Item 1.01 Entry into a Material Definitive Agreement

On July 28 2017, we entered into an Exchange Agreement with an institutional investor who is an owner of (i) a convertible note in the principal amount of \$125,000 (“Convertible Note”) dated April 17, 2017, and due June 2, 2017 and in which the principal is convertible into shares of common stock at \$0.75 per share; and (ii) a warrant dated April 17, 2017 to purchase 83,334 shares of our common stock at \$0.90 (“Prior Warrant”). Under the terms of the Exchange Agreement, we agreed to exchange (i) the Convertible Note for three new promissory notes in the principal amounts of \$110,000 due August 1, 2017; \$35,000 due August 1, 2017; and \$34,000 due August 8, 2017 (individually an Exchange Note and collectively the Exchange Notes) and (ii) the Prior Warrant for a new Warrant (“Exchange Warrant”) to purchase 83,334 shares of common stock at \$0.55 per share.

Concurrent with entering into the Exchange Agreement, the institutional investor entered into a subscription agreement under which we agreed to issue and sell in a registered direct offering 200,000 shares of common stock at \$0.55 per share for an aggregate purchase price of \$110,000 (“Registered Direct Offering”). The 200,000 shares of common stock will be purchased through the cancellation of the Exchange Note in the principal amount of \$110,000.

In addition, in a concurrent private placement (the “Private Placement”), the institutional investor entered into a separate securities purchase agreement under which we agreed to issue and sell 63,600 shares of common stock at \$0.55 per share for an aggregate of purchase price of \$35,000. The 63,600 shares of common stock will be purchased through the cancellation of the Exchange Note in the principal amount of \$35,000. Further, we issued a warrant to purchase 120,000 shares of common stock at \$0.55 per share (“Warrant”).

We will receive no proceeds related to the Registered Direct Offering of common stock and the Private Placement of common stock.

The closing of the Registered Direct Offering and the Private Placement is expected to take place on August 1, 2017, subject to customary closing conditions.

The 200,000 shares of common stock are being offered and sold to the public under our shelf registration statement on Form S-3 (File No. 333-215834) initially filed with the Securities and Exchange Commission (the “Commission”) and declared effective on February 8, 2017 (the “Registration Statement”), and a prospectus supplement dated relating to the Registered Direct Offering of common stock will be filed with the Commission.

Each of the Subscription Agreement and the Securities Purchase Agreement contains customary representations, warranties and agreements by us and customary conditions to closing.

Each Warrant and Exchange Warrant (collectively “Warrants”) will be exercisable beginning on the initial exercise date that is six months after the date of closing at an exercise price of \$0.55 per share, subject to adjustment as provided therein. The Warrants will be exercisable for five years from July 28, 2017, but not thereafter. Subject to limited exceptions, a holder of Warrants will not have the right to exercise any portion of its Warrants if the holder, together with its affiliates, would beneficially own over 4.99% of the number of shares of our common stock outstanding immediately after giving effect to such exercise (the “Warrants’ Beneficial Ownership Limitation”); provided, however, that upon 61 days’ prior notice to us, the holder may increase the Warrants’ Beneficial Ownership Limitation, provided that in no event will the Warrants’ Beneficial Ownership Limitation exceed 9.99%.

The exercise price and number of the shares of our common stock issuable upon exercising the Warrants will be subject to adjustment if any stock dividends occurs and splits, reverse stock split, recapitalization, reorganization or similar transaction, as described in such Warrants.

The Warrants and shares of common stock underlying the Warrants are being offered under an exemption from the registration requirement of the Securities Act provided in Section 4(a)(2) of the Securities Act and/or Regulation D. The Warrants and the shares of common stock issuable upon exercising the Warrants may not be offered or sold in the United States absent an effective registration statement or exemption from the registration requirement of the Securities Act.

After the Initial Exercise Date, if there is no effective registration statement registering, or no current prospectus available for reselling the shares of common stock underlying the Warrants, the holder may exercise the Warrants by means of a “cashless exercise.”
