Corporate Governance

OVERVIEW

We believe that good corporate governance is important to ensure that Genpact is managed for the long-term benefit of its shareholders. The board of directors has adopted corporate governance guidelines to assist the board in the exercise of its duties and responsibilities and to serve the best interests of our Company and our shareholders. These guidelines, which provide a framework for the conduct of the board's business, provide, among other things, that:

- the principal responsibility of the directors is to exercise their business judgment to promote the long-term interests of the Company's shareholders by providing strategic direction to the Company and overseeing management in the performance of the Company's business activities;
- additional responsibilities include reviewing, approving and monitoring significant financial and business strategies as developed by management, evaluating the performance of the Company and its executive officers, approving CEO succession plans and reviewing and approving material transactions and corporate activities not entered into in the ordinary course of business;
- a majority of the members of the board of directors shall be independent directors;
- the independent directors shall meet at least twice a year in executive session;
- directors shall have full and free access to management and, as necessary and appropriate, independent advisors; and
- at least annually, the nominating and governance committee shall oversee a self-evaluation of the board of directors to determine whether the board of directors and its committees are functioning effectively.

You can obtain the current charters for our audit committee, compensation committee and nominating and governance committee, our Corporate Governance Guidelines and our Code of Ethical Business Conduct at www.genpact.com or we will send you a copy upon request in writing to:

SHAREHOLDER RIGHTS

Among our corporate governance policies and practices designed to ensure that our shareholders' best interests are served are the following:

- We have issued only one class of shares, and each common share entitles the holder to one vote on any matter requiring shareholder approval.
- Subject to certain supermajority requirements described below, our bye-laws may be revoked, altered or amended only with the approval (i) first of the board of directors and, (ii) after the board's approval and recommendation of such action to the shareholders, by a simple majority of the combined voting power of all shareholders entitled to vote on such revocation, alteration or amendment.

2 | GENPACT 2016 PROXY STATEMENT

- Our bye-laws do not contain supermajority voting requirements except (i) to alter the manner in which the bye-laws may be amended or revoked, (ii) to alter the rights of any class of shares issued and outstanding and (iii) to amend the bye-law defining the events that vacate the office of any sitting director.
- Shareholders collectively holding more than 10% of our share capital have the right to call special general meetings.
- We do not have a “staggered” board. All of our directors serve one-year terms and are subject to re-election at each annual meeting.

See “Important Information about the Annual General Meeting and Voting—How and when may I submit a shareholder proposal, including a shareholder nomination for director, for the 2017 annual general meeting?” on page 54 for information about submitting proposals for consideration at our next annual meeting. See also the section titled “Director Nomination Process” below for information about how to propose a director nominee for election to our board.

DIRECTOR INDEPENDENCE

Pursuant to the corporate governance listing standards of the New York Stock Exchange (“NYSE”), a director employed by us cannot be deemed to be an “independent director,” and consequently Mr. Tyagarajan is not an independent director. The board has determined that none of the other current directors has a material relationship with us for purposes of the NYSE corporate governance listing standards and accordingly each is independent under such NYSE standards. In making its independence determinations, the board considered the relationship between our Company and Bain Capital, as affiliates of Bain Capital own approximately 27% of our outstanding common shares, the fact that Messrs. Chandra, Humphrey, Nunnally and Verdi serve on our board as designees of Bain Capital pursuant to the terms of our shareholder agreement with affiliates of Bain Capital, and the fact that Messrs. Chandra and Humphrey are managing directors of Bain Capital.

DIRECTOR NOMINATION PROCESS

In considering whether to recommend any particular candidate for inclusion in the board of directors’ slate of recommended director nominees, the nominating and governance committee applies the criteria set forth in our Corporate Governance Guidelines. These criteria include the candidate’s integrity, knowledge of our business and industry, experience, diligence, absence of any conflicts of interest and the ability to act in the interests of all shareholders. The committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board of directors to fulfill its responsibilities. We do not have a formal or informal diversity policy for board membership, but the nominating and governance committee is committed to considering diversity in accordance with its charter.

Shareholders may recommend individuals to the nominating and governance committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the shareholder or group of shareholders making the recommendation has beneficially owned more than 5% of our common shares for at least a year as of the date such recommendation is made, to the nominating and governance committee, c/o Genpact LLC, 1155 Avenue of the Americas 4th Floor, New York, NY 10036. Assuming that appropriate biographical and background material has been provided on a timely basis, the committee will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

MEETINGS OF THE BOARD OF DIRECTORS

The board of directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. The board of directors' primary responsibility is to oversee the management of Genpact and, in so doing, serve the best interests of the Company. Subject to the recommendations of the nominating and governance committee, the board of directors selects, evaluates and provides for the succession of executive officers, and the board of directors nominates for election at annual general shareholder meetings individuals to serve as directors of Genpact and elects individuals to fill any vacancies on the board of directors to the extent not filled by shareholders in general meetings. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. Management keeps the directors informed of Company activity through presentations at board of directors and committee meetings.

The board of directors met, in person or telephonically, 5 times in fiscal 2015. During fiscal 2015, each of our directors attended 75% or more of the total number of meetings of the board of directors and the committees of which such director was a member during the period of time he or she served on such committee. Our Corporate Governance Guidelines set forth our policy that directors are expected to attend annual general meetings of shareholders. All of our directors serving in such capacity at the time of the 2015 annual meeting attended the 2015 annual meeting.

COMMITTEES OF THE BOARD OF DIRECTORS

The board of directors has standing audit, compensation and nominating and governance committees. Each committee has a charter that has been approved by the board of directors. Each committee must review the appropriateness of its charter and perform a self-evaluation at least annually. Mr. Tyagarajan is the only director who is an employee of Genpact, and he does not participate in any meeting at which his compensation is evaluated. All members of all committees are non-employee directors and the board of directors has determined that all of the members of our three standing committees are independent as defined under the rules of the NYSE, and, in the case of all members of the audit committee, the independence requirements contemplated by Rule 10A-3 under the Exchange Act.

The table below sets forth the committees of our board, the composition of each committee and the number of meetings of each committee during fiscal 2015.

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

The positions of chairman of the board and Chief Executive Officer have historically been separated at Genpact. Keeping these positions separate allows our Chief Executive Officer to focus on our day-to-day business, while allowing the chairman of the board to lead the board in its exercise of business judgment to promote the long-term interests of our shareholders by providing strategic direction and overseeing management. The Board believes that keeping these positions separate is the appropriate leadership structure for us at this time.

Our management is responsible for risk management on a day-to-day basis, and our board and its committees oversee the risk management activities of management. The Audit Committee assists the board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and, in accordance with NYSE requirements, discusses policies with respect to risk assessment and risk management. The Compensation Committee assists the board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Governance Committee assists the board in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure, succession planning for our directors and executive officers, and corporate governance.

COMMUNICATING WITH THE INDEPENDENT DIRECTORS

The board of directors will give appropriate attention to written communications that are submitted by shareholders and other interested parties, and will respond if and as appropriate. The nominating and governance committee, with the assistance of the Company's General Counsel, is primarily responsible for monitoring communications from shareholders and other interested parties and for providing copies or summaries to the other directors as its members consider appropriate. Our non-executive chairman, Mr. Scott, is a member of the audit committee, a member of the compensation committee and also serves as the presiding director at all executive sessions of our non-management directors.

6 | GENPACT 2016 PROXY STATEMENT

Communications will be forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the nominating and governance committee considers to be important for the directors to know. In general, communications relating to corporate governance and corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which the Company may receive repetitive or duplicative communications.

Shareholders and interested parties who wish to send communications on any topic to the board of directors should address such communications to:

CODE OF ETHICAL BUSINESS CONDUCT

Our board of directors has adopted a code of ethical business conduct applicable to our directors, officers and employees in accordance with applicable rules and regulations of the SEC and the New York Stock Exchange. The code is posted on our website at www.genpact.com under the heading “Investors—Corporate Governance.” We will also provide a copy of the code to shareholders upon request. We disclose any material amendments to our code of ethical business conduct, as well as any waivers for executive officers or directors, on our website.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Our board of directors has adopted written policies and procedures for the review of any transaction, arrangement or relationship in which Genpact Limited is a participant, the amount involved exceeds \$1,000,000 (or such lower threshold as our audit committee may from time to time determine), and one of our officers, directors, director nominees or 5% shareholders (or their immediate family members), each of whom we refer to as a “related person,” has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a “related person transaction,” the related person must report the proposed related person transaction to our General Counsel. The policy calls for the proposed related person transaction to be reviewed and, if deemed appropriate, approved by the board’s audit committee. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the audit committee will review, and, in its discretion, may ratify the related person transaction. The policy also permits the chair of the audit committee to review and, if deemed appropriate, approve proposed related person transactions that arise between committee meetings, subject to ratification by the audit committee at its next meeting. Any related person transactions that are ongoing in nature will be reviewed annually.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the audit committee after full disclosure of the related person’s interest in the transaction. The audit committee will review

and consider such information regarding the related person transaction as it deems appropriate under the circumstances.

The audit committee may approve or ratify the transaction only if the audit committee determines that, under all of the circumstances, the transaction is in the Company's best interests. The audit committee may impose any conditions on the related person transaction that it deems appropriate.

GENPACT 2016 PROXY STATEMENT | 7

In addition to the transactions that are excluded by applicable SEC rules, the board has determined that the following transactions do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related person transactions for purposes of this policy:

- interests arising solely from the related person's position as an executive officer of another entity (whether or not the person is also a director of such entity) that is a participant in the transaction, where (a) the related person and all other related persons own in the aggregate less than a 10% equity interest in such entity, (b) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction and do not receive any special benefits as a result of the transaction, (c) the amount involved in the transaction equals less than the greater of \$1 million dollars or 2% of the annual consolidated gross revenues of the other entity that is a party to the transaction, and (d) the amount involved in the transaction equals less than 2% of our annual gross revenues; and a transaction that is specifically contemplated by provisions of our charter or bye-laws.

Shareholder Agreement

The shareholder agreement among us and certain affiliates of Bain Capital provides that Bain Capital is entitled to nominate four persons to our board of directors so long as Bain Capital maintains certain minimum shareholding thresholds and has agreed to vote its shares to elect such persons. The number of directors that Bain Capital is entitled to appoint is reduced if its ownership of our common shares declines below certain levels and such right ceases if such ownership falls below 7.5% of our outstanding common shares, and also may be increased in certain circumstances.

Subject to certain conditions and with certain exceptions, the shareholder agreement grants Bain Capital the right to require us to register for public resale under the Securities Act of 1933 all common shares that it requests be registered. In addition, subject to certain conditions and with certain exceptions, the shareholder agreement grants Bain Capital piggyback rights on any registration for our account or the account of any other holder of our common shares. These rights are subject to certain limitations, including customary cutbacks and other restrictions. In connection with our initial public offering or the other registrations described above, we have and will indemnify any selling shareholders against liabilities resulting from violations of federal or state securities laws by us in connection with any registration statement, prospectus or other disclosure statement used in connection with any registration of our securities and, subject to certain exceptions, we will bear all fees, costs and expenses, except underwriting discounts and selling commissions.

Prior to the one-year anniversary of the date when Bain Capital's ownership of our common shares falls below 7.5%, Bain Capital is subject to certain restrictions with respect to the acquisition of additional securities of, and certain exercises of control over, including making any offers for the purchase of, the Company. Notwithstanding the foregoing, the shareholder agreement grants Bain Capital the right to maintain its percentage ownership in the event we issue additional securities by purchasing a percentage of any additional securities we issue.

The shareholder agreement also contains provisions regarding corporate opportunities under which directors nominated by Bain Capital pursuant to the shareholder agreement are not required to present to us certain corporate opportunities.

Expense Reimbursement Agreement

Pursuant to an expense reimbursement agreement between us and Bain Capital Partners, LP entered into on March 3, 2015, we have agreed to reimburse Bain Capital Partners, LP and its affiliates for reasonable out-of-pocket expenses incurred by their respective representatives in connection with certain financial, managerial, operational or strategic advice or other services provided to us by Bain Capital Partners, LP since January 1, 2013, and as may be mutually agreed from time to time by the Company and Bain Capital Partners, LP through the term of the expense reimbursement agreement. The expense reimbursement agreement also provides for our indemnification of Bain Capital Partners, LP, Bain Capital Investors, LLC and their respective affiliates and representatives subject to certain terms and conditions. The expense reimbursement agreement runs until December 31, 2015, with automatic annual renewals thereafter unless either party chooses not to extend the term. In addition, the expense reimbursement agreement may be terminated at any time by either party. Affiliates of Bain Capital Partners, LP currently own approximately 27% of our shares outstanding. We have reimbursed a total of \$168,526 for expenses incurred in fiscal 2015 pursuant to the expense reimbursement agreement.

Security Ownership of Certain Beneficial Owners and Management

The following table contains information regarding the beneficial ownership of our common shares as of March 4, 2016 by:

- each shareholder we know to own beneficially more than 5% of our outstanding common shares;
- each director;
- each executive officer named in the 2015 Summary Compensation Table under the heading “Information about Executive and Director Compensation;” and
- all of our directors and executive officers as a group.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. Common shares subject to options that are currently exercisable or exercisable within 60 days of March 4, 2016 are deemed to be outstanding and beneficially owned by the person holding such options. Such shares, however, are not deemed to be outstanding for the purposes of computing the percentage ownership of any other person. Executive Officer Compensation

COMPENSATION DISCUSSION AND ANALYSIS

The compensation committee of the board of directors oversees our executive officer compensation program. In this role, the compensation committee reviews and approves all compensation decisions relating to our named executive officers. This Compensation Discussion and Analysis section discusses the compensation policies and programs for our Chief Executive Officer (referred to as our CEO), our Chief Financial Officer (referred to as our CFO) and our three next most highly paid executive officers as determined under the rules of the SEC. Such individuals are referred to as our named executive officers.

Our named executive officers for fiscal 2015 are:

N.V. TYAGARAJAN	President, Chief Executive Officer and Director
EDWARD J. FITZPATRICK	Chief Financial Officer
PATRICK COGNY	Senior Vice President, Infrastructure, Manufacturing and Services
ARVINDER SINGH	Senior Vice President, Capital Markets and IT Services
MOHIT THUKRAL	Senior Vice President, Banking, Financial Services and Insurance

2015 Key Highlights

In 2015 we continued to execute on our strategy that is focused on key verticals, service lines and geographies to drive long-term growth. We believe that our targeted investments in client-facing teams and digital and analytics capabilities are resonating in the marketplace. Our Lean DigitalSM approach brings together design thinking methods, digital process-centric technologies, and Lean principles along with domain expertise, which differentiates our value proposition and helps us win complex, transformational engagements.

Our 2015 financial results include:

- Revenues of \$2.46 billion, up 8% from \$2.28 billion in 2014.
- Revenues from our Global Clients (clients other than the General Electric Company, or GE) of \$2.0 billion, up 10% from 2014.
- New bookings of \$2.59 billion, up 20% from \$2.16 billion in 2014.
- Net income attributable to Genpact Limited shareholders of \$240 million.
- Adjusted income from operations of \$377.2 million, up 10% from 2014.
- Adjusted income from operations margin of 15.3%.
- Cash from operations of \$327 million, up 20% from \$272 million in 2014.

Our strong 2015 results were accompanied by healthy shareholder returns. Our total shareholder return for the year ended December 31, 2015 (measured as the percentage change in our share price during the year) was 32%. We believe that the continued focus of our management team in advancing our long-term growth strategy and our pay-for-performance philosophy contributed to our operational and financial achievements during 2015 and that the targeted investments for growth that we began in 2014 and continue to make will increase total shareholder return in future years.

Pay for Performance Philosophy

The core objective of our executive officer compensation program is to align pay and performance. The compensation of our named executive officers for 2015 reflects both our 2015 performance and our commitment to providing executive compensation opportunities that are linked to Company performance and shareholder value creation. We believe that as an employee's level of responsibility increases, so should the proportion of total compensation opportunity that is structured in variable, performance-based awards. Accordingly, a significant portion of the total compensation opportunity provided to our named executive officers is tied directly to performance achievement. Approximately 65% of the total compensation paid to our CEO in 2015 was performance-based. Our pay-for-performance program helps ensure that the financial interests of our executive officers are aligned with those of our shareholders.

Our long-term incentive program has included performance share awards since 2010. These awards vest, if at all, based on attainment of specified financial performance metrics for a one-year performance period and continued service through a three-year vesting period. The financial metrics for the performance shares granted to our executive officers in 2015 were revenues, new bookings, adjusted income from operations and adjusted income from operations margin for fiscal 2015, and the targets were set in the first quarter of 2015 based on expected performance for fiscal 2015. We added new bookings as a metric for the performance shares beginning with the 2014 awards because we believe it is an underlying driver of long term revenue growth and, together with revenues, adjusted income from operations and adjusted income from operations margin, supports long-term profitable growth.

Since 2014, our executive officers and other members of our senior management have participated in a performance-based annual cash bonus program, which is described below under the heading "Annual Cash Bonus." Under our annual cash bonus program:

- all of our executive officers have target bonuses equal to a designated percentage of base salary. The 2015 target bonus for our CEO was 190% of his base salary and the target bonus for our other named executive officers ranged between 50% and 100% of base salary, which we believe is in line with market practice. The compensation committee determined that our CEO's 2015 target bonus as a percentage of his base salary should be higher than the range applicable to our other executive officers due to the scope of his role, greater accountability for delivery of results, and the committee's view that a materially higher percentage of at-risk cash pay was appropriate and in line with market practice;
- a bonus pool was established for the year equal to the aggregate target bonuses for eligible executives, other than the CEO. The bonus pool was to be funded only if we achieved adjusted income from operations above a threshold level; and
- the individual bonus payments to our executive officers and other eligible employees are based on performance as measured against a scorecard established for each such executive or eligible employee at the beginning of the year. The scorecards include measurable Company or business unit financial performance metrics and individual non-financial performance objectives specific to an executive's role with established threshold performance levels that the Company or business unit and the executive must attain to receive payment. The financial metrics account for at least 60% of the outcome for each named executive officer.

Executive Compensation Practices

We strive to maintain sound governance standards and compensation practices by continually monitoring the evolution of best practices. As in prior years, we incorporated many best practices into our 2015 compensation programs, including the following:

What we do

ü Align our executive pay with performance	ü Include a “clawback” provision in our performance share awards
ü Make payouts under our bonus plan only if threshold Company performance is met	ü Set challenging performance objectives for our performance share awards and annual bonus
ü Maintain meaningful equity ownership policy for the CEO (six times base salary)	ü Regularly review the relationship between CEO compensation and Company performance
ü Include caps on individual payouts in short- and long-term incentive plans	ü Maintain an independent compensation committee
ü Hold an annual “say-on-pay” advisory vote	ü Prohibit hedging and pledging of Company common shares
ü Regularly evaluate our share utilization by reviewing the dilutive impact of equity awards and shares awarded as a percentage of our outstanding shares	ü Mitigate the potentially dilutive effect of equity awards through our share repurchase program

What we don't do

Î Offer contracts with multi-year guaranteed salary or bonus increases	Î Provide guaranteed retirement benefits or non-qualified deferred compensation plans
Î Provide tax gross-ups (except with respect to the reimbursement of relocation expenses)	Î Provide excessive perquisites
Î Time the release of material non-public information to affect the value of executive compensation	Î Allow short sales or purchases of equity derivatives of our common shares by officers or directors

Compensation Objectives

The primary objectives of our compensation program for our executives, including our named executive officers, are to attract, motivate and retain highly talented individuals who are committed to our core values of leadership, performance, passion, innovation, teamwork, integrity and respect. Our compensation program is designed to reward the achievement of our annual, long-term and strategic goals, such as growing revenues, improving operating margins, deepening client relationships and managing employee attrition levels. It is also designed to align the interests of our executives, including our named executive officers, with those of our shareholders by rewarding performance that exceeds our goals, with the ultimate objective of increasing shareholder value.

Currently, our compensation committee is responsible for reviewing the overall goals and objectives of our executive compensation programs, as well as our compensation plans, and making any changes to such goals, objectives and plans. Our compensation committee bases our executive compensation programs on the same objectives that guide us in establishing all of our compensation programs:

- Compensation is based on the individual's level of job responsibility.
- Compensation reflects the value of the job in the marketplace. A large part of our operations are based in developing economies where there is significant competition for locally-based top executive talent.
- Compensation programs are designed to reward performance, both individual and Company.

Our compensation committee considers risk when developing our compensation program and believes that the design of our current compensation program does not encourage excessive or inappropriate risk taking. Our base salaries provide competitive fixed compensation. Under the annual cash bonus program, the target bonus for the named executive officers ranges from 50% to 190% of base salary, with a maximum bonus potential set at 300% of the target bonus payable based on attainment of multiple financial and non-financial short-term performance goals. We believe this structure, based on a number of different performance measures together with a meaningful cap on the potential payout, mitigates any tendency for an executive to focus exclusively on the specific financial metrics that might encourage excessive short-term risk taking.

Our executive officers are also granted performance share awards tied to the attainment of a number of performance goals over the fiscal year and continued service over a three-year period. The performance goals under each award are based on the target approved by the Board and have been determined by the compensation committee to be challenging but attainable without taking excessive risk. We believe that the three-year service vesting requirement under these awards encourages the recipients to focus on sustaining the Company's long-term performance.

Our Process

Our compensation committee is responsible for reviewing the performance and potential of each of our executives, including our named executive officers, approving the compensation level of each of our executives, establishing criteria for granting equity awards to our executives and other employees, and approving such grants.

The compensation committee typically reviews each component of compensation at least every 15 months with the goal of allocating compensation between cash and non-cash compensation and between long-term and currently paid out compensation, and combining the compensation elements for each executive in a manner we believe best fulfills the objectives of our compensation program.

The compensation committee has not adopted a policy for the allocation of compensation between cash and non-cash components or between short-term and long-term components nor has the compensation committee adopted a pre-established ratio between the CEO's compensation and that of the other named executive officers. Rather, the compensation committee, which includes experienced directors who serve as members of the boards and compensation committees of other public companies, works closely with our CEO, discussing with him the Company's overall performance, the CEO's own performance and his evaluation of and compensation recommendations for the other named executive officers.

The compensation committee then utilizes its judgment and experience in making all compensation determinations. The compensation committee's determination of compensation levels is based upon what the members of the committee deem appropriate, considering information such as the factors listed above, as well as input from our CEO, publicly available information on compensation practices in our industry, and depending on the year, information and advice provided by an independent compensation consultant.

Role of CEO in Compensation Decisions

After the end of the 2015 fiscal year, the compensation committee and the CEO discussed our business performance, his performance and his evaluation of the level of achievement of the individual objectives set forth in the bonus scorecards of the other named executive officers and certain other members of senior management. The CEO also provides recommendations on periodic adjustments to the base salaries of the other named executive officers. The compensation committee took into consideration the CEO's recommendations but makes the final decisions on compensation as it deems appropriate. The compensation committee, without the CEO present, determined the CEO's 2015 compensation.

Role of Consultants and Advisors in Compensation Decisions

The compensation committee has the authority to retain and terminate an independent third-party compensation consultant and to obtain independent advice and assistance from internal and external legal, accounting and other advisors. The compensation committee has periodically engaged an independent compensation consultant that reports directly to the compensation committee and advises the compensation committee with respect to compensation trends and best practices, plan design, and the reasonableness of individual compensation awards.

During 2015, the compensation committee reviewed and considered market data on compensation practices in our industry. With respect to the CEO, the compensation committee evaluated each element of our CEO's compensation based on a report prepared by F.W. Cook for management and determined that no change to his overall compensation was necessary.

With respect to our named executive officers other than our CEO, the compensation committee reviewed, for reference, materials prepared by Aon Hewitt for management. In comparing our executive officer compensation with that of the peer group used by Aon Hewitt, the compensation committee accounted for differences in revenue size within the peer group by considering the roles of our named executive officers based on the scope of responsibility, not necessarily the title. This review provided valuable background information and confirmed that our executive officer pay (as determined by the compensation committee) was aligned with the market.

The peer group used by Aon Hewitt included companies in our industry with whom we compete for business and/or talent and companies in the broader technology industry and for which sufficient disclosure was available in publicly available proxy statements at the time of the review. The compensation committee believes the peer group set forth below provides a meaningful gauge of current pay practices and levels as well as overall compensation trends.

Consideration of Prior Shareholder Advisory Vote on Executive Compensation

At our 2014 annual meeting of shareholders, we provided our shareholders the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers. Approximately 45% of the votes cast on such proposal were in favor of the compensation of the named executive officers. In connection with the “say-on-pay” vote, we discussed our compensation practices with certain of our shareholders and took their feedback and the results of the vote into account when determining our fiscal year 2014 and 2015 executive compensation policies.

Shareholder Engagement

We have ongoing communications with our shareholders in the normal course of business and take any feedback from them seriously. During 2015, we reached out to shareholders owning more than 80% of our outstanding shares to solicit their feedback on our compensation practices. 14 meetings were held with shareholders representing approximately 75% of the total outstanding shares of record as of December 31, 2015. Typically, these meetings were attended by our Chief Financial Officer, our Head of Investor Relations and our Deputy General Counsel, and we discussed the Company’s compensation philosophy and its alignment with our strategic direction. The remaining approximately 5% of shareholders either declined to meet or did not respond to our inquiries. We also conducted an investor meeting for analysts and interested investors on February 27, 2015 in New York, New York.

Based on the discussions we had with shareholders in 2015 and our strong 2015 results indicating that our pay-for-performance practices are effectively aligned with our strategic goals, the compensation committee determined that no material changes to our compensation policies were required. Several of our shareholders expressed approval of the changes we made in 2014 to make our annual cash bonus program more performance-based, and in response to feedback from certain shareholders, we have disclosed under “Annual Cash Bonus—Individual Bonus Scorecards” below the target level of adjusted income from operations under our 2015 annual cash bonus plan. Additionally, in accordance with the preference expressed by many of our shareholders in our meetings with them, in May 2015 we decided to hold an annual advisory “say-on-pay” vote.

We continue not to disclose all of the performance targets we use for our cash and equity incentive compensation plans because we believe this information is competitively sensitive. Our compensation committee has determined that the targets under our incentive compensation plans are challenging to achieve, and the targets are consistent with the financial outlook we disclose at the beginning of each year.

Frequency of “Say-on-pay” Shareholder Advisory Vote

Consistent with a majority of the votes cast at our 2011 annual meeting, our shareholder advisory say-on-pay votes were previously set to occur every three years. However, based on the preference of our shareholders described above in the section titled “Shareholder Engagement,” we will now hold an annual advisory “say-on-pay” vote starting with the 2016 annual meeting. See “Proposal 2 – Non-binding Vote on Executive Compensation.”

Compensation Components

We constantly evaluate how to best pay our executive officers, based upon market data and the extensive experience of our compensation committee with retention and performance practices. For fiscal 2015, our executive compensation program had three primary components, in addition to certain benefits and perquisites:

- Base salary;
- Short-term, performance-based incentive compensation, or our annual cash bonus program; and

·Long-term, performance-based equity compensation in the form of performance share awards.
GENPACT 2016 PROXY STATEMENT | 25

Base Salary

Base salary is provided to ensure that we are able to attract and retain high-quality executives. It is intended to provide a fixed level of overall compensation that does not vary annually based on performance or changes in shareholder value, thereby ensuring that our executives can maintain a standard of living commensurate with their skill sets and experience. Base salary reflects the experience, knowledge, skills and performance records our executives, including our named executive officers, bring to their positions and the general market conditions in the country in which the executives are located. We generally do not have employment agreements with our employees except in special cases or where required by local law. We have, however, entered into employment agreements with our CEO, our CFO and Mr. Cogny, each of which specifies a minimum base salary as described in the footnotes to the table below.

Our compensation committee typically reviews the salaries of our executives, including our named executive officers, at least every 15 months and determines changes in base salaries based on various factors, including the importance of the executive's role in our overall business, performance and potential of the executive, general Company performance and the market practices in the country where the named executive officer is located. In connection with such review, our CEO provides recommendations and rankings of the executives who directly report to him, including our named executive officers, and the compensation committee considers the CEO's recommendations in setting their base salaries.

The following table sets forth, for each of our named executive officers, such officer's 2015 base salary and 2014 base salary. The base salaries shown are as of December 31 of each year.

Executive	2015 Base Salary	2014 Base Salary
N.V. TYAGARAJAN ⁽¹⁾	\$630,000	\$630,000
EDWARD J. FITZPATRICK ⁽²⁾	\$600,000	\$600,000
PATRICK COGNY ⁽³⁾	\$513,500	\$463,500
ARVINDER SINGH ⁽⁴⁾	\$424,000	\$400,000
MOHIT THUKRAL ⁽⁵⁾	\$324,190	\$297,000

- (1) We entered into an employment agreement with Mr. Tyagarajan on June 15, 2011 in connection with his becoming our president and chief executive officer. The agreement provides for an annual base salary not less than \$600,000, which was increased to \$630,000 effective September 2012. The compensation committee last reviewed Mr. Tyagarajan's base salary in May 2015 and determined that no increase was appropriate. See "—Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table—Employment Agreements with Named Executive Officers.
- (2) On June 26, 2014, we entered into an employment agreement with Mr. Fitzpatrick in connection with his appointment as our chief financial officer. The employment agreement specifies that Mr. Fitzpatrick will receive an annual base salary of \$600,000 per year, which will be reviewed periodically and may be increased at the discretion of the compensation committee. See "—Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table—Employment Agreements with Named Executive Officers."
- (3) On December 15, 2015, we entered into an amended employment agreement with Mr. Cogny, which amended the employment agreement first entered into in August 2011. Mr. Cogny's amended agreement specifies that he will receive an annual base salary of not less than \$513,500, an increase of \$50,000, or approximately 11%, compared to his fiscal 2014 salary. The increase in Mr. Cogny's base salary under his amended employment agreement reflects a reallocation of his base compensation between salary and bonus and the fact that he is no longer eligible for the \$100,000 guaranteed bonus to which he was entitled under his prior employment agreement. See "—Narrative

Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table—Employment Agreements With Named Executive Officers.”

- (4) We do not have an employment agreement with Mr. Singh. In July 2015, the compensation committee approved a 6% increase in his base salary. Mr. Singh’s base salary reflects the importance of his role as the leader for our capital markets and information technology businesses in addition to his personal performance.
- (5) We do not have an employment agreement with Mr. Thukral. Mr. Thukral’s 2015 base salary was 20,720,000 Indian rupees (approximately \$324,190), reflecting the compensation committee’s approval in July 2015 of a 14% increase over his 2014 base salary in Indian rupees. Mr. Thukral’s 2015 base salary increase reflects the importance of Mr. Thukral’s role, his personal performance as well as the compensation committee’s view that Mr. Thukral’s base salary was lower than industry standard based on publicly available reports benchmarking executive salaries in the global technology industry. Amounts shown with respect to Mr. Thukral were converted from Indian rupees at the rates of US\$1/INR 0.0156463 for 2015 and US\$1/INR 0.0163508 for 2014.

Annual Cash Bonus

Annual cash bonuses are designed to provide rewards to our executives, including our named executive officers, for Company performance and their performance during the most recent year. We believe that the immediacy of these cash bonuses, in contrast to our equity grants, which vest over a period of time, provides a significant incentive to our executives towards achieving their respective individual objectives, our Company objectives and our overall long term and strategic goals, such as client satisfaction, growing revenues, improving operating margins, managing employee attrition levels and making disciplined investments in our targeted verticals, service lines and geographies. Our cash bonuses are an important motivating factor for our executives, in addition to being a significant factor in attracting and retaining our executives.

Since 2014, when our compensation committee adopted a scorecard-based bonus program, annual bonuses under our cash bonus plan have been directly linked to Company, business unit and individual performance. Annual bonuses to our executives are payable only if threshold performance is attained.

Target Bonuses

Under our annual cash bonus plan, each of our named executive officers is eligible for a target bonus specified as a percentage of his base salary. For 2015, the target bonus for Mr. Tyagarajan was 190% of base salary and the target bonuses for the other named executive officers ranged between 50 and 100% of base salary.

For Messrs. Tyagarajan, Cogny and Fitzpatrick, who have employment agreements that specify bonus opportunities, the compensation committee also took into consideration the requirements under their agreements in setting their bonus targets. See “—Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table—Employment Agreements with Named Executive Officers.”

Bonus Pool Based on Profitability

As part of our annual cash bonus plan, at the beginning of the year the compensation committee established a bonus pool for 2015 equal to the aggregate target bonuses for all of the senior vice presidents in the Company, including all of the named executive officers other than the CEO. The bonus pool was to be funded only if the Company achieved 2015 adjusted income from operations above a threshold amount. The actual bonus pool can range from 0% to 200% of target, depending on the level of adjusted income from operations and whether the threshold is met.

Bonus Scorecards

In an effort to further link our executive officer compensation to measurable Company and individual performance, the actual bonus payable to our named executive officers is determined based on attainment of pre-established individual, Company and business unit performance targets for each officer. We utilize a scorecard methodology which incorporates multiple financial and non-financial strategic performance indicators for each officer, with the financial performance metrics accounting for at least 60% of the result. The potential bonus payout based on the scorecard result ranges from 0% to 150% of target. Examples of financial performance indicators include annual revenue, new bookings and profitability targets at the Company or business unit level. Examples of non-financial, strategic performance indicators include longer term execution of strategic plans, such as hiring goals and development of new client offerings. At the time of establishing the individual scorecards, the compensation committee considered the level of difficulty associated with attainment of each goal in the scorecard and determined that the target level for each such goal was challenging. We believe that encouraging our named executive officers, as well as other employees with management responsibility, to focus on a variety of performance objectives that are important for creating shareholder value reduces incentives to take excessive risk with respect to any single objective.

Each individual bonus amount (as determined based on the scorecard) is then adjusted by a Company multiplier, which for 2015 was determined based on the level of attainment of adjusted income from operations (excluding the impact of acquisitions completed during the year), with performance between the established levels determined on a straight-line basis as illustrated in the table below.

AOI Performance Level	Company Multiplier
Below Threshold	0%
Threshold	50%
Target	100%
Outstanding	200%

The target level of adjusted income from operations under our 2015 annual cash bonus plan was \$380 million. Our actual adjusted income from operations in 2015 was \$377.2 million, resulting in a Company multiplier of 96%.

For each named executive officer other than the CEO, whose bonus is funded outside of the bonus pool, the Company multiplier is then adjusted as necessary to ensure actual payouts do not exceed the funded pool. Even if each average scorecard result is over 100%, the overall bonus pool is not expanded and instead the individual payouts are adjusted downwards. The 2015 adjusted Company multiplier was 85%.

Accordingly, the 2015 bonus for each named executive officer other than our CEO was determined as follows:

- 2015 target bonus multiplied by
- 2015 adjusted Company multiplier of 85% multiplied by
- individual scorecard achievement (0-150%).

CEO Bonus Scorecard

The 2015 bonus for our CEO was determined as follows:

- 2015 target bonus multiplied by
- 2015 Company multiplier of 96% multiplied by
- individual scorecard achievement (0-150%).

Although the CEO's bonus was not funded out of the bonus pool for the other named executive officers, the CEO's bonus was also payable only if the Company achieved 2015 adjusted income from operations above the threshold amount.

The 2015 bonuses were determined by our compensation committee in the first quarter of 2016 based on achievement of the elements set out in the individual scorecard for each named executive officer, the Company multiplier and, in the case of all named executive officers other than the CEO, the adjusted Company multiplier.

The following table sets forth the 2015 target and actual payments for our named executive officers and their 2014 actual payments under our annual cash bonus plan.

Executive	2015 Target Bonus	2015 Payment	2014 Payment
N.V. TYAGARAJAN	\$1,200,000	\$1,336,000 ⁽¹⁾	\$1,700,000
EDWARD J. FITZPATRICK	\$600,000	\$601,781 ⁽³⁾	\$411,298 ⁽²⁾
PATRICK COGNY	\$300,000	\$315,057 ⁽⁴⁾	\$339,803
ARVINDER SINGH	\$300,000	\$343,850 ⁽⁵⁾	\$487,755
MOHIT THUKRAL	\$213,759 ⁽⁷⁾	\$223,611 ⁽⁶⁾⁽⁷⁾	\$333,351 ⁽⁷⁾

- (1) Mr. Tyagarajan's bonus scorecard included Company revenues, new bookings and adjusted income from operations as the financial metrics and strategic organizational matters for the non-financial metrics. Mr. Tyagarajan achieved target performance on the financial metrics and above target performance on the strategic metrics included in his scorecard. The 21% decrease in Mr. Tyagarajan's 2015 bonus compared to his 2014 bonus reflects a decrease in the Company multiplier under the bonus plan from 145% in 2014 to 96% in 2015.
- (2) Mr. Fitzpatrick's 2014 bonus was prorated to reflect that his employment commenced in July 2014.
- (3) Mr. Fitzpatrick's bonus scorecard included Company revenues, new bookings, adjusted income from operations and cash flows as the financial metrics and strategic organizational matters for the non-financial metrics. Mr. Fitzpatrick achieved above target performance on both his financial and strategic metrics. Mr. Fitzpatrick's 2015 bonus decreased 32% compared to his 2014 bonus prior to proration. This decline is attributable to a decrease in the adjusted Company multiplier from 130% in 2014 to 85% in 2015.
- (4) Mr. Cogy's bonus scorecard included business unit revenues, new bookings and adjusted income from operations as the financial metrics and strategic organizational matters for the non-financial metrics. Mr. Cogy achieved above target performance on both his financial and strategic metrics. Mr. Cogy's 2015 bonus payment decreased by 7% compared to his 2014 bonus payment, which decrease is attributable to a decrease in the adjusted Company multiplier from 130% in 2014 to 85% in 2015.
- (5) Mr. Singh's bonus scorecard included business unit revenues, new bookings and adjusted income from operations as the financial metrics and strategic organizational matters for the non-financial metrics. Mr. Singh achieved above target performance on both his financial and strategic metrics. Mr. Singh's 2015 bonus payment decreased by 30% compared to his 2014 bonus payment, which decrease is attributable to a decrease in the adjusted Company multiplier from 130% in 2014 to 85% in 2015.
- (6) Mr. Thukral's bonus scorecard included business unit revenues, new bookings and adjusted income from operations as the financial metrics and strategic organizational matters for the non-financial metrics. Mr. Thukral achieved above target performance on both his financial and strategic metrics. Mr. Thukral's 2015 bonus payment decreased by 30% compared to his 2014 bonus payment in Indian rupees, which decrease is attributable to a decrease in the adjusted Company multiplier from 130% in 2014 to 85% in 2015.
- (7) Amounts shown were converted from Indian rupees at the rates of US\$1/INR 0.0156463 for 2015 and US\$1/INR 0.0163508 for 2014.

Equity-Based Compensation

Our equity-based compensation program is designed to attract and retain highly qualified individuals, given that competition for talent is high in our industry, and to align the long-term interests of our executives with those of our shareholders. Equity-based compensation is subject to multi-year vesting requirements, which require the continued service of our executives in order for them to realize gains.

The equity award component of our executive officer compensation is comprised primarily of performance share awards. In 2015, performance share awards represented between approximately 40% and 60% of total compensation for the named executive officers other than the CEO. Performance share awards require that we attain at least the minimum threshold levels of performance to receive the award. Accordingly, our executive officers realize no pay from their awards unless we perform. We have been granting performance shares since 2010, and the compensation committee believes that including performance shares as part of Genpact's equity-based compensation program strengthens focus on the Company's operating performance and shareholder value creation. They have also been an effective tool for retention of key employees. For the 2015 performance share awards, the compensation committee concluded that a one-year performance period was the most appropriate for our company together with a three-year cliff service vesting schedule.

From time to time, we may also grant (i) options to purchase our common shares, which are also a performance-based vehicle as they require our shares to appreciate in value before any economic benefit may be realized, and (ii) time-based restricted share units, which we use as a retention mechanism.

GENPACT 2016 PROXY STATEMENT | 29

2015 Performance Share Awards

In March 2015, we granted performance share awards to Messrs. Cogny, Fitzpatrick, Singh and Thukral.

The actual number of common shares of the Company into which the 2015 performance shares will convert is calculated by multiplying the number of target performance shares designated under the award by a performance percentage ranging from 0% to 250% based on the Company's adjusted income from operations, adjusted income from operations margin, revenues and new bookings during the period from January 1, 2015 to December 31, 2015. Adjusted income from operations and adjusted income from operations margin are qualifying criteria so that if either goal is not attained, no payout will occur regardless of the level of attainment of any of the other metrics. For the revenues and new bookings goals, which are equally weighted, there are three designated levels of attainment, as illustrated in the table below.

Performance Level	Payout Percentage
Below Threshold	0%
Threshold	50%
Target	100%
Outstanding	250%

If performance for any of the metrics is below the threshold, no payout will occur. In setting the performance goals for these awards, our compensation committee determined that the targets were challenging to achieve, and the targets set were consistent with the financial outlook we disclosed at the beginning of 2015.

Based on our 2015 financial results, the 2015 performance share awards will cliff vest on January 10, 2018 at 94% of the target shares, representing slightly below target performance relative to the equally-weighted revenue and new bookings goals, provided the executive remains in service through such service vesting date.

Benefits and Perquisites

We provide other benefits to our named executive officers that are generally available to other employees in the country in which the named executive officer is located. We also provide our named executive officers with certain modest perquisites which we believe are reasonable and consistent with market trends in the countries in which our named executive officers are located. Such benefits and perquisites are intended to be part of a competitive overall compensation program. For more details on the benefits provided to our named executive officers, see “—2015 Summary Compensation Table” and “—Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table.”

Severance Arrangements

Our employment agreements with Messrs. Tyagarajan, Cogny and Fitzpatrick provide for certain payments and benefits in the event of a termination of employment. The severance payments and benefits were based on individual negotiations with each executive and are an important part of employment arrangements designed to retain such executives and provide certainty with respect to the payments and benefits to be provided upon certain termination events. For additional details on these payments and benefits, see “—Potential Payments upon Termination or Change of Control.”

Change of Control

Pursuant to the terms of Mr. Tyagarajan's employment agreement, the vesting of all of his outstanding equity awards will accelerate in full upon a change in control. Pursuant to the terms of Mr. Fitzpatrick's employment agreement, the vesting of his equity awards will accelerate in the event of his termination without cause or for good reason within 24 months following a change in control. In the event of a change in control, the performance shares granted to our named executive officers will convert into either a right to receive common shares representing 100% of the target performance shares without regard to performance or a number of common shares based on actual performance, depending on when the change in control occurs. These benefits are described in more detail in "—Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table—Employment Agreements with Named Executive Officers—N.V. Tyagarajan and Edward J. Fitzpatrick" and "—Potential Payments upon Termination or Change of Control."

Equity Grant Practices

All stock options granted by the Company have an exercise price equal to the closing market price of our common shares on the grant date. Equity grants are typically approved at our quarterly compensation committee meetings, and, unless a future effective date is specified, become effective as of the date of the meeting at which they are approved. The dates for our quarterly compensation committee meetings are generally scheduled months, and sometimes up to a year, in advance. In certain cases equity grants to new hires or promoted employees are approved by written consent outside of regularly scheduled compensation committee meetings and are effective as of the latest date a committee member signs the consent. Our compensation committee has delegated limited authority to the CEO and our Senior Vice President of Human Resources to grant equity awards between regularly scheduled compensation committee meetings to individuals other than executive officers and directors, with prescribed per person and aggregate quarterly limitations.

Share Ownership Guidelines

The Committee recognizes the critical role that executive share ownership has in aligning the interests of management with those of shareholders. As such, we maintain a formal share ownership policy under which the CEO is required to acquire and hold Genpact common shares in an amount representing a multiple of six times his base salary. Until the designated multiple of base salary is reached, the CEO is required to retain 100% of the after-tax net proceeds associated with stock option exercises and vesting of restricted share units and performance shares. Shares counted toward the ownership requirement consist of shares owned by the CEO and shares owned jointly by the CEO and his spouse or held in trust established by the CEO for the benefit of the CEO and/or his family members. Unvested restricted share units and performance share awards and unexercised stock options do not count toward the ownership requirement. As of December 31, 2015, Mr. Tyagarajan owned a number of Genpact common shares with a total value of more than six times his base salary.

Recovery Policy

Our performance share awards provide that if a named executive officer has breached any restrictive covenant under any agreement with the Company during employment or during the one-year period following termination of employment, we have the right to terminate the award and cancel any shares issued under the award and be paid any proceeds received by such officer from the sale of shares issued under the award.

IRC Section 162(m) Compliance

As a result of Section 162(m) of the Internal Revenue Code, publicly-traded companies such as the Company are not allowed a federal income tax deduction for compensation paid to the CEO and the three other highest paid executive officers (other than the CFO) to the extent that such compensation exceeds \$1 million per officer in any one year and does not otherwise qualify as performance-based compensation. The 2007 Plan is structured so that compensation deemed paid to an executive officer in connection with the exercise of stock options or stock appreciation rights should qualify as performance-based compensation that is not subject to the \$1 million limitation. In addition, restricted share units and performance share awards with performance-vesting goals tied to one or more of the performance criteria approved by the shareholders under the 2007 Plan may also be structured to qualify as performance-based compensation for Section 162(m) purposes.

However, restricted share units and performance share awards subject only to service-vesting requirements will not qualify as such performance-based compensation. Other awards made under the 2007 Plan may or may not so qualify. In establishing the cash and equity incentive compensation programs for the executive officers, it is the compensation committee's view that the potential deductibility of the compensation payable under those programs should be only one of a number of relevant factors taken into consideration, and not the sole governing factor. For that reason the compensation committee may deem it appropriate to continue to provide one or more executive officers with the opportunity to earn incentive compensation, including cash bonus programs tied to the Company's financial performance and restricted share unit and performance share awards, which may be in excess of the amount deductible by reason of Section 162(m) or other provisions of the Internal Revenue Code. It is the compensation committee's belief that cash and equity incentive compensation must be maintained at the requisite level to attract and retain the executive officers essential to the Company's financial success, even if all or part of that compensation may not be deductible by reason of the Section 162(m) limitation.

SUMMARY COMPENSATION TABLE

The following table sets forth information concerning the compensation of our Chief Executive Officer, our Chief Financial Officer, and each of the Company's other three most highly compensated executive officers whose total compensation for the 2015 fiscal year was in excess of \$100,000 and who were serving as executive officers at the end of the 2015 fiscal year (referred to as our "named executive officers") for the fiscal years ended December 31, 2015, 2014 and 2013. No other executive officers who would have otherwise been includable in such table on the basis of total compensation for the 2015 fiscal year have been excluded by reason of their termination of employment or change in executive status during that year.

- (1) The amounts shown under this column reflect the dollar amount of the aggregate grant date fair value of performance share awards and restricted share units granted during the applicable year pursuant to our 2007 Omnibus Incentive Compensation Plan, calculated in accordance with Financial Accounting Standards Board Codification Topic 718, Compensation—Stock Compensation, or FASB ASC Topic 718. The aggregate grant date fair value of the performance share awards is calculated in accordance with FASB ASC Topic 718, based on the probable outcome of the attainment of one or more pre-established performance objectives as of the grant date, which for the performance share awards granted in 2015 was 90.781% of target. Assumptions used in the calculation of these amounts are included in Note 18 “Stock-based compensation” to our audited consolidated financial statements for the fiscal year ended December 31, 2015 included in our Annual Report on Form 10-K. In accordance with the rules promulgated by the SEC, the amounts shown for awards with performance- and service-based vesting conditions exclude the impact of estimated forfeitures. The performance periods for the performance shares granted in 2013, 2014 and 2015 are completed, and the number of shares underlying each such award has been determined. The aggregate grant date fair values of the performance share awards granted in 2015, assuming maximum attainment of the performance goals, are as follows: Mr. Cogny—\$1,423,125; Mr. Fitzpatrick—\$3,415,500; Mr. Singh—\$2,277,000; and Mr. Thukral—\$2,277,000.
- (2) The amounts shown represent the aggregate grant date fair value of the stock options awarded to our named executive officers during the applicable year, calculated in accordance with FASB ASC Topic 718, and exclude the impact of estimated forfeitures. Assumptions used in the calculation of these amounts are included in Note 18 “Stock-based compensation” to our audited consolidated financial statements for the fiscal year ended December 31, 2015 included in our Annual Report on Form 10-K.
- (3) Mr. Thukral received certain payments in Indian rupees and Mr. Cogny received certain payments in euros. The following exchange rates were used to calculate amounts in the Summary Compensation Table reflecting such payments: US\$1/INR 0.0156463 in 2015, US\$1/INR 0.0163508 in 2014 and US\$1/INR 0.0171368 in 2013 and US\$1/1.1514276 euro in 2015, US\$1/1.3457367 euro in 2014 and US\$1/1.3246741 euro in 2013. For Mr. Thukral, all amounts other than those shown under the “Option Awards” and “Share Awards” columns were paid or incurred in Indian rupees. For Mr. Cogny, portions of the amounts shown in the “All Other Compensation” column were converted from euros.

CEO REALIZABLE COMPENSATION

The values reported in our Summary Compensation Table include the estimated fair value of long-term incentive awards at the time of grant as determined for accounting purposes. This estimated fair value is not reflective of actual award values and often differs significantly from the values ultimately received by our senior executives. We believe that realizable compensation, which reflects the actual current value of outstanding long-term incentive awards from prior years, helps us to better assess our pay for performance alignment.

Realizable compensation provides clarity on how compensation outcomes are influenced by company performance. This is particularly important because equity-based awards account for the most significant portion of the total compensation of our CEO and other executive officers. Because the compensation committee believes that long-term, equity-based compensation drives long-term growth, consideration of actual and potential values realizable from awards granted in prior years is a highly relevant factor in assessing the effectiveness of our compensation program's continued alignment with our shareholders' long-term interests.

The following table sets forth the realizable pay for our CEO for fiscal years 2013, 2014 and 2015.

	2013	2014	2015
Salary	\$632,423	\$632,423	\$632,423
Bonus	\$1,200,000	—	—

Total Realizable Compensation ⁽¹⁾	\$13,645,871	\$2,439,220	\$2,055,191

(1) Total realizable compensation was calculated using (a) actual earned base salary, (b) cash bonus and all other non-equity compensation as disclosed in the Summary Compensation Table, (c) equity award values of all restricted share units granted in each year multiplied by the share price on the last day of fiscal year 2015 of \$24.98, (d) equity award values of all performance share units with performance periods ending within the measurement period at the determined outcome multiplied by the closing price of our common shares on the last day of fiscal year 2015 of \$24.98 and (e) in the case of stock options, the intrinsic value of all awards granted in each year calculated by subtracting the exercise price from the closing share price on the last day of fiscal year 2015 of \$24.98.

NARRATIVE DISCLOSURE TO SUMMARY COMPENSATION TABLE AND GRANTS OF PLAN-BASED AWARDS TABLE

Employment Agreements with Named Executive Officers

Summarized below are the material terms of our employment agreements with Messrs. Tyagarajan, Fitzpatrick and Cogni. We do not have an employment agreement with any other named executive officer.

N.V. Tyagarajan. We entered into an employment agreement with Mr. Tyagarajan on June 15, 2011, which supersedes his previous employment agreement, dated February 7, 2005. The employment agreement has an indefinite term and may be terminated by us or Mr. Tyagarajan, subject to the severance provisions described below. The employment agreement provides for an annual base salary of not less than \$600,000 and a target bonus of 125% of annual base salary. Mr. Tyagarajan is entitled to benefits and perquisites generally available to our other senior executives, reimbursement of automobile costs and \$60,000 for personal costs. Mr. Tyagarajan is also entitled to four weeks of vacation per year.

Pursuant to the terms of the employment agreement, Mr. Tyagarajan was granted the following equity awards on June 15, 2011:

(i) Options covering 250,000 common shares of the Company at a per share exercise price of \$15.34, the closing price of our common shares on the June 15, 2011 grant date of the options. In connection with the special cash dividend paid in September 2012, the number of shares was adjusted to 283,625 shares and the exercise price per share was adjusted to \$13.52. The options vested in four equal annual installments upon Mr. Tyagarajan's completion of each year of employment over the four-year period measured from June 17, 2011.

(ii) Restricted share units covering 200,000 common shares of the Company. The restricted share units vested in four equal annual installments upon Mr. Tyagarajan's completion of each year of employment with the Company over the four-year period measured from June 17, 2011. In connection with the special cash dividend paid in September 2012, the 150,000 shares then unvested was adjusted to 170,175 shares.

(iii) Performance shares covering a target number of 100,000 common shares of the Company (subsequently adjusted to a target number of 113,450 common shares as a result of the special cash dividend paid in September 2012). These performance shares vested on December 31, 2013 at 115.373% of the target shares.

Pursuant to the terms of his employment agreement, in March 2012 Mr. Tyagarajan was granted additional performance shares covering a target number of 100,000 common shares of the Company (subsequently adjusted to a target number of 113,450 common shares as a result of the special cash dividend paid in September 2012), which vested at 122.184% of the target shares on December 31, 2014 (based on 2012 performance goal attainment). In May 2013 Mr. Tyagarajan was granted additional performance shares covering a target number of 100,000 common shares which were to vest on January 10, 2016 but were forfeited for failure to satisfy the specified performance criteria.

In August 2012, Mr. Tyagarajan's awards were amended so that the purchase of our shares by an affiliate of Bain Capital would not be deemed to be a change in control (and therefore not result in an accelerated vesting of the awards) and also to amend the definition of a change in control for future events. In order to comply with the rules set forth under Section 409A of the Internal Revenue Code of 1986, as amended, in connection with the amendment to Mr. Tyagarajan's restricted share unit grant, the Company agreed to issue Mr. Tyagarajan an additional 30,000 restricted share units (which were adjusted to 34,035 as a result of the special cash dividend) following the closing of Bain Capital's share purchase. These restricted share units vest on December 31, 2016 subject to continued employment.

For purposes of Mr. Tyagarajan's employment agreement, the term "good reason" means a material reduction in the nature of Mr. Tyagarajan's authorities or duties, a material reduction in base compensation, requiring Mr. Tyagarajan to report to any person other than our board of directors or a material relocation of Mr. Tyagarajan's principal place of employment, which has not been cured by us within 30 days following notice of such event by Mr. Tyagarajan.

If Mr. Tyagarajan's employment is terminated by us without cause or by Mr. Tyagarajan for good reason, then in addition to any earned but unpaid salary or bonus and payment for accrued but unused vacation, Mr. Tyagarajan is entitled to payment of an amount equal to the sum of (I) two times Mr. Tyagarajan's then current base salary and (II) two times the annual bonus received for the fiscal year preceding the fiscal year in which the termination occurs. In addition, we will reimburse Mr. Tyagarajan for the cost of acquiring health benefits for himself and his dependents at the same level of coverage and benefits as is provided to our US-based senior executives for two years following the date of termination, or any earlier date on which he and his dependents become eligible for such health benefits from another employer.

Mr. Tyagarajan's payments upon termination of employment described above are subject to his execution of a release of all claims against us and our affiliates. The release would also be executed by us and release Mr. Tyagarajan from any claims by us relating to Mr. Tyagarajan's employment or services other than claims based on acts or omissions of Mr. Tyagarajan that involve fraud or which are not known to the non-employee directors on the date of such release. The release also includes a mutual non-disparagement provision.

Under his employment agreement, for two years after the termination of his employment, Mr. Tyagarajan will be subject to certain non-compete and non-solicitation covenants.

Edward J. Fitzpatrick. On June 26, 2014, we entered into an employment agreement with Mr. Fitzpatrick in connection with his appointment as our Chief Financial Officer. The employment agreement has an indefinite term and may be terminated by us or Mr. Fitzpatrick, subject to the severance provisions described below. The employment agreement provides for an annual base salary of not less than \$600,000 and a target bonus of 100% of annual base salary. In addition, Mr. Fitzpatrick is entitled to benefits and perquisites generally available to our other senior executives and four weeks of vacation per year.

Pursuant to the terms of his employment agreement, Mr. Fitzpatrick was granted the following equity awards on July 15, 2014:

(i) Options covering 250,000 common shares of the Company at a per share exercise price of \$18.05, the closing price of our common shares on July 15, 2014, the grant date of the options. The options vest with respect to 50% of the shares upon completion of 3 years of employment and with respect to the remaining 50% upon completion of 5 years of employment. The options will vest in full in the event of Mr. Fitzpatrick's termination by the Company without cause or Mr. Fitzpatrick's termination for good reason within 24 months following a change in control of the Company. Upon Mr. Fitzpatrick's termination of employment by reason of death or disability, or his termination by the Company without cause, the options will vest on a pro-rated basis based on the period of service completed over the 5-year period measured from the grant date of the options less the number of shares subject to the options that vested prior to such termination.

(ii) Restricted share units covering 116,343 common shares. The restricted share units vest in four equal annual installments upon Mr. Fitzpatrick's completion of each year of employment with the Company over the four-year period measured from July 15, 2014. The restricted share units will vest in full in the event of Mr. Fitzpatrick's termination by the Company without cause or Mr. Fitzpatrick's termination for good reason within 24 months following a change in control of the Company. Upon Mr. Fitzpatrick's termination of employment by reason of death or disability, or his termination by the Company without cause, the restricted share units will vest on a pro-rated basis based on the period of service completed over the 4-year period measured from the grant date of the award less the number of shares that vested prior to such termination.

In accordance with his employment agreement, Mr. Fitzpatrick was also granted performance share awards covering 60,000 target shares in 2015 and is entitled to receive performance share awards covering 52,000 target shares in 2016, each of which will vest and convert into common shares based on performance metrics and service requirements established by the compensation committee for such years. These additional performance awards are subject to accelerated vesting in the event of Mr. Fitzpatrick's termination by the Company without cause or Mr. Fitzpatrick's termination for good reason within 24 months following a change in control of the Company, and pro-rata vesting in the event of his termination by the Company without cause.

For purposes of Mr. Fitzpatrick's employment agreement, the term "good reason" means a material reduction in the nature of Mr. Fitzpatrick's authorities or duties, a material reduction in base compensation, requiring Mr. Fitzpatrick to report to any person other than our CEO or a material relocation of Mr. Fitzpatrick's principal place of employment, which has not been cured by us within 30 days following notice of such event by Mr. Fitzpatrick.

In the event of Mr. Fitzpatrick's termination without cause, Mr. Fitzpatrick will receive severance benefits that consist of (a) a cash lump-sum payment equal to 100% his then current base salary and (b) a cash lump-sum payment equal to the cost of acquiring health benefits for himself, his spouse and his eligible dependents for up to 12 months following termination. Payment of the severance benefits is conditioned on Mr. Fitzpatrick's execution of a general release of all claims. In addition, the equity awards granted under the Agreement will accelerate and vest as described above.

Mr. Fitzpatrick's payments upon termination of employment described above are subject to his execution of a release of all claims against us and our affiliates. In addition, Mr. Fitzpatrick will be subject to certain non-compete and non-solicitation covenants for one year after the termination of his employment.

Patrick Cognny. Under Mr. Cognny's employment agreement, which was amended in December 2015, Mr. Cognny is entitled to an annual base salary of not less than \$513,500 and a target bonus of not less than \$300,000. Additionally, if Mr. Cognny's employment is terminated by the Company, except for a serious breach of the employment agreement, serious misconduct or serious negligence, he will receive a one-time payment of \$550,000.

2007 Omnibus Incentive Compensation Plan

We adopted our 2007 Omnibus Incentive Compensation Plan, or the 2007 Plan, on July 13, 2007, and amended it on April 15, 2011, April 11, 2012 and August 1, 2012.

Stock Options

We did not grant any stock options to our named executive officers in 2015.

Restricted Share Units

We did not grant any restricted share units to our named executive officers in 2015.

Performance Share Awards

The performance shares granted to our named executive officers in 2015 will convert into actual common shares of the Company based on the Company's attainment of certain performance goals measured over the period beginning January 1, 2015 and ending December 31, 2015 and the individual's continued service with the Company through January 10, 2018. Each award specifies a target number of performance shares. The actual number of common shares of the Company into which the performance shares will convert is calculated by multiplying the number of target performance shares designated under the award by a performance percentage ranging from 0% to 250% based on the Company's adjusted income from operations, adjusted income from operations margin, new bookings and revenue during the period from January 1, 2015 to December 31, 2015. Adjusted income from operations and adjusted income from operations margin are qualifying criteria and for the other two goals there are three designated levels of attainment: threshold, target and outstanding. If performance for any metric is below the threshold, no payout will occur. Based on our 2015 adjusted income from operations, adjusted income from operations margin, new bookings and revenue growth, the 2015 performance shares will vest at 94% of the target number of shares.

The performance share awards (and any shares issued thereunder or proceeds from the sale of such shares) are subject to forfeiture in the event of a breach of restrictive covenants. See "Compensation Discussion and Analysis—Recovery Policy."

Change of Control

Pursuant to the 2007 Plan, unless otherwise provided in an individual award agreement, in the event of a change of control of our company, existing awards may be assumed, substituted or continued. If the awards are not so assumed, substituted or continued, then:

- any options and SARs outstanding as of the date the change of control is determined to have occurred will become fully exercisable and vested, as of immediately prior to the change of control;
- all performance units and cash incentive awards will be paid out as if "target" performance levels had been attained, but pro-rated based on the portion of the performance period that elapses prior to the change of control;
- performance share awards will become payable at target levels or based on actual performance depending on whether a change in control occurs during or after the performance period; and
- all other outstanding awards will automatically be deemed exercisable or vested and all restrictions and forfeiture provisions related thereto will lapse as of immediately prior to such change of control.

Unless otherwise provided pursuant to an award agreement, a change of control is defined to mean any of the following events, generally:

- during any period of twenty-four consecutive months, a change in the composition of a majority of our board of directors that is not supported by a majority of the incumbent board of directors;
- the consummation of a merger, reorganization or consolidation or sale or other disposition of all or substantially all of our assets;

the approval by our shareholders of a plan of our complete liquidation or dissolution; or
an acquisition by any individual, entity or group (other than Bain Capital or any of its affiliates) of beneficial ownership of a percentage of the combined voting power of our then outstanding voting securities entitled to vote generally in the election of directors that is equal to or greater than 25% (in the case of Bain Capital or any of its affiliates the threshold is 50%).

Retirement Benefits

We provide our employees in the United States, including our CEO, with a tax-qualified defined contribution 401(k) plan, pursuant to which employees may elect to defer pre-tax salary amounts up to the limits set by the Internal Revenue Code. We match 100% of the first 4% of salary deferred by our employees under the 401(k) plan.

In India, we maintain a Gratuity Plan, which is a defined benefit plan, and a Provident Fund Plan, which is a defined contribution plan, each as required under applicable law.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

Below is a description of the potential payments and benefits that would be provided to our named executive officers upon termination of their employment or a change of control under their employment agreements and award agreements under the Company Stock Plans.

GENPACT 2016 PROXY STATEMENT | 43

Employment Agreements with Named Executive Officers

We have entered into agreements with Messrs. Tyagarajan, Cogny and Fitzpatrick that provide for certain payments and benefits to be paid upon certain terminations of employment. See “—Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table—Employment Agreements with Named Executive Officers” for a description of these provisions.

Company Stock Plans

The treatment of outstanding awards under our 2007 Plan in the event of a change of control is described under “Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table – 2007 Omnibus Incentive Compensation Plan.” Under the equity compensation plans utilized by us prior to the adoption of the 2007 Plan (the 2007 Plan together with all prior plans, the “Company Stock Plans”), upon the occurrence of a change of control (as defined below) or dissolution or liquidation, our board of directors may provide that all Company options will become immediately exercisable. Our board of directors may also, upon at least ten days’ advance notice, cancel any outstanding Company options and pay to the holders of such Company options, in cash or shares, the value of such Company options based upon the price per share received by our other shareholders in the event of a change of control. Our obligations under the Company Stock Plans will be binding upon any successor corporation or organization. The term “change of control” for the purposes of our Company Stock Plans, other than the 2007 Plan, is defined as the following: (a) the acquisition by any person or entity (other than Glory Investments A Limited or any of its affiliates or successors (including Bain Capital)), directly or indirectly, of more than 50% of the combined voting power of the then outstanding securities entitled to vote generally in the election of our directors, including, without limitation, as a result, in whole or part, by reason of a sale or other disposition by Glory Investments A Limited or any of its affiliates or successors; (b) any merger, consolidation, reorganization, recapitalization, tender or exchange offer or any other transaction with or affecting us as a result of which a person or entity other than Glory Investments A Limited or any of its affiliates owns after such transaction, directly or indirectly, more than 50% of the combined voting power of the then outstanding securities entitled to vote generally in the election of our directors; or (c) the sale, lease, exchange, transfer or other disposition to any person or entity, other than an Investor, of all or substantially all, of our assets and our consolidated subsidiaries.

Generally, except as described below, our Company option or other equity award agreements with our named executive officers do not provide for accelerated vesting upon a termination of employment.

Under Mr. Tyagarajan’s 2013 option grant, 25% of the shares subject to the option will vest upon a termination without cause or for good reason, and 20% of the shares subject to the option will vest upon a termination by reason of death or disability, in each case prior to full vesting of the option. The option vests in full upon a change in control. The restricted share units granted to Mr. Tyagarajan in 2013 vest in full upon a change in control or upon termination of employment by reason of death or disability, by the Company without cause or by Mr. Tyagarajan for good reason.

Under his 2014 option grant, Mr. Fitzpatrick's options will vest in full in the event of Mr. Fitzpatrick's termination by the Company without cause or his termination for good reason within 24 months following a change in control of the Company. Upon Mr. Fitzpatrick's termination of employment by reason of death or disability, or his termination by the Company without cause, the options will vest on a pro-rated basis based on the period of service completed over the 5-year period measured from the grant date of the options until the date of termination, less the number of shares subject to the options that vested prior to such termination. The restricted share units granted to Mr. Fitzpatrick in 2014 will vest in full in the event of Mr. Fitzpatrick's termination by the Company without cause or Mr. Fitzpatrick's termination for good reason within 24 months following a change in control of the Company. Upon Mr. Fitzpatrick's termination of employment by reason of death or disability, or his termination by the Company without cause, the restricted share units will vest on a pro-rated basis based on the period of service completed over the 4-year period measured from the grant date of the award until the date of termination, less the number of shares that vested prior to such termination. The performance share units granted to Mr. Fitzpatrick pursuant to his employment agreement vest (i) on a pro-rated basis in the event of his termination by the Company without cause prior to the end of the applicable service period and (ii) in full in the event of his involuntary termination within 24 months following a change in control.

Additionally, each of the performance share awards granted to our named executive officers will vest on a pro-rated basis based on actual performance in the event of the executive's termination by reason of death or disability.

TERMINATION AND CHANGE OF CONTROL POTENTIAL PAYMENTS AND BENEFITS TABLE

The amounts included in the table below do not include payments and benefits to the extent they are provided on a non-discriminatory basis to salaried employees generally upon termination of employment. The amounts indicated are based on the payments and benefit costs that would have been incurred by the Company if the named executive officer's employment had terminated as of the last business day of the fiscal year ended December 31, 2015. Where applicable, the value of one of our common shares on December 31, 2015 was \$24.98, which was the closing market price of our common shares on the NYSE as of that date.

46 | GENPACT 2016 PROXY STATEMENT

- (5) Amount represents the estimated value of accelerated vesting of (i) unvested restricted share units granted in 2013 and (ii) unvested Company options granted in 2013. Pursuant to Mr. Tyagarajan's outstanding equity award agreements, the unvested portion of his awards will vest in full upon a change in control, whether or not assumed, substituted or continued.
- (6) Amount represents the estimated value of providing Mr. Tyagarajan and his dependents with health benefits for two years following the date of termination at the same level of coverage provided to our U.S.-based senior executives. This amount is calculated based on the present value of maximum liability with respect to Mr. Tyagarajan and his dependents under our applicable benefit plan in effect as of December 31, 2015.
 - (7) Amount represents the payment of an amount equal to Mr. Fitzpatrick's annual base salary of \$600,000.
- (8) Amount represents the estimated value of the pro-rated vesting of (i) unvested options granted in 2014, (ii) restricted share units granted in 2014 which would have vested on the next vesting date and (iii) performance share units granted in 2015 calculated at actual performance.

PROPOSAL 2 – NON-BINDING VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act enacted in July 2010 (the “Dodd-Frank Act”), the Company’s shareholders are entitled to vote at the annual general meeting to approve, on an advisory, non-binding basis, the compensation of our named executive officers, as disclosed in this proxy statement in accordance with the standards established under Item 402 of Regulation S-K under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The shareholder vote on executive compensation is an advisory vote only, and it is not binding on the Company or our Board or the compensation committee. The outcome of this advisory vote does not overrule any decision by the Company or the board of directors (or any committee thereof), or create or imply any additional fiduciary duties for the Company or the board of directors (or any committee thereof).

Although the vote is non-binding, our Board and the compensation committee value the opinions of the shareholders and will consider the outcome of the vote when making future compensation decisions affecting the Company’s executive officers.

As described in the section titled “Compensation Discussion and Analysis,” our executive compensation program is designed to reward the achievement of our annual, long-term and strategic goals, such as growing revenues, improving operating margins, deepening client relationships and managing employee attrition levels. It is also designed to align the interests of our executives, including our named executive officers, with those of our shareholders by rewarding performance that exceeds our goals, with the ultimate objective of increasing shareholder value. Shareholders are urged to read the foregoing “Compensation Discussion and Analysis” section of this proxy statement, which more thoroughly discusses how we believe our compensation policies and procedures complement our compensation philosophy. Our Board and our compensation committee believe that these policies and procedures are effective in implementing our compensation philosophy and in achieving its goals.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this proxy statement.

We are asking our shareholders to vote for the following resolution:

“RESOLVED, that the Company’s shareholders hereby approve, on a non-binding, advisory basis, the compensation of the Company’s named executive officers as disclosed in the proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis section, the various compensation tables and the accompanying narrative discussions.”

BOARD RECOMMENDATION: The board recommends that you vote FOR the approval, on a non-binding, advisory basis, of the compensation of our named executive officers as disclosed in this proxy statement pursuant to the SEC’s compensation disclosure rules.

Our independent registered public accounting firm also provided the audit committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm’s communications with the audit committee concerning independence. The audit committee has discussed with the independent registered public accounting firm their independence from Genpact.

Based on its discussions with management and the independent registered public accounting firm, and its review of the information provided by management and the independent registered public accounting firm, the audit committee recommended to our board that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015.

PROPOSAL 3 – RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our audit committee has selected the firm of KPMG as our independent registered public accounting firm for the current fiscal year. KPMG has served as our independent registered public accounting firm since October 1, 2004. If this proposal is not approved at our 2016 annual meeting, our audit committee will reconsider its selection of KPMG. Representatives of KPMG are not expected to be present at the annual meeting.

BOARD RECOMMENDATION: The board of directors believes that the selection of KPMG as our independent registered public accounting firm is in the Company's best interests and the best interests of our shareholders and therefore recommends a vote FOR this proposal.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FEES AND OTHER MATTERS

The following table presents the aggregate fees billed for services rendered by KPMG, our independent registered public accounting firm, for the fiscal years ended December 31, 2015 and 2014.

	Fiscal 2015	Fiscal 2014
	(\$ in thousands)	
Audit fees	\$2,585	\$2,474
Audit-related fees	798	693
Tax fees	661	687
All other fees	103	40
Total fees	\$4,147	\$3,894

Audit fees represent fees for services provided in connection with the audit of our consolidated financial statements, review of our interim consolidated financial statements and audit services provided in connection with other statutory or regulatory filings. Audit-related fees consist primarily of assurance and related services. Assurance and related services mainly include SOC 1 (ISAE 3402) attestation and certification for submission to statutory and regulatory authorities. Tax fees include fees for professional services for tax compliance, assessment support and advisory services. All other fees include fees for services provided other than the services reported above.

Audit Committee's Pre-approval Policy and Procedures

The audit committee has adopted policies and procedures for the pre-approval of audit and non-audit services for the purpose of maintaining the independence of the registered public accounting firm. We may not engage the independent registered public accounting firm to render any audit or non-audit service unless either the service is approved in advance by the audit committee or the engagement to render the service is entered into pursuant to the audit committee's pre-approval policies and procedures. From time to time, the audit committee may pre-approve services that are expected to be provided to Genpact by the independent registered public accounting firm during the following 12 months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also subject to a maximum dollar amount. At regularly scheduled meetings of the audit committee, management or the independent registered public accounting firm report to the audit committee regarding services actually provided to Genpact.

During fiscal 2015, no services were provided to Genpact by KPMG other than in accordance with the pre-approval policies and procedures described above.

Important Information about the Annual General Meeting and Voting

What is the purpose of the annual meeting?

At the annual meeting, shareholders will consider and act on the following matters:

1. To elect eleven (11) directors to hold office until the next annual election or until their successors are duly elected and qualified;
2. To approve, on a non-binding, advisory basis, the compensation of our named executive officers;
3. To ratify and approve the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2016; and
4. To transact such other business as may properly come before the annual meeting or any adjournment thereof.

Who can vote?

To be able to vote, you must have been a shareholder of record at the close of business on March 4, 2016. This date is the record date for the annual meeting.

Shareholders of record at the close of business on March 4, 2016 are entitled to vote on each proposal at the annual meeting. The number of outstanding common shares entitled to vote on each proposal at the meeting is 210,457,783.

How many votes do I have?

Each common share of Genpact that you owned on the record date entitles you to one vote on each matter that is voted on at the annual meeting.

Is my vote important?

Your vote is important regardless of how many common shares you own. Please take the time to read the instructions below and vote. Choose the way to vote

that is easiest and most convenient for you and submit your proxy so your vote is cast as soon as possible.

How do I vote?

If you are a record holder of Genpact shares, you may deliver your proxy to vote your shares in one of the following ways or you may vote in person at the annual meeting. If you hold your shares in "street name," refer to the information below on how to vote your shares.

You may submit your proxy to vote by mail. You may vote by completing and signing the proxy card that accompanies this proxy statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card you mail. If you sign and return the proxy card, but do not give any instructions on a particular matter to be voted on as described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our board of directors. The board of directors recommends that you vote FOR Proposals 1, 2 and 3.

Edgar Filing: Genpact LTD - Form DEF 14A

You may submit your proxy to vote over the Internet. If you have Internet access, you may submit your proxy to vote your shares from any location in the world by following the “Electronic Voting Instructions” set forth on the enclosed proxy card.

You may vote in person. If you attend the meeting at the location set forth in the accompanying Notice of 2016 Annual General Meeting, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot. Ballots will be available at the meeting. If you attend the meeting in person you will need to bring an acceptable form of photo identification, such as a driver’s license or passport.

52 | GENPACT 2016 PROXY STATEMENT

Can I change my vote after I have mailed my proxy card or after I have submitted my proxy to vote my shares over the Internet?

Yes. You can revoke your proxy and change your vote at any time before the polls close at the meeting by doing any one of the following things:

- signing and delivering another proxy with a later date to our Corporate Secretary, c/o Genpact LLC, 1155 Avenue of the Americas, 4th Floor, New York, New York 10036 USA;
- submitting another proxy to vote with a later date over the Internet;
- giving our Corporate Secretary written notice before or at the meeting that you want to revoke your proxy; or
- voting in person at the meeting.

Your attendance at the meeting alone will not revoke your proxy.

Can I vote if my shares are held in “street name?”

If the shares you own are held in “street name” by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form.

If your shares are held in street name, you must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of the shares as of the record date in order to be admitted to the meeting on May 3, 2016. To be able to vote your shares held in street name at the meeting, you will need to obtain a proxy card from the holder of record.

What is a broker non-vote?

Generally, a “broker non-vote” occurs when a broker, bank or other nominee that holds shares in “street name” for customers is precluded from exercising voting discretion on a particular proposal because (1) the beneficial owner has not instructed the nominee how to vote, and (2) the nominee lacks discretionary voting power to vote such shares. Under New York Stock Exchange (“NYSE”) rules, a nominee does not have discretionary voting power with respect to the approval of “non-routine” matters absent specific voting instructions from the beneficial owners of such shares.

All proposals other than the ratification of KPMG as the Company’s independent registered public accountants for fiscal year 2016 are non-routine matters and, therefore, common shares held in “street name” will not be voted with respect to these proposals without voting instructions from the beneficial owners. You should follow the instructions provided by your nominee in directing your nominee on how to vote your shares.

What constitutes a quorum?

In order for business to be conducted at the annual meeting with respect to a particular matter, a quorum must be present for that particular matter. For each of the proposals described in the accompanying Notice of 2016 Annual General Meeting, we will have a quorum if at least two shareholders are present in person or by proxy who hold or represent more than 50 percent of the outstanding shares entitled to vote, or at least 105,228,892 shares. Common shares represented in person or by proxy (including “broker non-votes” and shares that abstain or do not vote with respect to a particular proposal to be voted upon) will be counted for the purpose of determining whether a quorum exists at the annual meeting for that proposal. “Broker non-votes” are shares that are held in “street name” by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote on a particular matter.

If a quorum is not present, the annual meeting will be adjourned until a quorum is obtained.

GENPACT 2016 PROXY STATEMENT | 53

What vote is required for each item?

For each of the proposals being considered at the annual meeting, approval of the proposal requires the affirmative vote of a simple majority of the votes cast. There is no cumulative voting in the election of directors. The election of each director nominee will be considered and voted upon as a separate proposal. Abstentions and broker “non-votes” are not counted as votes cast and will not affect the voting results on any proposals. If the proposal for the election of a director nominee does not receive the required majority of the votes cast, then the director will not be elected and the position on the board of directors that would have been filled by the director nominee will become vacant. The board of directors has the ability to fill any vacancy upon the recommendation of its nominating and governance committee.

How will votes be counted?

Each common share will be counted as one vote according to the instructions contained on a properly completed proxy, whether submitted by mail, over the Internet, or on a ballot voted in person at the annual meeting. Shares will not be voted in respect of a proposal if either (1) the shareholder abstains from voting on a particular matter, or (2) the shares are broker non-votes. If the shareholder signs and submits but does not indicate voting instructions on the proxy card, the proxies will have the authority to vote in respect of all proposals.

Who will count the votes?

An independent vote tabulator will count the votes. Computershare has been appointed by the board of directors as the independent Inspector of Election and will determine the existence of a quorum and validity of proxies and ballots, and certify the results of the voting.

How does the board of directors recommend that I vote on the proposals?

The board of directors recommends that you vote:

FOR the election of the eleven directors listed under Proposal 1 to hold office until the next annual election or until their successors are duly elected;

FOR the approval, on a non-binding, advisory basis, of the compensation of our named executive officers; and

FOR the ratification and approval of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

Will any other business be conducted at the meeting or will other matters be voted on?

The board of directors does not know of any other matters that may properly come before the meeting. If any other matter properly comes before the meeting, the persons named in the proxy card that accompanies this proxy statement, whether you submit your proxy by mail or through the Internet, will exercise their judgment in deciding how to vote, or otherwise act, at the meeting with respect to that matter or proposal.

Where can I find the voting results?

We will report the voting results in a current report on Form 8-K within four business days of the 2016 annual meeting.

How and when may I submit a shareholder proposal, including a shareholder nomination for director, for the 2017 annual general meeting?

Our bye-laws contain advance notice procedures with regard to shareholder proposals not related to director nominations. If you are interested in submitting a proposal for inclusion in the proxy statement for the 2017 annual general meeting, you need to follow the procedures outlined in Rule 14a-8 of the Securities Exchange Act of 1934, or the Exchange Act. To be eligible for inclusion, we must receive your shareholder proposal intended for inclusion in the proxy statement for our 2016 Annual General Meeting of Shareholders at the New York City address set forth below no later than December 8, 2016.

54 | GENPACT 2016 PROXY STATEMENT

Bermuda law provides that shareholders who collectively hold at least 5% of the total voting rights of our outstanding common shares, or any group comprised of at least 100 or more registered shareholders, may require a proposal to be submitted to an annual general meeting of shareholders. Bermuda law generally requires that notice of such a proposal must be deposited at our registered office not less than six weeks before the date of the meeting.

A shareholder's notice to our corporate secretary must be in proper written form and must set forth, as to each matter the shareholder proposes to bring before the meeting:

- a description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and if such business includes a proposal to amend our bye-laws, the language of the proposed amendment), the reasons for conducting the business at the meeting and any material interest in such business of such shareholder on whose behalf the proposal is made;
- the name and record address of the shareholder;
- the class and number of shares of our share capital which are owned and of record by the shareholder;
- a representation that the shareholder is a holder of record of our shares entitled to vote at the meeting and that the shareholder intends to appear in person or by proxy at the meeting to propose such business; and
- a representation as to whether the shareholder intends or is part of a group which intends to deliver a proxy statement or form of proxy to holders of at least the percentage of our outstanding share capital required to approve or adopt the business proposal, or otherwise to solicit proxies from shareholders in support of such proposal.

Our bye-laws also contain advance notice procedures with regard to shareholder proposals related to the nomination of candidates for election as directors. These procedures provide that any shareholder may nominate persons for election as directors only if written notice of such shareholder's intent to make such nomination is given to our corporate secretary not less

than 120 days nor more than 150 days prior to the date of the proxy statement released to shareholders in connection with the prior year's annual meeting.

A shareholder's notice to our corporate secretary must be in proper written form and must set forth information related to the shareholder giving the notice and the owner on whose behalf the nomination is made, including:

- the name and record address of the shareholder and the owner;
- the class and number of shares of our share capital which are owned beneficially and of record by the shareholder;
- a representation that the shareholder is a holder of record of our shares entitled to vote at that meeting and that the shareholder intends to appear in person or by proxy at the meeting to bring the nomination before the meeting; and
- a representation as to whether the shareholder intends or is part of a group which intends to deliver a proxy statement or form of proxy to holders of at least the percentage of our outstanding share capital required to elect the nominee, or otherwise to solicit proxies from shareholders in support of such nomination.

As to each person whom the shareholder proposes to nominate for election as a director:

- all information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to the Exchange Act; and
- the nominee's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

Any proposals, nominations or notices should be sent to:
