Note 2 Strategic Investments and Divestitures

Terminated Business Combination

On February 15, 2011, we entered into a Business Combination Agreement (the Business Combination Agreement) with Deutsche Börse AG (Deutsche Börse), pursuant to which the two companies agreed to combine their respective businesses and become subsidiaries of a newly formed Dutch holding company (the Proposed Business Combination). Completion of the Proposed Business Combination was subject to the satisfaction of several conditions, including, among others, approvals by the relevant competition and financial, securities and other regulatory authorities in the United States and Europe.

On February 1, 2012, the EU Competition Commission issued a formal decision disapproving the Proposed Business Combination. In light of the EU Commission s decision, on February 2, 2012, NYSE Euronext and Deutsche Börse announced that they mutually agreed to terminate the Business Combination Agreement.

NYSE $Blue^{TM}$

On February 18, 2011, we formed NYSE Blue through the combination of APX, Inc. and our 60% stake in BlueNext SA (BlueNext), with NYSE Euronext as the majority owner of NYSE Blue. NYSE Blue, through these companies, provided, among other things, infrastructure and services to environmental sponsors and market participants as well as its registry services for renewable energy in the United States and voluntary carbon credits worldwide. On April 5, 2012, NYSE Blue was unwound, resulting in NYSE Euronext taking back ownership of its 60%

stake in Bluenext and relinquishing its interest in APX, Inc. We recorded a \$2.0 million net loss on disposal activities in connection with this transaction.

Prior to the completion of this unwind, NYSE Euronext consolidated the results of operations and financial condition of NYSE Blue (which included the results of BlueNext and APX, Inc.). Following this unwind, NYSE Euronext only consolidates the results of operations and financial condition of BlueNext.

Qatar

On June 19, 2009, NYSE Euronext entered into a strategic partnership with the State of Qatar to establish the Qatar Exchange, the successor to the Doha Securities Market. Under the terms of the partnership, the Qatar Exchange is adopting the latest NYSE Euronext trading and network technologies. We are providing certain management services to the Qatar Exchange at negotiated rates.

In 2009, NYSE Euronext agreed to contribute \$200 million in cash to acquire a 20% ownership interest in the Qatar Exchange, \$40 million of which was paid upon closing on June 19, 2009 with two additional \$40 million payments made in June 2010 and June 2011. The agreement requires the remaining \$80 million to be paid in two equal installments annually in June 2012 and June 2013.

In July 2012, NYSE Euronext and the State of Qatar negotiated a term sheet under which contemplates NYSE Euronext reducing its ownership in the Qatar Exchange in consideration of the termination of the remaining two installment payments. The term sheet is under final review by the State of Qatar and implementation of the term sheet would be subject to several regulatory approvals in Qatar, including the Ministry of Trade and Business.

Corpedia

On June 22, 2012, NYSE Euronext completed the acquisition of Corpedia, a U.S. based provider of ethics and compliance e-learning and consultative services. With its corporate governance, risk and compliance assets, Corpedia further expands NYSE Euronext s extensive range of global services available to companies.

Fixnetix

On March 7, 2012, NYSE Euronext acquired approximately 25% of the outstanding shares in Fixnetix Limited, a U.K. based service provider of ultra-low latency data provision, co-location, trading services and risk controls for more than 50 markets worldwide.

Metabit

On September 1, 2011, NYSE Euronext completed the acquisition of Metabit, a leading Tokyo-based provider of high performance market access products with a trading community of more than 140 trading firms throughout Asia.

NYSE Amex Options

On June 29, 2011, NYSE Euronext completed the sale of a significant equity interest in NYSE Amex Options, one of our two U.S. options exchanges, to seven external investors, Bank of America Merrill Lynch, Barclays Capital, Citadel Securities, Citi, Goldman Sachs, TD AMERITRADE and UBS. NYSE Euronext remains the largest shareholder in the entity and manages the day-to-day operations of NYSE Amex Options, which operates under the supervision of a separate board of directors and a dedicated chief executive officer. NYSE Euronext consolidates this entity for financial reporting purposes.

As part of the agreement, the external investors have received an equity instrument which is tied to their individual contribution to the options exchange s success. Under the terms of the agreement, the external investors have the option to require NYSE Euronext to repurchase a portion of the instruments on an annual basis over the course of five years starting in 2011. The amount NYSE Euronext is required to purchase under this arrangement is capped each year at between 5% and 15% of the total outstanding shares of NYSE Amex Options. On September 16, 2011, the external investors put back approximately 5% of the total outstanding shares of NYSE Amex Options to NYSE Euronext. NYSE Euronext recognized the full redemption value, i.e. fair value, of this instrument as mezzanine equity and classified the related balance as Redeemable noncontrolling interest in the condensed consolidated statement of financial condition as of June 30, 2012.

Note 3 Restructuring
