In addition, such representations, warranties and covenants may have been qualified by certain disclosures not reflected in the text of the Recapitalization Agreement and Amendment No. 1 and may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of, or other investors in, the Company. The Company's stockholders and other investors are not third-party beneficiaries under the Recapitalization Agreement and Amendment No. 1 and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of the Company or any of its subsidiaries or affiliates.
