Item 2.05 Costs Associated with Exit or Disposal Activities.

On June 20, 2008, Ferro Corporation announced that it would discontinue manufacturing of ceramic tile frits and color products at its manufacturing facility in Americana, Brazil, by the end of June 2008. In the future, color products required by customers in Brazil will be supplied by production from other Ferro locations. Each affected employee was notified on or before June 18, 2008. As a result of the actions, the Company expects to eliminate approximately 73 employee positions and to record pre-tax charges of approximately \$1.4 million in the quarter ended June 30, 2008. The charge includes approximately \$0.9 million in severance costs and approximately \$0.5 million in asset impairment costs. The charge is expected to reduce diluted earnings per share for the quarter ending June 30, 2008, by approximately 2 cents. Annual savings resulting from these actions are expected to be approximately \$2.0 million to \$2.5 million.

In addition, the Company announced that it would take additional actions in its Inorganic Specialties business as a part of its continuing initiatives to reduce expenses. As a result of these actions, the Company expects to reduce employment by approximately 13 positions, primarily in Europe and Asia. Each of the affected employees was notified on or before June 20, 2008. As a result of these actions, the Company expects to record a pre-tax charge of approximately \$2.2 million related to severance costs in the quarter ended June 30, 2008. This charge is expected to reduce diluted earnings per share in the quarter ending June 30, 2008, by approximately 3 cents. Annual savings resulting from these actions are expected to be approximately \$1.4 million per year.

A copy of the press release announcing the actions is attached, hereto, as Exhibit 99.1.

Item 9.01 Financial Statements and Exhibits.
