**Item 7.01. Regulation FD Disclosure**

On September 28, 2006, Universal Technical Institute, Inc. ( the Company ) issued a press release to clarify the fiscal 2007 impact of cost savings related to the reduction in force announced by the Company on September 27, 2006. As reported on September 27, 2006, the event is expected to increase costs in fiscal 2006 by \$1.2 million and provide cost savings in fiscal 2007 of approximately \$4.2 to \$4.5 million. It is expected that these cost savings will be reinvested in sales and marketing efforts during fiscal 2007 to increase capacity utilization. As such, it is unrealistic to expect the savings to significantly improve net income in fiscal 2007 due to the timing lag between lead generation and anticipated student starts.

A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by this reference.
