PROXY STATEMENT

This proxy statement (the “Proxy Statement”) is prepared for the stockholders of Monarch Casino & Resort, Inc. (the “Company,” “we,” “our” or “Monarch”) in connection with the annual meeting of stockholders of the Company to be held at the Atlantis Casino Resort Spa, 3800 South Virginia Street, Reno, Nevada 89502, on Tuesday, June 12, 2018, at 10:00 a.m. local time, and any adjournment thereof, for the purposes indicated in the Notice of Annual Meeting of Stockholders and more fully outlined herein.

Important Notice Regarding the Availability of Proxy Materials for the

Annual Meeting of Stockholders to be held on June 12, 2018

This Proxy Statement, form of proxy and our annual report on Form 10-K are available online at www.proxyvote.com.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Question: What is the Notice of Internet Availability of Proxy Materials that I received in the mail instead of a full set of proxy materials?

Answer: Under rules adopted by the U.S. Securities and Exchange Commission (the “SEC”), we are furnishing proxy materials to certain of our stockholders via the internet, instead of mailing printed copies of those materials to each stockholder. On or about April 27, 2018, we will mail to our stockholders either a printed copy of our proxy materials, including our Proxy Statement and our annual report on Form 10 K, or a Notice of Internet Availability containing instructions on how to access our proxy materials. This electronic access process is designed to expedite stockholders’ receipt of proxy materials, lower the costs of our annual meeting and help to conserve natural resources. However, if you prefer to receive a printed copy of our proxy materials and a paper proxy card, you may do so by following the instructions included in the Notice of Internet Availability.

Question: Why am I being provided with access to or receiving these proxy materials?

Answer: You are being provided with access to or are receiving these proxy materials because you owned shares of Monarch’s common stock par value \$.01 per share (the “Common Stock”) as of the close of business on April 16, 2018, our record date. This Proxy Statement describes in detail matters on which we would like you, our stockholder, to vote. It also gives you information on these matters so that you can make an informed decision. If you will not be able to attend the annual meeting and vote in person, you are encouraged to read this Proxy Statement and then cast your vote as promptly as possible in accordance with the instructions either in the Notice of Internet Availability or, if you received a printed copy of the proxy materials, on the enclosed proxy card. The shares represented by the proxy will be voted if the proxy is properly executed and received by the Company prior to the commencement of the annual meeting, or any adjournment thereof.

Question: On what matters am I being asked to vote?

Answer:

1. To elect John Farahi, Craig F. Sullivan and Paul Andrews as directors of the Company, each to serve until the 2020 Annual Meeting of Stockholders and until his successor is elected and qualified, or until such director's earlier death, resignation or removal; and
2. To approve, on a non-binding, advisory basis, the executive compensation of our named executive officers.

Question: How does the board of directors recommend I vote on these proposals?

Answer: Our board of directors ("Board of Directors" or "Board") recommends that you vote your shares FOR each of the nominees for director named in this Proxy Statement and FOR the executive compensation paid to our named executive officers.

Question: Do any of the proposals to be voted on create a statutory right of dissent under Nevada law?

Answer: None of the proposals to be voted on at the annual meeting creates a statutory right of dissent under Nevada law.

Question: Who is entitled to vote?

Answer: The record date for the annual meeting is April 16, 2018. Stockholders of record as of the close of business on that date are entitled to vote at the annual meeting. Both "stockholders of record" and "street name holders" are entitled to vote or direct the voting of their Common Stock. You are a "stockholder of record" if you hold Common Stock that is registered in your name at our transfer agent, Broadridge. You are a "street name holder" if you hold Common Stock indirectly through a nominee, such as a broker, bank or similar organization.

Question: If I am a stockholder of record, how do I vote?

Answer: You may vote via the Internet. You can vote by proxy over the Internet by following the instructions provided in the notice or on the separate proxy card if you have received a printed set of the proxy materials.

You may vote by telephone. You can submit your vote by proxy over the telephone by following the instructions provided in the notice or on the separate proxy card if you received a printed set of the proxy materials.

You may vote by mail. If you received a printed set of the proxy materials, you can submit your vote by completing and returning the separate proxy card in the prepaid and addressed envelope.

You may vote in person at the meeting. All stockholders of record may vote in person at the annual meeting. Written ballots will be passed out to anyone who wants to vote at the meeting.

Question: If my shares are held by a broker, bank or other nominee, how do I vote?

Answer: If your shares are held in street name by a broker, bank or other nominee, please refer to the instructions they provide regarding how to vote. In addition, if you are a street name holder and you wish to vote in person at the annual meeting, you must obtain a legal proxy from your broker, bank or other nominee in order to vote at the meeting.

Question: Can I revoke my proxy later?

Answer: Yes. You have the right to revoke your proxy at any time before the annual meeting. If you are a stockholder of record, you may do so by:

1. voting electronically via the Internet or by telephone on a subsequent date prior to 11:59 p.m. Eastern Time on the day before the annual meeting,
2. delivering a signed revocation or a subsequently dated, signed proxy card to the Secretary of Monarch before the annual meeting, or
3. attending the annual meeting and voting in person at the meeting (your mere presence at the annual meeting will not, by itself, revoke your proxy).

2

Table of Contents

For shares you hold in street name, you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares at the annual meeting, by attending the meeting and voting in person.

Question: How many shares can vote?

Answer: As of the close of business on the record date of April 16, 2018, 17,792,384 shares of Common Stock were issued and outstanding. We have no other class of voting securities outstanding. Each share of Common Stock entitles its holder to one vote.

Question: How is a quorum determined?

Answer: Our Bylaws provide that the holders of fifty percent (50%) of the voting power of the stock issued and outstanding and entitled to vote at the meeting, represented in person or by proxy, constitute a quorum at a meeting of the stockholders. Abstentions and broker non-votes will be counted as present for quorum purposes.

Question: What is required to approve each proposal once a quorum has been established?

Answer:

Election of Directors. An affirmative vote of a majority of the shares present and entitled to vote at the meeting, either in person or by proxy, is required for the election of directors. Stockholders do not have the right to cumulate their votes for directors.

Advisory Vote on Executive Compensation. An affirmative vote of a majority of the shares present and entitled to vote at the meeting, either in person or by proxy, is required for approval of the advisory vote on executive compensation. Because your vote is advisory, it will not be binding on the Board of Directors or the Company. However, the Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Other Items. For any other item which may properly come before the meeting, the affirmative vote of a majority of the shares present and entitled to vote at the meeting, either in person or by proxy, will be required for approval, unless otherwise required by law.

Question: What happens if I abstain?

Answer: Abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote for each of the proposals. Abstentions are counted for purposes of determining whether there is a quorum.

Question: How will my shares be voted if I do not give specific voting instructions?

Answer: If you are a stockholder of record and you:

- Indicate when voting on the Internet or by telephone that you wish to vote as recommended by our Board of Directors; or
- Sign and send in your proxy card and do not indicate how you want to vote, then the proxyholders, John Farahi and Bob Farahi, will vote your shares in the manner recommended by our Board of Directors as follows: FOR each of the nominees for director named in this Proxy Statement and FOR the executive compensation paid to our named

executive officers.

All of the proposals contained in this Proxy Statement are considered non-discretionary items. If your shares are held by a broker on your behalf (that is, in “street name”), and you do not instruct the broker as to how to vote these shares on any of the proposals included in this Proxy Statement, the broker may not exercise discretion to vote for or against those proposals. This would be a “broker non-vote” and these shares will be counted for purposes of determining whether there is a quorum. Broker non-votes will be treated as though they are not entitled to vote and will not affect the outcome of the proposals. Please instruct your bank or broker so your vote can be counted.

3

Table of Contents

Question: How will voting on any other business be conducted?

Answer: Although we do not know of any business to be considered at the annual meeting other than the proposals described in this Proxy Statement, if any other business properly comes before the annual meeting, your proxy or voting instruction gives authority to the proxyholders, John Farahi and Bob Farahi, to vote on those matters in their discretion.

Question: What if a quorum is not present at the meeting?

Answer: If a quorum is not present at the scheduled time of the annual meeting, we may adjourn the meeting, either with or without the vote of the stockholders. If we propose to have the stockholders vote whether to adjourn the meeting, the proxyholders will vote all shares for which they have authority in favor of the adjournment. We may also adjourn the meeting if for any reason we believe that additional time should be allowed for the solicitation of proxies. An adjournment will have no effect on the business that may be conducted at the annual meeting.

Question: How much stock do Monarch's directors and executive officers own?

Answer: As of April 16, 2018, our current directors and executive officers collectively beneficially owned, 4,216,977 shares of our Common Stock, excluding any shares issuable upon exercise of stock options, constituting approximately 23.70% of the outstanding shares. It is expected that these persons will vote the shares held by them for each of the director nominees named in this Proxy Statement and in accordance with the Board of Directors' recommendation on the other proposals contained in this Proxy Statement.

Question: Who will bear the costs of this solicitation?

Answer: Our Board of Directors is soliciting these proxies. We will pay the cost of this solicitation of proxies by mail. Our officers and regular employees may also solicit proxies in person or by telephone without additional compensation. We will make arrangements with brokerage houses, custodians, nominees and other fiduciaries to send proxy materials to the beneficial owners, and we will reimburse these persons for related postage and clerical expenses.

PROPOSAL 1: ELECTION OF DIRECTORS

The Bylaws of the Company provide for a board of directors consisting of five persons; however, the Bylaws may be amended from time to time to permit between three and twelve directors. The Board currently has five directors, divided into two classes designated as Class A (consisting of three directors) and Class B (consisting of two directors). Members of each class serve for a two-year term. At each annual meeting, the terms of one class of directors expire. The term of office of the current Class A directors will expire at the 2018 Annual Meeting of Stockholders. The term of office of the current Class B directors will expire in 2019. Each director holds office until his or her successor has been duly elected and qualified, or the director's earlier death, resignation or removal. Each of the nominees is a current director of the Company.

If the proxy is duly executed and received in time for the annual meeting and if no contrary specification is made as provided therein, the proxy will be voted in favor of electing the nominees John Farahi, Craig F. Sullivan and Paul Andrews for terms of office expiring in 2020. If any such nominee shall decline or be unable to serve, the proxy will be voted for such person as shall be designated by the Board to replace any such nominee. The Board presently has no knowledge or reason to believe that any of the nominees will refuse or be unable to serve.

Any vacancies on the Board which occur during the year will be filled, if at all, by the Board through an appointment of an individual to serve only until the next annual meeting of stockholders. If re-elected at such meeting, such director would serve until the expiration of the term applicable to the vacated position.

The Company, each director and executive officer who has been required by the Nevada State Gaming Control Board and Nevada Gaming Commission (collectively, the "Nevada Gaming Authorities") to be found suitable has been found suitable by the Nevada Gaming Authorities. Beginning in 2011, the Chairman of the Audit Committee is required to be found suitable by the Nevada Gaming Authorities, and Mr. Sullivan, our current Chairman of the Audit Committee, was found suitable by the Nevada Gaming Authorities on March 22, 2018. Future new members of the Board, if any, may be required to be found suitable in the discretion of the Nevada Gaming Authorities. The Colorado Division of Gaming (the "Colorado Regulatory Authorities") also requires a finding of suitability for each director by the Colorado Regulatory Authorities. Each of our directors has been found suitable by the Colorado Regulatory Authorities. Should any director later be found not to be suitable by the Nevada Gaming Authorities or the Colorado Gaming Authorities, that person will not be eligible to continue serving on the Board and a majority of the remaining directors may appoint a qualified replacement to serve as a director until the next annual meeting of stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF JOHN FARAH, CRAIG F. SULLIVAN AND PAUL ANDREWS TO THE BOARD OF DIRECTORS.

The following information is furnished with respect to each member of the Board or nominee thereto. Similar information is provided for the Company's executive officers who are not directors. John Farahi and Bob Farahi are brothers. David Farahi, our Chief Operating Officer, is John Farahi's son. There are no other family relationships between or among any directors, nominees to the Board, or executive officers of the Company.

The Company, through its direct wholly owned subsidiary, Golden Road Motor Inn, Inc. ("Golden Road"), owns and operates the Atlantis Casino Resort (the "Atlantis") in Reno, Nevada, and through its indirect wholly owned subsidiary, Monarch Black Hawk, Inc., owns and operates the Monarch Casino Black Hawk ("Black Hawk") in Black Hawk, Colorado.

From April 1995 to March 1998, Mr. Sullivan served as Chief Financial Officer and Treasurer of Primadonna Resorts, Inc., and from February 1990 to April 1995, Mr. Sullivan served as Treasurer of Aztar Corporation. Mr. Sullivan also served on the Board of New York-New York Hotel & Casino from March 1996 to June 1998. Mr. Sullivan holds a bachelor's degree in economics from the George Washington University and holds a master's degree in international management from the American Graduate School of International Management (now Thunderbird School of Global Management). The Board believes Mr. Sullivan is qualified to serve as a director due to his experience as a senior executive in the hotel-casino industry.

PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") requires that the Company's stockholders have the opportunity to cast a non-binding, advisory vote regarding the approval of the compensation disclosed in this Proxy Statement of the Company's named executive officers. The Company has disclosed the compensation of the named executive officers pursuant to rules adopted by the SEC.

The Company believes that the compensation policies for the named executive officers are designed to attract, motivate and retain talented executive officers and are aligned with the long-term interests of the Company's stockholders. This advisory stockholder vote, commonly referred to as a "say-on-pay" vote, gives you as a stockholder the opportunity to approve or not approve the compensation of the named executive officers that is disclosed in this Proxy Statement by voting for or against the following resolution (or by abstaining with respect to the resolution):

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table, other executive compensation tables and related narrative disclosures is hereby APPROVED.

Because your vote is advisory, it will not be binding on either the Board of Directors or the Company. However, the Compensation Committee will take into account the outcome of the stockholder vote on this proposal when considering future executive compensation arrangements.

The Board of Directors UNANIMOUSLY recommends a vote to approve the compensation paid to our named executive officers.

EXECUTIVE OFFICERS

In addition to John Farahi and Bob Farahi, whose biographical information is set forth above, our other executive officers are set forth below.

From 2004 to 2006, Mr. Farahi held finance positions with HSBC Bank plc in their New York, London and Geneva offices, in both the investment and private banking divisions. Mr. Farahi is currently serving in his second term as the President of the Colorado Gaming Association. Mr. Farahi holds an MBA from Columbia Business School with concentrations in both Real Estate and Finance and holds a Bachelor's degree in Economics and

International Studies from Northwestern University.

CORPORATE GOVERNANCE

Board Leadership Structure and Role in Risk Oversight

John Farahi, the Board's Co Chairman, also serves as the Company's Chief Executive Officer. Bob Farahi, the Board's other Co Chairman also serves as the Company's President. The Company does not have a lead independent director. At the time of this filing, the Company believes this is the best structure to leverage John and Bob Farahi's respective operating expertise, professional experience and longevity with the Company. The Board is responsible for risk oversight. The Board regularly reviews information regarding our Company's credit, liquidity and operations. In addition, each of our Board committees considers the risks within its area of responsibilities. For example, the Compensation Committee assesses the risks that may be implicated by the Company's executive compensation programs and the Audit Committee discusses with our independent auditor our major financial risk exposures. The Board believes that its leadership structure supports the Board's effective oversight of the Company's risks.

Director Independence

Each year, the Board undertakes a review of director independence, which includes a review of each director's responses to questionnaires asking about any relationships with us. This review is designed to identify and evaluate any transactions or relationships between a director or any member of his or her immediate family and us, or members of our senior management or other members of our Board of Directors, and all relevant facts and circumstances regarding any such transactions or relationships. Consistent with these considerations, the Board has determined that Paul Andrews, Yvette E. Landau and Craig F. Sullivan are "independent directors," as such term is defined in Nasdaq Rule 5605(a)(2).

Board and Committee Meetings

The Board held five meetings during 2017. Each incumbent director attended at least 75% of the aggregate of (1) the total number of meetings of the Board during the period in which he or she was a director and (2) the total number of meetings of all committees on which he or she served during the period in which he or she was a director.

Annual Meetings

The Board has a policy that requires all directors to attend each annual meeting of stockholders absent exigent circumstances. All of our directors attended the 2017 annual meeting of stockholders.

Committees of the Board

The Board has a standing Audit Committee, Compensation Committee, and Marketing Committee.

Audit Committee

The Audit Committee is currently comprised of Craig F. Sullivan, Chair, Yvette E. Landau and Paul Andrews. During 2017, the Audit Committee held six regular meetings. The Audit Committee's functions are: to review reports of the auditors to the Company; to review Company financial practices, internal controls and policies with officers and key employees; to review such matters with the Company's auditors to determine the scope of compliance and any deficiencies; to consider the selection of independent public accountants; to review and approve all related party transactions; and to make periodic reports on such matters to the Board. The Audit Committee adopted an Audit Committee Charter on June 14, 2000, and subsequently amended it effective June 7, 2001 and April 9, 2004. A copy of the charter may be viewed on the Company's website at www.monarchcasino.com, by clicking on Corporate

Overview and then Corporate Governance.

All members of the Audit Committee meet the definition of “independence” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) Rule 10A-3(b)(1) and are “independent directors,” as such term is defined in Nasdaq Rule 5605(a)(2).

The Company believes that Craig F. Sullivan, Chairman of the Audit Committee, is a financial expert as defined by the SEC rules applied pursuant to the Sarbanes-Oxley Act of 2002 and as defined in Regulation S-K, Item 407(d)(5)(ii). The relevant experience of Mr. Sullivan is summarized under “Election of Directors – Directors and Nominees” above.

Compensation Committee

The Compensation Committee is currently comprised of Yvette E. Landau, Chair, Craig F. Sullivan and Paul Andrews. During 2017, the Compensation Committee held five meetings. The Compensation Committee determines and approves, or recommends to the Board for approval, all compensation and awards to the Company's chief executive officer and other executive officers, and administers the 2014 Equity Incentive Plan, as amended (the "2014 Plan"). The Compensation Committee reviews at least annually the performance and the compensation of the chief executive officer in light of the corporate goals and objectives applicable to the compensation of the chief executive officer, and determines and approves the compensation level of the chief executive officer based on this evaluation. In determining compensation, or making recommendations regarding executive compensation, the Compensation Committee considers the results of the most recent stockholder advisory vote on executive compensation. The Compensation Committee may delegate its authority to subcommittees of the Compensation Committee when it deems appropriate and in the best interest of the Company. In conformity with Nasdaq Stock Market rules, the Compensation Committee adopted a charter on October 1, 2013. A copy of the charter may be viewed on the Company's website at www.monarchcasino.com by clicking on Corporate Overview and then Corporate Governance. As set forth in the "Executive Compensation" section below, the Company did not engage compensation consultants in 2017. All of the members of the Compensation Committee meet the independence requirements of the Nasdaq listing standards, including the heightened independence requirements specific to compensation committee members.

Marketing Committee

In 2016, a standing Marketing Committee was formed, currently comprised of Paul Andrews, Chair, Craig F. Sullivan and Yvette E. Landau. The primary function of the Marketing Committee is to review and evaluate marketing channels and plans that strengthen the Monarch brands. During 2017, the Marketing Committee held two meetings.

Nominations Function

The Company does not have a standing nominating committee, nor has the Board of Directors adopted a charter addressing the director nomination process. The Board of Directors believes that, at this time, it is appropriate for the Company not to have a nominating committee because the independent directors constituting the majority of the Board of Directors can adequately serve the function of considering potential director nominees from time to time as needed.

For annual meetings of stockholders, at which directors are to be elected in compliance with Nasdaq rule 5605(e), director nominees are recommended for the Board's nomination solely by a majority of the independent directors. In making such recommendation, the qualifications of the prospective nominee which will be considered include the nominee's personal and professional integrity, experience, skills, professional relationships, ability and willingness to devote the time and effort necessary to be an effective board member, and commitment to act in the best interests of the Company and its stockholders.

The Board of Directors' overall diversity is a significant consideration in the director selection process. Monarch is an equal opportunity employer and does not discriminate based upon age, race, color, gender, national origin, disability, religion or veteran status. It is the Board of Director's desire that the Board should be composed of qualified individuals who bring diverse professional expertise and points of view. All prospective Director nominees are evaluated on their professional merits, technical qualifications, demonstrated expertise, experience and ability to contribute in such a way as to bolster and expand the collective professional perspective of the Board.

The Board will consider all appropriate candidates proposed by our stockholders in accordance with the Company's Bylaws. Potential candidates will be evaluated according to the same criteria, regardless of whether the candidate was recommended by the independent directors of the Board or stockholders. The requirements for nomination of a person to the Board by a security holder are set forth in Article II, Section 16 of the Company's Bylaws and the qualifications for a person to be a director of the Company are set forth in Article II, Section 14 of the Bylaws. Both sections of the Bylaws are set forth below.

14. Eligibility of Directors. No Director is eligible to continue to serve as a Director of the Corporation who is required under Nevada or Colorado gaming laws to be found suitable to serve as a director and who is not found suitable or whose finding of suitability is suspended or revoked by Nevada or Colorado gaming authorities. Such eligibility shall

12

cease immediately following whatever act or event terminates the director's eligibility under the laws and gaming regulations of either the State of Nevada or the State of Colorado.

16. Nomination of Directors. Only persons who are nominated in accordance with the procedures set forth in this Section 16 of Article II shall be eligible for election as Directors. Nominations of persons for election to the Board of Directors of the Corporation at the Annual Meeting may be made at a meeting of stockholders by or at the direction of the Board of Directors by any nominating committee or person appointed by the Board or by any stockholder of the Corporation entitled to vote for the election of Directors at the meeting who complies with the Notice procedures set forth in this Section 16 of Article II. Such nominations, other than those made by or at the direction of the Board, shall be made pursuant to timely notice in writing to the secretary of the Corporation. To be timely, unless waived by the Board of Directors, no person not already a Director shall be eligible to be elected or to serve as a Director unless such person's notice of nomination shall be received at the principal executive offices of the Corporation at least seventy five (75) days before initiation of solicitation to the stockholders for election in the event of an election other than at an Annual Meeting and seventy five (75) days before the corresponding date that had been the record date for the previous year's Annual Meeting or seventy five (75) days before the date of the next Annual Meeting of shareholders announced in the previous year's proxy materials in the event of an election at an Annual Meeting. To be timely, no stockholder's notice shall be received at the principal executive offices of the Corporation more than ninety (90) days before the meeting; provided, however, that in the event that less than ninety (90) days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be received not later than the close of business on the 15th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever first occurs. The stockholder's notice to the Secretary shall set forth (a) as to each person whom the stockholder proposes to nominate for election or reelection as a Director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of stock of the Corporation which are beneficially owned by the person, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder, and (b) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of Directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (vi) the consent of such nominee to serve as Director of the Corporation, if he is so elected; and (c) as to the stockholder giving the notice, (i) the name and record address of stockholder, and (ii) the class and number of shares of stock of the Corporation which are beneficially owned by the stockholder. The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as Director of the Corporation. No person shall be eligible for election as a Director of the Corporation unless nominated in accordance with the procedures set forth in this Article II, Section 16. The Chairman of the meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded.

The Company did not receive any proposed director candidates submitted by any stockholder for inclusion in this Proxy Statement under the guidelines set forth above.

Communication with Directors

The Company's stockholders may contact directors by sending an email to Lou Dorn, Chief Legal Officer and General Counsel at LDorn@MonarchCasino.com, which will be relayed to the board member or members specified in the message, or by addressing a letter to Monarch Casino & Resort, Inc., Board of Directors, 3800 South Virginia Street, Reno, Nevada 89502. Each communication should specify the applicable director or directors to be contacted.

Compensation Committee Interlocks and Insider Participation

Yvette E. Landau, Craig F. Sullivan, and Paul Andrews each served on the Compensation Committee during 2017. None of these directors is or has been a former or current executive officer of Monarch or had any relationships requiring disclosure by Monarch under the SEC's rules requiring disclosure of certain relationships and related-party transactions. None of Monarch's executive officers served as a director or a member of a compensation committee (or other committee serving an equivalent function) of any other entity, the executive officers of which served as a director or member of the Compensation Committee during 2017.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Objectives

Our named executive officers (“NEOs”) are our (a) Chief Executive Officer (“CEO”), (b) President, (c) Chief Operating Officer (“COO”), and (d) Chief Accounting Officer (“CAO”). We seek to compensate our NEOs in a manner that will attract and retain qualified individuals who are responsible for the management, growth and success of the Company. We believe that NEO compensation should be designed to:

1. motivate performance in areas consistent with our short and long-term objectives,
2. reward for achieving those objectives, and
3. encourage NEOs to continue in our employ.

We evaluate and establish the total compensation of our NEOs in light of what we believe to be the compensation practices, and relative corporate financial performance, of other companies in the gaming industry similar to us in terms of asset size and target market. In 2017, we did not engage compensation consultants in this process because i) we believed that the Compensation Committee was able to consider publicly available data and other data which provided us information upon which to make informed compensation decisions, and ii) because the Board operates under a prudent cost management philosophy. Because certain comparable companies in the gaming industry do not publicly report their compensation information, their compensation practices are not publicly available. As such, we rely on information that is publicly available, information that we obtain from industry sources, and the industry experience and knowledge of our Compensation Committee and other Board members in determining NEO compensation.

Compensation Elements

Our NEO compensation program utilizes four primary components, which include 1) annual salary, 2) annual cash bonus awards, 3) one-time cash awards and 4) stock option awards. Following is a discussion of each component.

Annual Salary

The salary element compensates each NEO for performance of the fundamental duties associated with that NEO’s position. In addition to what we believe to be the compensation practices and relative corporate financial performance of other companies in the gaming industry similar to us in asset size and target market, we consider other factors in establishing NEO annual salaries including the executive’s respective record of leadership and service to us, our growth during the NEO’s term of employment, the relative importance of the NEO in overseeing both our strategic direction and our day-to-day operations, the relative performance of our competitors and the NEO’s civic leadership. Salaries are reviewed annually and are adjusted as warranted.

Annual Cash Bonus Awards

To align NEO performance with our short-term operational and profit objectives, we utilize an annual cash bonus program (the “Bonus Program”) with an annual target set by the Board as a percentage (the “Target Bonus Percentage”) of the NEO’s annual salary. The Target Bonus Percentage is set at 20%. During the recession and until the effects of the global recession subsided, the Target Bonus Percentage was set annually by the Board at percentages less than 20%.

The Bonus Program is comprised of both a quantitative and a qualitative component. The quantitative component is awarded based on achieving our annual profit goal, as established by the Board. The qualitative component of the cash bonus program for the chief executive officer, president and chief operating officer is awarded at the discretion of the

Compensation Committee, which considers several factors of the NEO's performance including, but not limited to, performance against specific tactical objectives as established by the Board, staff development, staff retention, operating process improvement and the implementation of programs resulting in permanent cost reductions. The qualitative component of the cash bonus program for the other executive officers is determined by the chief executive officer, subject to the Compensation Committee review and approval, and is based on their overall performance, as well as on completing specific projects and achieving specific goals.

The profit target is defined as a determined level of "Adjusted EBITDA". The Board sets the Adjusted EBITDA target at a level they believe is both challenging and achievable. By establishing a target that is challenging, the Board believes that NEO performance, and therefore Company financial performance, is optimized. By setting a target that is

Table of Contents

also achievable, the Board believes that NEOs remain motivated to perform at the high level required to achieve the Adjusted EBITDA target. Adjusted EBITDA consists of net income plus provision for income taxes, stock based compensation expense, other one-time non-cash charges, interest expense, depreciation and amortization less interest income and any benefit for income taxes. The Adjusted EBITDA target for 2017 was \$58.2 million. Under the Bonus Program, an additional evaluation is completed at year-end, which allows for the potential to exceed the Target Bonus Percentage. For every whole percentage point that our actual Adjusted EBITDA exceeds the full-year Adjusted EBITDA target, an additional 1% of NEO salary may be awarded up to a maximum of 40% of the NEO's annual salary.

The Target Bonus Percentage for 2015 was set by the Board at 5%. For 2015, the Adjusted EBITDA target was exceeded by 12.9%. Accordingly, the quantitative NEO bonus was 5% plus up to an additional 12%, and a 15% bonus was awarded to John Farahi, Bob Farahi and David Farahi. For 2016, the Adjusted EBITDA target was exceeded by 2.1%. Accordingly, the quantitative NEO bonus was 5% plus up to an additional 2%, or an up to 7% total. The Compensation Committee reviewed the performance of the chief executive officer, president and chief operating officer and given their activities in planning and executing improvements at the properties, such as completing the redesign and upgrade of Toucan Charlie's Buffet at Atlantis, completing and opening the new 9-story garage structure at Black Hawk, and despite the disruption caused by the construction activities at both properties, growing market share and achieving positive results at both properties, the Compensation Committee recommended an additional, qualitative component based, 3% bonus and a 10% bonus was awarded to John Farahi, Bob Farahi and David Farahi. The remaining named executive officers were each awarded a 12.5% bonus upon the recommendation of the chief executive officer and approval by the Compensation Committee.

In 2017, the Target Bonus Percentage was set at 20% of the NEO's annual salary, the standard Target Bonus Percentage per our Bonus Program. For 2017, the Company achieved \$58.0 million Adjusted EBITDA, which was slightly below the budget and 4.1% above 2016 Adjusted EBITDA. The Compensation Committee evaluated the demands and the performance of the NEO. Because all NEOs had experienced out of the ordinary job responsibilities given the changed Reno market and the expansion in Colorado, it was determined by the Compensation Committee and supported by the Board, to award a bonus of 12.5% of the base compensation to each of the NEOs.

One-Time Cash Awards

We may, from time to time, award one-time cash payments based on superior financial performance relative to the Board-established annual financial profit target when such performance is deemed to be extraordinary or in certain other exceptional circumstances.

Regarding extraordinary performance, such determination is based on several factors including, but not limited to, comparison of our financial performance relative to our competitors, the general market conditions in which those financial results were generated and other operating criteria that indicate that the financial results were abnormally strong given those market and operating conditions. Such performance criteria could serve as the basis for increasing an NEO's salary level; however, by instead rewarding such performance with one-time cash awards, we believe we are more accurately promoting sustained, superior performance by more closely linking the reward with the timing of the performance. No one-time cash awards were paid for performance in 2015, 2016 and 2017.

Stock Option Awards

While it is difficult to predict the value an NEO will ultimately realize from the stock option compensation component, the compensation package is designed with the expectation that stock options will provide the highest potential reward of the four components of the NEO compensation package. As such, the most significant driver of NEO compensation is designed to correlate directly with the financial gains of our stockholders through changes in

stock prices. As our stock price increases or decreases, the value of NEO stock option awards also increases or decreases. By designing the compensation program in this way, we believe that a significant portion of NEO compensation has been directly aligned with the interests of our stockholders.

NEOs receive an initial stock option grant (the “Initial Grant”) on their hire date and receive subsequent grants (the “Subsequent Grants”) in amounts equal to, and commensurate with, the portion of the Initial Grant that vests. The Initial Grant vests, assuming continued employment, in three equal tranches beginning on the third anniversary of the grant date and is fully vested on the NEO’s fifth anniversary. The Subsequent Grants vest three years after their respective

Table of Contents

grant date. Neither Initial Grants nor Subsequent Grants vest earlier than three years and in the case of Initial Grants, do not fully vest earlier than five years.

Stock option awards are granted at exercise prices equal to the closing market price of our stock on the date the stock option award is granted, except for any Incentive Stock Option (“ISO”) that might be granted to Mr. John Farahi, whose exercise price would be 110% of the relevant closing market price, since he is the beneficial owner of more than 10% of our Common Stock. As such, the value of the award increases only if our stock price increases subsequent to the stock option’s grant date. Because these awards vest over time, the stock option component of NEO compensation also encourages NEO retention, as value related to unvested stock options is forfeited if an NEO ceases to be employed by us. To date, the Compensation Committee has not granted ISOs.

Compensation Clawback Policy

Our NEO’s are subject to a compensation clawback policy. In the event of a restatement of the Company’s financial results (other than a restatement caused by a change in applicable accounting rules or interpretations), the result of which is that any performance-based compensation paid or awarded to an NEO would have been a lower amount had it been calculated based on such restated results, the awarded compensation is subject to repayment by the NEO.

Change in Control Vesting

Stockholders approved the 2014 Plan on May 21, 2014. The 2014 Plan serves as the successor to our 1993 Employee Stock Option Plan, 1993 Executive Long-Term Incentive Plan and 1993 Directors’ Stock Option Plan (which plan terminated on June 13, 2013) (the “Predecessor Plans”). The 2014 Plan became effective as of May 21, 2014 and the remaining two Predecessor Plans terminated on that date (except with respect to awards previously granted under the Predecessor Plans that remain outstanding).

In order for any equity award held by the NEOs under the 2014 Plan to accelerate, there must be a change in control (which is also a corporate transaction) of Monarch, and the NEO must have been involuntarily terminated without cause or have resigned for good reason (as defined in the 2014 Plan) within twelve months of the change in control (often referred to as a “double trigger”). Upon a change in control (which is not also a corporate transaction), any equity awards held by the NEOs under the 2014 Plan will automatically vest on the date of such change in control.

Other Benefits and Compensation Matters

401(k) and Health Benefit Plans. The NEOs are permitted to participate in our 401(k) and health benefit plans on the same basis, and at the same benefit level, as the rest of our full-time employees. The plans include subsidized health insurance benefits and an annual 401(k) matching contribution up to two percent of their annual salary.

Use of Company-provided Vehicle. Our CEO, President and COO are each provided the use of a Company-provided vehicle.

Use of Company-provided Housing. Until January of 2016 the Company leased a condominium in Denver, Colorado to house our COO who relocated to Denver, Colorado at the Company’s request in order to manage the Company’s property in Black Hawk, Colorado, and while transitioning the day-to-day management to the property’s General Manager.

Prohibition of option repricing or cash buyouts. Our policy is to prohibit any form of option repricing or to exchange underwater stock options for a cash settlement unless approval of stockholders has been granted.

Prohibition of speculative and hedging transactions. All employees are prohibited from participating in short sales of, and trading in, put and call options on, the Company's securities.

Compensation Committee Process

The Compensation Committee determines and approves, or recommends to the Board for approval, all compensation and awards to the Company's chief executive officers and other executive officers. The Compensation Committee reviews at least annually the performance and the compensation of the chief executive officer in light of the corporate goals and objectives applicable to the compensation of the chief executive officer, and determines and approves the compensation level of the chief executive officer based on this evaluation. In determining compensation, or

Table of Contents

making recommendations regarding executive compensation, the Compensation Committee considers the results of the most recent stockholder advisory vote on executive compensation.

Risk Assessment

In establishing and reviewing our executive compensation program, we consider, among other things, whether the program properly motivates NEOs to focus on the creation of stockholder value without encouraging unnecessary or excessive risk taking. To this end, the Committee carefully reviews the principal components of NEO compensation. Base salaries are fixed in amount. Annual incentive pay is focused on achievement of certain specific overall financial goals and is determined using multiple performance criteria. The other major component of our NEOs' compensation is long-term incentives through stock options, which we believe is important to help further align NEOs' interests with those of our stockholders. We believe that these cash and incentive awards, especially when combined with the compensation clawback policy described above, appropriately balance risk, payment for performance and align NEO compensation with stockholders interests without encouraging unnecessary or excessive risk taking.

COMPENSATION COMMITTEE REPORT

Notwithstanding any statement to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Compensation Committee Report on Executive Compensation shall not be incorporated by reference into any such filings or otherwise deemed filed.

Compensation Committee Report on Executive Compensation

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussion, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Potential Payments Upon Termination in Connection with Change in Control

In order for any equity award held by the NEOs under the 2014 Plan to accelerate, there must be a change in control (which is also a corporate transaction) of Monarch, and the NEO must have been involuntarily terminated without cause or have resigned for good reason (as defined in the 2014 Plan) within twelve months of the change in control (often referred to as a “double trigger”). Upon a change in control (which is not also a corporate transaction), any equity awards held by the NEOs under the 2014 Plan will automatically vest on the date of such change in control.

Other than as outlined above, there are no changes in control agreements with any of our employees.

The estimated payments that would be provided to each of our NEOs as a result of a termination for good reason or without cause in connection with a change in control as described above are set forth in the table below. Calculations for this table are based on the assumption that the termination for good reason or without cause took place on December 31, 2017.

All options granted are subject to double-trigger accelerated vesting upon a change in control (which is also a corporate transaction), as described above.

Chief Executive Officer Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, the Company is providing the following information about the relationship of the median annual total compensation of its employees and the annual total compensation of the Company's CEO. In 2017, the total annual compensation for John Farahi, the Company's CEO, including, in addition to the compensation categories required per Item 402(c)(2)(x) of Regulation S-K, the personal benefits (employer's portion of medical insurance and employer match of 401(k) contribution), was \$1,892,926. In accordance with the SEC rules and based on the methodology described below, we determined the Company's median employee and such median employee's 2017 total annual compensation was \$34,224. Consequently, the resulting pay ratio of total annual compensation of Mr. Farahi to the median employee for 2017 was 55:1.

Table of Contents

We used the following methodologies to identify the median employee and calculate total annual compensation:

- We used the Company's 2017 payroll records for all full-time and part-time active employees as of December 31, 2017, which consisted of 2,152 employees.
- We annualized the basic cash compensation for all employees hired during 2017. Basic cash compensation includes: regular pay, actual tips, distribution tips and commission.
- We chose total annual compensation to determine the median employee, as well as the measure of compensation for the CEO and for the median employee. Total compensation includes: basic cash compensation, overtime pay, holiday pay, bonus, any additional pay (meetings and training, upsell pay, etc.), grant date fair value of stock options awarded, employer portion of medical insurance expense and employer match of 401(k) contribution.
- CEO pay ratio was calculated by dividing the CEO's total compensation by the median employee's total compensation.

DIRECTORS COMPENSATION FISCAL 2017

Directors who are not employees of the Company are paid a cash fee of \$40,000 annually. Each non-employee director serving as the chairman of a standing committee of the Board received an additional annual cash fee of \$10,000 for each standing committee chaired during the year. The equity compensation component of non-employee director compensation consists of an annual stock option grant to purchase 6,100 shares comprised of 4,800 shares for service as a director and 1,300 shares for service as a committee chair. The options vest on the six-month anniversary of the grant date.

For additional information on the valuation assumptions regarding the fiscal 2017 grants, refer to Note 9 in our financial statements for the year ended December 31, 2017, which is included in our Annual Report on Form 10-K filed with the SEC.
- (3) On the date of the prior year's Annual Stockholders Meeting, each non-employee director received a stock option grant to purchase 6,100 shares comprised of 4,800 shares for service as a director and 1,300 shares for service as a committee chair. The options were issued at exercise prices equal to the closing price of the Company's stock on the grant date. The options vested on the six-month anniversary of the grant date.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The shopping center adjacent to the Atlantis (the “Shopping Center”) is owned by Biggest Little Investments, L.P. (“BLI”). John Farahi and Bob Farahi, Co-Chairmen of the Board and executive officers of the Company, and Ben Farahi are the three largest stockholders (“Farahi Family Stockholders”) of Monarch and each also beneficially own limited partnership interests in BLI. Maxum LLC is the sole general partner of BLI, and Ben Farahi is the sole managing member of Maxum LLC. Neither John Farahi nor Bob Farahi has any management or operational control over BLI or the Shopping Center. Until May 2006, Ben Farahi formerly held positions of Co-Chairman of the Board, Secretary, Treasurer and Chief Financial Officer of the Company.

On August 28, 2015, Monarch, through its subsidiary Golden Road, entered into a 20-year lease agreement with BLI for a portion of the Shopping Center (the “Parking Lot Lease”) consisting of an approximate 46,000 square-foot commercial building on approximately 4.15 acres of land adjacent to the Atlantis (the “Leased Property”). The Company demolished the building and converted the land into approximately 300 additional surface parking spaces for the Atlantis. The minimum annual rent under the Parking Lot Lease is \$695 thousand commencing on November 17, 2015. The minimum annual rent is subject to a cost of living adjustment increase on each five-year anniversary. In addition, the Company is responsible for payment of property taxes, utilities and maintenance expenses related to the Leased Property. The Company has an option to renew the Parking Lot Lease for an additional 10-year term. If the Company elects not to exercise its renewal option, the Company will be obligated to pay BLI \$1.6 million. In 2017, the Company paid \$695 thousand for rent and \$31 thousand for operating expenses relating to this lease.

In addition, the Atlantis shares a driveway with the Shopping Center and leases approximately 37,400 square feet from BLI (the “Driveway Lease”) for an initial lease term of 15 years, which commenced on September 30, 2004, at an original annual rent of \$300 thousand plus common area expenses. The annual rent is subject to a cost of living adjustment increase on each five year anniversary of the Driveway Lease. Effective August 28, 2015, in connection

with the Parking Lot Lease, the Driveway Lease was amended to: (i) make the Company solely responsible for the operation and maintenance costs of the shared driveway (including the fountains thereon); (ii) eliminate the Company's obligation to reimburse the Shopping Center for its proportionate share of common area expenses; and (iii) exercise the three successive five-year renewal terms beyond the initial 15-year term in the existing Driveway Lease Agreement. At the end of the renewal terms, the Company has the option to purchase the leased driveway section of the Shopping Center. The annual rent for the year 2017 was \$377 thousand. In addition, the Company paid \$24 thousand for operating expenses related to this lease.

The Company occasionally leases billboard advertising, storage space and parking lot space from affiliates controlled by the Farahi Family Stockholders and paid \$131 thousand for the year ended December 31, 2017 for such leases.

Table of Contents

Because of the above-referenced ownership interests in BLI, the Company's Audit Committee was delegated full authority by the Company's Board of Directors to consider, evaluate and, if appropriate, negotiate on behalf of the Company any potential transactions with BLI. The Audit Committee, acting with the advice and assistance of legal and other advisors, evaluated management's recommendations with respect to addressing short term and long term parking needs of the Atlantis, evaluated alternative parking sites for the Atlantis, including utilizing land owned by the Company, construction of an elevated parking structure on the Atlantis site, nearby land owned by parties unrelated to the Company or its affiliates and other alternatives, including taking no action on parking expansion. After considering what the Audit Committee felt were all reasonably feasible alternatives, the Audit Committee concluded that the Leased Property was the preferred alternative to meet the Company's needs. The Audit Committee obtained expert independent advice on the fair market value rent of the Leased Property and received reports that the proposed rent for the Lease Property was indicative of market rent. The Audit Committee engaged another independent advisor to analyze the potential incremental gaming revenue benefit from the proposed additional surface parking spaces to be leased under the Parking Lot Lease. Based on the foregoing reports and analyses, including reports from management, and the Audit Committee's own investigations and negotiations, the Audit Committee determined that the Leased Property is important to the parking expansion strategy of the Company and that the proposed lease transactions, on the terms and subject to the conditions of the Parking Lot Lease and the Driveway Lease Amendment, are advisable, fair to, and in the best interests of the Company and its stockholders and approved the Parking Lot Lease and the Driveway Lease Amendment.

Audit Committee Review

Under applicable Nasdaq listing standards, all related person transactions must be approved by our Audit Committee or another independent body of the Board of Directors. Current SEC rules define transactions with related persons to include any transaction, arrangement or relationship (i) in which the Company is a participant, (ii) in which the amount involved exceeds \$120,000, and (iii) in which any executive officer, director, director nominee, beneficial owner of more than 5% of the Company's common stock, or any immediate family member of such persons has or will have a direct or indirect material interest. The Company requires that the Audit Committee of the Board review and approve related party transactions. The Audit Committee reviews all related party transactions on a case-by-case basis and approves any such transaction in accordance with Nevada corporate law.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Officers, directors, and stockholders holding more than 10% of the class of stock are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company, during 2017 there were six late filings as shown in the table below.
