of both companies' past performance and earnings resilience. Initial feedback from investors has been extremely supportive, and I am confident the Exchange Offer will be a great success.”

On completion of the Transaction, VimpelCom Ltd. will be a leading mobile operator in Russia, Ukraine and the CIS, with a significant presence in Southeast Asia, with:

- Over 87.7 million subscribers as of September 30, 2009

Exchange Offer and Terms

Telenor ASA (“Telenor”) and Altimo Holdings & Investments Ltd. (“Altimo”), the majority owners of OJSC VimpelCom, have agreed, subject to the conditions described below, to contribute their respective shareholdings in OJSC VimpelCom and their combined 100% shareholding in Kyivstar to create VimpelCom Ltd., a leading emerging markets mobile operator with enhanced market presence and growth, profitability and cash flow generation prospects. The exchange ratio used in determining the post-contribution equity ownership by OJSC VimpelCom’s and Kyivstar’s respective shareholders is 3.4:1.

In the Exchange Offer, VimpelCom Ltd. is offering:

- to all holders of OJSC VimpelCom ADSs: one VimpelCom Ltd. common DR (representing one VimpelCom Ltd. common share) in exchange for each OJSC VimpelCom ADS;
- to all holders of OJSC VimpelCom common shares: twenty VimpelCom Ltd. common DRs in exchange for each OJSC VimpelCom common share; and
- to all holders of OJSC VimpelCom preferred shares: twenty VimpelCom Ltd. preferred DRs (each representing one VimpelCom Ltd. preferred share) in exchange for each OJSC VimpelCom preferred share.

Alternatively, holders of OJSC VimpelCom shares and ADSs may elect to receive a cash payment of 0.01 Russian roubles for each common share or preferred share and 0.0005 Russian roubles for each ADS. This nominal cash consideration is being offered to comply with Russian regulations and is not intended to constitute fair market value. Accordingly, VimpelCom Ltd. urges holders of OJSC VimpelCom shares and ADSs not to elect to receive cash consideration.

The Exchange Offer comprises a U.S. Offer and a Russian Offer. The U.S. Offer is open to all U.S. holders of OJSC VimpelCom shares and all holders of OJSC VimpelCom ADSs, wherever located. The Russian Offer is open to all holders of OJSC VimpelCom shares, wherever located. However, only shareholders who are “qualified investors” under Russian law may receive DRs in exchange for their shares tendered into the Russian Offer.

Successful completion of the Exchange Offer is contingent on, among other things, more than 95% of OJSC VimpelCom’s outstanding shares being tendered in the Exchange Offer, all legal and regulatory proceedings involving Altimo and Telenor being terminated or withdrawn and the receipt of required regulatory and other approvals, including approvals by the anti-monopoly authorities in Russia and Ukraine. The Russian Governmental Commission on Foreign Investments announced its approval of the proposed transaction under the Russian Foreign Investment Law on February 3, 2010.

It is expected that, following completion of the Exchange Offer, OJSC VimpelCom will be delisted from the NYSE and will no longer be traded on the Russian Trading System.

-

Enable OJSC VimpelCom and Kyivstar to be managed on a unified basis, with the potential for operational improvements and efficiencies; and

VimpelCom Ltd.'s majority shareholders are Altimo and Telenor, which will hold 43.9% and 35.4% of the voting rights and 38.5% and 38.8% of the economic rights, respectively (assuming 100% acceptance of the Exchange Offer), following successful completion of the Transaction. Minority shareholders in VimpelCom Ltd. will represent 20.7% of the voting rights and 22.7% of the economic rights (assuming 100% acceptance of the Exchange Offer) following successful completion of the Transaction.

VimpelCom Ltd. is incorporated in Bermuda, headquartered in the Netherlands, and its common DRs are intended to be listed on the NYSE. Altimo and Telenor have agreed a clear and robust corporate governance structure and have entered into a shareholders agreement governed by New York law that is designed to avoid deadlock situations. Any future shareholder disputes will be resolved by arbitration proceedings in London under UNCITRAL arbitration rules.
