ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Debt Restructuring and Deferrals

On August 28, 2015, PEDEVCO Corp. (the “Company”), entered into Letter Agreements (the “Letter Agreements”) with Senior Health Insurance Company of Pennsylvania (“SHIP”) (as successor-in-interest to BRe BCLIC Primary), BRe BCLIC Sub, BRe WINIC 2013 LTC Primary, BRe WNIC 2013 LTC Sub, HEARTLAND Bank, and RJ Credit LLC (“RJC”) (collectively, the “Lenders”), and BAM Administrative Services LLC (the “Agent”), as agent for the Lenders. The Lenders are parties to that certain Note Purchase Agreement, dated March 7, 2014 (the “NPA”), by and among the Company, the Lenders and the Agent, pursuant to which the Company issued Senior Secured Promissory Notes to each of the Lenders (collectively, the “Senior Notes”), and RJC is also a party to that certain Note and Security Agreement, dated April 10, 2014, as amended on February 23, 2015, issued by the Company to RJ Credit LLC (the “RJC Junior Note,” and together with the Senior Notes, the “Notes”).

Pursuant to the Letter Agreements, (i) all Lenders agreed to defer until the maturity date of their Senior Notes the mandatory principal payments that would otherwise be due and payable by the Company to them on payment dates occurring during the six month period of August 1, 2015 through January 31, 2016, (ii) HEARTLAND Bank agreed to change the frequency of payment of accrued interest and mandatory principal repayments from monthly to semi-annually, with the next interest payment due February 1, 2016 and the next mandatory principal repayment due August 3, 2016, and with the Company agreeing to place an amount equal to 1/6th of the semi-annual principal and interest payments due into a sinking fund which the Company shall pay to HEARTLAND Bank every six months when due and owing, (iii) RJC agreed to defer all interest payments otherwise due and payable by the Company to RJC under its Notes during the period commencing on August 1, 2015 through January 31, 2016 (the “Waiver Period”), which deferred interest is capitalized monthly during the Waiver Period, (iv) SHIP, BRe BCLIC Sub, BRe WINIC 2013 LTC Primary, and BRe WNIC 2013 LTC Sub agreed to (a) defer until the maturity date of their Senior Notes 12/17ths of the interest payments that would otherwise be due and payable by the Company to them on payment dates occurring during the six month period of August 1, 2015 through January 31, 2016; and (b) have the Company pay in cash 5/17ths of such interest payments per month, with all deferred interest being capitalized until the maturity date of the Senior Notes, and (v) SHIP, BRe BCLIC Sub, BRe WINIC 2013 LTC Primary, BRe WNIC 2013 LTC Sub and RJC agreed to increase the interest rate under their Senior Notes from 15% to 17% per annum on all outstanding principal under the Senior Notes during the Waiver Period. These deferrals agreed upon with Lenders will reduce the Company’s monthly cash interest payments and mandatory principal repayments from approximately \$600,000 per month under the Notes prior to entry into the Letter Agreements, to approximately \$100,000 per month during the Waiver Period after giving effect to the changes agreed upon under the Letter Agreements, thereby providing the Company with an estimated \$500,000 per month in additional cash flow during the Waiver Period.

The purpose of these deferrals is to provide the Company with the financial resources and runway it believes it needs to fully-focus and execute upon the acquisition transaction contemplated pursuant to that certain Agreement and Plan of Reorganization, dated May 21, 2015 (as amended to date, the “Dome Agreement”), by and among the Company, PEDEVCO Acquisition Subsidiary, Inc., Dome AB, and Dome Energy Inc. (the “Dome Transaction”), as more fully described in the Company’s Current Reports on Form 8-K filed with the Securities and Exchange Commission on May 26, 2015 and July 20, 2015. The Company and Dome Energy continue to move forward with the transactions contemplated by the Dome Agreement, provided that because the closing of the transactions contemplated by the Dome Agreement is subject to various closing conditions, described in greater detail in the May 26, 2015, Form 8-K, no assurance can be made that the transactions contemplated by the Dome Agreement will be completed.

As additional consideration for the Lenders’ entry into the Letter Agreements and related note amendments and deferrals, no later than September 18, 2015, the Company is obligated to grant warrants (the “Warrants”) exercisable on a cash-only basis for an aggregate of 1.2 million shares of Company common stock to SHIP, BRe BCLIC Sub, BRe

WINIC 2013 LTC Primary, BRe WNIC 2013 LTC Sub and RJC (the “Warrant Recipients”), proportionately based on their individual principal under the Notes, which grants are subject to NYSE MKT additional listing approval. The Warrants will have a three (3) year term and will be immediately exercisable on a cash-only basis at a price of \$0.75 per share. In addition, in the event the aggregate total of principal and interest deferred by the Warrant Recipients exceeds \$900,000 over the Wavier Period, within thirty (30) days of February 1, 2016, and subject to NYSE MKT additional listing approval, the Company will proportionately grant to the Warrant Recipients additional Warrants such that the total aggregate number of shares of Company common stock exercisable under all Warrants granted to the Warrant Recipients will equal (x) the total principal and interest deferred by such Lenders divided by (y) \$0.75.

In addition, the Company agreed to prepare and deliver to RJC a monthly budget in form and substance reasonably satisfactory to RJC, and such financial statements as RJC may reasonably request. The monthly budget is required to include a cash flow forecast and detail of all anticipated non-recurring expenses and non-cash budget items, and the Company is required to comply with the budgeted expenses set forth therein in all material respects, provided, however, that a variance of less than 10% with respect to the expenses, on an aggregate basis, is permitted.

It is anticipated that the Senior Notes and the RJC Junior Note will all be satisfied in full in connection with the closing of the Dome Transaction, at which point further interest and principal deferrals will cease. However, if all the Senior Notes and the RJC Junior Note remain outstanding without principal reduction prior to February 1, 2016, the Company estimates that up to an aggregate of approximately \$2.95 million in total interest and principal payments may be deferred pursuant to the Letter Agreements, in which event Warrants exercisable solely on a cash basis for approximately an additional 2.7 million shares of Company common stock at an exercise price of \$0.75 per share will be granted pro rata to each of the Lenders (other than HEARTLAND Bank) in February 2016.

In the event the Company does not consummate either the Dome Transaction, or an alternate transaction approved by the Lenders in their sole discretion on or before February 1, 2016, unless the Company resumes full and prompt payment when due of all interest and principal repayments as required pursuant to the Notes commencing on February 1, 2016, then the Company agreed that it would cooperate with the Lenders in exploring opportunities to repay the Notes in full as soon as possible after such date.

The foregoing description of the Letter Agreements and the Warrants do not purport to be complete and are qualified in their entirety by reference to the Letter Agreements and form of Warrant, copies of which are attached as Exhibits 10.1, 10.2 and 10.3, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

Dome Energy Reorganization Agreement Amendment

On August 28, 2015, we entered into an Amendment No. 2 to Agreement and Plan of Reorganization (the "Amendment") with Exchange Sub and Dome Energy. In order to provide Dome Energy additional time to prepare and deliver necessary disclosure schedules and audited financial statements, the parties entered into the Amendment, which further extended the deadline from August 17, 2015 to August 31, 2015 for delivery of copies of the parties' disclosure schedules and Dome US's audited financial statements as contemplated by the Dome Agreement. The parties agreed further that the Company, in its sole and absolute discretion, may from time to time, further extend the deadline in the event that Dome Energy is using good faith efforts to prepare its audited financial statements, to no later than September 30, 2015.

The Dome Agreement is disclosed in greater detail in a Current Reports on Form 8-K filed by the Company with the Securities and Exchange Commission on May 26, 2015 and July 20, 2015.

The Company and Dome Energy continue to move forward with the transactions contemplated by the Dome Agreement, as amended, including the preparation of a registration statement containing a proxy statement/prospectus with the Securities and Exchange Commission (the “SEC”), provided that because the closing of the transactions contemplated by the Dome Agreement is subject to various closing conditions, described in greater detail in the May 26, 2015, Form 8-K, no assurance can be made that the transactions contemplated by the Dome Agreement, as amended, will be completed.

The foregoing description of the Amendment is not complete and is qualified in its entirety by reference to the Amendment, which is filed herewith as Exhibit 2.1 and incorporated by reference herein.

ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES.

We claim an exemption from registration pursuant to Section 4(a)(2) and/or Rule 506 of Regulation D of the Securities Act of 1933, as amended (the “Securities Act”), for the offer and sale of the Warrants, described above in Item 1.01, due to the fact that the foregoing offer and sale will not involve a public offering, the recipients will take the securities for investment and not resale, the Company has taken appropriate measures to restrict transfer, and the recipients (a) are “accredited investors,” and (b) have access to similar documentation and information as would be required in a Registration Statement under the Securities Act. In the event the Warrants agreed to be granted in August 2015 are exercised in full, a maximum of an aggregate of 1.2 million shares of Company common stock would be issuable to the warrant holders.

ITEM 7.01 REGULATION FD DISCLOSURE.

On September 1, 2015, the Company issued a press release announcing the debt facility restructuring agreed upon with the Lenders under the Letter Agreements and related matters as described above in Item 1.01. A copy of the press release is furnished as Exhibit 99.1 hereto.

The information responsive to Item 7.01 of this Form 8-K and Exhibit 99.1 attached hereto, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (“Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act, or the Exchange Act, except as expressly set forth by specific reference in such a filing.
