### **Item 8.01 Other Events.**

On January 31, 2018, we entered into an underwriting agreement (the Underwriting Agreement) with Barclays Capital Inc. and J.P. Morgan Securities LLC, as representatives of the several underwriters named therein (collectively, the Underwriters), relating to the issuance and sale of 11,538,461 shares of our Common Stock. The price to the public in this offering is \$52.00 per share, and the Underwriters have agreed to purchase the shares from us pursuant to the Underwriting Agreement at a price of \$49.66 per share. The net proceeds to Seattle Genetics from this offering are expected to be approximately \$572.3 million, after deducting underwriting discounts and commissions and other estimated offering expenses payable by us. The offering is expected to close on or about February 5, 2018, subject to customary closing conditions. In addition, under the terms of the Underwriting Agreement, we have granted the Underwriters an option, exercisable for 30 days, to purchase up to an additional 1,730,769 shares of Common Stock solely to cover overallocments. Seattle Genetics anticipates using the net proceeds from the offering to fund a portion of the costs of the acquisition of Cascadian Therapeutics, Inc. In the event that Seattle Genetics does not consummate such acquisition, Seattle Genetics expects to use the net proceeds from the offering for the ongoing commercialization of ADCETRIS® (brentuximab vedotin) in the United States and Canada, its research and development efforts designed to further expand the ADCETRIS label and the advancement of its pipeline of product candidates, as well as for general corporate purposes, including working capital.

The Underwriting Agreement contains customary representations, warranties and agreements by us, customary conditions to closing, indemnification obligations of Seattle Genetics and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by such parties.

The offering is being made pursuant to Seattle Genetics' effective registration statement on Form S-3 (Registration Statement No. 333-222793) previously filed with the Securities and Exchange Commission and a prospectus supplement. The foregoing is only a brief description of the terms of the Underwriting Agreement, does not purport to be a complete statement of the rights and obligations of the parties under the Underwriting Agreement and the transactions contemplated thereby, and is qualified in its entirety by reference to the Underwriting Agreement that is filed as Exhibit 1.1 hereto. A copy of the opinion of Cooley LLP relating to the legality of the issuance and sale of the shares in the offering is attached as Exhibit 5.1 hereto.

### *Forward-Looking Statements*

Certain of the statements made in this report are forward looking, such as those, among others, relating to Seattle Genetics' expectations regarding the completion, timing and size of the public offering, and its anticipated use of net proceeds from the offering. Actual results or developments may differ materially from those projected or implied in these forward-looking statements. Factors that may cause such a difference include risks and uncertainties related to completion of the public offering on the anticipated terms or at all, market conditions, the satisfaction of customary closing conditions related to the public offering, and the acquisition of Cascadian Therapeutics. More information about the risks and uncertainties faced by Seattle Genetics is contained in the updated Seattle Genetics' disclosure filed as an exhibit to Seattle Genetics' Current Report on Form 8-K, filed with the SEC on January 31, 2018. Seattle Genetics disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
