- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 8.01 Other Events

MasterCard Incorporated (the “Company”) announced today that Marc Olivié, a member of the Company’s Board of Directors, entered into a pre-arranged stock trading plan to sell a limited amount of the Company’s shares of Class A common stock, par value \$0.0001 per share (the “Class A common stock”), for personal financial management purposes, designed to comply with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and the Company’s insider trading policies regarding stock transactions (the “10b5-1 Plan”).

The 10b5-1 Plan allows for the sale of a maximum of 12,000 shares of Class A common stock associated with vested and released deferred stock units. The 10b5-1 Plan provides for sales of specified share amounts at specified market prices, subject to certain limitations. Sales pursuant to the 10b5-1 Plan are expected to begin as early as January 5, 2015 and will end no later than December 31, 2015. The 10b5-1 Plan may terminate sooner in accordance with its terms.

Mr. Olivié will continue to be subject to the Company’s non-employee director stock ownership guidelines, whereby he is expected to own a number of shares with a value of at least five times the current annual cash retainer fee for service on the Board of Directors. For purposes of the stock ownership guidelines, shares of Class A common stock and vested deferred stock units held directly or indirectly by Mr. Olivié are included.

Transactions made under the 10b5-1 Plan will be disclosed publicly through Form 4 filings with the U.S. Securities and Exchange Commission. Except as may be required by law, the Company does not undertake to report on specific Rule 10b5-1 pre-planned stock trading plans of Company officers or directors, nor to report modifications or terminations of the aforementioned 10b5-1 Plan or the plan of any other individual.
