Board of Directors and Committees

The Company's Board of Directors presently consists of five directors. The Board of Directors has determined that two of the directors, Messrs. Sethi and Yuen, meet the definition of independence as established by the NYSE American listing standards and applicable SEC rules.

The Board of Directors presently has one standing committee, the Audit Committee, which is a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the Exchange Act) and Rule 10A-3 thereunder. The Company's Audit Committee currently consists of Mr. Sethi (Chairman) and Mr. Yuen, each of whom the Board has determined meets the definition of independence as established by the NYSE American listing rules and SEC rules. Mr. Sethi is currently the Chairman of the Audit Committee and the audit committee financial expert. Pursuant to Section 803(B)(2)(c) of the NYSE American Company Guide (the Company Guide), as a smaller reporting company the Company is required to have an audit committee of at least two independent members, as defined by the listing standards of the NYSE American.

The Audit Committee is empowered by the Board, among other things, to: (i) serve as an independent and objective party to monitor the Company's financial reporting process, internal control system and disclosure control system; (ii) review and appraise the audit efforts of the Company's independent accountants; (iii) assume direct responsibility for the appointment, compensation, retention and oversight of the work of the independent accountants and for the resolution of disputes between the independent accountants and the Company's management regarding financial reporting issues; and (iv) provide the opportunity for direct communication among the independent accountants, financial and senior management and the Board. Accordingly, the Company relies on exemptions from certain corporate governance requirements to have (i) a majority of independent directors, (ii) a nominating and corporate governance committee composed entirely of independent directors or (iii) a compensation committee composed entirely of independent directors. The full Board of Directors, among other things, (i) identifies individuals qualified to become members of the Board of Directors and selects director nominees for election at the next Annual Meeting of Stockholders, (ii) reviews and monitors matters related to management development and succession, (iii) develops and implements executive compensation policies and pay for performance criteria, and (iv) reviews and approves salaries, bonuses and incentive awards.

Director Qualifications

The Board believes that the Company and its stockholders are best served by having leadership personnel from the Company's principal stockholder and individuals who have extensive experience in the Company's industry and knowledge of the Company's competitive landscape serve on its Board. The Board also believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge

and abilities that will allow the Board to fulfill its responsibilities. Please refer to the biographies of each of the Company's directors for a discussion of the specific experience, qualifications, attributes or skills that led to the conclusion that each individual should serve as a director.

No material changes have been made to the procedures by which stockholders may recommend nominees to the Board.
