1.2 The managements of the respective parties consider that the merger of WXYZ0059 into TCOPart, with the consequent extinguishment of WXYZ0059, is justified to the extent it will allow an improvement in the capitalization conditions and in the cash flows of both TCOPart and its controlled companies, Telegoiás Celular S.A. ("Telegoiás"), Telems Celular S.A. ("Telems"), Telemat Celular S.A. ("Telemat"), Teleacre Celular S.A. ("Teleacre") and Teleron Celular S.A. 1.3 The WXYZ0059 merger transaction, subject matter of this Protocol, shall be structured in such a way as to avoid the transfer of any debt whatsoever to TCO Part and to the TCO Operators, as well as to avoid any negative impact over the future profits thereof, on account of the amortization of said deferred assets, arising out of the incorporation of said premium.

3.2 Exchange Criterion and Ratio : For purposes of ascertaining the ratio of exchange of TCOPart's common and preferred shares previously held by WXYZ0059, and which were cancelled by virtue of its merger, for new TCOPart's common and preferred shares to be assigned to the shareholder of the Mergee, Telesp Celular Participações S.A., enrolled with the CNPJ/MF under no. 02.558.074/0001-73 ("TCP"), owner of all WXYZ0059's shares, in substitution for its extinguished interest in the Mergee, each extinguished and cancelled share issued by TCOPart shall correspond to a new share issued by TCOPart, in the same proportion, type and class of shares previously held by WXYZ0059 in the capital stock of same TCOPart.

3.3 Rights attached to the Shares Assigned to the Shareholder of WXYZ0059 : The TCOPart's shares to be received by TCP, in its capacity as shareholder of WXYZ0059, shall have the same rights as those of the outstanding shares issued by TCOPart.

4. OTHER CONDITIONS APPLICABLE TO THE MERGER .

4.1 Provision for Maintaining the Wholeness of the Shareholders' Equity : This merger is part of a corporate restructuring process involving the companies WXYZ0059, TCOPart and its controlled companies, the TCO Operators.

4.1.1 The corporate restructuring, which is started by the merger of WXYZ0059's net assets into TCOPart, shall be followed by the partial spin-off of TCOPart, as a form of transfer of the referred net assets to the TCO Operators, and shall be concluded with the merger of all the TCO Operators' shares into TCOPart.

4.1.2 In order to avoid that the amortization of the premium arising out of the acquisition of TCOPart, as recorded in WXYZ0059's accounting books, shall adversely affect the future profits of both TCOPart and TCO Operators, to be distributed to the shareholders, WXYZ0059 proposes to book a provision intended for maintaining the wholeness of the shareholders' equity of the mentioned companies.

4.1.3 The reversal of such provision by the end of the restructuring process, in the TCO Operators, shall allow the adverse effects arising out of the amortization of the Premium in their balance sheets to be offset and shall ensure a constant flow of dividends to TCOPart and the TCO Operators, under the terms of article 16 of Instruction CVM no. 319/99.

4.2 Capitalization of the Tax Benefit of the Special Premium Reserve on TCP's behalf: Under the terms of article 7 of Instruction CVM no. 319/99, TCP shall, after the partial spin-off of TCOPart with the transfer of the net assets, which includes the premium and the corresponding special reserve to the TCO Operators, be ensured the right to incorporate the special premium reserve into TCOPart's capital, to the extent it shall use such reserve as a tax benefit arising out of the amortization of the deferred assets by TCOPart itself and by the TCO Operators, with due regard to the provisions in paragraph 2 of the referred article 7 of Instruction CVM no. 319/99, provided that the other TCOPart's shareholders are ensured preemptive rights.

4.3 Succession in Rights and Obligations : TCOPart shall undertake responsibility both in relation to the assets and liabilities of WXYZ0059 to be transferred to it hereunder. As mentioned, a provision shall be booked for maintaining the wholeness of the shareholders' equity, net of the tax benefit corresponding to the premium being used. Such provision has the purpose of ensuring a constant flow of dividends to the shareholders, thus complying with article 16 of Instruction CVM no. 319/99.

4.4 Corporate Acts : A Special Meeting of Shareholders of TCOPart and of WXYZ0059 shall be held for the purpose of examining and making a resolution about the merger and justification contemplated hereunder, including, however not being limited to, the extinguishment of WXYZ0059 as a result of its merger into TCOPart.

4.5 Estimated Amounts, Subject to Confirmation : All the amounts provided for in this Protocol were estimated by the management on this date, being, therefore, subject to change, having in consideration the result of the appraisals to be prepared by independent evaluation firms, as set forth in this Protocol, as well as in article 222, sole paragraph, of Law no. 6.404/76.
