or delivered electronically if held by DTC, at least 30 but not more than 60 days before the redemption date to each Holder of the 2024 notes to be redeemed at its registered address, except that redemption notices may be delivered more than 60 days prior to the redemption date if the notice is issued in connection with the defeasance of the 2024 notes or a satisfaction and discharge of the 2024 notes indenture.

If any 2024 note is to be redeemed in part only, the notice of redemption that relates to that 2024 note shall state the portion of the principal amount thereof to be redeemed. A new 2024 note in principal amount equal to the unredeemed portion of the original 2024 note will be issued in the name of the Holder thereof upon cancellation of the original 2024 note. The 2024 notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on the 2024 notes or portions of them called for redemption.

Mandatory Redemption; Open Market Purchases and Other Purchases

Spectrum Brands is not required to make mandatory redemption or sinking fund payments with respect to the 2024 notes.

From time to time, Spectrum Brands, its Restricted Subsidiaries, its direct or indirect parents or its Affiliates may acquire the 2024 notes through open market purchases, privately negotiated transactions, tender offers, exchange offers, redemptions or otherwise, upon such terms and at such prices as Spectrum Brands, its Restricted Subsidiaries, its direct or indirect parents or its Affiliates (as applicable) may determine (or as may be provided for in the 2024 notes indenture), which may be more or less than the consideration for which the 2024 notes are being sold and may be less than the redemption price in effect and could be for cash or other consideration, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the 2024 notes indenture. There can be no assurance as to which, if any, of these alternatives or combinations thereof Spectrum Brands, its Restricted Subsidiaries, its direct or indirect parents or its Affiliates may choose to pursue in the future.

Repurchase at the Option of Holders

Change of Control

If a Change of Control occurs, each Holder of 2024 notes will have the right to require Spectrum Brands to repurchase all or any part (equal to \$2,000 or a higher multiple of \$1,000) of that Holder's 2024 notes pursuant to a Change of Control Offer on the terms set forth in the 2024 notes indenture. In the Change of Control Offer, Spectrum Brands will offer a payment (such payment, a Change of Control Payment) in cash equal to 101% of the aggregate principal amount of 2024 notes repurchased, plus accrued and unpaid interest thereon, to the date of purchase. Within 30 days following any Change of Control, Spectrum Brands will mail, or deliver electronically if held by DTC, a notice to

each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase 2024 notes on the date specified in such notice (the Change of Control Payment Date), which date shall be no earlier than 30 days and no later than 60 days from the date such

notice is delivered, pursuant to the procedures required by the 2024 notes indenture and described in such notice. Spectrum Brands will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the 2024 notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the 2024 notes indenture, Spectrum Brands will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the 2024 notes indenture by virtue of such compliance.

On or before the Change of Control Payment Date, Spectrum Brands will, to the extent lawful:

- (1) accept for payment all 2024 notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all 2024 notes or portions thereof properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the 2024 notes so accepted together with an officer's certificate stating the aggregate principal amount of 2024 notes or portions thereof being purchased by Spectrum Brands.

The Paying Agent will promptly mail or wire transfer to each Holder of 2024 notes properly tendered the Change of Control Payment for such 2024 notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the 2024 notes surrendered, if any; provided that such new 2024 note will be in a principal amount of \$2,000 or a higher integral multiple of \$1,000.

Spectrum Brands' senior credit facilities provide that certain change of control events with respect to Spectrum Brands would constitute a default under these agreements. Any future credit agreements or other agreements to which Spectrum Brands becomes a party may contain similar provisions. Spectrum Brands' ability to pay cash to the Noteholders following the occurrence of a Change of Control may be limited by Spectrum Brands' then existing financial resources. Moreover, the exercise by the Noteholders of their right to require Spectrum Brands to purchase the 2024 notes could cause a default under other debt, even if the Change of Control itself does not, due to the financial effect of the purchase on Spectrum Brands. There can be no assurance that sufficient funds will be available when necessary to make the required purchase of the 2024 notes. See **Risk Factors** **Risks Related to the Notes** We may not be able to make the change of control offer required by the indenture.

Spectrum Brands will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the 2024 notes indenture applicable to a Change of Control Offer made by Spectrum Brands and purchases all 2024 notes validly tendered and not withdrawn under such Change of Control Offer or (2) notice of redemption has been given pursuant to the 2024 notes indenture as described above under the caption **Optional Redemption**, unless and until there is a default in payment of the applicable redemption price.

If holders of not less than 90% in aggregate principal amount of the outstanding 2024 notes validly tender and do not withdraw such 2024 notes in a Change of Control Offer and Spectrum Brands, or any third party making a Change of Control Offer in lieu of Spectrum Brands as described above, purchases all of the 2024 notes validly tendered and not withdrawn by such holders, Spectrum Brands or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all 2024 notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of

redemption.

Table of Contents

2024 notes repurchased by Spectrum Brands pursuant to a Change of Control Offer will have the status of 2024 notes issued but not outstanding or will be retired and canceled at the option of Spectrum Brands. 2024 notes purchased by a third party pursuant to the preceding paragraphs will have the status of 2024 notes issued and outstanding.

A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control or other events, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The provisions under the 2024 notes indenture relative to Spectrum Brands' obligation to make a Change of Control Offer may be waived or modified with the written consent of the holders of a majority in principal amount of the 2024 notes then outstanding.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of all or substantially all of the properties or assets of Spectrum Brands and its Subsidiaries taken as a whole. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder of the 2024 notes to require Spectrum Brands to repurchase such 2024 notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of Spectrum Brands and its Subsidiaries taken as a whole to another Person or group may be uncertain.

Under a Delaware Chancery Court interpretation of a change of control repurchase requirement with a continuing director provision, a board of directors may approve a slate of shareholder-nominated directors without endorsing them or while simultaneously recommending and endorsing its own slate instead. The foregoing interpretation would permit Spectrum Brands' Board of Directors to approve a slate of directors that included a majority of dissident directors nominated pursuant to a proxy contest, and the ultimate election of such directors would not constitute a Change of Control under the 2024 notes indenture that would trigger the rights of a holder of 2024 notes to require a repurchase of the 2024 notes pursuant to this covenant.

Suspension of Certain Covenants

If at any time after the Issue Date that (i) the 2024 notes are rated Investment Grade by each of S&P and Moody's (or, if either (or both) of S&P and Moody's have been substituted in accordance with the definition of "Rating Agencies," by each of the then applicable Rating Agencies) and (ii) no Default has occurred and is continuing under the 2024 notes indenture, Spectrum Brands and its Restricted Subsidiaries will not be subject to the covenants in the 2024 notes indenture specifically listed under the following captions in this "Description of 2024 Notes" section of this prospectus (the "Suspended Covenants"):

- (1) Certain Covenants - Incurrence of Indebtedness and Issuance of Preferred Stock ;
- (2) Certain Covenants - Restricted Payments ;
- (3) Certain Covenants - Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries ;
- (4) Certain Covenants - Transactions with Affiliates ;
- (5) Certain Covenants - Asset Sales ; and
- (6) clause (3) under Certain Covenants - Merger, Consolidation or Sale of Assets.

Table of Contents

Additionally, during such time as the above referenced covenants are suspended (a Suspension Period), Spectrum Brands will not be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary.

In the event that Spectrum Brands and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the Reversion Date) the condition set forth in clause (i) of the first paragraph of this section is no longer satisfied, then Spectrum Brands and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenant with respect to future events.

On each Reversion Date, all Debt incurred during the Suspension Period prior to such Reversion Date will be deemed to be Debt incurred pursuant to clause (b)(2) under Incurrence of Indebtedness and Issuance of Preferred Stock. For purposes of calculating the amount available to be made as Restricted Payments under clause (3) of clause (A) of Restricted Payments, calculations under such covenant shall be made as though such covenant had been in effect since the Issue Date and prior, but not during, the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under the first paragraph of Restricted Payments. For purposes of the Asset Sales covenant, on the Reversion Date, the amount of unutilized Excess Proceeds will be reset to zero. Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default shall be deemed to have occurred as a result of a failure to comply with the Suspended Covenants during a Suspension Period (or on the Reversion Date after a Suspension Period based solely on events that occurred during the Suspension Period).

There can be no assurance that the 2024 notes will ever achieve or maintain a rating of Investment Grade from the Rating Agencies.

Certain Covenants

(4) make any Restricted Investment.

(All such payments and other actions set forth in clauses (1) through (4) above being collectively referred to as Restricted Payments), unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof; and

(2) Spectrum Brands would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of the covenant described below under the caption Incurrence of Indebtedness and Issuance of Preferred Stock ; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by Spectrum Brands and its Restricted Subsidiaries after the Issue Date (excluding Restricted Payments permitted by clauses (2), (3), (4) (to the extent such dividends are paid to Spectrum Brands or any of its Restricted Subsidiaries) and (5), (6), (8), (9)(i), (ii) or (iv), (10), (11), (12) and (13) of the next succeeding paragraph (B)), is less than the sum, without duplication, of:

(c) with respect to Restricted Investments made by Spectrum Brands and its Restricted Subsidiaries after the Issue Date, an amount equal to the net reduction in Investments (other than reductions in Permitted Investments) in any Person resulting from repayments of loans or advances, or other transfers of assets, in each case to Spectrum Brands or any Restricted Subsidiary or from the net cash proceeds from the sale of any such Investment (except, in each case, to the extent any such payment or proceeds are included in the calculation of Consolidated Net Income) from the release of any Guarantee (except to the extent any amounts are paid under such Guarantee) or from redesignations of Unrestricted Subsidiaries as Restricted Subsidiaries, not to exceed, in each case, the amount of Investments previously made by Spectrum Brands or any Restricted Subsidiary in such Person or Unrestricted Subsidiary; *plus*

(d) \$350.0 million.

(B) So long as, in the case of clauses (7) and (8), no Default has occurred and is continuing or would be caused thereby, the preceding provisions will not prohibit:

(1) the payment of any dividend or distribution or consummation of a redemption within 60 days after the date of declaration thereof or the giving of the redemption notice, as applicable, if at said date of declaration or notice such

payment would have complied with the provisions of the 2024 notes indenture;
