Item 8.01

Other Events

On May 16, 2008 the Circuit Court of Wisconsin, County of Dane confirmed a Stipulation and Order of Judgment (the "Settlement") agreed to between iMergent, Inc. (the "Company") and the State of Wisconsin ("Wisconsin"). The Settlement stemmed from a two-year non public investigation undertaken by the Office of the Attorney General of Wisconsin. The investigation reviewed the business practices of the Company and reviewed claims that the Company did not include sufficient disclosures in its initial solicitation.

In the Settlement, the Company agreed to make certain disclosures regarding the software sold by the Company and agreed it would not make representations which are not true. The Company also agreed to provide additional information in its initial solicitation. The Company has already incorporated the changes to the disclosures and changes in its initial solicitation contemplated in the Settlement. There were no refunds required in the Settlement.

The Company expressly denied any wrongdoing or that it had made any misrepresentations. The Company agreed to pay Wisconsin's costs and fees totaling \$50,000. The Settlement does not otherwise restrict the Company from doing business in Wisconsin.
