MATERIAL FACT

In compliance with the Official Letter/CVM/SEP/GEA-2/N. 431/05, Brasil Telecom Participações S.A. (BTP or Company) hereby transcribes the complete text of the decision pronounced by the Federal Judge of the 4th Circuit Court of the Judiciary Section of the *Distrito Federal*, on August 19, 2005, in the proceedings of case 2005.34.00.017700 -4:

CONCLUSION

The present lawsuit is remitted to the Federal Judge of the 4th Federal Circuit Court of the Judiciary Section of the *Distrito Federal*, Dr. Itagiba Catta Preta Neto, of what, to be recorded, I draft the present term.
Brasília, 08/19/05

Director of the Secretary of the 4th Federal Circuit Court

DECISION

1. The argument adopted by the plaintiff on page 1179 shall be exposed before the *Superior Tribunal de Justiça* (Superior Court of Justice). That Court, on page 1216, notified this lower Court of the decision rendered by its President, being this lower Court, therefore, only accountable to comply with the Superior judicial command;
2. As per the decision on pages 1196 to 1200, the jurisdiction of this Court was fixed, including for the issues in connection with the matters in litigation in other lawsuits mentioned in such decision;
3. Finally, the decisions rendered by the presidency of the *Superior Tribunal de Justiça* (pages 819, 1188, 1372 and all the other included in or copied in the lawsuit) make it very clear the intention to allow, as broadly as possible, for the change in the control throughout all the chain of command of Brasil Telecom, the new management assuming full control of all the companies.
4. Accordingly, this Court is entitled to nothing further but to comply with the decision rendered by *Superior Tribunal de Justiça*, as thoroughly as possible.

5. Additionally, taking into consideration that in the exercise of its power of diligence¹ the Judge is not limited to the formalization of the request in strictly formal terms, there is no reason for the corporate books mentioned in the brief on pages 1323 to 1329 to remain in the possession of the company's former management.

6. Therefore, I GRANT the request of SEARCH AND SEIZURE of the company's corporate books, as requested on page 1329 - in favor of the current formal managers of the co-defendant Brasil Telecom Participações S/A appointed by Opportunity.

7. In view of ANATEL's decision published in the *Diário Oficial da União* (Official Gazette) N. 136, of July 18, 2005, page 72, the DECISION OF PAGES 647 to 649 lost its grounds and IS REVOKED through the present act.

The present decision serves as search and seizure warrant, and the court Process Server is hereby authorized to use all the necessary means to fully comply with the present order.

Brasília, August 19, 2005.

ITAGIBA CATTA PRETA NETO
Federal Judge

Additionally, Brasil Telecom Participações S.A. informs it is taking all legal actions, through its lawyers, to present to the Judge its reasons and thoughts.

Brasília, August 23, 2005.
