Gildan Activewear Announces Acquisition of U.S. Sock Manufacturer

- Company Updates Fiscal 2008 Earnings Guidance to Include Acquisition Accretion

Montréal, Tuesday, September 18, 2007

Gildan Activewear Inc. (GIL; TSX and NYSE) today announced that it has entered into an agreement to purchase 100% of the capital stock of V.I. Prewett & Son, Inc. ("Prewett"), a large U.S. private label supplier of basic family socks to U.S. mass-market retailers, which is located in Fort Payne, Alabama. The initial purchase price is U.S. \$125 million, with further contingent payments of up to U.S. \$10 million. The purchase consideration will be paid in cash and will be financed out of Gildan's revolving bank credit facilities. The acquisition of Prewett, which is subject to U.S. regulatory approvals, is expected to close around the end of October 2007.

Gildan and Prewett believe that the combination of the two companies will enhance the global cost-competitiveness of Prewett's basic athletic sock programs, and result in significant cost reduction synergies. At the same time, the companies have jointly developed an integration plan designed to ensure the continuation of Prewett's capabilities and reputation for outstanding customer service to mass-market retailers and to further strengthen Gildan's positioning as a full-product supplier of socks, activewear and underwear for the retail channel.

Prewett currently has annualized sales of approximately U.S. \$190 million. The acquisition of Prewett is expected to be accretive to Gildan's EPS in fiscal 2008, and to increase annual EPS by approximately U.S. \$0.20 per share after the acquisition integration is complete. Based on the projected first year accretion from the Prewett acquisition, and a U.S. \$7 million further incremental capacity expansion of Gildan's first Honduran sock manufacturing facility, Gildan now expects to achieve or exceed the high end of its previously announced earnings guidance range for fiscal 2008 of U.S. \$1.80-\$1.85 per share, representing an increase of over 40% compared with the Company's fiscal 2007 projected EPS of approximately U.S. \$1.30 before restructuring charges.

Profile

Gildan is a vertically-integrated marketer and manufacturer of quality branded basic apparel. The Company is the leading supplier of activewear for the wholesale imprinted sportswear market in the U.S. and Canada, and also a leading supplier to this market in Europe. The Company sells T-shirts, sport shirts and fleece in large quantities to wholesale distributors as undecorated "blanks", which are subsequently decorated by screenprinters with designs and logos. Consumers ultimately purchase the Company's products, with the Gildan label, in venues such as sports, entertainment and corporate events, and travel and tourism destinations. Other end-uses include work uniforms and similar applications to convey individual, group and team identity. In addition to continuing its growth within the wholesale channel, Gildan is implementing a major new growth initiative to sell athletic socks, underwear and activewear to mass-market retailers in North America.

2.3

At the Closing, (a) the Company will deliver to Parent, Buyer and Merger Sub the various certificates, instruments and documents referred to in Article VI of this Agreement, (b) Parent, Buyer and Merger Sub will deliver to the Company the various certificates, instruments and documents referred to in Article VII of this Agreement, (c) the Articles of Merger shall be executed and acknowledged by each of Merger Sub and the Company and the Articles of Merger shall be filed with the Secretary of State of the State of Alabama and the Secretary of State of the State of Delaware, respectively, and (d) Parent will pay to the Shareholder Representatives or their counsel for the benefit of the Company Shareholders the Closing Amount. 2.4

Effect of Merger.

(a)

General. The Merger shall become effective at the Effective Time. The Merger shall have the effects set forth in the DGCL and the ABCA. At the Effective Time, the identity, existence, rights, privileges, powers, franchises, properties and assets of the Company shall continue unaffected and unimpaired by the Merger; the separate corporate existence of Merger Sub shall cease and the Surviving Corporation shall become the owner, without transfer, of all rights and property of the Constituent Corporations; and the Surviving Corporation shall be subject to all of the debts and liabilities of the Constituent Corporations as if the Surviving Corporation had itself incurred them. The Surviving Corporation may, at any time after the Effective Time, take any action (including executing and delivering any document) in the name and on behalf of either the Company or Merger Sub in order to carry out and effectuate the transactions contemplated by this Agreement.

(b)

Articles of Incorporation; Bylaws. The Articles of Incorporation and the Bylaws of the Company, as in effect immediately prior to the Effective Time, shall be the Articles of Incorporation and the Bylaws of the Surviving Corporation until amended in accordance with their respective terms and as provided by applicable Law.

(c)

Directors and Officers. The directors and officers of Merger Sub shall become the directors and officers of the Surviving Corporation at and as of the Effective Time (retaining their respective positions and terms of office).

2.5

Conversion of Stock; Procedure for Payment.

(a)

Common Stock of the Company. As of the Effective Time, by virtue of the Merger and without any action on the part of the holder of any Common Stock, the Company, Buyer or Merger Sub, all shares of Common Stock that are issued and outstanding immediately prior to the Effective Time, but other than (i) Dissenting Shares, and (ii) those shares of Common Stock to be canceled pursuant to Section 2.5(b), shall be canceled and extinguished and converted into the right to receive in cash an amount equal to (i) the Common Stock Price, plus (ii) the right to receive the Per Share Escrow Amount, if any, together with interest accrued thereon, to be paid if and when released in accordance with the Escrow Agreement, plus (iii) the Per Share Working Capital Excess, if any, to be paid in accordance with Section 2.8, and less any applicable withholding of taxes (such amount hereinafter referred to as the "Per Share Merger Consideration"). All such Common Stock, when so converted, shall no longer be outstanding and shall automatically be canceled and each holder of a certificate or certificates representing any such Common Stock shall cease to have any rights with respect thereto, except the right to receive the consideration specified in the preceding sentence. For example purposes only, Schedule II sets forth an example calculation of the Per Share Merger Consideration assuming for purposes of such calculation certain values for the line items reflected thereon.

(b)

Cancellation of Certain Common Stock. As of the Effective Time, by virtue of the Merger and without any action on the part of the holder of any Common Stock, the Company, Buyer or Merger Sub, each share of Common Stock that is owned by the Company or any wholly owned subsidiary as treasury stock or otherwise or owned by Merger Sub shall automatically be canceled and shall cease to exist, and no cash or other consideration shall be delivered or deliverable in exchange therefor.

(c)

Capital Stock of Merger Sub. As of the Effective Time, each share of Merger Sub Common Stock issued and outstanding immediately prior to the Effective Time shall, by virtue of the Merger and without any action on the part of the holder of Merger Sub Common Stock, the Company, Buyer or Merger Sub, be converted into one validly issued, fully paid and non-assessable share of common stock, par value \$100 per share, of the Surviving Corporation ("Surviving Corporation Common Stock"). Each certificate that, immediately prior to the Effective Time, represented issued and outstanding shares of Merger Sub Common Stock shall, from and after the Effective Time, automatically and without the necessity of presenting the same for exchange, represent the shares of the Surviving Corporation capital stock into which such shares have been converted pursuant to the terms hereof; provided, however, that the record holder thereof shall receive, upon surrender of any such certificate, a certificate representing the

Edgar Filing: Gildan Activewear Inc. - Form 6-K

shares of Surviving Corporation Common Stock into which the shares of Merger Sub Common Stock formerly represented thereby shall have been converted pursuant to the terms hereof.

(d)

Dissenting Shares. Notwithstanding anything in this Agreement to the contrary, any Common Stock issued and outstanding immediately prior to the Effective Time and held by a holder who timely delivers to the Company such holder's notice of intent to demand payment for such holder's shares if the Merger is effected, thereafter does not vote in favor of the Merger or consent thereto in writing and who otherwise properly demands appraisal for such Common Stock in accordance with the ABCA ("Dissenting Shares") shall not be converted into a right to receive the Per Share Merger Consideration at the Effective Time in accordance with Section 2.5(a) hereof, but shall represent and become the right to receive such consideration as may be determined to be due to the holder of such Dissenting Shares pursuant to the Laws of the State of Alabama, unless and until such holder fails to perfect or withdraws or otherwise loses such holder's right to appraisal and payment under the ABCA. If, after the Effective Time, such holder fails to perfect or withdraws or otherwise loses such holder's right to appraisal, such former Dissenting Shares held by such holder shall be treated as if they had been converted as of the Effective Time into a right to receive, upon surrender as provided above, the Per Share Merger Consideration in accordance with Section 2.5(a). The Company shall give Parent prompt notice of any demands received by the Company for appraisal of Common Stock, withdrawals of such demands and any other instruments served pursuant to the ABCA and received by the Company, and the Company shall have the right to direct all negotiations and proceedings with respect to such demands. The Company shall not make any payment with respect to, or settle or offer to settle, any such demands, except with the prior written consent of Buyer, such consent not to be unreasonably withheld or delayed.

The Escrow Deposit shall be subject to payment to the Surviving Corporation or as provided in Section 2.6 hereof and in the Escrow Agreement in accordance with the Escrow Agreement. The Escrow Deposit shall not constitute part of the consideration received by the Company Shareholders in respect of their Common Stock unless and until received by the Company Shareholders, and until so received shall be deemed to be consideration that is contingent.

(b)

Payment for Shares.

(i)

Immediately following the date hereof, the Company shall mail or deliver to each current record holder of certificates representing Common Stock (A) a notice of the execution of this Agreement, (B) a form letter of transmittal which shall specify that delivery shall be effected, and risk of loss and good title (subject to no Liens) to the certificates shall pass, only upon proper delivery of the certificates to the Surviving Corporation, and (C) instructions

Edgar Filing: Gildan Activewear Inc. - Form 6-K

for use in surrendering such certificates on or prior to Closing and receiving the Common Stock Price in respect thereof upon effectiveness of the Merger.

(ii)

Upon surrender to the Surviving Corporation of a certificate, together with such letter of transmittal duly executed and completed in accordance with the instructions thereto, the holder of such certificate shall be entitled to promptly receive, in exchange therefor (other than Common Stock to be canceled pursuant to Section 2.5(b)), cash in an amount equal to the product of (A) the number of shares of Common Stock formerly represented by such certificate and (B) the Common Stock Price, which amounts shall be paid by the Surviving Corporation by check or wire transfer in accordance with the instructions provided by such holder. No interest or dividends will be paid or accrued on the consideration payable upon the surrender of any certificate. If the consideration provided for herein is to be delivered in the name of a Person other than the Person in whose name the certificate surrendered is registered, it shall be a condition of such delivery that the certificate so surrendered shall be properly endorsed or otherwise in proper form for transfer and that the Person requesting such delivery shall pay any transfer or other taxes required by reason of such delivery to a Person other than the registered holder of the certificate, or that such Person shall establish to the satisfaction of the Surviving Corporation that such tax has been paid or is not applicable. Until surrendered in accordance with the provisions of this Section 2.7(b)(ii), each certificate (other than certificates representing Dissenting Shares or Common Stock to be canceled pursuant to Section 2.5(b)) shall represent, for all purposes (other than Common Stock to be canceled pursuant to Section 2.5(b)), only the right to receive the Per Share Merger Consideration.

(iii)

After the Effective Time, there shall be no transfers on the stock transfer books of the Surviving Corporation of any shares of Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, certificates are presented to the Surviving Corporation, they shall be canceled and exchanged as provided in this Article 2.

(iv)

In the event any certificate shall have been lost, stolen or destroyed, upon the making of an affidavit (in form and substance reasonably acceptable to the Surviving Corporation) of that fact by the Person (who shall be the record owner of such certificate) claiming such certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by such Person of a bond in such amount as the Surviving Corporation may direct as indemnity against any claim that may be made against it with respect to such certificate, the Surviving Corporation will issue in exchange for such lost, stolen or destroyed certificate the Per Share Merger Consideration deliverable in respect thereof pursuant to this Agreement.

(c)

Transaction Expenses; Repayment of Indebtedness. From the date hereof through the Closing, the Company shall be entitled to utilize any and all available cash of the Company (i) to pay the Transaction Expenses and (ii) to repay outstanding indebtedness owed by the Company for borrowed money, including, without limitation, the Shareholder and Related Party Notes, indebtedness owed to third party lenders, capitalized lease financings, any interest rate hedging obligations to the extent such obligations are "out-of-the-money," and any breakage fees or other costs and expenses in connection with any such repayment (the "Indebtedness for Borrowed Money"). In addition, the Company shall obtain a release on or prior to the Closing of all Liens securing any such Indebtedness for Borrowed Money and shall terminate the related financing arrangements. The Company Shareholders shall be responsible for any Transaction Expenses that are invoiced post-Closing.

2.8

Working Capital Adjustments.

(a)

Baseline Working Capital Amount. The "Baseline Working Capital Amount" shall mean [].

(b)

Post-Closing Determination. Within sixty (60) calendar days after the Closing Date, at the expense of the Surviving Corporation, the Surviving Corporation will conduct an analysis (the "Closing Date Review") of the Working Capital Amount (the "Closing Date Working Capital Amount"), and prepare and deliver to MDA Professional Group, P.C. ("MDA") a computation of the Closing Date Working Capital Amount and a balance sheet of the Company (the "Closing Date Balance Sheet"), each to be computed and prepared in accordance with GAAP and as of the Closing Date but prior to the consummation of the transactions provided for herein; provided, however, that cash on hand at Closing, which increases the Closing Amount, and Transaction Expenses and Indebtedness for Borrowed Money that remains unpaid at Closing, which reduces the Closing Amount, shall not be reflected in the Closing Date Balance Sheet or in the Closing Date Working Capital Amount; provided further that the reserves associated with the repackaging of products in connection with the Company's [] shall be properly accounted for in accordance with GAAP and rebates to customers, sales allowances and sales returns on a calendar basis shall be accrued. Such Closing Date Balance Sheet shall be consistent with the GAAP accounting policies used in the preparation of the Reference Balance Sheet solely to the extent that such accounting policies are in accordance with GAAP and do not conflict with the definition of the term "Working Capital Amount," and, with respect to inventory, shall be based in part on a physical count of the inventory of the Surviving Corporation and its Subsidiaries. Any such inventory count shall be conducted jointly by Buying Group and a designated agent of MDA, and may be attended by a Shareholder Representative. The Buying Group, in conjunction with MDA and a Shareholder Representative, will develop procedures necessary for inventory taking and valuation of receivables, inventory and payables. Within sixty (60) calendar days after the receipt of the Closing Date Balance Sheet and Closing Date Working Capital Amount, the Albertville, Huntsville, Athens or Gadsden office of MDA, at the expense of the Company Shareholders, will conduct an audit of the Closing Date Working Capital and issue an audit opinion (the "Audit"). The Audit shall be done in accordance with GAAS and GAAP consistent with the accounting policies used in the preparation of the Reference Balance Sheet solely to the extent that such accounting policies are in accordance with GAAP and do not conflict with the definition of the term "Working Capital Amount," and, with respect to inventory, shall be based on the physical count described in the preceding sentence, of the Closing Date Balance Sheet and the Closing Date Working Capital Amount. Upon completion of the Audit, MDA will deliver to Surviving Corporation and Shareholder Representatives such audited Closing Date Balance Sheet (the "Audited Closing Date Balance Sheet") and Closing Date Working Capital Amount (the "Audited Closing Date Working Capital

Amount"). The Surviving Corporation will make available to MDA and Shareholder Representatives all records and work papers used in preparing the Closing Date Balance Sheet and Closing Date Working Capital Amount. If either the Surviving Corporation or the Shareholder Representatives disagrees with the dollar amount of any specific line items included in the Audited Closing Date Balance Sheet and the computation of the Audited Closing Date Working Capital Amount, the Surviving Corporation or Shareholder Representatives, as the case may be, may, within thirty (30) calendar days after receipt of the Audited Closing Date Balance Sheet, deliver a notice (an "Objection Notice") to the other party setting forth its calculation of the Audited Closing Date Working Capital Amount. If neither the Surviving Corporation nor Shareholder Representatives deliver an Objection Notice within such thirty (30) calendar day period, then the Audited Closing Date Working Capital Amount shall be deemed to be finally determined and payment shall be made in accordance with Section 2.8(d) below. If either the Surviving Corporation or Shareholder Representatives timely deliver an Objection Notice to the other party, the Shareholder Representatives and the Surviving Corporation will use reasonable efforts to resolve any disagreement as to the computation of the Audited Closing Date Working Capital Amount as soon as practicable, but if they can not reach a final resolution within thirty (30) calendar days after the Shareholder Representatives or Surviving Corporation, as the case may be, has received the Objection Notice, the Surviving Corporation and the Shareholder Representatives will jointly retain an independent accounting firm of recognized national standing (the "Firm") to resolve their disagreement. If the Surviving Corporation and the Shareholder Representatives are unable to agree on the choice of the Firm, then the Firm will be an independent accounting firm of recognized national standing selected by lot (after excluding one firm designated by the Surviving Corporation and one firm designated by the Shareholder Representatives). The Surviving Corporation and the Shareholder Representatives will direct the Firm to render a determination within thirty (30) calendar days of its retention and the Surviving Corporation and the Shareholder Representatives and their respective agents will cooperate with the Firm during its engagement. The Firm will consider only those amounts in the Audited Closing Date Balance Sheet set forth in the Objection Notice which the Surviving Corporation and the Shareholder Representatives are unable to resolve. In resolving any disputed item, the Firm may not assign a value to any item greater than the greatest value for such item claimed by either party or less than the smallest value for such item claimed by either party. The Firm's determination will be based on such review as the Firm deems necessary to make its determination, and on the definition of the Audited Closing Date Working Capital Amount included herein. The determination of the Audited Closing Date Working Capital Amount by the Firm will be conclusive and binding upon the Surviving Corporation and the Company Shareholders. The Surviving Corporation and the Company Shareholders shall bear the costs and expenses of the Firm based on the percentage which the portion of the contested amount not awarded to each party bears to the amount actually contested by or on behalf of such party. The Audited Closing Date Working Capital Amount, as finally determined pursuant to this Section 2.8(c), is referred to herein as the "Actual Closing Date Working Capital Amount."

(c)

Payment of Working Capital Adjustments.

(i)

Payment by the Surviving Corporation. If the sum of the Actual Closing Date Working Capital Amount exceeds the Baseline Working Capital Amount, the Surviving Corporation shall, within five (5) Business Days after the determination thereof, pay to the Shareholder Representatives, for distribution to the Company Shareholders as hereinafter

provided, the amount by which (A) the sum of the Actual Closing Date Working Capital Amount exceeds (B) the Baseline Working Capital Amount (the "Adjustment Excess"). Such payment shall be made by the Surviving Corporation to the Shareholder Representatives by wire transfer of immediately available funds in United States Dollars to an account designated by the Shareholder Representatives, and upon such payment, the Surviving Corporation shall have no further obligation with respect to the payment of the Adjustment Excess to the Company Shareholders.

(ii)

Payment by the Company Shareholders. []

(iii)

8.1

Survival; Exclusive Remedies for Breach; Reliance.

(a)

Each and every representation and warranty made by the Company, the Significant Shareholders, the Company Shareholders, Parent, Buyer or Merger Sub in this Agreement or in any exhibit, schedule, certificate, instrument of transfer or other document delivered pursuant hereto or in connection herewith shall survive the Closing, but except as otherwise provided in this Section 8.1, shall terminate on the date that is on the second anniversary of the Closing Date and thereafter be of no further force or effect; provided, however, that (i) in the case of deceit or misrepresentations of existing material facts by one Party made willfully, intentionally, deceitfully, knowingly or recklessly with the intention that the other Party rely on such fact to its detriment, or concealment or suppression of a material fact if done in a manner to deceive or mislead, or breaches of the representations and warranties set forth in Sections 3.7 and 3.14, together with any right to indemnification for breach thereof, such matters shall survive the Closing until the expiration of the applicable statute of limitations applicable to the matters covered thereby (giving effect to any waiver, mitigation, tolling or extension hereof), (ii) the representation and warranties set forth in Section 3.15, together with any right of indemnification for breach thereof, including indemnification under Section 8.2(a)(vi), shall survive the Closing for a period of 5 years, and (iii) the representations and warranties set forth in Sections 3.1 through 3.4 and in Article IIIA shall survive without limitation as to time. Each and every covenant and agreement of a Party set forth herein shall survive the Closing without limitation as to time.

(b)

Any representation or warranty that would otherwise terminate with respect thereto shall survive if notice of the breach, inaccuracy or nonperformance thereof shall have been given on or prior to the cut-off date referenced in Section 8.1(a) with respect thereto to the Party against whom indemnification may be sought but only to the extent related to such breach, inaccuracy or nonperformance.

(c)

After the Closing, the indemnities set forth in this Article VIII shall be the sole and exclusive remedies of the Parties hereto (except in the case of deceit or misrepresentations of material existing facts by one Party made willfully, intentionally, deceitfully, knowingly or recklessly with the intention that the other Party rely on such fact to its detriment, or concealment or suppression of a material fact if done in a manner to deceive or mislead) for the breach of any covenant, agreement, representation or warranty in this Agreement by any other Party; provided, however, that this Article VIII shall not be the exclusive remedy for the breach of representations and warranties of a Company Shareholder set forth in Section 3a.4, and Parent, Buyer and Merger Sub shall have such rights as may be available at law or in equity with respect to a breach of any such representation and warranty. Without limiting the generality of the foregoing, the Parties agree that there shall not be, and each of the Parties hereby waives and releases, any rights to pursue any cause of action of any description arising out of or relating to the transactions described herein other than a cause of action brought under this Article and deceit or willful, intentional, knowing or reckless misrepresentations by one Party of a present, existing material fact with the intention that the

other Party rely on such fact to its detriment, or concealment or suppression of a material fact if done in a manner to deceive or mislead.

(d)

Except as expressly provided herein or in any document, writing or instrument executed and delivered by Company Shareholders or Shareholder Representatives at Closing, Company and the Shareholders make no representation or warranty, express or implied, at law or in equity in respect of the Company or the Subsidiaries, or any of their respective assets, liabilities or operations, including with respect to merchantability or fitness for any particular purpose, and any such other representations or warranties are hereby expressly disclaimed. The Company Shareholders shall reimburse the Company for any Taxes of the Company, any Subsidiary or any

Edgar Filing: Gildan Activewear Inc. - Form 6-K

Predecessor Company which are the responsibility of the Company Shareholders pursuant to this Section 8.2 within fifteen (15) Business Days after payment of such Taxes by the Company or any member of the Buying Group. For purposes of this Agreement, in the case of a Straddle Period, (A) the amount of any Taxes based on or measured by income or receipts (or that is otherwise in the nature of a business activity tax) of the Company, any Subsidiary or any Predecessor Company for the portion of such Straddle Period ending on the Closing Date shall be determined based on an interim closing of the books as of the close of business on the Closing Date, and (B) the amount of other Taxes of the Company, any Subsidiary or any Predecessor Company for the portion of such Straddle Period ending on the Closing Date shall be deemed to be the amount of such Tax for the entire taxable period multiplied by a fraction the numerator of which is the number of days in the taxable period ending on the Closing Date and the denominator of which is the number of days in such Straddle Period;

any payments made in connection with Dissenting Shares in excess of the Per Share Merger Consideration and any costs (including legal, accounting and other professional fees) incurred in connection with the proceedings related to such Dissenting Shares;

(v)

the Restructuring, including any Losses or payments made to any Former Shareholders and any costs in connection with the proceedings related to such matters; and

(vi)

the failure to obtain the Environmental Permits listed in Section 3.15(a) of the Disclosure Schedule prior to Closing, and those items disclosed on Section 3.15(b) of the Disclosure Schedule.

[]

(b)

Company Shareholders. Subject to the provisions of this Section and the other Sections of this Article VIII, each Company Shareholder agrees to indemnify and hold harmless each member of the Buying Group, and their respective officers, directors, agents and representatives, from and against any and all Losses incurred or sustained by or imposed upon them with respect to or by reason of:

(i)

any failure, breach or inaccuracy on the part of such Company Shareholder of any of its representations or warranties under Article IIIA of this Agreement or contained in any certificate, document or instrument delivered by the such Company Shareholder hereunder; and

(ii)

any breach, default or lack of performance on the part of such Company Shareholder of any of its covenants or agreements under this Agreement (other than the agreements contained elsewhere in this Article VIII).

(c)

Notwithstanding anything to the contrary in this Agreement, no member of the Buying Group shall be entitled to indemnification under Section 8.2(a)(i) for any Losses as to which a member of the Buying Group otherwise may be entitled to indemnification hereunder (without giving effect to this paragraph (c)), until the aggregate amount of such indemnifiable Losses exceeds [] (the "Threshold Amount"), provided that after the aggregate of all indemnifiable Losses exceeds the Threshold Amount, the Buying Group shall, in the aggregate,

be entitled to indemnification under Section 8.2(a)(i) for the first dollar of such Losses notwithstanding the Threshold Amount. The maximum amount recoverable by the Buying Group for indemnification claims under Section 8.2(a)(i) shall in no event exceed the Cap. Notwithstanding the foregoing sentence, the Threshold Amount and the Cap shall not apply (i) to any breach of a representation and warranty set forth in Sections 3.1 through 3.4, 3.7, 3.9(a), 3.14, 3.17(a), and 3.20, (ii) to any breach of a representation or warranty made by the Company or by any Significant Shareholder of which the Company or any Significant Shareholder had actual knowledge at any time prior to the date on which such representation and warranty was made, (iii) to any willful breach by any Company Shareholder of any covenant or obligation and (iv) in the case of deceit or misrepresentations of existing material facts by one Party made willfully, intentionally, deceitfully, knowingly or recklessly with the intention that the other Party rely on such fact to its detriment, or concealment or suppression of a material fact if done in a manner to deceive or mislead. In addition, the members of the Buying Group hereby waive and release any claim, and will have no right to indemnification under this Article VIII, for any misrepresentation or breach of warranty or covenant to the extent that the matter underlying the misrepresentation or breach resulted in an adjustment to the purchase price pursuant to Section 2.8.

8.3

Indemnification by Parent.

(a)

Subject to the provisions of this Section and the other Sections of this Article VIII, Parent agrees to indemnify the Company Shareholders and hold them harmless from and against any and all Losses incurred or sustained by or imposed upon the Company or the Company Shareholders with respect to or by reason of: (i) any failure, breach or inaccuracy on the part of Parent, Buyer or Merger Sub of any of their representations or warranties under this Agreement or contained in any certificate, document or instrument delivered by Parent or Merger Sub hereunder; and (ii) any breach, default, inaccuracy or lack of performance on the part of Parent or Merger Sub of any of their respective agreements or covenants under this Agreement or contained in any certificate, document or instrument delivered by Parent or Merger Sub hereunder.

(b)

Notwithstanding anything in this Agreement, no member of the Buying Group shall be liable (i) under Section 8.3(a)(i) for any Losses as to which the Company Shareholders otherwise may be entitled to indemnification hereunder (without giving effect to this clause (i)), until such indemnifiable Losses exceed the Threshold Amount, provided that after the aggregate of all indemnifiable Losses exceeds the Threshold Amount, the Company Shareholders shall be entitled to indemnification under Section 8.3(a)(i) to the first dollar of such Losses notwithstanding the Threshold Amount; and (ii) under this Article VIII for any Losses which in the aggregate are in excess of the Cap.

8.4

Procedures for Indemnification.

(a)

If an Indemnified Party shall claim to have suffered a Loss for which indemnification is available under Section 8.2 or 8.3, as the case may be (for purposes of this Section 8.4, regardless of whether such Indemnified Party is entitled to receive a payment in respect of such claim by virtue of paragraph (c) of Section 8.2), the Indemnified Party shall notify the Indemnifying Party in writing of such claim as promptly as practicable, which written

Edgar Filing: Gildan Activewear Inc. - Form 6-K

notice shall describe the nature of such claim, the facts and circumstances that give rise to such claim and the amount of such claim if reasonably ascertainable at the time such claim is made (or if not then reasonably ascertainable, the maximum amount of such claim reasonably estimated by the Indemnified Party). In the case of a claim by Parent or the Surviving Corporation, such written notice shall be provided by the Indemnified Party to the Shareholder Representatives. In the event that within thirty (30) days after the receipt by the Indemnifying Party of such a written notice from the Indemnified Party, the Indemnified Party shall not have received from the Indemnifying Party a written objection to such claim, such claim shall be conclusively presumed and considered to have been assented to and approved by the Indemnifying Party following receipt by the Indemnifying Party of a written notice from the Indemnified Party to such effect.

(b)

If within the thirty (30) day period described in paragraph (a) above the Indemnified Party shall have received from the Indemnifying Party a written notice setting forth the Indemnifying Party's objections to such claim and the Indemnifying Party's reasons for such objection, then the Parties (including the Shareholder Representatives) shall negotiate in good faith for a period of ten (10) Business Days from the date the Indemnified Party receives such objection (such period is hereinafter referred to as the "Negotiation Period"). After the Negotiation Period, if the Parties still cannot agree on the claim, the Parties (including the Shareholder Representatives) shall follow the procedures set forth in Section 8.8 below with respect to the resolution of such matter.

(c)

Upon determination of the amount of a claim that is binding on both the Indemnifying Party and the Indemnified Party, the amount of such claim shall be paid within ten (10) Business Days of the date such amount is determined. If the Indemnifying Party responsible for payment of such claim is Parent, such payment shall be made by wire transfer to the Shareholder Representatives, who shall be responsible for distributing any such payment by Parent to accounts of the Company Shareholders in accordance with their respective percentages opposite the Company Shareholders' names on Schedule I hereto. If the Indemnifying Party responsible for payment of such claim is a Company Shareholder, such payment shall be made by wire transfer by the Company Shareholders to an account designated by the Buying Group.

8.5

Procedures for Third Party Claims.

(a)

Any Indemnified Party seeking indemnification pursuant to this Article VIII in respect of any Third Party Claim shall give the Indemnifying Party from whom indemnification with respect to such claim is sought (i) prompt written notice (but in no event more than ten (10) days after the Indemnified Party acquires knowledge thereof) of such Third Party Claim and (ii) copies of all documents and information relating to any such Third Party Claim within ten (10) days of their being obtained by the Indemnified Party; provided, that the failure by the Indemnified Party to so notify or provide copies to the Indemnifying Party shall not relieve the Indemnifying Party from any liability to the Indemnified Party for any liability hereunder except to the extent that such failure shall have prejudiced the defense of such Third Party Claim.

(b)

The Indemnifying Party shall have thirty (30) days (or such lesser time as may be necessary to comply with statutory response requirements for litigation claims that are included in any Third Party Claim) from receipt of the notice contemplated in Section 8.5(a) to

notify the Indemnified Party whether or not the Indemnifying Party will, at its sole cost and expense, defend the Indemnified Party against such claim. If the Indemnifying Party timely gives notice that it intends to defend the Third Party Claim, it shall have the right, except as hereafter provided, to defend against, negotiate, settle or otherwise deal with the Third Party Claim and to be represented by counsel of its own choice, and the Indemnified Party will not admit any liability with respect thereto or settle, compromise, pay or discharge the same without the consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed, so long as the Indemnifying Party is contesting or defending the same with reasonable diligence and in good faith; provided, that the Indemnified Party may participate in any proceeding with counsel of its choice and at its expense; provided further, that the Indemnifying Party may not enter into a settlement of any such Third Party Claim without the consent of the Indemnified Party, which consent shall be not unreasonably withheld, unless such settlement requires no more than a monetary payment for which the Indemnified Party is fully indemnified by the Indemnifying Party or involves other matters not binding upon the Indemnified Party; and provided further that, in the event the Indemnifying Party does not agree in writing to accept the defense of, and assume all responsibility for, such Third Party Claim as provided above in this Section 8.5(b), then the Indemnified Party shall have the right to defend against, negotiate, settle or otherwise deal with the Third Party Claim in such manner as the Indemnified Party deems appropriate, in its sole discretion, and the Indemnified Party shall be entitled to indemnification therefor from the Indemnifying Party to the extent provided under this Article VIII. Notwithstanding the foregoing, if in the reasonable opinion of the Indemnified Party such Third Party Claim, or the litigation or resolution of such Third Party Claim, involves an issue or matter that could have a Material Adverse Effect if Buying Group is the Indemnified Party, or involves an issue or matter that could have a material adverse effect on Company Shareholders if the Company Shareholders are Indemnified Parties, including the administration of Tax Returns of the Indemnified Party or a dispute with a significant supplier or customer of the Indemnified Party, the Indemnified Party shall have the right to control the defense or settlement of any such claim or demand and its reasonable costs and expenses shall be included as part of the indemnification obligations of the Indemnifying Party. If the Indemnified Party elects to exercise such right, the Indemnifying Party shall have the right to participate in, but not control, the defense or settlement of such claim at its sole cost and expense.

8.6

Taxes: Offsets Against Insurance.

(a)

All indemnity claims will be net of any tax benefit actually enjoyed by the Indemnified Party

but will be grossed up for any Taxes payable by the Indemnified Party with respect to indemnity payments, and will not include any consequential or special damages of the Indemnified Party. Indemnity claims may include any Third Party Claims which include consequential or special damages for which the Indemnified Party is liable.

(b)

The Indemnifying Party's obligation to indemnify the Indemnified Party under this Article VIII with respect to a particular matter will be net of any insurance proceeds or other third-party reimbursements received by or for the benefit of the Indemnified Party in connection with the matter. The Indemnifying Party's obligation to defend against a third-party claim will be secondary to any applicable obligation of an insurance carrier to defend against the claim.

(c)

The Indemnifying Party is subrogated to the rights of the Indemnified Party upon the Indemnifying Party's payment of the amount of the relevant indemnifiable loss.

(d)

An insurer that is otherwise obligated to defend or pay a claim is not relieved of the responsibility with respect to the claim, and has no subrogation rights with respect to the claim (in either instance) by virtue of the indemnification provisions of this Article VIII.

(e)

If the Indemnified Party recovers an amount from a third party in respect to an indemnifiable loss for which indemnification is provided under this Agreement, and (i) the Indemnifying Party has previously paid the full amount of the indemnifiable loss or (ii) the Indemnifying Party has made a partial payment of the indemnifiable loss and the aggregate amount of that partial payment, plus the amount of the payment received from the third party exceeds the amount of the indemnifiable loss, then the Indemnified Party will promptly remit to the Indemnifying Party the lesser of (i) the amount that the Indemnifying Party previously paid in respect of the indemnifiable loss and (ii) the excess (if any) of (A) the sum of (I) the amount that the Indemnifying Party previously paid in respect of the indemnifiable loss, plus (II) the amount received from the third party in respect of the loss, minus (B) the full amount of the indemnifiable loss.

(f)

Nothing contained in this Section 8.6 shall preclude the Indemnified Party from making any claim under this Article VIII prior to the Indemnified Party's receipt of any tax benefits, insurance proceeds or other third-party reimbursements or resolution of such tax benefits, insurance proceeds or other third-party reimbursements with the applicable taxing authority, insurance carrier or third-party with respect to the matter that is the subject of such claim.

8.7

Effect of Indemnification. Any indemnity payment made hereunder shall be treated by the Parties as an adjustment to the Merger Price.

8.8

Arbitration. All disputes arising under this Article VIII, and all other claims, disputes, controversies or disagreements arising under or related to this Agreement, relating to the transactions described herein, or concerning any of the relationships arising under or created by this Agreement or any agreement executed in connection herewith, shall be resolved by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association, subject to the following qualifications: (1) the arbitration hearings will commence within sixty (60) days of the demand for arbitration unless otherwise agreed by the Parties or unless otherwise ruled by the arbitrator; (2) the arbitration will be held in Nashville, Tennessee (or any other place agreed to by the Parties hereto and the arbitrator); (3) the substantive laws of the State of Alabama without regard to conflicts of law provisions shall control with respect to the claims submitted to arbitration; and (4) although the American Arbitration Association provisions shall govern, the arbitration will not be administered by the American Arbitration Association but will, unless otherwise agreed to by the Parties, be conducted by a sole arbitrator to be agreed upon by the Parties but failing such agreement to be appointed by the Presiding Judge of the Superior Court of Davidson County, Tennessee. The decision of the arbitrator shall be final and binding as to any matters submitted under this Article VIII; provided, however, if necessary, such decision and satisfaction procedure may be enforced by any Party in any court of record having jurisdiction over the subject matter or over any of the

Edgar Filing: Gildan Activewear Inc. - Form 6-K

Parties to this Agreement. The submission to arbitration shall not abrogate any attorney-client or other privileges available under Alabama law. Each party will bear its own fees and expenses regardless of which party prevails.

ARTICLE IX TERMINATION OF AGREEMENT

9.1

Causes. This Agreement and the transactions contemplated hereby may be terminated at any time prior to the completion of the Closing as follows, and in no other manner:

(a)
