Dear Provectus Stockholders:

You are cordially invited to attend the 2017 Annual Meeting of Stockholders of Provectus Biopharmaceuticals, Inc. (Provectus or the Company) to be held on Tuesday, May 30, 2017, at 4:00 p.m., Eastern Time, at the offices of PYA, PC, located at 2220 Sutherland Avenue, Knoxville, Tennessee 37919.

We are pleased to present you with our 2017 Proxy Statement. Our 2017 Annual Meeting will be our first annual meeting since we closed on our first tranche of up to \$20 Million in financing and replaced a majority of our board members, which steps contribute to a new and fundamental strategy for the Company: change of control of the board of directors, complete a tranche-based capital formation program, and fortify the management team to support the clinical development program as well as business and corporate development opportunities.

At the 2017 Annual Meeting, stockholders will vote on the matters set forth in the 2017 Proxy Statement and the accompanying notice of the annual meeting. Your board of directors has recommended four highly qualified and experienced nominees for election to the board of directors at the 2017 Annual Meeting. Highlights of the detailed information included in the proxy statement can be found in the section entitled Questions and Answers About the 2017 Annual Meeting of Stockholders starting on page 3, and detailed information regarding the director candidates can be found under Proposal 1 Election of Directors starting on page 37. Additionally, enclosed with the Proxy Statement is a WHITE proxy card and postage-paid return envelope. WHITE proxy cards are being solicited on behalf of the Provectus board of directors.

Your vote will be especially important for our 2017 Annual Meeting. As you may have heard, a group led by Peter Culpepper (together with his affiliates and related parties, Culpepper) has notified Provectus that Culpepper intends to nominate himself as part of a slate of five nominees for election to the board of directors at the meeting in opposition to the nominees recommended by our new board of directors, although the size of our board of directors is set at four directors. You may receive a proxy statement, proxy card and other solicitation materials from Culpepper. Provectus is not responsible for the accuracy of any information provided by or relating to Culpepper or its nominees contained in solicitation materials filed or disseminated by or on behalf of Culpepper or any other statements that Culpepper may make.

As we reported in the Company s Form 8-K dated December 27, 2016 and its Annual Report on Form 10-K for the fiscal year ended December 31, 2016, on December 27, 2016, the Company s board of directors unanimously voted to terminate Peter R. Culpepper, effective immediately, from all positions he held with the Company and each of its subsidiaries, based on the results of the investigation conducted by a Special Committee of the board of directors regarding improper travel expense advancements and reimbursements to Mr. Culpepper totaling approximately \$294,255. In accordance with the terms of the settlement agreement Culpepper entered into as part of Glenn Kleba v. H. Craig Dees, et al, the Company is seeking from Mr. Culpepper the immediate payment of \$2,051,083 due under the Kleba settlement agreement, as described in detail in the Company s filings with the Securities and Exchange Commission. Mr. Culpepper disputes that he was terminated for cause under his employment agreement and the

amount he owes the Company and has demanded this issue be resolved by mediation in accordance with his employment agreement. The mediation has been scheduled for June 28, 2017.

For the reasons set forth above, the Provectus board of directors unanimously recommends that you vote FOR the election of each of the nominees proposed by the board of directors on your WHITE proxy card. The board of directors does not endorse any Culpepper nominees. In the event you receive any proxy card sent to you by Culpepper, the board of directors strongly urges you not to sign or return any proxy card other than the enclosed WHITE proxy card. If you have previously submitted a proxy card sent to you by Culpepper, you can revoke that proxy and vote for our board of directors' nominees and on the other matters to be voted on at the 2017 Annual Meeting by using the enclosed WHITE proxy card.

Who is entitled to vote?

Only stockholders of record at the close of business on April 18, 2017, the record date for the 2017 annual meeting, are entitled to receive notice of the 2017 annual meeting and to vote the shares of common stock that they held on that date at the 2017 annual meeting. Am I entitled to vote if my shares are held in street name?

If you are the beneficial owner of shares held in street name by a brokerage firm, bank, or other nominee, such entity, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your nominee, it will nevertheless be entitled to vote your shares on discretionary items but will not be permitted to do so on non-discretionary items. Proposals 1, 2, 3, 5 and 6 are non-discretionary items for which a nominee will not have discretion to vote in the absence of voting instructions from you. However, Proposal 4 is a discretionary item on which your nominee will be entitled to vote your shares even in the absence of instructions from you.

What constitutes a quorum?

The presence at the 2017 annual meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum.

How do I vote?

YOUR VOTE IS IMPORTANT! Please cast your vote using the enclosed WHITE proxy card and play a part in the future of Provectus.

Peter R. Culpepper, our former Chief Financial Officer and Chief Operating Officer and our former Interim Chief Executive Officer, and a stockholder of the Company, has notified the Company of his intent to nominate a slate of five nominees for election to the board of directors at the 2017 Annual Meeting, although the size of our board of directors is set at four directors. You may receive a proxy statement, proxy card and other solicitation materials from Mr. Culpepper. Provectus is not responsible for the accuracy of any information provided by or relating to Mr. Culpepper or his nominees contained in solicitation materials filed or disseminated by or on behalf of Mr. Culpepper or any other statements that Mr. Culpepper may make.

The Provectus board of directors does not endorse the Culpepper nominees and unanimously recommends that you vote FOR the election of each of the nominees proposed by the board of directors on the WHITE proxy card. The board of directors strongly urges you not to sign or return any proxy card sent to you by Mr. Culpepper. If you have previously submitted a proxy card sent to you by Mr. Culpepper, you can revoke that proxy and vote for the board of directors nominees and on the other matters to be voted on at the meeting by using the enclosed WHITE proxy card.

Shareholders of record, who hold shares registered in their own name, can vote by signing, dating and returning the enclosed WHITE proxy card in the postage-paid return envelope, or by telephone or via the internet, following the easy instructions shown on the enclosed WHITE proxy card.

Beneficial owners, who own shares through a bank, brokerage firm or other financial institution, can vote by returning the voting instruction form, or by following the instructions for voting via telephone or the internet, as provided by the bank, broker or other organization. If you own shares in different accounts or in more than one name, You may receive different voting instructions for each type of ownership. Please vote all your shares.

If you are a shareholder of record or a beneficial owner who has a legal proxy to vote the shares, you may choose to vote in person at the annual meeting. Even if you plan to attend our annual meeting in person, please cast your vote as soon as possible by using the WHITE proxy card.

If you have any questions or need assistance voting, please contact Morrow Sodali, our proxy solicitor assisting us in connection with the 2017 Annual Meeting. Shareholders may call toll free at []. Banks and brokers may call collect at [].

Has Provectus been notified that a shareholder intends to propose alternative director nominees at the 2017 Annual Meeting?

Yes. Peter R. Culpepper has notified Provectus that he intends to nominate a slate of four nominees for election to the board of directors at the meeting in opposition to the nominees recommended by the board of directors. The Provectus board of directors does not endorse any of the Culpepper nominees and unanimously recommends that you vote FOR the election of each of the nominees proposed by the board of directors. The board of directors strongly urges you not to sign or return any proxy card sent to you by Mr. Culpepper. If you have previously submitted a proxy card sent to you by Mr. Culpepper, you can revoke that proxy and vote for our board of directors' nominees and on the other matters to be voted on at the meeting by using the enclosed WHITE proxy card.

Table of Contents

What should I do if I receive a proxy card or other proxy materials from Peter Culpepper?

Peter Culpepper has notified Provectus that he intends to nominate a slate of four nominees for election to the board of directors at the meeting in opposition to the nominees recommended by our board of directors. You may receive a proxy statement, proxy card and other solicitation materials from Mr. Culpepper. Provectus is not responsible for the accuracy of any information provided by or relating to Mr. Culpepper or his nominees contained in solicitation materials filed or disseminated by or on behalf of Mr. Culpepper or any other statements that Mr. Culpepper may make.

The Provectus board of directors does not endorse any of the Culpepper nominees and unanimously recommends that you vote FOR the election of each of the nominees proposed by the board of directors on your WHITE proxy card. The board of directors strongly urges you not to sign or return any proxy card sent to you by Mr. Culpepper. Voting to withhold with respect to any Culpepper nominee on a proxy card sent to you by Mr. Culpepper is not the same as voting for the board of directors' nominees because a vote to withhold with respect to any Culpepper nominee on its proxy card will revoke any WHITE proxy you may have previously submitted. To support the board of directors' nominees, you should vote FOR the Board's nominees on the WHITE proxy card and disregard, and not return, any proxy card sent to you by Mr. Culpepper. If you have previously submitted a proxy card sent to you by Mr. Culpepper, you can revoke that proxy and vote for our board of directors' nominees and on the other matters to be voted on at the meeting by using the enclosed WHITE proxy card. Only the latest dated proxy you submit will be counted.

If you have any questions or need assistance voting, please contact Morrow Sodali, our proxy solicitor assisting us in connection with the annual meeting. Shareholders may call toll free at []. Banks and brokers may call collect at [].

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy card, you may change your vote at any time before the proxy is exercised by filing with the Secretary either a notice of revocation or a duly executed proxy card bearing a later date. If you are a street name stockholder, you must contact your broker or other nominee and follow its instructions if you wish to change your vote. The powers of the proxy holders will be suspended if you attend the 2017 annual meeting in person and so request, although your attendance at the 2017 annual meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Our board of directors unanimously recommends that you vote on the WHITE proxy:

1. **FOR** the election of four directors to serve on our board of directors for a one-year term;
2. **FOR** the advisory vote to approve the compensation of our named executive officers;
3. **EVERY 1 YEAR** with respect to the advisory vote to approve the frequency of the advisory vote on compensation of our named executive officers;

Table of Contents

4. **FOR** ratification of the selection of Marcum LLP as our independent registered public accounting firm for 2017;
5. **FOR** the amendment of the Certificate of Incorporation, as amended, to increase the number of authorized shares of preferred stock; and
6. **FOR** the amendment of the Provectus Equity Compensation Plan to allow for the grant of restricted stock awards.

What happens if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, your shares will be voted **FOR** each of the nominees for director identified in Proposal 1, **FOR** Proposals 2,4, 5 and 6 and **EVERY 1 YEAR** with respect to Proposal 3.

Will any other business be conducted at the 2017 annual meeting?

As of the date hereof, our board of directors knows of no business that will be presented at the annual meeting other than the proposals described in this Proxy Statement. If any other business is properly brought before the 2017 annual meeting, the proxy holders will vote your shares in accordance with their best judgment.

What vote is required to approve each item?

1. The director nominees will be elected to serve on our board of directors for a term of one year if they receive a plurality of the votes cast on the shares of common stock present in person or represented by proxy at the 2017 annual meeting and entitled to vote on the subject matter. This means that the director nominees will be elected if they receive more votes than any other person at the 2017 annual meeting. If you vote to **Withhold Authority** with respect to the election of one or more director nominees, your shares of common stock will not be voted with respect to the person or persons indicated, although they will be counted for the purpose of determining whether there is a quorum at the meeting.
2. The advisory vote to approve the compensation of our named executive officers will be approved if a majority of the shares of common stock present in person or represented by proxy at the 2017 annual meeting and entitled to vote on the subject matter are voted in favor of the proposal.
3. The vote to approve, on an advisory basis, the frequency of the advisory vote on executive compensation will be approved if a majority of the shares of common stock present in person or represented by proxy at the 2017 annual meeting and entitled to vote on the subject matter are voted in favor of the proposal.
4. The selection of Marcum LLP as our independent registered public accounting firm for 2017 will be ratified if a majority of the shares of common stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter are voted in favor of the proposal.

5. The vote to approve an amendment of the Certificate of Incorporation to increase the number of authorized shares of preferred stock will be approved if a majority of the outstanding shares of common stock entitled to vote are voted in favor of the proposal.

6. The vote to approve an amendment of the Provectus Equity Compensation Plan to allow for the grant of restricted stock awards will be approved if a majority of the shares of common stock present in person or represented by proxy at the 2017 annual meeting and entitled to vote on the subject matter are voted in favor of the proposal.

Table of Contents

How will Abstentions and Broker Non-Votes be Treated?

You do not have the option of abstaining from voting on Proposal 1, but you may abstain from voting on Proposals 2 through 6. With respect to Proposal 1, because the directors are elected by a plurality vote, an abstention will have no effect on the outcome of the vote and, therefore, is not offered as a voting option on the proposal. In the case of an abstention on Proposals 2 through 6, your shares of common stock would be included in the number of shares of common stock considered present at the meeting for the purpose of determining whether there is a quorum. Because your shares of common stock would be voted but not in favor of Proposals 2 through 6, your abstention would have the same effect as a negative vote in determining the outcome of the vote on the proposal.

Broker non-votes occur when a brokerage firm, bank, or other nominee does not vote shares that it holds in street name on behalf of the beneficial owner because the beneficial owner has not provided voting instructions to the nominee with respect to a non-discretionary item. Proposals 1, 2, 3, 5 and 6 are non-discretionary items for which a nominee will not have discretion to vote in the absence of voting instructions from you. However, Proposal 4 is a discretionary item on which your nominee will be entitled to vote your shares of common stock even in the absence of instructions from you. Accordingly, it is possible for there to be broker non-votes with respect to Proposals 1, 2, 3, 5 and 6, but there will not be broker non-votes with regard to Proposal 4. In the case of a broker non-vote, your shares of common stock would be included in the number of shares of common stock considered present at the meeting for the purpose of determining whether there is a quorum. A broker non-vote, being shares of common stock not entitled to vote, would not have any effect on the outcome of the vote on Proposals 1, 2, 3, 5 and 6.

BACKGROUND OF THE SOLICITATION

On February 29, 2016, the Company announced (i) the resignation of H. Craig Dees, PhD, as Chief Executive Officer and Chairman of the board of directors of the Company, effective immediately and (ii) that the board of directors appointed Peter R. Culpepper, the Company's Chief Financial Officer and Chief Operating Officer at the time, to serve as Interim Chief Executive Officer until the board of directors completed its search process for a successor Chief Executive Officer. The board of directors appointed Eric Wachter, the Company's Chief Technology Officer to fill the vacancy on the board of directors caused by Dr. Dees's resignation. The board of directors appointed Alfred E. Smith, IV, the lead independent director on the board of directors, to replace Dr. Dees as Chairman of the board of directors.

In connection with the resignation of Dr. Dees as the Company's Chief Executive Officer and Chairman of the board of directors, the Audit Committee conducted a comprehensive review of Company procedures, policies and practices, including travel expense advancements and reimbursements. The Audit Committee retained independent counsel and an advisory firm with forensic accounting expertise to assist in conducting the investigation. On March 15, 2016, the Audit Committee completed the investigation with respect to Dr. Dees and made the following findings: (1) in 2015, Dr. Dees received \$898,430 in travel expense advances but submitted receipts totaling only \$297,170, most of which did not appear to be authentic; (2) in 2014, Dr. Dees received \$819,000 for travel expense advances, for which no receipts were submitted; and (3) in 2013, Dr. Dees received \$752,034 for travel expense advances; no receipts were submitted by Dr. Dees for \$698,000 of these expenses and \$54,034 of submitted receipts did not appear to be authentic. On May 5, 2016, the Company initiated collection efforts on all of Dr. Dees' unsubstantiated travel expenses as well as other monies Dr. Dees owed the Company. See Footnote 10 under "STOCK OWNERSHIP - Directors, Executive Officers and Other Stockholders."

On April 1, 2016, the Audit Committee issued a Performance Improvement Plan ("PIP") to Mr. Culpepper based on the findings of the independent investigation commissioned by the Audit Committee concerning the financial activities of Dr. Dees. The PIP identified significant deficiencies in Mr. Culpepper's performance and imposed performance expectations and required actions necessary for his continued employment with Provectus. The PIP contemplated that the corrective actions would be completed within 90 days. It also required Mr. Culpepper to notify the Company if he became aware, in part, of any material weaknesses or deficiencies in the Company's accounting, financial controls, or financial reporting. Although Mr. Culpepper refused to sign the PIP, the Audit Committee nevertheless considered it to be validly issued and monitored Mr. Culpepper's progress toward achievement of the requirements within the PIP.

In April 2016, the SEC opened an investigation into the Company's travel expenses and issued subpoenas related to Dr. Dees' travel advances. On August 12, 2016, the board of directors of the Company held a telephonic meeting to discuss the investigations by the Audit Committee and the SEC into the Company's travel and expense reimbursement policies and practices. At the inception of the SEC's investigation into Dr. Dees and his travel expenses, the SEC staff conducting the investigation asked for assurances from Company counsel that Dees' misappropriation of funds via expense reports and travel advances was an isolated incident. In order to provide those assurances and to satisfy its own concerns, the board asked special counsel to review, on a cursory basis, the other three executive officers' travel expenses. Based upon this review special counsel concluded that no further investigation of Drs. Wachter and Scott was warranted but that further review of Mr. Culpepper's travel advances and expenses should occur.

On August 15, 2016, the Audit Committee held a telephonic meeting to discuss the ongoing investigations by the Audit Committee and the SEC related to the travel expense advances and reimbursements of Dr. Dees and Mr. Culpepper.

As part of the further review of Mr. Culpepper's travel expenses, on August 27, 2016, Soldinger & Associates ("Soldinger"), a new forensic accounting firm hired by special counsel, conducted an initial interview

Table of Contents

of Mr. Culpepper with Company counsel and special counsel to the Audit Committee present, during which he was questioned generally about his travel expenses.

On September 16, 2016, the Audit Committee held a telephonic meeting to discuss the ongoing investigations. Based upon its discussions, Soldinger was then directed by the Audit Committee to perform a comprehensive analysis of Mr. Culpepper's expense reports and reimbursements for the years 2013 through 2016, including a reconciliation of these expenses reimbursements with Mr. Culpepper's American Express statements.

On October 19, 2016, Soldinger conducted a second interview of Mr. Culpepper with Company counsel and special counsel to the Audit Committee present. At this interview, Soldinger and special counsel questioned Mr. Culpepper as to its initial findings resulting from the expense review. The initial findings raised questions with regard to foreign currency travel advances received by Mr. Culpepper for which he never accounted and numerous credits he received for amounts that he had expensed, but that he failed to pay back to the Company. Soldinger estimated that Mr. Culpepper owed the Company \$300,000 in overpaid and unsupported expense reimbursements and advances. At the end of this interview it was agreed that Mr. Culpepper would have a period of time to respond and to reconcile the amounts that Soldinger claimed were owed Provectus by Mr. Culpepper.

On November 16, 2016, Mr. Culpepper provided, through his personal attorney, a written response to the questions raised by Soldinger, which included 18 new or revised schedules/spreadsheets analyzing Mr. Culpepper's business expense reporting and reimbursements.

On December 14, 2016 Soldinger completed its review of the additional information and responses provided by Mr. Culpepper. In so doing, Soldinger rejected the explanations provided by Mr. Culpepper as unsupported or nonsensical.

On December 22, 2016, the Audit Committee held a telephonic meeting to discuss the findings from Soldinger. The Audit Committee, after the presentation from Soldinger and special counsel to the Audit Committee and after a discussion, unanimously recommended to the board that Mr. Culpepper be terminated from his employment for cause.

On December 27, 2016, the board of directors of the Company held a telephonic meeting to discuss the findings of Soldinger regarding travel advancements and reimbursements to Mr. Culpepper and, based upon input from the Audit Committee's special counsel and the report from Soldinger, concluded that Mr. Culpepper owed the Company \$294,255 for improper travel advancements and expense reimbursements. Following the presentation and after a thorough discussion, the board unanimously voted to terminate Mr. Culpepper for cause under his employment agreement.

On December 28, 2016, Mr. Culpepper was terminated by Alfred E. Smith, IV, Chairman of the board, as Interim Chief Executive Officer and Chief Operating Officer of Provectus, as well as all other managerial positions he held in Provectus and its subsidiaries.

On January 3, 2017, Mr. Culpepper sent a letter to the board of directors disputing his termination for cause and demanding a \$1 Million severance payment. Mr. Culpepper demanded a mediation of his termination for cause under his employment agreement. The board, in a response letter dated January 9, disputed his allegations and noted that his actions regarding improper travel advances and unsubstantiated expense reimbursements, as well as his failure to properly supervise H. Craig Dees's misappropriation of funds from the Company, violated (i) his obligations under his employment agreement, (ii) the Company's organizational documents and (iii) the PIP.

Edgar Filing: PROVECTUS BIOPHARMACEUTICALS, INC. - Form PRE 14A

On January 5, 2017, Mr. Culpepper filed a Schedule 13D with the SEC in rebuttal to his firing. We believe Mr. Culpepper's filing of a Schedule 13D violated the proxy solicitation rules under Rule 14a-1(1) of the

Table of Contents

Exchange Act because he was soliciting changes to the board of directors without compliance with the proxy rules. In addition, Mr. Culpepper disclosed material, non-public information in his Schedule 13D, which is a violation of Rule 10b-5 under the Exchange Act. Mr. Culpepper willfully violated federal securities laws solely as a means to publicize his own false version of events regarding his termination from Provectus. In response, the Company reported his filing a Schedule 13D in violation of federal securities laws to the SEC in order for the SEC to take appropriate action against Mr. Culpepper.

On January 26, 2017, Mr. Culpepper filed an amendment to his Schedule 13D to propose nominations for his own slate of directors at the 2017 annual stockholder meeting. On January 27, 2017, Mr. Culpepper filed a DEF14A (additional proxy materials) regarding his intentions to nominate Peter R. Culpepper, Charles Littlejohn, Courtlandt G. Miller, Scott Palmer and Calvin A. Wallen, III (the Culpepper Group) for director positions at the upcoming annual stockholder meeting.

On February 13, 2017, Provectus announced it would extend the rights offering until March 3, 2017. On February 15, 2017, a telephonic board meeting was held to discuss the rights offering, the financial condition of the Company and the filing of the proxy solicitation materials by the Culpepper Group.

On February 16, 2017, Dr. Wachter submitted a term sheet to the board to provide interim financing to the Company of up to \$2.5 million in the form of unsecured debt. A telephonic board meeting was held that afternoon to discuss the term sheet for potential bridge financing by Dr. Wachter, and the board unanimously approved (without Dr. Wachter participating) the terms of the bridge financing by Dr. Wachter. On February 21, 2017, Provectus issued a convertible promissory note in favor of Dr. Wachter, evidencing an unsecured loan in the original principal sum of up to \$2.5 Million.

On February 23, 2017, Provectus announced the appointment of Bruce Horowitz and Dominic Rodrigues as strategic advisors to the board of directors.

On February 27, 2017, the Culpepper Group submitted a term sheet to Messrs. Rodrigues and Horowitz (the Culpepper Proposal), regarding a proposed investment in Provectus. That afternoon, a telephonic board meeting was held regarding the Culpepper Proposal. On February 28, 2017, another telephonic board meeting was held to discuss further the Culpepper Proposal.

On March 2, 2017, the Company received a proposal for an investment from a group of stockholders, including Dominic Rodrigues, Ed Pershing and Bruce Horowitz (collectively, the PRH Group). On March 3, 2017, a board meeting was held regarding the competing financing offers made by the Culpepper Group and the PRH Group. At the meeting, the board also discussed that the SEC had issued a new subpoena to the Company regarding Mr. Culpepper's travel advances and expenses.

On March 6, 2017, Provectus announced an extension of the rights offering until March 17, 2017 and that it had received two unsolicited proposals from two separate groups of the Company's stockholders (the Culpepper Group and the PRH Group) and that the board was evaluating both proposals.

On March 7, 2017 the board met to compare the financing terms of the Culpepper Group versus the PRH Group. The board favored the PRH Proposal over the Culpepper Proposal because, in part, its terms were more favorable to the Company while the terms of the Culpepper Proposal were beneficial to the Culpepper Group but economically disadvantageous to the Company. However, the board believed it to be in the best interests of the Company and its stockholders to allow the Culpepper Group the opportunity to match the terms of the PRH Group. That afternoon, the Company's counsel sent an email to the Culpepper Group disclosing the terms of the PRH Proposal and inviting the

Culpepper Group to improve the Culpepper Proposal. Counsel to Provectus also included additional terms that would need to be met by the Culpepper Group for the board to consider its offer, including the prohibition of Mr. Culpepper serving as a director, officer, consultant or advisor of the Company for at least ten years and the return to the Company of the approximately \$300,000 that Mr. Culpepper had

Table of Contents

misappropriated plus amounts he owed under the Culpepper Settlement Agreement with the Company regarding the *Kleba* lawsuit in the estimate amount of \$2 Million.

On March 8, the Culpepper Group withdrew its Proposal.

On March 16, 2017, the board met and unanimously decided to terminate the rights offering. The board's reason for the termination was that not enough funds had been raised in the rights offering to warrant the economic impact of the preferred securities on the Company, plus the PRH Proposal was still being negotiated and it had much more favorable terms.

One concern by the PRH Group in connection with the negotiation of the PRH Proposal was the slate of directors being proposed by the Culpepper Group at the 2017 annual stockholder meeting. The Company's counsel attempted to get reassurances from the Culpepper Group's attorney regarding its intentions in proposing its own slate of directors given that the Culpepper Proposal had been withdrawn, but counsel to the Culpepper Group indicated that the Schedule 14A stood as filed. Thus, in order to alleviate the concerns of a hostile takeover by the Culpepper Group, the PRH Group and the Company determined to initially structure the investment by the PRH Group as secured convertible debt. Once the threat of a hostile takeover by the Culpepper Group ceased, the debt would convert into preferred securities, the original proposal by the PRH Group.

On March 19, 2017, the board met to discuss the terms of the PRH Proposal and unanimously approved moving forward with the PRH Group. On March 19, 2017, Provectus entered into an exclusive Definitive Financing Commitment Term Sheet with the PRH Group, subject to the board complying with its fiduciary duties under Delaware law.

On March 21, 2017, Mr. Culpepper filed an amendment to his Schedule 13D, which disclosed that on March 19, 2017, a representative of the Culpepper Group sent a letter to the Chairman of the Board indicating that the Culpepper Group had at least \$6.2 million of equity available if the Company did not obtain financing from the PRH Group but reiterated that it had no interest in investing on the terms of the PRH Group. The amendment to the Schedule 13D specifically noted that, in addition to participating in the Culpepper Proposal, and possibly nominating persons for election at the 2017 annual meeting of stockholders, Mr. Culpepper could seek to be reinstated as a senior officer of the Company.

On March 23, 2017, Provectus announced it had entered into the exclusive Definitive Financing Term Sheet with the PRH Group. On March 24, 2017, the board received a letter from the Culpepper Group accusing the board of corporate waste by accepting the PRH Proposal. On March 27, counsel to the Company responded to the Culpepper Group noting that the debt in the PRH Proposal was an anti-takeover measure to ensure the Culpepper Group did not orchestrate a hostile takeover and that the board continued to believe, in good faith, that no proposal from the Culpepper Group could contain involvement by Mr. Culpepper but that if the Culpepper Group made a proposal that did not include Mr. Culpepper, the board, in good faith, would consider it.

On March 28, counsel to the Company received a letter from Courtlandt Miller indicating that the Culpepper Group would agree to exclude Mr. Culpepper from the Culpepper Group until the arbitration regarding his employment was completed and then only employ him at the Company if the arbitrator found in favor of Mr. Culpepper (the Miller Proposal). That afternoon, a board meeting was held to discuss the Miller Proposal and to formulate a response.

On March 30, 2017, the board received a term sheet evidencing the investment component of the Miller Proposal. That afternoon, a board meeting was held to compare the Miller Proposal and the PRH Proposal. On that same day, Mr. Culpepper filed an amendment to the Schedule 13D noting that he was now a part of a group within the meaning

of Section 13(d)(3) of the Exchange Act with the members party to the Miller Proposal (the Miller Group) and would no longer file an individual Schedule 13D. Also on March 30, the Miller Group filed a Schedule 13D as joint filers (the Miller 13D). The Miller 13D contained numerous

Table of Contents

misleading statements and failed to state material facts that made the disclosure therein misleading regarding its discussions with Provectus and the board and falsely implying a negotiated deal between the Miller Group and the Company. On March 31, 2017, the Company filed a Current Report on Form 8-K publicly correcting the misstatements and inaccuracies contained in the Miller 13D.

On April 3, 2017, Mr. Miller sent to the board an email correspondence and letter indicating that the Culpepper Group was reverting to its original proposal, which the board had previously rejected (the Revised Miller Proposal). Later that day a board meeting was held to discuss the Revised Miller Proposal and the board unanimously rejected the Revised Miller Proposal and determined to close on the first tranche of the PRH Proposal.

On April 4, 2017, the Company filed a Current Report on Form 8-K to announce its entry into a secured promissory note (the PRH Note) with Cal Enterprises, LLC, an affiliate of Dominic Rodrigues, in the principal amount of up \$2.5 Million. Additionally, Eric A. Wachter amended the terms of his note to match those of the PRH Note. The Company also announced the resignation of Al Smith, Tim Scott and Kelly McMasters from the board of directors and the reduction in the size of the board to four directors. The Company elected Dominic Rodrigues and Bruce Horowitz to fill the vacancies. Mr. Rodrigues was elected as Chairman of the Board.

On April 17, 2017, counsel to the Company received an email communication from the attorney for the Miller Group indicating that (i) the contractual commitments to invest in the Company terminated on April 14, 2017 and, therefore, the Miller Group no longer constitutes a group for purposes of the Exchange Act, and (ii) the Miller Group will file an amendment to their Schedule 13D stating such amendment constitutes an exit filing. Mr. Culpepper's DEFA14A (adding proxy materials), filed on January 26, 2017 expressing his intent to nominate the Culpepper Group for director positions at the 2017 annual stockholder meeting is still effective, notwithstanding the Miller Group amendment to its Schedule 13D.

OUR BOARD STRONGLY URGES YOU NOT TO SIGN OR RETURN ANY PROXY CARD OR VOTING INSTRUCTION FORM THAT YOU MAY RECEIVE FROM MR. CULPEPPER, THE CULPEPPER GROUP OR ANY OF THEIR AFFILIATES, EVEN TO VOTE WITHHOLD WITH RESPECT TO THE CULPEPPER GROUP NOMINEES, AS DOING SO WILL CANCEL ANY PROXY YOU MAY HAVE PREVIOUSLY SUBMITTED TO HAVE YOUR SHARES VOTED FOR THE BOARD'S NOMINEES, AS ONLY YOUR LATEST PROXY CARD OR VOTING INSTRUCTION FORM WILL BE COUNTED.

The following table provides information about the beneficial ownership of common stock as of April 14, 2017, unless otherwise indicated, for each of our directors, each of our executive officers named in the Summary Compensation Table of this Proxy Statement and all of our directors and executive officers as a group. We do not believe any person beneficially owns more than 5% of our outstanding common stock. While the Miller Group had filed a Schedule 13D with the SEC on March 30, 2017, the Miller Group's counsel informed the Company on April 17, 2017 that (i) the contractual commitments to invest in the Company terminated on April 14, 2017 and, therefore, the Miller Group no longer constitutes a group for purposes of the Exchange Act, and (ii) the Miller Group will file an amendment to their Schedule 13D stating such amendment constitutes an exit filing. See Background of the Solicitation. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted on at the 2017 annual meeting.

Dr. Dees pledged 1,000,000 shares of his common stock pursuant to that certain Stock Pledge Agreement, dated October 3, 2014, between Dr. Dees and the Company in order to secure Dr. Dees' obligations under that certain Stipulated Settlement Agreement and Mutual Release between the Company and Dr. Dees, dated June 6, 2014 ("Dees Settlement Agreement"). As a result of Dr. Dees' resignation from the Company, he was required to pay the Company under the Dees Settlement Agreement the sum of Two Million Two Hundred Sixty Seven Thousand and Seven Hundred Fifty Dollars (\$2,267,750) immediately. Dr. Dees' failure to pay this sum resulted in a breach of the Dees Settlement Agreement, and on March 10, 2016, the Company sent a demand letter for Dr. Dees to cure such default within thirty (30) days. Dr. Dees failed to pay these amounts outstanding under the Settlement Agreement (including interest due thereon) within the thirty (30) days cure period. Accordingly, the Company intends to exercise all rights and remedies available to it under the Dees Settlement Agreement, Stock Pledge Agreement and at law and equity, including but not limited to foreclosure of its first-priority security interest in the 1,000,000 shares of common stock granted as collateral pursuant to the Stock Pledge Agreement. The Court entered a default judgment against Dr. Dees on July 20, 2016; however, the Company cannot predict when these shares will be recovered by the Company. The Court recently issued a Temporary Restraining Order upon the Company's application for same upon notice that Dr. Dees was attempting to sell his shares of the Company's common stock. The Temporary Restraining Order was converted to a Preliminary Injunction on September 16, 2016, which order will remain in place until the trial of the underlying lawsuit absent further court order or agreement of the parties, and the Company is presently engaged in discovery regarding damages.

Culpepper and the Company on April 28, 2014 (the "Culpepper Employment Agreement"). Mr. Culpepper disputes that he was terminated for cause under the Culpepper Employment Agreement, and Mr. Culpepper has demanded this issue be resolved by mediation in accordance with the Culpepper Employment Agreement. The Company is in the process of responding to Mr. Culpepper's demand, and the mediation has been scheduled for June 28, 2017. Section 16(a) Beneficial Ownership Reporting Compliance

The federal securities laws require our directors and executive officers and persons who beneficially own more than 10% of a registered class of our equity securities to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership and reports of changes in ownership of our securities. Based solely on our review of the copies of these forms received by us or representations from reporting persons, we believe that SEC beneficial ownership reporting requirements for 2016 were met.

CORPORATE GOVERNANCE

Board Leadership Structure

Our board of directors consists of four members, Eric Wachter, Jan E. Koe, Bruce Horowitz and Dominic Rodrigues. Mr. Rodrigues serves as chairman of our board of directors effective April 3, 2017. H. Craig Dees served as our Chief Executive Officer and Chairman of the board of directors until his resignation effective February 27, 2016. Peter Culpepper served as our Interim Chief Executive Officer until he was terminated for cause by the board of directors on December 27, 2016. Alfred E. Smith, IV served as Chairman of the board and as a board member until he resigned on April 3, 2017. Kelly M. McMasters, M.D. served as a director until he resigned on April 3, 2017. Two members of our board of directors, Messrs. Koe and Rodrigues, are considered independent under the independence standards of the NYSE MKT.

We believe that it was appropriate to separate the positions of Chairman and Chief Executive Officer following Dr. Dees' resignation because this new leadership structure enhances the ability of our board of directors to ensure that the appropriate level of independent oversight is applied to all management decisions and avoids any potential conflicts of interest. The Company also does not currently have a Chief Executive Officer. Our entire board of directors is responsible for our risk oversight function due to the fact that we have only two employees, one of whom is a member of our board of directors, and an independent contractor serving as our Interim Chief Financial Officer.

Board of Directors and Committees

Our board of directors met 17 times and took action by unanimous written consent three times during 2016. Each incumbent director attended more than 75% of the total number of meetings of our board of directors and its committees on which he served during 2016. Members of our board of directors are encouraged to attend the 2017 annual meeting of stockholders. Directors Scott, Smith, Wachter and Koe attended the 2016 annual meeting of stockholders in person.

We have three standing committees: audit committee; compensation committee; and corporate governance and nominating committee (the nominating committee). The members of the audit committee, compensation committee and nominating committee are independent pursuant to the NYSE MKT listing standards and applicable SEC rules. We believe that all members of our board of directors have been and remain qualified to serve on the committees of our board of directors and have the experience and knowledge to perform the duties required of the committees.

Audit Committee

The audit committee currently consists of Bruce Horowitz, Jan E. Koe and Dominic Rodrigues. Messrs. Koe and Rodrigues are independent directors under the listing standards of the NYSE MKT. Dominic Rodrigues is the chairman of the audit committee. Our board of directors has determined that Dominic Rodrigues qualifies as an audit committee financial expert, as defined under the rules of the SEC. The audit committee met 12 times during 2016.

The audit committee's responsibilities include:

Hire one or more independent registered public accountants to audit our books, records and financial statements and to review our systems of accounting (including our systems of internal control);

Discuss with the independent registered public accounting firm the results of the annual audit and quarterly reviews;

Conduct periodic independent reviews of the systems of accounting (including systems of internal control);

Compensation Committee

The compensation committee currently consists of Bruce Horowitz, Jan E. Koe and Dominic Rodrigues. Messrs. Koe and Rodrigues are independent directors under the listing standards of the NYSE MKT. Jan E. Koe is the chairman of the compensation committee. The compensation committee met three times during 2016 and acted by written consent one time.

The compensation committee's responsibilities include:

Review and approve annually the corporate goals and objectives relevant to the chief executive officer, and at least annually, evaluate the chief executive officer's performance in light of these goals and objectives and set the chief executive officer's compensation, including salary, bonus and incentive compensation, based on this evaluation;

Determine, or recommend to our board for determination, the compensation and benefits our executive officers other than the chief executive officer;

Review our compensation and benefits plans;

Nominating Committee and Director Nominations

The nominating committee currently consists of Bruce Horowitz, Jan E. Koe and Dominic Rodrigues. Messrs. Koe and Rodrigues are independent directors under the listing standards of the NYSE MKT. Bruce Horowitz is the chairman of the nominating committee. The nominating committee did not hold any meetings during 2016, but acted by written consent one time.

COMPENSATION DISCUSSION AND ANALYSIS

The primary objectives of our compensation committee with respect to executive compensation are to attract, retain, and motivate the best possible executive talent. Our focus is to tie short- and long-term cash and equity incentives to achievement of measurable corporate and individual performance objectives, and to align our executive officers' incentives with stockholder value creation. To achieve these objectives, our compensation committee has maintained, and continues to develop, compensation plans that tie a substantial portion of executives' overall compensation to our scientific, medical and clinical milestones. Our compensation committee has reviewed these compensation practices and now also takes into consideration commercial and operational performance in addition to our scientific, medical and clinical milestones in determining the amount and types of compensation awarded to our executive officers.

Our compensation committee has a pay-for-performance compensation philosophy, which is intended to bring base salaries and total executive compensation in line to ensure the competitiveness of the compensation packages we provide to our named executive officers. We work within the framework of this pay-for-performance philosophy to determine each component of an executive officer's initial compensation package based on numerous factors, including:

The individual's particular background and circumstances, including training and prior relevant work experience;

The individual's role with us and the compensation paid to similar persons in the companies represented in the compensation data that we review;

Performance goals and other expectations for the position; and

Uniqueness of industry skills.

Our compensation committee, which is composed solely of independent directors, makes all compensation decisions for our executive officers.

2016 Comprehensive Review of Executive Compensation Practices

Beginning in 2015, the compensation committee retained Pearl Meyer, a nationally recognized compensation consulting firm, to assist the compensation committee in assessing the market competitiveness of our compensation program and establishing executive officer and director compensation for 2016, and to:

Compile market data and business performance statistics of comparable companies for compensation committee comparison and review;

Assist in establishing a peer group of companies;

Summarize trends and developments affecting executive compensation;

Provide guidance on compensation structure as well as levels of compensation for our executive officers and directors;

Review equity compensation grant practices and other topics as requested by the compensation committee; and

Report directly to the compensation committee and participate in compensation committee meetings as requested by the compensation committee.

Pearl Meyer submitted its initial report to the Company in December 2015, and the report was delivered to the compensation committee in March 2016.

Table of Contents

At our annual meeting of stockholders held on June 16, 2016, stockholders holding 57% of the shares voting on a non-binding advisory vote on the compensation of the Company's named executive officers (Say on Pay) voted to approve the compensation paid to our named executive officers, while stockholders holding 39% of the shares voting on Say on Pay voted against such compensation. Although Say on Pay passed by a majority of the shares that were voted at the annual meeting, the compensation committee determined it was significant that (i) stockholders holding less than 60% of the voting shares voted for Say on Pay and (ii) stockholders holding more than 35% of the voting shares voted against Say on Pay.

As a result of the results of the Say on Pay vote, the compensation committee immediately initiated and directed a comprehensive review of the Company's compensation policies and practices. As part of its comprehensive review, the compensation committee further studied the data provided by Pearl Meyer and met in executive session with Pearl Meyer to further discuss Pearl Meyer's reports. The compensation committee also conducted additional analysis on executive compensation for the peer companies identified by Pearl Meyer. Members of the compensation committee also reached out to certain of the Company's stockholders representing approximately 10% of the Company's outstanding shares of common stock to better understand the reasons for the relatively low percentage of for votes on Say on Pay and held direct conversations with each of these stockholders. The primary focus of these stockholder meetings was to seek specific feedback on executive compensation and review potential changes to existing compensation practices. The feedback received from these participating stockholders was incorporated into the compensation committee discussion and determination of the changes to executive compensation. We will continue to consider stockholder feedback in the future with respect to both our stockholder advisory votes on executive compensation and informal feedback we receive from our stockholders. The specific actions taken by our compensation committee based upon its review are discussed below.

Compensation Components

The components of our compensation package for our executive officers are as follows:

Base Salary & Employment Agreements

We pay salaries to provide fixed compensation to our named executive officers for their daily responsibilities.

On April 28, 2014, we entered into amended and restated executive employment agreements with each of H. Craig Dees, Ph.D., Peter R. Culpepper, Timothy C. Scott, Ph.D., and Eric A. Wachter, Ph.D., to serve as our Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, President, and Chief Technology Officer, respectively. Each agreement provides that such named executive officer will be employed for a five-year term with automatic one-year renewals unless previously terminated pursuant to the terms of the agreement or either party gives notice that the term will not be extended. Each named executive officer's initial base salary is \$500,000 per year and any increases to such base salary shall be determined by the compensation committee in its sole discretion. Named executive officers are also eligible for annual bonuses and annual equity incentive awards as determined by the compensation committee in its sole discretion. Named executive officers are entitled to reimbursement for all reasonable out-of-pocket expenses incurred during their performance of services under the agreements. Our named executive officers will be entitled to the payments upon termination of their employment, with or without a change of control, as described under the heading Potential Payments upon Termination or Change in Control below. The employment agreements for our named executive officers also include non-competition, non-solicitation and confidentiality obligations.

Under each executive officer's employment agreement, the compensation committee has the sole discretion to increase each executive's base salary. The compensation committee opted not to increase the base salary for any of our

executive officers in 2016.

Table of Contents

Effective February 27, 2016, Dr. Dees resigned from his position as Chief Executive Officer and Chairman of the board of directors and his employment agreement was terminated. On December 27, 2016, Mr. Culpepper's employment with us, and his employment agreement, were terminated by the board of directors.

During 2016, the Company entered into an independent contractor agreement, as amended (the Glass Agreement) with John R. Glass, pursuant to which Mr. Glass serves as interim chief financial officer of the Company and performs duties and services consistent with the position of chief financial officer for a public company. The Glass Agreement provides that, in consideration for such services, Mr. Glass will be paid \$125 per hour. Mr. Glass is also entitled to a \$20,000 cash bonus payment on each of January 1, April 1, June 1, and September 1, 2017 (or the first business day thereafter) so long as he is serving as interim chief financial officer on such date. The Glass Agreement further provides that, following the termination of the Glass Agreement by the Company as a result of the hiring of an additional permanent chief financial officer and in the event Mr. Glass does not receive all of the cash bonus payments under the Glass Agreement, Mr. Glass shall be entitled to a severance payment of \$20,000 subject to certain terms and conditions set forth in the Glass Agreement. Under the Glass Agreement, the Company will provide Mr. Glass with a per diem for meals on the days when he is rendering services and will reimburse Mr. Glass for all reasonable and necessary expenses relating to his provision of services under the Glass Agreement. The Company also agreed to indemnify Mr. Glass for claims made against him based upon the performance of his services and to have him named as an additional named insured under the Company's general liability and directors and officers liability insurance policies. The Glass Agreement remains in effect on a month to month basis unless terminated by either party upon 60 days prior written notice.

Bonus Awards

We did not award any cash bonuses to our named executive officers in 2014, but the compensation committee awarded cash bonuses in 2015 to Drs. Dees, Scott and Wachter and Mr. Culpepper in the amount of \$200,000 each, based on the Company's achievement of such pre-established scientific, medical and clinical milestones. The compensation committee decided to defer any decision with respect to cash bonuses for our executive officers for 2015 performance until a later date and ultimately did not award cash bonuses to our named executive officers in 2016.

Eligibility for 2016 cash bonuses. In 2016, the compensation committee determined that, in order to be eligible for a cash bonus for 2016, executive officers must achieve certain corporate and individual goals. Corporate goals were proposed by management in March 2016 and approved by the compensation committee. Individual goals were submitted by each executive officer by July 1, 2016 and approved by the compensation committee. The compensation committee monitors progress toward achievement of those goals, and retains the discretion to determine whether each executive officer has achieved his applicable individual performance goals. The compensation committee determined that cash bonuses will not exceed 20% of such executive officer's base salary and may be awarded upon achievement of both corporate and individual performance goals; provided, however, the compensation committee may award a cash bonus of as much as 33% of an executive officer's base salary, but only in the event of superior performance.

Pursuant to the Glass Agreement, Mr. Glass is entitled to a \$20,000 cash bonus payment on each of January 1, April 1, June 1, and September 1, 2017 (or the first business day thereafter) so long as he is serving as interim chief financial officer on such date. The Company has paid Mr. Glass his bonus due on January 1, 2017 and has accrued but not yet paid to Mr. Glass the \$20,000 bonus due on April 1, 2017.

401(k) Profit Sharing Plan and Other Benefits

Our named executive officers participate in our 401(k) Profit Sharing Plan, which was formed in 2010. Contributions to the 401(k) Profit Sharing Plan by us are discretionary. Through 2016, we contributed the maximum amount permitted to be contributed by us with regard to each executive officer pursuant to our 401(k)

Table of Contents

plan, regardless of the amount, if any, contributed by the respective executive officers. Contributions by us in 2014, 2015 and 2016 totaled approximately \$320,000, \$212,000 and \$159,000, respectively. As part of the compensation committee's review of executive compensation, beginning in 2017, we will match the 401(k) contributions of each executive officer participating in our 401(k) plan in an amount equal to such executive officer's own contribution, up to an amount equal to half of the maximum amount we are permitted to contribute.

We maintain broad-based benefits that are provided to all employees, including health insurance, life and disability insurance, dental insurance, and a vacation policy that requires a minimum amount of vacation time used but provides for cash compensation in lieu of vacation taken if appropriate.

In the past, our executive officers received a total of eight weeks of vacation annually, and an executive officer could receive a cash payment for accrued but unused vacation up to a maximum of six weeks of unused vacation per year. As part of the compensation committee's review of executive compensation, the compensation committee elected to (i) reduce the amount of vacation executive officers are entitled to receive to a total of six weeks per year, effective immediately, and (ii) limit the cash payment for accrued but unused vacation to two weeks per year beginning in 2017, which will be paid on the last business day of each fiscal year. Any accrued but unused vacation days in excess of two weeks will be forfeited. Because the compensation committee approved these changes at the midpoint of our fiscal year in 2016, the compensation committee approved the payment of up to a maximum of four weeks of accrued but unused vacation for 2016.

Long-Term Incentives

We believe that long-term performance is achieved through an ownership culture that encourages long-term participation by our executive officers in equity-based awards. Our Amended and Restated 2002 Stock Plan, or our 2002 Stock Plan, allowed the grant to employees of stock options, restricted stock, and other equity-based awards. The 2002 Stock Plan expired by its terms on April 22, 2012. At the 2012 annual meeting of stockholders, our stockholders approved the 2012 Stock Plan, which replaced the 2002 Stock Plan. The 2012 Stock Plan allowed the grant to employees of stock options, restricted stock, and other equity-based awards. At the 2014 annual meeting of stockholders, our stockholders approved the Provectus Biopharmaceuticals, Inc. 2014 Equity Compensation Plan (the 2014 Equity Compensation Plan). The 2014 Equity Compensation Plan authorizes our board of directors to grant the following types of equity-based awards: (i) options that qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986 (the Code), and (ii) options that do not qualify as incentive stock options under the Code (non-qualified stock options, and collectively with incentive stock options, options). We are authorized to grant options under the 2014 Equity Compensation Plan for up to 20,000,000 shares of our common stock. If any options granted under the 2014 Equity Compensation Plan are forfeited or terminated for any reason, the shares of common stock that were subject to the options will again be available for future distribution under the 2014 Equity Compensation Plan. We no longer issue any awards under the 2012 Stock Plan.

Our practice is to make periodic annual stock option awards as part of our overall performance management program, when approved by our compensation committee. Our compensation committee believes that stock options provide management with a strong link to long-term corporate performance and the creation of stockholder value. We intend that the periodic annual aggregate cumulative total of these awards will not exceed 10% of our fully diluted outstanding common stock. As is the case when the amounts of base salary and equity awards are determined, a review of all components of the executive officer's compensation is conducted when determining annual option awards to ensure that an executive officer's total compensation conforms to our overall philosophy and objectives. A pool of options is reserved for our non-employee directors to receive their annual grant and the pool of options is only increased for employees when approved by our stockholders.

The compensation committee deferred any decision on equity compensation to our executive officers for 2015 performance until a later date and ultimately did not award any equity compensation in 2016. Beginning in 2016, any stock options that may be awarded to our executive officers will be a mix of 50% stock options with

Table of Contents

time-based vesting and 50% performance-based stock options, which performance-based stock options will be awarded only after the achievement of both the corporate performance goals and the executive officer's respective individual performance goals described above.

Potential Payments Upon Termination or Change in Control

Each of the employment agreements for our named executive officers generally provides that in the event that the executive's employment is terminated (i) voluntarily by the executive without Good Reason (as defined in the respective employment agreement) or (ii) by the Company for Cause (as defined in the respective employment agreement), the Company shall pay the executive's compensation only through the last day of the employment period and, except as may otherwise be expressly provided, the Company shall have no further obligation to the executive. In the event that the executive's employment is terminated by the Company other than for Cause (including death or disability), or if the executive voluntarily resigns for Good Reason, for so long as the executive is not in breach of his continuing obligations under the non-competition, non-solicitation and confidentiality restrictions contained in such executive's employment agreement, the Company shall continue to pay the executive (or his estate) an amount equal to his base salary in effect immediately prior to the termination of his employment for a period of 24 months, to be paid in accordance with the Company's regular payroll practices through the end of the fiscal year in which termination occurs and then in one lump sum payable to the executive in the first month of the fiscal year following termination, as well as any prorated bonuses based upon the bonuses paid with regard to the prior fiscal year, plus benefits on a substantially equivalent basis to those which would have been provided to the executive in accordance with the terms of such benefit plans.

The following table shows the base salary compensation the named executive officers who were serving as executive officers at the end of the fiscal year would have received under their employment agreements had a change in control occurred as of December 31, 2016 and had the named executive officers been terminated within six months following such change in control.

Name	Amount
Timothy C. Scott, Ph.D.	1,000,000
Eric A. Wachter, Ph.D.	1,000,000

Under the terms of our 2014 Equity Compensation Plan, prior to the occurrence of a change in control (as defined in the 2014 Equity Compensation Plan), and unless otherwise determined by our board of directors, any stock options outstanding on the date such change in control is determined to have occurred that are not yet exercisable and vested on such date shall become fully exercisable and vested. As of December 31, 2016, none of our named executive officers had outstanding unvested stock options.

Following the termination of the Glass Agreement by the Company as a result of the hiring of an additional permanent chief financial officer and in the event Mr. Glass does not receive all of the cash bonus payments under the Glass Agreement, Mr. Glass shall be entitled to a severance payment of \$20,000 subject to certain terms and conditions set forth in the Glass Agreement.

Severance Payments to Executives Departing in 2016

Mr. Dees resigned as our Chief Executive Officer and Chairman of the board of directors effective February 27, 2016. Dr. Dees was owed no severance payments as a result of his resignation. Under the terms of the Amended and Restated Executive Employment Agreement entered into by Dr. Dees and the Company on April 28, 2014 (the "Dees

Agreement), Dr. Dees' employment terminated due to his resignation without "Good Reason" (as that term is defined in the Dees Agreement). Under section 6 of the Dees Agreement, a resignation by Dr. Dees without "Good Reason" terminates any payments that would otherwise be due to Dr. Dees as of the last day of his employment.

Table of Contents

Mr. Culpepper was terminated for Cause as our Interim Chief Executive Officer and Chief Operating Officer of the Company effective December 27, 2016, pursuant to the terms of the Amended and Restated Executive Employment Agreement entered into by Mr. Culpepper and the company on April 28, 2014 (the Culpepper Agreement). Mr. Culpepper was owed no severance payments because he was terminated by us for Cause (as that term is defined in the Culpepper Agreement). Under section 6 of the Culpepper Agreement, a termination by us of Mr. Culpepper for Cause terminates any payments that would otherwise be due to Mr. Culpepper as of the last day of his employment.

Compensation-Related Risk Assessment

SEC regulations require that we assess our compensation policies and practices and determine whether those policies and practices are reasonably likely to result in a material adverse effect upon Provectus. Based upon a review by our board of directors and management of our compensation policies and practices, we have determined that our current compensation policies and practices are not reasonably likely to result in a material adverse effect on us. In reaching this conclusion, we considered the multiple performance metrics in the annual incentive plan, combination of short-term and longer-term incentives, using periodic stockholder approved equity grants, stock ownership guidelines for executive officers, clawback of compensation in event of restatement of financial statements in cases of fraud, and a further review of our compensation policies in the future to maximize stockholder value.

Conclusion

Our compensation policies are designed to retain and motivate our employees; namely, our executive officers, and to ultimately reward them for outstanding individual and corporate performance.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Our compensation committee has reviewed and discussed with management the Compensation Discussion and Analysis appearing in this Proxy Statement. Based on the review and discussions noted above, our board of directors recommended that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into our Annual Report on Form 10-K for the year ended December 31, 2016.

Awards available for grant under the 2014 Equity Compensation Plan include stock options, stock appreciation rights, restricted stock, long-term performance awards and other forms of equity awards.

DIRECTOR COMPENSATION

Our employee directors are compensated for their service as executive officers and are not separately compensated for their service as directors.

In June 2016, the compensation committee also reviewed and analyzed Board and committee compensation, noting, in particular, that cash compensation for board service and committee service at the Company was in-line with a selected group of what the compensation committee viewed as our peers, that equity compensation to Board members was lower than that of our peer companies, and that the Company was alone in its peer group in failing to pay our chairman/lead independent director for service in that capacity. Consequently, the compensation committee adopted certain policies and practices regarding non-employee director compensation, as follows:

On an annual basis, each non-employee director of the Board receives the following fees as compensation for service as a member of the Board: (i) an annual retainer equal to \$40,000 cash and (ii) an annual stock option grant giving each non-employee director the right to purchase 50,000 shares of our common stock, or such lesser number of shares of our common stock to be determined at a future date in order to comply with NYSE MKT requirements with respect to director compensation, which stock options shall vest immediately on the date of grant at a strike price to be determined at the date of grant. Non-employee directors serving as members of our audit committee compensation will receive \$20,000 per year; the audit committee chairperson will receive \$25,000 per year. Non-employee directors serving as members of our corporate governance and nominating committee members will receive \$10,000 per year; the corporate governance and nominating committee chairperson compensation will receive \$15,000 per year.

Non-employee directors serving as members of our compensation committee members will receive \$15,000 per year; the compensation committee chairperson will receive \$20,000 per year. Non-employee directors serving as members of the search committee for the chief executive officer will receive \$20,000 per year; the chairperson of the search committee will receive \$25,000 per year. A non-employee director serving as Chairperson of the Board of Directors or lead independent director, if applicable, will receive \$20,000 per year.

Each of our directors is also reimbursed for expenses incurred in fulfilling his duties as a director, including attending meetings.

In June 2016, the compensation committee opted to amend our 2014 Equity Compensation Plan to allow for restricted stock awards to non-employee directors, subject to approval by our stockholders. If the amendment to the 2014 Equity Compensation Plan is approved by our stockholders at our 2017 annual stockholder meeting, each non-employee director will be awarded 100,000 restricted stock awards annually, retroactive to 2016.

2017 Director Compensation Changes

The recently reconstituted compensation committee, comprised of Bruce Horowitz, Dominic Rodrigues and Jan Koe met on April 12, 2017 to review and analyze the existing compensation of the Board and the various Board committees established in June 2016. At this meeting, the compensation committee unanimously adopted the following policies and practices regarding director compensation for 2017, which were also approved by the Board by unanimous written consent, effective April 14, 2017:

Board, Committee, and Committee Chairperson Retainers

Non-employee directors will continue to be paid \$40,000 per year for service on the Board.

Directors serving on the Corporate Governance and Nominating Committee will continue to be paid \$10,000 per year; the chairperson of the Corporate Governance and Nominating Committee will continue to be paid \$15,000 per year.

Modified Committee and Committee Chairperson Retainers

Compensation for directors serving on the Audit Committee will be decreased from \$20,000 per year to \$15,000 per year; the Audit Committee Chairperson's compensation will be decreased from \$25,000 per year to \$15,000 per year.

Compensation for directors serving on the Compensation Committee will be decreased from \$15,000 per year to \$10,000 per year; the Compensation Committee Chairperson's compensation will be decreased from \$20,000 per year to 15,000 per year.

The Board (rather than a search committee) will oversee the Company's search for a Chief Medical Officer, a new Chief Executive Officer, and other executive management positions, as appropriate; however, there will be no additional compensation paid to the directors for their work during this executive management search.

Other Modifications

Neither stock option grants to purchase shares of the Company's common stock nor shares of restricted stock were awarded to non-employee directors.

There will be no additional compensation for serving as Chairperson of the Board or Lead Independent Director.

Director fees will be paid on a monthly, pro-rated basis; provided, however, these fees will accrue until such time as the Board approves the payment of director compensation.

Committee Chairpersons

Bruce Horowitz assumed the role of Chairpersonship of the Corporate Governance and Nominating Committee.

Dominic Rodrigues assumed the role of Chairperson of the Audit Committee.

Jan E. Koe remains as the Chairperson of the Compensation Committee.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2016, Dr. McMasters and Messrs. Koe and Smith served as members of the compensation committee. None of the members of the compensation committee was or had previously been an officer or employee of the Company or our subsidiaries or had any relationship requiring disclosure pursuant to Item 404 of Regulation S-K. Additionally, during 2016, none of our executive officers was a member of the board of directors, or any committee thereof, of any other entity one of the executive officers of which served as a member of our Board of Directors, or any committee thereof.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**Policies and Procedures for Related Person Transactions**

We have adopted a written related person transactions policy, pursuant to which our executive officers, directors and principal stockholders, including their immediate family members, are not permitted to enter into a related person transaction with us without the consent of our audit committee. Any request for us to enter into a transaction with an executive officer, director, principal stockholder or any of such persons' immediate family members, other than transactions available to all employees generally or involving less than \$10,000 when aggregated with similar transactions, must be presented to our audit committee for review, consideration and approval, unless the transaction involves an employment or other compensatory arrangement approved by the compensation committee. All of our directors, executive officers and employees are required to report to our audit committee any such related person transaction. In approving or rejecting the proposed agreement, our audit committee will take into account, among

other factors it deems appropriate, whether the proposed related person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the person's interest in the transaction and, if applicable, the impact on a director's independence. After consideration of these and other factors, the audit committee may approve or reject the transaction. Consistent with the policy, if we should discover related person transactions that have not been approved, the audit committee will be notified and will determine the appropriate action, including ratification, rescission or amendment of the transaction.

Table of Contents**Related Party Transactions***Dr. Dees Travel Expenses and Related Collection Efforts*

On February 29, 2016, in connection with the resignation of Dr. Dees as the Company's Chief Executive Officer and Chairman of the board of directors, which was effective February 27, 2016, the audit committee conducted a review of Company procedures, policies and practices, including travel expense advancements and reimbursements. The audit committee retained independent counsel and an advisory firm with forensic accounting expertise to assist the audit committee in conducting the investigation. On March 15, 2016, the audit committee completed this investigation and made the following findings: (1) in 2015, Dr. Dees received \$898,430 in travel expense advances but submitted receipts totaling only \$297,170, most of which did not appear to be authentic; (2) in 2014, Dr. Dees received \$819,000 for travel expense advances, for which no receipts were submitted; and (3) in 2013, Dr. Dees received \$752,034 for travel expense advances; no receipts were submitted by Dr. Dees for \$698,000 of these expenses and \$54,034 of submitted receipts did not appear to be authentic. In addition, the Company advanced travel expenses to Dr. Dees in the amount of \$56,627 in the first quarter of 2016 prior to his resignation and prior to the Company's investigation.

On May 5, 2016, the Company filed a lawsuit in the United States District Court for the Eastern District of Tennessee at Knoxville against Dr. Dees and his wife, Virginia Godfrey (together with Dr. Dees, the Defendants). The Company alleges that between 2013 and the present, Dr. Dees received approximately \$2.4 million in advanced or reimbursed travel and entertainment expenses from the Company and that Dr. Dees did not use these funds for legitimate travel and entertainment expenses as he requested and the Company intended. Instead, the Company alleges that Dr. Dees created false receipts and documentation for the expenses and applied the funds to personal use. The Company and Dr. Dees are parties to a Stipulated Settlement Agreement dated June 6, 2014 (the Kleba Settlement Agreement) that was negotiated to resolve certain claims asserted against Dr. Dees derivatively. Pursuant to the terms of the Kleba Settlement Agreement, Dr. Dees agreed to repay the Company compensation that was paid to him along with legal fees and other expenses incurred by the Company. As of the date of his resignation, Dr. Dees still owed the Company \$2,267,750 under the Kleba Settlement Agreement. Dr. Dees has failed to make such payment, and the Company has notified him that he is in default and demanded payment in full. Therefore, the Company is alleging counts of conversion, fraud, breach of fiduciary duty, breach of contract, breach of Kleba Settlement Agreement, unjust enrichment and punitive damages in this lawsuit. The Company is seeking that the Defendants be prohibited from disposing of any property that may have been paid for with the misappropriated funds, the Defendants be disgorged of any funds shown to be fraudulently misappropriated and that the Company be awarded compensatory damages in an amount not less than \$5 million. Furthermore, the Company is seeking for the damages to be joint and several as to the Defendants and that punitive damages be awarded against Dr. Dees in the Company's favor. The Company is also seeking foreclosure of the Company's first-priority security interest in the 1,000,000 shares of common stock granted by Dr. Dees to the Company as collateral pursuant to that certain Stock Pledge Agreement dated October 3, 2014, between Dr. Dees and the Company in order to secure Dr. Dees' obligations under the Kleba Settlement Agreement. The United States District Court for the Eastern District of Tennessee at Knoxville entered a default judgment against the Defendants on July 20, 2016; however, the Company cannot predict when these shares will be recovered by the Company. The Court recently issued a Temporary Restraining Order upon the Company's application for same upon notice that Dr. Dees was attempting to sell his shares of the Company's common stock. The Temporary Restraining Order was converted to a Preliminary Injunction on September 16, 2016, which order will remain in place until the resolution of the underlying lawsuit absent further court order or agreement of the parties, and the Company is presently engaged in discovery regarding damages. On March 15, 2017, the Court granted Ms. Godfrey's motion to set aside the default judgment against her and set a deadline of March 30, 2017 for Ms. Godfrey to file an answer to the Company's complaint. The Court also set the hearing date to determine damages with respect to the motion for default judgment against Dr. Dees for April 26, 2017.

Under the terms of the Amended and Restated Executive Employment Agreement entered into by Dr. H. Craig Dees, the Company's former Chairman and Chief Executive Officer and the Company on April 28, 2014

Table of Contents

(the Dees Agreement), Dr. Dees is owed no severance payments as a result of his resignation on February 27, 2016. Dr. Dees's employment terminated with his resignation without Good Reason as that term is defined in the Dees Agreement. Under section 6 of the Dees Agreement, Effect of Termination, a resignation by Dr. Dees without Good Reason terminates any payments due to Dr. Dees as of the last day of his employment.

Mr. Culpepper Travel Expenses and Related Collection Efforts

On December 27, 2016, the Company's board of directors unanimously voted to terminate Peter R. Culpepper, effective immediately, from all positions he held with the Company and each of its subsidiaries, including Interim Chief Executive Officer and Chief Operating Officer of the Company, for cause, in accordance with the terms of the Amended and Restated Executive Employment Agreement entered into by Peter R. Culpepper and the Company on April 28, 2014 (the Culpepper Employment Agreement) based on the results of the investigation conducted by a Special Committee of the board of directors regarding improper travel expense advancements and reimbursements to Mr. Culpepper.

The Special Committee retained independent counsel and an advisory firm with forensic accounting expertise to assist the Special Committee in conducting the investigation. The Special Committee found that Mr. Culpepper received \$294,255 in travel expense reimbursements and advances that were unsubstantiated. The Company seeks to recover from Mr. Culpepper the entire \$294,255 in unsubstantiated travel expense reimbursements and advances, as well as all attorney's fees and auditors'/experts' fees incurred by the Company in connection with the examination of his travel expense reimbursements. The Company is in the process of determining whether any or all of Mr. Culpepper's unsubstantiated travel expenses and advances should be treated as a theft loss and therefore whether any uncollectible amounts will be treated as income to Mr. Culpepper and whether a Form 1099 MISC will be issued by the Company to Mr. Culpepper in 2017 in that regard.

Under the terms of the Culpepper Employment Agreement, Mr. Culpepper is owed no severance payments as a result of his termination For Cause as that term is defined in the Culpepper Employment Agreement. Under section 6 of the Culpepper Employment Agreement, Effect of Termination, a termination For Cause terminates any payments due to Mr. Culpepper as of the last day of his employment. Furthermore, Mr. Culpepper is no longer entitled to the 2:1 credit under the settlement agreement with respect to the Kleba shareholder derivative lawsuit, such that the total \$2,240,000 owed by Mr. Culpepper pursuant to the settlement agreement plus Mr. Culpepper's proportionate share of the litigation cost in the amount of \$227,750 less the amount that he repaid as of December 31, 2016 is immediately due and payable. The Company sent Mr. Culpepper a notice of default in January 2017 for the total amount he owes the Company and intends to resolve these claims pursuant to the alternative dispute resolution provision of the Culpepper Employment Agreement. The Company has established a reserve of \$2,051,083 as of December 31, 2016, which amount represents the amount the Company currently believes Mr. Culpepper owes to the Company, while the Company pursues collection of this amount.

Mr. Culpepper disputes that he was terminated for cause under the Culpepper Employment Agreement and Mr. Culpepper has demanded this issue be resolved by mediation in accordance with the Culpepper Employment Agreement. The Company is in the process of responding to Mr. Culpepper's demand, and the mediation has been scheduled for June 28, 2017. Concurrently, the Company is seeking from Mr. Culpepper immediate payment of amounts due under the Kleba Settlement Agreement as noted above.

Convertible Promissory Note

On February 21, 2017, the Company issued a convertible promissory note in favor of Eric A. Wachter, the Company's Chief Technology Officer (Lender), evidencing an unsecured loan from Lender to the Company in the original

principal amount of up to \$2,500,000 (the Promissory Note). Interest accrues on the outstanding balance of the Promissory Note at six percent (6%) per annum calculated on a 360-day basis. As of March 29, 2017, the Company has borrowed the entire \$2,500,000 principal amount under the Promissory Note.

Pursuant to the terms of the Promissory Note, in the event that, prior to the repayment in full of the Promissory Note, the Company consummates a bona fide equity financing conducted with the principal purpose of raising capital, pursuant to which the Company sells shares or units of an equity security or preferred equity approved by the board of directors, which board of directors must consist of at least a majority of the members on the board of directors serving as of the date of the Promissory Note (a *Qualified Equity Financing*), then such amount of the outstanding principal due under the Promissory Note plus all accrued but unpaid interest that may be included in the *Qualified Equity Financing* shall automatically convert into the equity securities or securities convertible into equity securities of the Company issued in such *Qualified Equity Financing* (*New Securities*) at the price per *New Security* at which the Company issues any *New Securities* in any public or private offering during the period that the Promissory Note is outstanding and otherwise on the same terms (including the same rights, preferences and privileges) as the other investors that purchase *New Securities* in such *Qualified Equity Financing*.

The Promissory Note matures on the earlier of (i) May 22, 2017, (ii) the date upon which the Company defaults under the Promissory Note or (iii) the date on which the Promissory Note is converted into *New Securities* (the earliest of such dates, the *Maturity Date*). In lieu of repayment on the *Maturity Date*, Lender may elect in his sole discretion to apply any and all amounts due and owing to Lender under the Promissory Note to Lender's obligations under that certain *Settlement Agreement* dated June 6, 2014 by and between Lender and the Company.

Further, under the Promissory Note, the Company has agreed to pay to Lender up to \$25,000 for Lender's reasonable legal fees and expenses incurred in connection with the transactions contemplated by the Promissory Note. The Company may prepay principal and interest under the Promissory Note at any time, in whole or in part, without premium or other prepayment charges.

Pursuant to a *Waiver of Rights Agreement*, Lender further agreed to waive his rights (A) to foreclose on the assets of the Company or (B) to initiate, or cause the initiation of, any proceeding in bankruptcy or the appointment of any custodian, trustee or liquidator of the Company or of all or a portion of the Company's assets in the event of default under the Promissory Note so long as (i) any shares of *Series C Preferred Stock* of the Company issued pursuant to the *Rights Offering* commenced by the Company on January 30, 2017 remain outstanding (other than such shares of *Series C Preferred Stock* held by Lender) and (ii) a change in control of the Company has not occurred, which is any transaction that results in either (a) the shareholders of the Company not continuing to hold at least 50% of the voting interest in the Company after such transaction or (b) the directors of the Company serving on the board of directors as of February 21, 2017 no longer represent a majority of the outstanding board members.

The Promissory Note was amended and restated on April 3, 2017. See *First Tranche of 2017 Financing* below.

First Tranche of 2017 Financing

On March 23, 2017, the Company entered into an exclusive *Definitive Financing Commitment Term Sheet* effective as of March 19, 2017 (the *Term Sheet*), which sets forth the terms on which the PRH Group will provide financing to the Company. As described in the *Term Sheet*, the 2017 Financing from the PRH Group is in the form of a loan (the *Loan*) that is evidenced by secured convertible promissory notes (individually a *PRH Note* and collectively, the *PRH Notes*).

In connection with the funding of the *First Tranche*, as described in the *Term Sheet*, the Company, on April 3, 2017, entered into a *PRH Note* with Cal Enterprises LLC, a Nevada limited liability company, an affiliate of Dominic Rodrigues (the *Rodrigues Note*), in the principal amount of \$2.5 million. In addition, Eric Wachter amended and restated his promissory note from the Company in the principal amount of \$2.5 million

(the Wachter Note) in order to match the terms of the Wachter Note to the PRH Notes. As previously described, in addition to the customary provisions, each of the Rodrigues Note and the Wachter Note contains the following provisions:

- (i) They are secured on a pari passu basis by a first priority security interest on the Company's U.S. intellectual property;
- (ii) They bear interest at the rate of eight percent (8%) per annum on the outstanding principal amount;
- (iii) In the event there is a change of control of the Company's board of directors as proposed by any person or group other than the PRH Group or Dr. Wachter (the Lenders), the term of each of the Wachter Note and the Rodrigues Note will be accelerated and all amounts due under the Wachter Note and the Rodrigues Note will be immediately due and payable, plus interest at the rate of eight percent (8%) per annum, plus a penalty in the amount equal to ten times (10x) the outstanding principal amount of the Wachter Note and the Rodrigues Note that has been funded to the Company;
- (iv) The outstanding principal amount and interest payable under the Notes is convertible at the sole discretion of the Lenders into shares of the Company's Series D Preferred Stock, a new series of preferred stock to be designated by the Board, at a price per share equal to \$0.2862; and
- (v) Notwithstanding (v) above, the principal amount of the Notes and the interest payable thereunder will automatically convert into shares of the Company's Series D Preferred Stock at a price per share equal to \$0.2862 effective on the 18 month anniversary of the funding of the final tranche of the 2017 Financing, subject to certain exceptions.

As of March 29, 2017, the Company has drawn down the entire amount of \$2.5 million of the Wachter Note. On April 3, 2017, the Company issued a borrowing request for \$500,000 under the Rodrigues Note.

Other than as set forth above, we had no transactions during 2016 that would be required to be disclosed under Item 404(a) of Regulation S-K, and no such transactions are currently proposed for 2017.

PROPOSAL 2

ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR

NAMED EXECUTIVE OFFICERS

As required pursuant to Section 14A of the Securities Exchange Act, we are submitting for stockholder advisory vote a resolution to approve the compensation paid to our named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables and related compensation discussion and analysis contained in this Proxy Statement.

At our annual meeting of stockholders held on June 16, 2016, stockholders holding 57% of the shares voting on a non-binding advisory vote on the compensation of the Company's named executive officers (Say on Pay) voted to approve the compensation paid to our named executive officers, while stockholders holding 39% of the shares voting on Say on Pay voted against such compensation. Although Say on Pay passed by a majority of the shares that were voted at the annual meeting, the compensation committee determined it was significant that (i) stockholders holding less than 60% of the voting shares voted for Say on Pay and (ii) stockholders holding more than 35% of the voting shares voted against Say on Pay.

As a result of the results of the Say on Pay vote, the compensation committee immediately initiated and directed a comprehensive review of the Company's compensation policies and practices. As part of its comprehensive review, the compensation committee further studied the data provided by Pearl Meyer and met in executive session with Pearl Meyer to further discuss Pearl Meyer's reports. The compensation committee also conducted additional analysis on executive compensation for the peer companies identified by Pearl Meyer. Members of the compensation committee also reached out to certain of the Company's stockholders representing approximately 10% of the Company's outstanding shares of common stock to better understand the reasons for the relatively low percentage of for votes on Say on Pay and held direct conversations with each of these stockholders. The primary focus of these stockholder meetings was to seek specific feedback on executive compensation and review potential changes to existing compensation practices. The feedback received from these participating stockholders was incorporated into the compensation committee discussion and determination of the changes to executive compensation. We will continue to consider stockholder feedback in the future with respect to both our stockholder advisory votes on executive compensation and informal feedback we receive from our stockholders.

Accordingly, the following resolution will be submitted for stockholder approval at the annual meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and related compensation discussion and analysis contained in this Proxy Statement, is hereby APPROVED.

The advisory vote on the compensation of our named executive officers is non-binding. The approval or disapproval of the resolution approving our executive compensation by our stockholders will not require our board of directors to take any action regarding our executive compensation practices. The final decision on the compensation and benefits of our named executive officers and whether, and if so, how, to address stockholder disapproval remains with our board of directors.

Our board of directors believes that it is in the best position to consider the extensive information and factors necessary to make independent, objective, and competitive compensation recommendations and decisions that are in our best interest and the best interest of our stockholders.

Our board of directors values the opinions of our stockholders as expressed through their votes and other communications. Although the resolution is non-binding, our board of directors will carefully consider the outcome of the advisory vote to approve the compensation of our named executive officers and those opinions when making future compensation decisions.

Table of Contents

The next advisory vote on the compensation of our executive officers will occur at the 2018 annual meeting of stockholders.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE *FOR* THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS. Each proxy solicited on behalf of our board of directors will be voted *FOR* the approval of the compensation of our named executive officers unless the stockholder instructs otherwise in the proxy.

PROPOSAL 3

ADVISORY VOTE ON FREQUENCY OF ADVISORY VOTE ON EXECUTIVE

COMPENSATION

The Company is presenting the following proposal, which gives you the opportunity to vote on the frequency of the required advisory vote on the compensation of the Company's named executive officers. This proposal is required by SEC rules. You may elect to have the vote held annually, every two years or every three years, or you may abstain. Because your vote is advisory, it will not be binding upon the board of directors. However, the Company has adopted a policy that it will follow the alternative that receives the plurality of votes cast.

The board of directors recommends that you vote in favor of an advisory vote on executive compensation every year so that our shareholders may provide us with direct and timely input on our executive compensation program. We believe that current best corporate practices and governance trends favor an annual advisory vote and have previously determined to hold an annual advisory vote. While we believe that annually is an appropriate timeframe in which to solicit shareholders' feedback on compensation design, this proposal is not to approve or disapprove of the company's recommendation.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU SELECT 1 YEAR IN CONNECTION WITH THE PROPOSAL REGARDING AN ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION. Each proxy solicited on behalf of our board of directors will be voted in favor of *1 YEAR* unless the stockholder instructs otherwise in the proxy.

PROPOSAL 4

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING

FIRM

General

Each of our audit committee and board of directors has unanimously selected Marcum LLP as the independent registered public accounting firm to perform the audit of our consolidated financial statements for 2017. Marcum LLP is an independent registered public accounting firm.

Our board of directors is asking our stockholders to ratify the selection of Marcum LLP as our independent registered public accounting firm for 2017. Although not required by law or our bylaws, our board of directors is submitting the selection of Marcum LLP to our stockholders for ratification as a matter of good corporate practice. Even if the selection is ratified, our board of directors, in its discretion, may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Previous Independent Registered Public Accounting Firm

During and for the fiscal years ended December 31, 2015 and 2014, BDO USA, LLP audited and rendered opinions on the financial statements of the Company and its subsidiaries. BDO USA, LLP also rendered opinions on the Company's internal control over financial reporting as of December 31, 2015 and 2014.

On April 26, 2016, the Company notified its independent registered public accounting firm, BDO USA, LLP, of its decision to dismiss BDO USA, LLP, effective as of that date, and to appoint another independent registered public accounting firm, Marcum LLP. The decision to change independent registered public accounting firms was unanimously approved by the Company's audit committee and board of directors.

BDO USA, LLP's reports on the consolidated financial statements of the Company for the fiscal years ended December 31, 2015 and 2014, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle.

During the fiscal years ended December 31, 2015 and 2014, and the subsequent interim period through April 26, 2016, the date of BDO USA, LLP's dismissal, there were no disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) with BDO USA, LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of BDO USA, LLP, would have caused BDO USA, LLP to make reference to the subject matter of the disagreements in connection with its reports on the Company's consolidated financial statements for such periods.

During the fiscal years ended December 31, 2015 and 2014, and the subsequent interim period through April 26, 2016, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K), other than the identification of a material weakness in the Company's internal control over financial reporting as described in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015 (the 2015 Form 10-K). As disclosed in Item 9A to the 2015 Form 10-K, the Company's principal executive officer and principal financial officer concluded that, as of December 31, 2015, the Company's internal control over financial reporting was not effective due to a material weakness related to the Company's travel expense advancement and reimbursement policies and procedures that relate to the Company's former Chief Executive Officer and Chairman of the board of directors, H. Craig Dees,

Ph.D. BDO USA, LLP's audit report included in the 2015 10-K with respect to the Company's internal control over financial reporting opined that the Company did not maintain effective internal control over financial reporting as of December 31, 2015 because of this material

Table of Contents

weakness. The subject matter of this material weakness was discussed by the Company's audit committee with BDO USA, LLP. The audit committee has authorized BDO USA, LLP to respond fully to the inquiries of the successor independent registered public accounting firm concerning this material weakness.

The Company has provided BDO USA, LLP with a copy of the foregoing disclosures and requested that BDO USA, LLP furnish the Company with a letter addressed to the SEC stating whether or not it agrees with the statements in the above paragraphs. A copy of BDO USA, LLP's letter was attached as Exhibit 16.1 to the Company's Current Report on Form 8-K filed with the SEC on April 29, 2016.

Current Independent Registered Public Accounting Firm

On April 26, 2016, the Company engaged Marcum LLP as its independent registered public accounting firm. The decision to engage Marcum LLP as the Company's independent registered public accounting firm was unanimously approved by the Company's audit committee and board of directors. During the years ended December 31, 2015 and 2014, and through April 26, 2016, the date of Marcum LLP's engagement, the Company did not consult with Marcum LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Representatives of Marcum LLP are expected to be present at the annual meeting telephonically. They will have an opportunity to make a statement if they desire and will be available to respond to appropriate questions from our stockholders.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE *FOR* THE RATIFICATION OF THE SELECTION OF MARCUM LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2017. Each proxy solicited on behalf of our board of directors will be voted *FOR* the ratification of the selection of Marcum LLP as our independent registered public accounting firm for 2017 unless the stockholder instructs otherwise in the proxy. If our stockholders do not ratify the selection, the matter will be reconsidered by our board of directors.

Audit and Non-Audit Services

Our audit committee is directly responsible for the appointment, compensation, and oversight of our independent registered public accounting firm. It is the policy of our audit committee to pre-approve all audit and non-audit services provided by our independent registered public accountants. Our audit committee has considered whether the provision by Marcum LLP of services of the varieties described below was compatible with maintaining the independence of Marcum LLP. Our audit committee believes the provision of such services to us did not jeopardize the independence of Marcum LLP as the Company's independent registered public accounting firm for the 2016 fiscal year.

The table below sets forth the aggregate fees we paid to Marcum LLP for audit and non-audit services provided to us in 2016 and the aggregate fees we paid to BDO USA, LLP for audit and non-audit services provided to us in 2015:

Fees	2016	2015
Audit Fees	\$ 326,638	\$ 411,000
Audit-Related Fees		
Tax Fees		
All Other Fees		

Total	\$ 326,638	\$ 411,000
-------	------------	------------

In the above table, in accordance with the SEC's definitions and rules, audit fees are fees for professional services for the audit of a company's financial statements included in the annual report on Form 10-K, for the

review of a company's financial statements included in the quarterly reports on Form 10-Q, and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; audit-related fees are fees for assurance and related services that are reasonably related to the performance of the audit or review of a company's financial statements; tax fees are fees for tax compliance, tax advice, and tax planning; and all other fees are fees for any services not included in the first three categories.

AUDIT COMMITTEE REPORT

Our audit committee has the responsibilities and powers set forth in its charter, which include the responsibility to assist our board of directors in its oversight of our accounting and financial reporting principles and policies and internal audit controls and procedures, the integrity of our financial statements, our compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, and the performance of the independent registered public accounting firm and our internal audit function. The audit committee is also required to prepare this report to be included in our annual Proxy Statement pursuant to the proxy rules of the SEC.

Management is responsible for the preparation, presentation and integrity of our financial statements and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures to provide for compliance with accounting standards and applicable laws and regulations. The internal auditor is responsible for testing such internal controls and procedures. Our independent registered public accounting firm is responsible for planning and carrying out a proper audit of our annual financial statements, reviews of our quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures.

The audit committee reviews our financial reporting process. In this context, the audit committee:

reviewed and discussed with management the audited financial statements for the year ended December 31, 2016;

discussed with Marcum LLP, our independent registered public accountants, the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board; and

received the written disclosures and the letter from Marcum LLP required by PCAOB Rule 3526 (Independence Discussions with Audit Committees), as modified or supplemented, and has discussed with Marcum LLP the independent accountant's independence.

Based on this review and the discussions referred to above, the audit committee recommended that our board of directors include the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2016, for filing with the SEC.

This report is submitted on behalf of the members of the audit committee and shall not be deemed soliciting material or to be filed with the SEC, nor shall it be incorporated by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference and shall not otherwise be deemed filed under these Acts.

PROPOSAL 5

AMENDMENT OF THE CERTIFICATE OF INCORPORATION TO INCREASE

AUTHORIZED SHARES OF PREFERRED STOCK

Description of the Amendment

Our Board of Directors has unanimously adopted a resolution to amend our Certificate of Incorporation to increase the number of shares of preferred stock, par value \$0.001 per share, that we are authorized to issue from 25,000,000 to 100,000,000 shares of preferred stock and has directed that the proposed amendment be submitted to our stockholders for their approval and adoption. The amendment will not change the number of shares of common stock that are authorized, and the total authorized shares of capital stock will be increased from 1,025,000,000 to 1,100,000,000. The amendment will replace introductory sentence of Article IV thereof in its entirety and substitute the following in its place:

The total number of shares which the Corporation shall have authority to issue is 1,100,000,000 shares of capital stock, of which 1,000,000,000 shares shall be designated Common Stock, \$0.001 par value per share (Common Stock), and 100,000,000 shall be designated Preferred Stock, \$0.001 par value per share (Preferred Stock).

Background and Reasons for the Proposed Amendment

We may issue shares of capital stock to the extent such shares have been authorized under our Certificate of Incorporation. Our Certificate of Incorporation currently authorizes us to issue 25,000,000 shares of preferred stock, par value \$0.001 per share. The preferred stock is designated as follows: 240,000 shares are designated as Series B Convertible Preferred Stock, of which 100 were issued and outstanding as of April 7, 2017.

The Company entered into an exclusive Definitive Financing Commitment Term Sheet, effective as of March 19, 2017, which sets forth the terms on which a group of the Company's stockholders (the PRH Group) will provide financing (the Financing) to the Company (the Term Sheet). Subject to the terms and conditions of the Term Sheet, the PRH Group agreed to use its best efforts to arrange for a financing of a minimum of \$10,000,000 and maximum of \$20,000,000 (the Financing), which amounts will be provided in several tranches. The Financing is in the form of a loan (the Loan) from the PRH Group, Eric Wachter, and from other investors (collectively, the Investors). The Loan is and will be evidenced by secured convertible promissory notes (each, a Note) from the Company to the Investors.

In addition to the customary provisions, among other things, the outstanding principal amount and interest payable under the Loan is convertible at the sole discretion of the Investors into shares of the Company's Series D Preferred Stock, a new series of preferred stock to be designated by the Board, at a price per share equal to \$0.2862. The principal amount of the Note and the interest payable under the Loan will automatically convert into shares of the Company's Series D Preferred Stock at a price per share equal to \$0.2862 effective on the 18 month anniversary of the funding of the final tranche of the Financing subject to certain exceptions.

Our Board of Directors believes that the current amount of preferred stock available for issuance is insufficient to meet both the Company's obligations under the Notes upon conversion into shares of Series D Preferred Stock and to give the Company appropriate flexibility to issue shares of preferred stock for future corporate needs. Specifically, up to approximately 70 million shares of Series D Preferred Stock may be issued upon conversion of the Notes in the event the Company raises \$20 million of principal of the Notes and the Company only has 24.76 million undesignated shares of preferred stock.

Shares of preferred stock may be used for various purposes without further stockholder approval. These purposes may include: raising additional capital, providing equity incentives to employees, directors and consultants, establishing strategic relationships with other companies, the acquisition of any business, assets or

Table of Contents

technology, and other purposes. Although our Board of Directors has no current plan arrangement or commitment beyond the scope of the Term Sheet and the Company's obligations with respect to the Notes to issue additional shares of Series D Preferred Stock, our Board of Directors believes that it is in the best interest of us and our stockholders to have a sufficient number of authorized but unissued shares of preferred stock available to meet its current obligation, as well as for issuance in the future for such purposes.

Effects of the Increase in Authorized Preferred Stock

The issuance of preferred stock could adversely affect the rights of holders of our common stock. When we issue preferred stock, such preferred stock will include certain designations, rights, qualifications, preferences, limitations and terms, any of which may dilute the voting power or economic interest of holders of our common stock. Preferred stock, once issued, could result in:

Reduction of the amount of funds otherwise available for payment of dividends on the Company's common stock;

Restrictions on dividends that may be paid on our common stock (although there are no current plans to pay dividends on our common stock);

Dilution of the voting power of our common stock; and

Restrictions on the rights of holders of our common stock to share in our assets on liquidation until satisfaction of any liquidation preference granted to the holders of our preferred stock.

We could also issue shares of preferred stock that may, depending on the terms of such issued preferred stock, make more difficult or discourage an attempt to obtain control of the Company by means of a merger, tender offer, proxy contest or other means. When, in the judgment of the Board of Directors, this action would be in the Company's best interest and the best interest of our stockholders, such shares could be used to create voting or other impediments or to discourage persons seeking to gain control of the Company.

The existence of the additional authorized preferred stock could have the effect of discouraging unsolicited takeover attempts. The issuance of preferred stock also could be used to dilute the stock ownership of a person or entity seeking to obtain control of the Company should the Board of Directors consider the action of such entity or person not to be in the best interest of our stockholders. The issuance of preferred stock also could be used to entrench current management or deter an attempt to replace the members on the Board of Directors by diluting the number or rights of shares held by individuals seeking to control the Company by obtaining a certain number of seats on our Board of Directors. Our Board of Directors is not aware of any present or contemplated attempt to acquire control of the Company, and this proposal is not being presented with the intent that it be utilized as an anti-takeover device.

Vote Required

The approval and adoption of the amendment to our Certificate of Incorporation requires the affirmative vote of stockholders who hold a majority of the outstanding shares of common stock entitled to vote in person or by proxy. If the amendment is approved and adopted, it will become effective upon filing a Certificate of Amendment with the

Delaware Secretary of State. After filing the Certificate of Amendment, the additional shares of preferred stock may be issued from time to time by action of our Board of Directors on such terms and for such purposes as our Board of Directors may consider appropriate. In the event that the proposed amendment is not approved and adopted by our stockholders at the annual meeting, the current Certificate of Incorporation will remain in effect.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF PROPOSAL 5 TO APPROVE AND ADOPT AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF PREFERRED STOCK THAT WE ARE AUTHORIZED TO ISSUE FROM 25,000,000 TO 100,000,000 SHARES. Each proxy solicited on behalf of our Board of Directors will be voted *FOR* the approval and adoption of the amendment to our Certificate of Incorporation unless the stockholder instructs otherwise in the proxy.

PROPOSAL 6

AMENDMENT OF THE PROVECTUS EQUITY COMPENSATION PLAN

Effective July 2016, subject to approval of our stockholders, the Board of Directors, on the recommendation of the compensation committee, unanimously approved and adopted an amendment and restatement (the **Plan Amendment**) of the Provectus Biopharmaceuticals, Inc. 2014 Equity Compensation Plan (currently, the **Current Plan** and if amended by the Plan Amendment, the **Amended Plan**) for the benefit of non-employee directors of Provectus to receive shares of restricted common stock. If our stockholders approve the Plan Amendment at the 2017 annual stockholder meeting, the Company will be able to issue, in addition to the Options issuable under the Current Plan, shares of restricted stock to our non-employee directors. The principal provisions of the Amended Plan are summarized below. This summary is qualified in its entirety by reference to the full text of the Amended Plan, which is attached as Appendix A to this Proxy Statement.

Purpose of Current Plan

The purpose of the Current Plan is to promote the interests of the Company, its subsidiaries and its stockholders by (i) attracting and retaining key officers, employees, and directors of the Company and its subsidiaries and affiliates; (ii) motivating such individuals by means of performance-related incentives to achieve long-range performance goals; (iii) enabling such individuals to participate in the long-term growth and financial success of the Company; (iv) encouraging ownership of stock in the Company by such individuals; and (v) linking their compensation to the long-term interests of the Company and its stockholders. Our Board of Directors believes that this purpose will be better served under the Amended Plan because the Amended Plan will provide the compensation committee with greater flexibility in the ways in which it could incentivize and reward the recipients under the Amended Plan.

Eligible Persons and Shares Available

Our employees and directors are eligible to participate in our Current Plan (the **Participants**). These same Participants will be eligible under the Amended Plan.

Under the Current Plan, the Company is authorized to grant Options for up to 20 million shares of common stock (the **Plan Pool**). Under the Amended Plan, we will be able to issue, in addition to these Options, shares of restricted stock from the Plan Pool.

Reasons for the Plan Amendment

As reported in the Current Report on Form 8-K filed by the Company with the SEC on June 17, 2016, stockholders holding 57% of the shares voting on the non-binding advisory vote on the compensation of the Company's named executive officers (**Say on Pay**) at the Company's annual meeting of stockholders held on June 16, 2016 voted to approve the compensation paid to the Company's named executive officers, while stockholders holding 39% of the shares voting on **Say on Pay** voted against such compensation. Although **Say on Pay** passed by a majority of the shares that were voted at the annual meeting, the compensation committee considered it significant that (i) stockholders holding less than 60% of the voting shares voted for **Say on Pay** and (ii) stockholders holding more than 35% of the voting shares voted against **Say on Pay**.

As a result of the results of the **Say on Pay** vote, the compensation committee immediately initiated and directed a comprehensive review of the Company's compensation policies and practices. The compensation committee had previously retained Pearl Meyer (**Pearl Meyer**), an independent executive compensation consultant, to update the

market pay analysis for executive officers and non-employee directors based on a review of peer group proxy statement filings and published compensation surveys. As part of its comprehensive review, the compensation committee studied the data provided by Pearl Meyer and met in executive session with

Table of Contents

Pearl Meyer to discuss Pearl Meyer's reports. The compensation committee also conducted additional analysis on executive compensation for the peer companies identified by Pearl Meyer. Members of the compensation committee also reached out to certain of the Company's stockholders representing approximately 10% of the Company's outstanding shares of common stock to better understand the reasons for the relatively low percentage of "for" votes on Say on Pay and held direct conversations with each of these stockholders. The primary focus of these stockholder meetings was to seek specific feedback on executive compensation and review potential changes to existing compensation practices. The feedback received from these participating stockholders was incorporated into the compensation committee's discussion and determination of the changes to executive compensation.

There were several material changes to the Company's executive compensation made by the compensation committee in response to the compensation committee's comprehensive review and best practices, including an amendment to the Company's 2014 Equity Compensation Plan to allow for restricted stock awards to non-employee directors, subject to approval by the Company's stockholders. If the amendment to the Plan is approved by the Company's stockholders, each non-employee director will be awarded 100,000 restricted stock awards annually. These award will be retroactive to directors beginning in 2016.

The non-employee directors who are granted restricted stock under the Amended Plan will gain therefrom ownership in the Company. Therefore, the Board of Directors believes that the Amended Plan will help the Company better achieve the purpose and underlying intent behind the Current Plan through the increased flexibility afforded to the compensation committee and the linking of the recipients' long-term interests to ours in the form of ownership in the Company.

Restricted Stock

Under the Amended Plan, restricted stock grants are awards of common stock subject to vesting restrictions and/or restrictions on transferability. Shares of common stock that are issued as restricted stock will have a legend and may not be sold, transferred, or disposed of until the restrictions have lapsed. The shares do have voting rights prior to the vesting thereof and would be entitled to receive dividends if paid by the Company prior to the vesting of the shares. The Board of Directors has broad discretion as to the specific terms and conditions of each award, including applicable rights upon certain terminations of employment and restrictions on the transferability of stock purchased pursuant to stock purchase rights.

Vote Required

The Plan Amendment, because it increases the number of securities issuable under the Current Plan, must be approved by the majority vote of the stockholders in the Company present at the meeting. If the Plan Amendment is approved and adopted, the Amended Plan will become effective upon the approval and adoption thereof. After becoming effective, the Board of Directors may issue to non-employee directors restricted shares from time to time pursuant to the terms and condition of the Amended Plan. In the event the Plan Amendment is not approved and adopted by our stockholders at the annual meeting, the Current Plan will remain in effect.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF PROPOSAL 6 AMENDMENT OF THE PROVECTUS EQUITY COMPENSATION PLAN. Each proxy solicited on behalf of our Board of Directors will be voted *FOR* the approval and adoption of the Plan Amendment unless the stockholder instructs otherwise in the proxy.

Table of Contents

Court for the Middle District of Tennessee against the Company, H. Craig Dees, Timothy C. Scott and Peter R. Culpepper (the Defendants) alleging violations by the Defendants of Sections 10(b) and 20(a) of the Exchange Act and Rule 10b-5 promulgated thereunder and seeking monetary damages. Specifically, the Plaintiffs in each of the Farrah Case, the Chaney Case and the Dauphinee Case allege that the Defendants are liable for making false statements and failing to disclose adverse facts known to them about the Company, in connection with the Company's application to the FDA for Breakthrough Therapy Designation (BTD) of the Company's melanoma drug, PV-10, in the Spring of 2014, and the FDA's subsequent denial of the Company's application for BTD.

On July 9, 2014, the Plaintiffs and the Defendants filed joint motions in the Farrah Case, the Chaney Case and the Dauphinee Case to consolidate the cases and transfer them to United States District Court for the Eastern District of Tennessee. By order dated July 16, 2014, the United States District Court for the Middle District of Tennessee entered an order consolidating the Farrah Case, the Chaney Case and the Dauphinee Case (collectively and, as consolidated, the Securities Litigation) and transferred the Securities Litigation to the United States District Court for the Eastern District of Tennessee.

On November 26, 2014, the United States District Court for the Eastern District of Tennessee (the Court) entered an order appointing Fawwaz Hamati as the Lead Plaintiff in the Securities Litigation, with the Law Firm of Glancy Binkow & Goldberg, LLP as counsel to Lead Plaintiff. On February 3, 2015, the Court entered an order compelling the Lead Plaintiff to file a consolidated amended complaint within 60 days of entry of the order.

On April 6, 2015, the Lead Plaintiff filed a Consolidated Amended Class Action Complaint (the Consolidated Complaint) in the Securities Litigation, alleging that Provectus and the other individual defendants made knowingly false representations about the likelihood that PV-10 would be approved as a candidate for BTD, and that such representations caused injury to Lead Plaintiff and other shareholders. The Consolidated Complaint also added Eric Wachter as a named defendant.

On June 5, 2015, Provectus filed its Motion to Dismiss the Consolidated Complaint (the Motion to Dismiss). On July 20, 2015, the Lead Plaintiff filed his response in opposition to the Motion to Dismiss (the Response). Pursuant to order of the Court, Provectus replied to the Response on September 18, 2015.

On October 1, 2015, the Court entered an order staying a ruling on the Motion to Dismiss pending a mediation to resolve the Securities Litigation in its entirety. A mediation occurred on October 28, 2015. On January 28, 2016, a settlement terms sheet (the Terms Sheet) was executed by counsel for the Company and counsel for the Lead Plaintiff in the consolidated Securities Litigation.

Pursuant to the Terms Sheet, the parties agreed, contingent upon the approval of the court in the consolidated Securities Litigation, to settle the cases as a class action on the basis of a class period of December 17, 2013 through May 22, 2014. The Company and its insurance carrier agreed to pay the total amount of \$3.5 million (the Settlement Funds), \$1.85 million of which was paid by the Company, and \$1.65 million of which was paid by the insurance carrier directly to the plaintiff's trust escrow account.

A Stipulation of Settlement encompassing the details of the settlement and procedures for preliminary and final court approval was filed on March 8, 2016. The Stipulation of Settlement incorporates the provisions of the Terms Sheet and includes the procedures for providing notice to stockholders who bought or sold stock of the Company during the class period. The Stipulation of Settlement further provides for (1) the methodology of administering and calculating claims, final awards to stockholders, and supervision and distribution of the Settlement Funds and (2) the procedure for preliminary and final approval of the settlement of the Securities Litigation.

On April 7, 2016, the court in the Securities Litigation held a hearing on preliminary approval of the settlement, entered an order preliminarily approving the settlement, ordered that the class be notified of the settlement as set forth in the Stipulation of Settlement, and set a hearing on September 26, 2016 to determine

Table of Contents

whether the proposed settlement is fair, reasonable, and adequate to the class; whether the class should be certified and the plan of allocation of the Settlement Funds approved; whether to grant Lead Plaintiff's request for expenses and Lead Plaintiff's counsel's request for fees and expenses; and whether to enter judgment dismissing the Securities Litigation as provided in the Stipulation of Settlement. On September 16, 2016, the Lead Plaintiff notified the court that approximately 6,300 stockholders did not receive notification of the proposed settlement until late August 2016 because of the delayed receipt of potential Settlement Class Member information from a number of brokers. As a result, on September 22, 2016, the parties filed a joint motion requesting that the court extend the deadlines to file a Proof of Claim, request exclusion from the settlement, or file an objection to the settlement, and that the court schedule a continued settlement hearing. The court granted the motion, cancelling the settlement hearing that had been set for September 26 and re-setting the hearing to take place on December 12, 2016. On December 2, 2016, the Lead Plaintiffs' counsel reported to the court that there have been no requests for exclusion from the settlement and no objections to the proposed settlement. On December 12, 2016, the court held a final hearing on the fairness of the settlement and entered an order approving the settlement and dismissing the action with prejudice.

Dees Collection Lawsuit

On May 5, 2016, the Company filed a lawsuit in the United States District Court for the Eastern District of Tennessee at Knoxville against Dr. Dees and his wife, Virginia Godfrey (together with Dr. Dees, the Defendants). The Company alleges that between 2013 and the present, Dr. Dees received approximately \$2.4 million in advanced or reimbursed travel and entertainment expenses from the Company and that Dr. Dees did not use these funds for legitimate travel and entertainment expenses as he requested and the Company intended. Instead, the Company alleges that Dr. Dees created false receipts and documentation for the expenses and applied the funds to personal use. The Company and Dr. Dees are parties to a Stipulated Settlement Agreement dated June 6, 2014 (the Kleba Settlement Agreement) that was negotiated to resolve certain claims asserted against Dr. Dees derivatively. Pursuant to the terms of the Kleba Settlement Agreement, Dr. Dees agreed to repay the Company compensation that was paid to him along with legal fees and other expenses incurred by the Company. As of the date of his resignation, Dr. Dees still owed the Company \$2,267,750 under the Kleba Settlement Agreement. Dr. Dees has failed to make such payment, and the Company has notified him that he is in default and demanded payment in full. Therefore, the Company is alleging counts of conversion, fraud, breach of fiduciary duty, breach of contract, breach of Kleba Settlement Agreement, unjust enrichment and punitive damages in this lawsuit. The Company is seeking that the Defendants be prohibited from disposing of any property that may have been paid for with the misappropriated funds, the Defendants be disgorged of any funds shown to be fraudulently misappropriated and that the Company be awarded compensatory damages in an amount not less than \$5 million. Furthermore, the Company is seeking for the damages to be joint and several as to the Defendants and that punitive damages be awarded against Dr. Dees in the Company's favor. The Company is also seeking foreclosure of the Company's first-priority security interest in the 1,000,000 shares of common stock granted by Dr. Dees to the Company as collateral pursuant to that certain Stock Pledge Agreement dated October 3, 2014, between Dr. Dees and the Company in order to secure Dr. Dees' obligations under the Kleba Settlement Agreement. The United States District Court for the Eastern District of Tennessee at Knoxville entered a default judgment against the Defendants on July 20, 2016; however, the Company cannot predict when these shares will be recovered by the Company. The Court recently issued a Temporary Restraining Order upon the Company's application for same upon notice that Dr. Dees was attempting to sell his shares of the Company's common stock. The Temporary Restraining Order was converted to a Preliminary Injunction on September 16, 2016, which order will remain in place until the resolution of the underlying lawsuit absent further court order or agreement of the parties, and the Company is presently engaged in discovery regarding damages. On March 15, 2017, the Court granted Ms. Godfrey's motion to set aside the default judgment against her and set a deadline of March 30, 2017 for Ms. Godfrey to file an answer to the Company's complaint. The Court also set the hearing date to determine damages with respect to the motion for default judgment against Dr. Dees for April 26, 2017.

Mr. Culpepper Travel Expenses and Related Collection Efforts

On December 27, 2016, the Company's board of directors unanimously voted to terminate Peter R. Culpepper, effective immediately, from all positions he held with the Company and each of its subsidiaries, including Interim Chief Executive Officer and Chief Operating Officer of the Company, for cause, in accordance with the terms of the Amended and Restated Executive Employment Agreement entered into by Peter R. Culpepper and the Company on April 28, 2014 (the "Culpepper Employment Agreement") based on the results of the investigation conducted by a Special Committee of the board of directors regarding improper travel expense advancements and reimbursements to Mr. Culpepper.

The Special Committee retained independent counsel and an advisory firm with forensic accounting expertise to assist the Special Committee in conducting the investigation. The Special Committee found that Mr. Culpepper received \$294,255 in travel expense reimbursements and advances that were unsubstantiated. The Company seeks to recover from Mr. Culpepper the entire \$294,255 in unsubstantiated travel expense reimbursements and advances, as well as all attorney's fees and auditors'/experts' fees incurred by the Company in connection with the examination of his travel expense reimbursements.

Under the terms of the Culpepper Employment Agreement, Mr. Culpepper is owed no severance payments as a result of his termination "For Cause" as that term is defined in the Culpepper Employment Agreement. Under section 6 of the Culpepper Employment Agreement, "Effect of Termination," a termination "For Cause" terminates any payments due to Mr. Culpepper as of the last day of his employment. Furthermore, Mr. Culpepper is no longer entitled to the 2:1 credit under the Kleba Settlement Agreement, such that the total \$2,240,000 owed by Mr. Culpepper pursuant to the Kleba Settlement Agreement plus Mr. Culpepper's proportionate share of the litigation cost in the amount of \$227,750 less the amount that he repaid as of December 31, 2016 is immediately due and payable. The Company sent Mr. Culpepper a notice of default in January 2017 for the total amount he owes the Company and intends to resolve these claims pursuant to the alternative dispute resolution provision of the Culpepper Employment Agreement. The Company has established a reserve of \$2,051,083 as of December 31, 2016, which amount represents the amount the Company currently believes Mr. Culpepper owes to the Company, while the Company pursues collection of this amount.

Mr. Culpepper disputes that he was terminated "for cause" under the Culpepper Employment Agreement and Mr. Culpepper has demanded this issue be resolved by mediation in accordance with the Culpepper Employment Agreement. The Company is in the process of responding to Mr. Culpepper's demand. Concurrently, the Company is seeking from Mr. Culpepper immediate payment of amounts due under the Kleba Settlement Agreement as noted above.

The Bible Harris Smith Lawsuit

On November 17, 2016, the Company filed a lawsuit in the Circuit Court for Knox County, Tennessee against Bible Harris Smith PC (BHS) for professional negligence, common law negligence and breach of fiduciary duty arising from accounting services provided by BHS to the Company. The Company alleges that between 2013 and the present, Dr. Dees received approximately \$2.4 million in advanced or reimbursed travel and entertainment expenses from the Company and that Dr. Dees did not submit back-up documentation in support of substantially all of the advances he received purportedly for future travel and entertainment expenses. The Company further alleges that had BHS provided competent accounting and tax preparation services, it would have discovered Dr. Dees's failure to submit back-up documentation supporting the advanced travel funds at the inception of Dr. Dees's conduct, and prevented the misuse of these and future funds. The Company has made a claim for damages against BHS in an amount in excess of \$3 million. The Complaint against BHS has been filed and served, an answer has been received and the parties have

begun discovery.

5. AWARDS SUBJECT TO THE PLAN

The aggregate number of Awards that may be issued under the Plan shall be equal to 20 Million, which number of Awards represents eleven percent (11%) of the issued and outstanding Common Stock as of the Effective Date of this Plan (the "Outstanding Common Stock"). Any Common Stock delivered pursuant to an Award of Restricted Stock or the exercise of an Option may consist, in whole or in part, of authorized but unissued Common Stock or reacquired Common Stock. If and to the extent Awards granted under the Plan terminate, expire, or are canceled, forfeited, exchanged or surrendered, the Awards shall again be available for purposes of the Plan.

6. ELIGIBILITY FOR PARTICIPATION

- (a) Any Employee or Director shall be eligible to participate in the Plan; provided, however, that Non-Employee Directors shall only be eligible to receive Awards of Non-Qualified Stock Options granted consistent with Section 8 or Awards of Restricted Stock granted consistent with Section 9.
- (b) The Committee shall select the Employees and Directors to receive the Awards ("Participants") and shall determine the number of the Awards subject to a particular grant in such manner as the Committee determines.

7. GRANTING OF OPTIONS

- (a) Number of Options. The Committee shall determine the number of Options that will be subject to each grant of Options to Participants.
- (b) Type of Option and Price.
 - (i) Type of Options. The Committee shall have the authority to grant Non-Qualified Stock Options and Incentive Stock Options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code, as from time to time amended, and any regulations implementing such statute. A person who has been granted an Option under this Plan may be granted additional Options under the Plan if the Committee shall so determine; provided, however, that to the extent the aggregate Fair Market Value (determined at the time the Incentive Stock Option is granted) of the shares of Common Stock with respect to which all Incentive Stock Options are exercisable for the first time by an Employee during any calendar year (under all plans described in subsection (d) of Section 422 of the Code of the Employee's employer corporation and its parent and Subsidiaries) exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options.
 - (ii) Exercise Price. The purchase price (the "Exercise Price") of the shares issuable on exercise of an Option shall be as set forth in the Participant's Grant Instrument. Notwithstanding the foregoing, in no event

shall the Exercise Price be less than the Fair Market Value of the Common Stock determined as of the date of grant.

- (c) Option Term. Subject to Section 7(g), the Committee shall determine the term of each Option. The term of any Option shall not exceed ten years from the date of grant.

- (d) Exercisability of Options. Options shall become exercisable in accordance with such terms and conditions, consistent with the Plan, as may be determined by the Committee and specified in the Grant Instrument or an amendment to the Grant Instrument. The Committee may accelerate the exercisability of any or all outstanding Options at any time for any reason. The exercise of any Option granted hereunder shall be effective only at such time as the sale of Common Stock pursuant to such exercise will not violate any state or federal securities or other laws.

- (e) Termination of Employment, Disability or Death.
 - (i) Except for options to purchase shares of Common Stock from the Company that are granted under Section 8 and as otherwise provided below, an Option may only be exercised while the Participant

Table of Contents

is Employed by the Company as an Employee. In the event that a Participant ceases to be employed by, or provide service to, the Company for any reason other than Disability, death, or Termination for Cause, any Option which is otherwise exercisable by the Participant shall terminate unless exercised within 90 days of the date on which the Participant ceases to be Employed by the Company (or, for Non-Qualified Stock Options, within such other period of time as may be specified by the Committee), but in any event no later than the date of expiration of the Option term. Unless otherwise specified by the Committee, any of the Participant's Options that are not otherwise exercisable as of the date on which the Participant ceases to be Employed by the Company shall terminate as of such date.

(ii) In the event the Participant ceases to be Employed by the Company on account of a Termination for Cause by the Company, any Option held by the Participant shall terminate as of the date the Participant ceases to be Employed by the Company.

(iii) In the event the Participant ceases to be employed by, or provide service to, the Company because the Participant is Disabled, any Option which is otherwise exercisable by the Participant shall terminate unless exercised within one year after the date on which the Participant ceases to be Employed by the Company (or, for Non-Qualified Stock Options, within such other period of time as may be specified by the Committee), but in any event no later than the date of expiration of the Option term. Any of the Participant's Options which are not otherwise exercisable as of the date on which the Participant ceases to be Employed by the Company shall terminate as of such date.

(iv) If the Participant dies while Employed by the Company, any Option that is otherwise exercisable by the Participant shall terminate unless exercised within one year after the date on which the Participant dies (or within such other period of time as may be specified by the Committee), but in any event no later than the date of expiration of the Option term. Any of the Participant's Options that are not otherwise exercisable as of the date on which the Participant dies shall terminate as of such date.

(f) **Exercise of Options.** A Participant may exercise an Option that has become exercisable at such times and subject to such terms and conditions as specified in the applicable Grant Instrument, in whole or in part, by delivering a notice of exercise to the Company with payment of the Exercise Price. The Participant shall pay the Exercise Price for an Option (i) in cash or cash equivalents, (ii) by delivering Common Stock owned by the Participant (including Common Stock acquired in connection with the exercise of an Option, subject to such restrictions as the Committee deems appropriate) and having a Fair Market Value on the date of exercise (or next succeeding trading date, if the date of exercise is not a trading date) equal to the Exercise Price, together with any applicable withholding taxes, or (iii) by such other method as the Committee may approve, including payment through a broker in accordance with procedures permitted by Regulation T of the Federal Reserve Board. Common Stock used to exercise an Option shall have been held by the Participant for the requisite period of time to avoid adverse accounting consequences to the Company with respect to the Option. The Participant shall pay the Exercise Price and the amount of any withholding tax due (pursuant to Section 9) at the time of exercise. Options shall not be issued upon exercise of an Option until the Exercise Price is fully paid and any required withholding is made.

(g)

Ten Percent Stock Rule. Notwithstanding any other provisions in the Plan, if at the time an Option is otherwise to be granted pursuant to the Plan, the Participant owns directly or indirectly (within the meaning of Section 424(d) of the Code) shares of Common Stock possessing more than ten percent (10%) of the total combined voting power of all classes of capital stock of the Company or its parent or Subsidiary or Affiliate corporations (within the meaning of Section 422(b)(6) of the Code), then any Incentive Stock Option to be granted to such Participant pursuant to the Plan shall satisfy the requirement of Section 422(c)(5) of the Code, and the Exercise Price shall be not less than one hundred ten percent (110%) of the Fair Market Value of the shares of Common Stock, and such Option by its terms shall not be exercisable after the expiration of five (5) years from the date such Option is granted.

8. NON-EMPLOYEE DIRECTOR OPTIONS

The Board may provide that all or a portion of a Non-Employee Director's annual retainer, meeting fees and/or other awards or compensation as determined by the Board, be payable (either automatically or at the election of a Non-Employee Director) in the form of Non-Qualified Stock Options. The Board shall determine the terms and conditions of any such Options, including the terms and conditions which shall apply upon a termination of the Non-Employee Director's service as a Director, and shall have full power and authority in its discretion to administer such Options, subject to the terms of the Plan and applicable law.

9. RESTRICTED STOCK AWARDS.

- (a) **Grants.** Awards may be granted in the form Restricted Stock. Restricted Stock Awards shall be awarded in such numbers and at such times during the term of the Plan as the Board shall determine and shall be made in actual shares of Common Stock.
- (b) **Award Restrictions.** Restricted Stock shall be subject to terms, conditions, restrictions, and limitations, if any, the Board deems appropriate including, without limitation, restrictions on transferability and continued employment of the Participant. The Board also shall determine any qualified performance measures or other conditions, if any, that must be satisfied before all or part of the applicable restrictions lapse. The Board may, at its discretion, waive all or any part of the restrictions applicable to any or all outstanding Restricted Stock Awards.
- (c) **Rights as Shareholder.** During the period in which any restricted shares of Common Stock are subject to restrictions imposed pursuant to Section 9(b), the Participant to whom restricted shares have been awarded shall generally have the rights and privileges of a stockholder as to such Common Stock, including the right to receive dividends and the right to vote such shares, subject to the following restrictions: (i) the Participant shall not be entitled to delivery of the stock certificate until the expiration of the restricted period and the fulfillment of any other restrictive conditions set forth in the Grant Instrument with respect to such Common Stock; (ii) none of the Common Stock represented by the Award may be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered or disposed of during such restricted period or until after the fulfillment of any such other restrictive conditions; and (iii) except as otherwise determined by the Board at or after grant, all of the shares of Common Stock subject to the Award shall be forfeited and all rights of the Participant to such Common Stock shall terminate, without further obligation on the part of the Company, unless the Participant remains in the continuous employment of the Company for the entire restricted period in relation to which such shares of Common Stock were granted and unless any other restrictive conditions relating to the Restricted Stock Award are met. Unless otherwise provided in the applicable Grant Instrument, any shares of Common Stock, any other securities of the Company and any other property (except for cash dividends) distributed with respect to the Common Stock subject to restricted Stock Awards shall be subject to the same restrictions, terms and conditions as such Restricted Stock Award, including the right to vote such Common Stock. Cash dividends with respect to the Common Stock subject to a Restricted Stock Award shall be currently paid to the Participant.

(d)

Evidence of Award. Subject to Section 9(e), any Restricted Stock Award granted under the Plan shall be evidenced by issuance of a stock certificate or certificates or, in the discretion of the Board, through issuance of instructions to the Company's transfer agent to issue the shares of Common Stock subject to the Award in book-entry (uncertificated) form on the books and records of the transfer agent through the Direct Registration System (DRS) or any successor system.

- (e) Delivery of Shares and Transfer Restrictions. Upon issuance of a certificate evidencing a Restricted Stock Award, such certificate shall be held by the Company or any custodian appointed by the Company for the account of the Participant subject to the terms and conditions of the Plan, and shall bear such a legend setting forth the restrictions imposed thereon as the Board, in its discretion, may determine. Unless otherwise provided in the applicable Grant Instrument, the Participant shall have all rights of a stockholder with respect to the Restricted Stock, except as restricted, as provided in

Table of Contents

Section 9(c). Upon the issuance of a Restricted Stock Award in book entry form, the Company's transfer agent shall be apprised of and shall duly note any restrictions such as those set forth above that are applicable to the restricted Stock Award.

- (f) Termination of Restrictions. At the end of the restricted period and provided that any other restrictive conditions of the Restricted Stock Award are met, or at such earlier time as otherwise determined by the Board, all restrictions set forth in the Grant Instrument relating to the Restricted Stock Award or in the Plan shall lapse as to the restricted shares of Common Stock subject thereto, and either: (i) a stock certificate for the appropriate number of shares of Common Stock, free of the restrictions and restricted stock legend, shall be delivered to the Participant or the Participant's beneficiary or estate, as the case may be; or (ii) in the event the Stock Award was evidenced in book entry form, the Company's transfer agent shall be notified of the lapse and or termination of the restrictions and to remove all references thereto in its books and records.
- (g) Termination of Employment, Disability or Death. In the event that a Participant ceases to be employed by, or provide service to, the Company for any reason other than Disability, death, or Termination without Cause, any unvested Restricted Stock Award held by the Participant shall terminate and be forfeit as of the date the Participant ceases to be Employed by the Company.
- (h) Termination without Cause. In the event the Participant ceases to be Employed by the Company on account of a Termination without Cause by the Company, any unvested Restricted Stock Award held by the Participant shall become 100% vested as of the date the Participant ceases to be Employed by the Company.
- (i) Disability or Death. In the event the Participant ceases to be employed by, or provide service to, the Company because the Participant is Disabled or dies, any unvested Restricted Stock Award shall become 100% vested as of the date the Participant ceases to be Employed by the Company.

10. WITHHOLDING OF TAXES

- (a) Required Withholding. All Awards under the Plan shall be granted subject to any applicable federal (including applicable FICA), state and local tax withholding requirements. The Company shall have the right to deduct from wages paid to the Participant any federal, state or local taxes required by law to be withheld with respect to Awards, or the Company may require the Participant or other Person receiving such awards to pay to the Company the amount of any such taxes that the Company is required to withhold.
- (b) Election to Withhold Options. If the Committee so permits, a Participant may elect to satisfy the Company's income tax withholding obligation with respect to Options by having Common Stock purchased by exercise of such Options withheld, based on their Fair Market Value when they are withheld, up to an amount that does not exceed the Participant's maximum marginal tax rate for federal (including FICA), state and local tax liabilities. The election must be in a form and manner prescribed by the Committee and shall be subject to the prior approval of the Committee.

11. CHANGE OF CONTROL OF THE COMPANY

- (a) As used herein, a Change of Control shall be deemed to have occurred if:
- (i) After the Effective Date, any person (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act)) becomes a beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing a majority of the voting power of the then outstanding securities of the Company entitled to vote generally with respect to the election of the Board;
 - (ii) as a result of or in connection with a tender or exchange offer or contest for election of directors, individual board members of the Company (identified as of the date of commencement of such tender or exchange offer, or the commencement of such election contest, as the case may be) cease to constitute at least a majority of the Board; or

- (iii) the consummation of a merger, consolidation or reorganization with or into the Company or the sale of substantially all of the Company's assets, unless (x) the stockholders of the Company immediately before such transaction beneficially own, directly or indirectly, immediately following such transaction, securities representing a majority of the combined voting power of the then outstanding securities entitled to vote generally with respect to the election of the Board (or its successor) and (y) individual board members of the Company (identified as of the date that a binding agreement providing for such transaction is signed) constitute at least a majority of the Board (or its successor) (a transaction to which clauses (x) and (y) apply, a Non-Control Transaction).
- (b) Upon a Change of Control, unless the Committee determines otherwise, (i) the Company shall provide each Participant with outstanding Awards written notice of such Change of Control and (ii) all outstanding Awards shall automatically accelerate and become fully vested and exercisable, as applicable.
- (c) Notwithstanding anything in the Plan to the contrary, in the event of a Change of Control, the Committee shall not have the right to take any actions described in the Plan that would make the Change of Control ineligible for desired tax treatment if, in the absence of such right, the Change of Control would qualify for such treatment and the Company intends to use such treatment with respect to the Change of Control.

12. ADJUSTMENTS UPON CHANGE OF CAPITALIZATION

Subject to any required action by our stockholders, the number of shares of Common Stock covered by outstanding Awards, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Award has been granted or which have been returned to the Plan upon cancellation or expiration of an Award, as well as the Exercise Price, as applicable, will be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by us.

13. AMENDMENT AND TERMINATION OF THE PLAN

- (a) Amendment. The Committee may amend or terminate the Plan at any time, provided however, that the Committee cannot increase the number of Options or Stock Awards that may be issued under the Plan without the majority vote of the Board and by a majority vote of the stockholders of the Company.
- (b) Termination of Plan. The Plan shall terminate on the day immediately preceding the tenth anniversary of the Effective Date unless terminated earlier or extended by the majority vote of the Board and approval by a majority vote of the stockholders of the Company.
- (c) Termination and Amendment of Outstanding Options. A termination or amendment of the Plan that occurs after an Award is granted shall not materially impair the rights of a Participant unless the Participant consents or unless the Committee acts under Section 19(a) of the Plan. The termination of the Plan shall not

impair the power and authority of the Committee with respect to an outstanding Award. Whether or not the Plan has terminated, an outstanding Award may be terminated or modified under Section 19(a) of the Plan or may be amended by agreement of the Company and the Participant consistent with the Plan.

- (d) Governing Document. The Plan shall be the controlling document. No other statements, representations, explanatory materials or examples, oral or written, may amend the Plan in any manner. The Plan shall be binding upon and enforceable against the Company and its successors and assigns.

14. FUNDING OF THE PLAN

This Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any Awards under this Plan. In no event shall interest be paid or accrued on any Awards.

15. RIGHTS OF PARTICIPANTS

Nothing in this Plan shall entitle any Participant to any claim or right to be granted an Option under this Plan. Neither this Plan nor any action taken hereunder shall be construed as giving any individual any rights to be retained by or in the employ of the Company or any other employment rights.

16. REQUIREMENTS FOR ISSUANCE OF AWARDS

No Award shall be issued or transferred hereunder unless and until all legal requirements applicable to the issuance or transfer of such Awards have been complied with to the satisfaction of the Committee. The Committee shall have the right to condition any Awards granted to any Participant hereunder, or the issuance of shares on exercise of any Options, on such Participant's undertaking in writing to comply with such restrictions on his or her subsequent disposition of such Awards or shares as the Committee shall deem necessary or advisable as a result of any applicable law, regulation or official interpretation thereof and certificates representing such shares may be legended to reflect any such restrictions.

17. HEADINGS

19. MISCELLANEOUS

- (a) Compliance with Law. The Plan, the grant of Awards, and the obligations of the Company to issue or transfer shares shall be subject to all applicable laws and to approvals by any governmental or regulatory agency as may be required. The Committee may revoke any grant of an Award if it is contrary to law or modify a grant of an Award to bring it into compliance with any valid and mandatory government regulation. The Committee may also adopt rules regarding the withholding of taxes on payments to Participants. The Committee may, in its sole discretion, agree to limit its authority under this Section.

- (b)

Governing Law. The validity, construction, interpretation and effect of the Plan and Grant Instruments issued under the Plan shall exclusively be governed by and determined in accordance with the law of the State of Delaware.

- (c) No Rights as Stockholder for Option Holders. Subject to the provisions of the Plan and the applicable Grant Instrument, no Participant or holder or beneficiary of any Option shall have any rights as a stockholder with respect to any Common Stock to be distributed under the Plan until such Person has become a holder of such Common Stock.

- (d) Severability. If any provision of the Plan or any Award is, or becomes, or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Participant or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Participant or Award and the remainder of the Plan and any such Award shall remain in full force and effect.
