Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

(a)

On January 6, 2017, AVEO Pharmaceuticals, Inc. (the Company) received a deficiency letter from the Listing Qualifications Department (the Staff) of the Nasdaq Stock Market (Nasdaq) notifying the Company that it is not in compliance with the minimum \$50,000,000 market value of listed securities (MVLS) requirement for continued listing on the Nasdaq Global Select Market pursuant to Nasdaq Listing Rule 5450(b)(2)(A) (the MVLS Rule). The Staff also noted in its letter that the Company is not in compliance with Nasdaq Listing Rule 5450(b)(3)(A), which requires listed companies to have total assets and total revenue of at least \$50,000,000 each for the most recently completed fiscal year or for two of the three most recently completed fiscal years. As previously disclosed in a Current Report on Form 8-K filed October 14, 2016, the Company was previously notified by the Staff that it is not in compliance with the minimum bid price requirement pursuant to Nasdaq Listing Rule 5450(a)(1).

In accordance with Nasdaq Listing Rule 5810(c)(3)(C) (the Compliance Period Rule), the Company has been provided a period of 180 calendar days, or until July 5, 2017 (the Compliance Date), to regain compliance with the MVLS Rule. If, at any time before the Compliance Date, the Company's MVLS closes at \$50,000,000 or more for a minimum of 10 consecutive business days as required under the Compliance Period Rule, the Staff will provide written notification to the Company that it complies with the MVLS Rule, unless the Staff exercises its discretion to extend this 10 day period pursuant to Nasdaq Listing Rule 5810(c)(3)(F).

If the Company does not regain compliance with the MLVS Rule by the Compliance Date, the Staff will provide written notification to the Company that its common stock may be delisted. At that time, the Company may appeal the Staff's delisting determination to a NASDAQ Listing Qualifications Panel (Panel). The Company expects that its stock would remain listed pending the Panel's decision. There can be no assurance that, if the Company does appeal the delisting determination by the Staff to the Panel, that such appeal would be successful.

Alternatively, the Company may be eligible to transfer the listing of its common stock to the Nasdaq Capital Market. To effect such a transfer, the Company would need to pay an application fee to Nasdaq and meet the Nasdaq Capital Market's continued listing requirements.

The Company intends to monitor the market value of its listed securities and may, if appropriate, consider available options to regain compliance with the MVLS Rule.
