Edgar Filing: PACIFIC COAST INVESTMENT PARTNERS LLC - Form SC 13D

CUSIP No. 98137N109

As reported in the 13D initially filed by Mr. Ledecy on August 15, 2003, Mr. Ledecy (the former Chairman of U.S. Office Products Company) acquired 248,600 Shares on June 9, 1998, in connection with U.S. Office Products' strategic restructuring plan (the "Plan"). U.S. Office Products formed Workflow pursuant to the Plan and (1) transferred to Workflow substantially all the assets and liabilities of U.S. Office Products' Print Management Division and (2) distributed to holders of U.S. Office Products common stock 14,625,268 shares of Workflow's common stock (the "Distribution"). Under the terms of the Plan, Mr. Ledecy received one share of Workflow's common stock for every 7.5 shares of U.S. Office Products common stock held on June 9, 1998. Mr. Ledecy was not required to pay any additional consideration for the shares of Workflow common stock he received in the Distribution. In addition, as of June 10, 1998, pursuant to the Plan, Mr. Ledecy was granted options under Workflow's 1998 Stock Incentive Plan to acquire up to 1,096,895 Shares at an exercise price of \$9.00 per share, which was equal to the closing price of the Workflow common stock as reported on Nasdaq on June 10, 1998. To date, Mr. Ledecy has not exercised any of these options and has not paid any consideration for the underlying Shares. Such options expire on the tenth anniversary of the date of grant or, if applicable, on the date Mr. Ledecy is deemed to have violated his non-competition agreement with the Company.

ITEM 4. PURPOSE OF TRANSACTION:

As set forth more fully in the letter dated March 24, 2004 from James M. Chadwick, Managing Member of PCI Partners, to the Board of Directors of Workflow, a copy of which is filed as Exhibit A hereto and incorporated herein by reference, the reporting persons believe that the proposed merger contemplated by the Agreement and Plan of Merger dated as of January 30, 2004 by and among Workflow, WF Holdings, Inc. and WFM Acquisition Sub, Inc., and more fully described in the Proxy Statement of the Company dated as of February 25, 2004, is not in the best interests of Workflow and its stockholders. Accordingly, the reporting persons have formed a group for the purpose of (i) opposing the merger proposal, (ii) identifying, structuring and proposing one or more refinancing alternatives to restructure the Company's balance sheet and refinance existing indebtedness, (iii) seeking the election of designees constituting a majority of the board of directors of Workflow, and (iv) to the extent necessary, taking such additional steps as members of the group deem necessary or advisable to effectuate the foregoing objectives. Such actions may include the acquisition of additional Shares, communications with stockholders, proposals to elect directors to fill existing vacancies on the Company's Board of Directors and/or remove and replace existing directors and such other actions as the reporting persons believe are reasonably related to the objectives described above. At the present time, the reporting persons have identified two lending institutions that have proposed to arrange a new revolving credit facility and two new term loan facilities for Workflow as described in the proposal letter and term sheets attached hereto as Exhibit B and incorporated herein by reference. Cove Partners LLC has advised PCI Partners and Mr. Ledecy in connection with identifying, structuring and proposing certain refinancing alternatives for the Company. Cove Partners LLC anticipates being engaged by Workflow and being paid a fee by Workflow for its services if and when Workflow completes a refinancing on behalf of its shareholders. Except as set forth above, the reporting persons have no present plans or proposals which relate to or would result in:
