NOTES TO THE FINANCIAL STATEMENTS

(Unaudited)

Note 1. BASIS OF PRESENTATION

These accompanying unaudited interim financial statements of Vita Spirits Corp., formerly known as Revo Ventures Inc, have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules of the Securities and Exchange Commission, and should be read in conjunction with Vita Spirit's audited 2007 annual financial statements and notes thereto filed with the SEC on form 10-KSB. In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of financial position and the result of operations for the interim periods presented have been reflected herein. The results of operations for interim periods are not necessarily indicative of the results to be expected for the full year. Notes to the financial statements, which would substantially duplicate the disclosure required in Vita Spirit's 2007 annual financial statements have been omitted.

The Company's primary operations began in April 2006. The Company intends to change its primary operations from an e-commerce focus to a producer of vitamin infused alcoholic beverages. As part of the change in operations, the Company has undergone a name change from Revo Ventures Inc. to Vita Spirits Corp. to better reflect the Company's new focus.

NOTE 2 - GOING CONCERN

Vita Spirit's financial statements have been prepared on a going concern basis, which contemplates the realization of assets and settlement of liabilities and commitments in the normal course of business for the foreseeable future. Since inception, the Company has accumulated losses aggregating to \$ 42,925 and has insufficient working capital to meet operating needs for the next twelve months as of April 30, 2008, all of which raise substantial doubt about Vita Spirit's ability to continue as a going concern.

NOTE 3 - RELATED PARTY TRANSACTIONS

During the nine month period ended April 30, 2008, an officer loaned the Company \$3,300, with no stated interest or fixed term of repayment. Imputed interest has not been recorded as the amount is immaterial. The total loans payable to this officer are \$4,100 and \$800 at April 30, 2008 and July 31, 2007, respectively.

Item 2: Management's Discussion and Analysis of Financial Condition and Results of Operations

The analysis set forth below is provided pursuant to applicable Securities and Exchange Commission regulations and is not intended to serve as a basis for projections of future events. Refer also to "Cautionary Note Regarding Forward Looking Statements" and "Risk Factors" below.

The following discussion and analysis provides information which management of Vita Spirits Corp. (the "Company") believes to be relevant to an assessment and understanding of the Company's results of operations and financial

condition. This discussion should be read together with the Company's financial statements and the notes to financial statements, which are included in this report.

Caution about Forward-Looking Statements

This management's discussion and analysis or plan of operation should be read in conjunction with the financial statements and notes thereto of the Company for the quarter ended April 30, 2008. Because of the nature of a relatively new and growing company the reported results will not necessarily reflect the future.

During the nine month period ended April 30, 2008, the Company satisfied its working capital needs by using debt from officer. As of April 30, 2008, the Company has cash on hand in the amount of \$0. Management does not expect that the current level of cash on hand will be sufficient to fund our operations for the next twelve month period. In the event that additional funds are required to maintain operations, our officers and directors have agreed to advance us sufficient capital to allow us to continue operations. We may also be able to obtain loans from our shareholders, but there are no agreements or understandings in place currently.

We believe we will require additional funding to expand our business and ensure its future profitability. We anticipate that any additional funding will be in the form of equity financing from the sale of our common stock. However, we do not have any arrangements in place for any future equity financing. In the event we are not successful in selling our common stock, we may also seek to obtain short-term loans from our director.
