PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 31, 2017

The enclosed proxy is solicited by the Directors of Bankwell Financial Group, Inc. (the “Company”) for use at the Annual Meeting of Shareholders of the Company (the “Annual Meeting”) to be held at Woodway Country Club, 540 Hoyt Street, Darien, Connecticut 06820, on May 31, 2017, at 8:00 a.m. and at any adjournments thereof. The matters to be considered and acted upon at such meeting are referred to in the preceding notice and are more fully discussed below. The approximate date on which this proxy statement and the accompanying form of proxy card will first be sent to shareholders is April 17, 2017.

In addition to solicitation by mail, directors, officers and employees may solicit proxies personally or by telephone or facsimile. The Company may also request brokers, nominees, custodians and fiduciaries to forward soliciting material to the beneficial owners of stock held of record as of March 24, 2017, and will reimburse such persons for reasonable expenses incurred in forwarding such material. The cost of solicitation will be borne by the Company.

All properly executed, unrevoked proxy cards received pursuant to this solicitation prior to the close of voting will be voted as directed therein. Properly executed, unrevoked proxy cards, which do not specifically direct the voting of the shares covered thereby on any matter will be voted in the affirmative on such matter(s). Any proxy given pursuant to this solicitation may be revoked in writing by the shareholder at any time prior to the voting of the proxy by notifying Penko Ivanov, Bankwell Financial Group, Inc., 220 Elm Street, New Canaan, Connecticut 06840.

The persons named on the proxy card (to be signed and returned) to act as proxies at the Annual Meeting are: Richard Castiglioni, Eric Dale and Todd Lampert, all of whom are Directors of the Company and residents of Connecticut. If, for any reason, any Director nominee shall become unavailable before the date of the Annual Meeting, discretionary authority will be exercised by the above-named persons to vote the proxy cards for the election of such other person(s) as the Board of Directors shall determine. The holders of a majority of the outstanding shares of stock, present at the Annual Meeting in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

Who Can Vote

You will be entitled to vote your shares of Bankwell common stock at the Annual Meeting if you were a shareholder of record at the close of business on March 24, 2017. As of that date, there were 7,633,386 shares of common stock outstanding and entitled to vote at the meeting. You are entitled to one vote on each proposal voted on at the meeting for each share of common stock that you held on March 24, 2017. There is no cumulative voting.

If you are the record holder of your shares, you may vote your shares by marking, signing and dating the enclosed proxy card and returning it in the enclosed postage paid envelope. If you are the shareholder of record, you may also vote your shares via telephone or internet in accordance with the instructions set forth on the enclosed proxy card, or in person at the Annual Meeting. Returning a proxy card will not prevent you from voting your shares in person if you attend the Annual Meeting.

How to Vote Shares Held by a Broker, Bank or Other Nominee

If your shares are held through a broker, bank or other nominee, you may vote your shares by marking, signing and dating the voting instruction form provided to you by your broker, bank or other nominee. To be able to vote shares not registered in your own name in person at the Annual Meeting, you will need appropriate documentation from the record holder of your shares. If you hold your shares in street name through a broker or bank you may only vote in person or change your vote in person if you have a legal proxy in your name from Broadridge Financial Solutions, formerly ADP, or your broker or bank.

If you are the beneficial owner of shares held in “street name” by a broker and you do not give instructions to the broker on how to vote your shares at the Annual Meeting, then the broker will be entitled to vote the shares with respect to “discretionary” items, but will not be permitted to vote the shares with respect to “non-discretionary” items (in which case, the shares will be treated as a “broker non-vote”). The ratification of the selection of RSM US LLP as the Company’s independent registered public accountants subject to the completion of the accounting firm’s client acceptance procedures (Proposal 2) is considered to be a discretionary item and your broker will be able to vote on that item even if it does not receive instructions from you. The other proposal to be considered at the Annual Meeting, election of directors, is a “non-discretionary” item. If you do not instruct your broker how to vote with respect to this item, your broker may not vote your shares with respect to this item.

An abstention is a decision by a shareholder to take a neutral position on a proposal being submitted to shareholders at a meeting. A proxy card marked as abstaining with respect to a proposal will be counted for quorum purposes, but will not be counted as a vote cast, and therefore will have no effect on the vote.

Broker non-votes are also counted in determining the number of shares represented for the purpose of determining whether a quorum is present at the Annual Meeting, provided that there are discretionary items to be acted upon at a shareholders’ meeting such as here with the ratification of the independent registered public accounting firm.

Votes Required

The number of votes required to approve the proposals that are scheduled to be presented at the meeting is as follows:

Proposal	Required Vote
1. Election of 11 directors	For each nominee, a plurality of the votes cast for such nominee.
2. Ratification of the selection of the Company’s independent registered public accountants subject to the completion of the accounting firm’s client acceptance procedures	A majority of the votes cast on the proposal.

Shareholders’ votes will be tabulated by the person appointed by the Board of Directors to act as inspector of election for the annual meeting from Computershare.

PROPOSAL 1 —
ELECTION OF DIRECTORS

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Director Qualifications

We believe the current composition of our board of directors reflects and supports our strategic direction and that our directors bring skills, experience, background and commitment that are relevant to and support our key strategic and operational goals. We seek to continue to strengthen our board of directors when we add new members. Community leadership is an important consideration in reviewing and selecting board candidates. Consideration is given to candidates who can provide diversity to our board of directors reflective of the community we serve. Where other criteria in terms of character, skills, experience, track record and commitment are assessed by our Governance Committee, to be equivalent, candidates reflecting such diversity may be given preference. With respect to re-nominations of sitting directors, the Governance Committee and our board of directors considers individual performance as a director and any material changes in the director's professional or job status, or community involvement. The Governance Committee is also guided in this effort by an annual assessment of our directors. A director may not serve on the board of more than four public companies.

Director Independence

Under the rules of the Nasdaq Stock Market, independent directors must comprise a majority of our board of directors. The rules of the Nasdaq Stock Market, as well as those of the SEC, also impose several other requirements with respect to the independence of our directors. Our board of directors has determined that all of our directors except Mr. Gruseke and Ms. Brathwaite are independent for purposes of the Nasdaq Stock Market rules with respect to board of director composition. Shareholders wishing to communicate directly with the independent members of the board of directors may send correspondence to Bankwell Financial Group, Inc., Attn.: Mr. Blake S. Board Leadership

Our board of directors has appointed Mr. Drexler as Chairman of our board of directors. In prior years, our Chief Executive Officer also served as its Chairman. By having another director serve as chairman, Mr. Gruseke is able to focus his time on running our operations.

Code of Conduct; Code of Ethics

Our board of directors is committed to developing and maintaining effective, transparent, and accountable corporate governance practices. We have adopted Corporate Governance Guidelines as a set of guiding principles which we govern our affairs and the affairs of the Bank. Our Corporate Governance Guidelines address, among other things, the composition and functions of our board of directors, director independence, compensation of directors, management succession and review, board of director committees and selection of new directors. In addition, our board of directors has adopted a Code of Conduct that applies to all of our directors, officers and employees, as well as a separate Code of Ethics for Principal Executive and Senior Financial Officers, including our Chief Executive Officer and Chief Financial Officer. Our Corporate Governance Guidelines, as well the Code of Conduct and Code of Ethics, are available on our website at www.mybankwell.com. Any amendments to the Code of Ethics, or any waivers of its requirements, will be disclosed on our website, as well as any other means required by the Nasdaq Stock Market rules.

Diversity

We have not adopted a formal policy on diversity. Our board of directors will consider diversity when selecting candidates for future board service. When our board of directors determines there is a need to fill a director position, we begin to identify qualified individuals for consideration. We seek individuals who possess skill sets that a prospective director will be required to draw upon in order to contribute to our board of directors, including professional experience, education, and local knowledge. While education and skills are important factors, we also consider how candidates will contribute to the overall balance of our

board of directors, so that we will benefit from directors with different perspectives, varying view points and wide-ranging backgrounds and experiences. We view and define diversity in its broadest sense, which includes gender, ethnicity, education, experience and leadership qualities.

Compensation Committee Interlocks and Insider Participation

Audit and Technology Committee Report

The Audit and Technology Committee meets periodically to consider the adequacy of the Company's financial controls and the objectivity of its financial reporting. The Audit and Technology Committee meets with the Company's independent auditors and the Company's internal auditors, all of whom have unrestricted access to the Audit and Technology Committee.

In connection with this year's financial statements, the Audit and Technology Committee has reviewed and discussed the Company's audited financial statements with the Company's officers and Whittlesey & Hadley, P.C., our independent auditors. We have discussed with Whittlesey & Hadley, P.C, the matters required to be discussed by the Public Company Accounting Oversight Board (United States) (PCAOB) Auditing Standard No. 16, "Communications with Audit Committees". We also have received the written disclosures and letters from Whittlesey & Hadley, P.C required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees"), and have discussed with representatives of Whittlesey & Hadley, P.C their independence.

Based on these reviews and discussions, the Audit and Technology Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K.

Stock Option, Equity Award and Incentive Plans

Officer Incentive Compensation Plan. On March 30, 2016, our Officer Incentive Compensation Plan or, the Officer Compensation Plan, was approved. The Officer Incentive Compensation Plan is designed to provide cash compensation to our senior management for achieving budgeted profits and for outstanding performance in furthering our financial goals. The Officer Compensation Plan is administered by our Compensation Committee. Awards under the Officer Compensation Plan are normally based upon specific operating results and individual performance. The Compensation Committee reserves the right to amend or adjust payouts. Incentive awards paid under the Officer Compensation Plan are considered taxable income in the year paid. The Officer Compensation Plan includes a "clawback" provision providing for the forfeiture of incentives in the event of material financial restatements.

Equity Plans. The Company has five equity award plans. Any future issuances of equity awards will be made under the 2012 Plan and/or any new plan adopted by the Company and its shareholders in the future. All equity awards made under the plans are made by means of an award agreement, which contains the specific terms and conditions of the grant, which may include terms relative to vesting, rights upon death, disability or other termination of service, rights upon change in control, acceleration of benefits, transferability and amendments.

On June 25, 2003, the Company's shareholders adopted the 2002 Bank Management, Director and Founder Stock Option Plan, or the 2002 Plan. Under the 2002 Plan, 152,200 shares were made available to be issued as options. On July 26, 2006, the Company's shareholders approved the 2006 Stock Option Plan, or the 2006 Plan. Under the 2006 Plan, 47,800 shares were made available to be issued as options. On June 27, 2007, the Company's shareholders adopted the 2007 Bank of New Canaan Stock Option and Equity Award Plan, or the 2007 Plan, and 165,244 shares were made available for issuance as stock options and restricted stock pursuant to the 2007 Plan. On June 22, 2011, the Company's shareholders adopted the 2011 BNC Financial Group, Inc. Stock Option and Equity Award Plan, or the 2011 Plan, together with the 2002 Plan, 2006 Plan, 2007 Plan and 2011 Plan, collectively referred to as the Other Plans. Under the 2011 Plan the following number of shares were made available for issuance: (i) 45,000 shares plus (ii) the aggregate number of shares and shares underlying grants that have not been reserved for issuance under the abovementioned plans as of September 1, 2011, plus (iii) any shares previously reserved for issuance under the abovementioned plans that, subsequent to September 1, 2011, pursuant to the terms of the such plans, are shares under grants that remain unexercised at the expiration, forfeiture or other termination of such grant, or are shares pursuant to a Grant that are forfeited or repurchased and thus become available for re-issuance under the abovementioned plans. On September 19, 2012, the Company's shareholders adopted the 2012 BNC Financial Group, Inc. Stock Plan or the 2012 Plan. On June 26, 2013, the Company's shareholders adopted an amendment to the 2012 Plan. The Amendment provided for an aggregate number of shares reserved and available for issuance in the amount of an "overhang" of up to 12%. "Overhang" is defined as the aggregate number of grants outstanding but unexercised or unvested under the 2012 Plan and the Other Plans, plus the number of grants available to be granted under the 2012 Plan, divided by the total shares outstanding of the Company. The calculation is made once each year based on the facts available on the prior December 31; the Company's board of directors can then elect to add to the 2012 Plan each year, up to a maximum 12% overhang.

Administration of the Plans. The plans are administered by the Compensation Committee of our board of directors, which has significant discretion with respect to the issuance of awards, establishment of award terms and adoption of policies and practices related to the plans.

Share Authorization. The 2012 Plan authorizes the issuance of options and shares of common stock in relation to the Company's total "overhang," as defined above with respect to stock awards. Through December 31, 2016 there were 681,390 options and shares of common stock authorized under the 2012 Plan. Awards not yet made under the Other Plans, or which are forfeited under the Other Plans, may be issued under the 2012 Plan. In connection with recapitalizations, stock dividends, stock splits, combination of shares or other changes in the stock, our Compensation Committee will make adjustments that it deems appropriate in the aggregate number of shares of common stock that may be issued under the 2012 Plan and the terms of outstanding awards. If any options or shares of stock covered by an award granted under the 2012 Plan are not purchased or are forfeited or expire, or if an award otherwise terminates without delivery of any shares of stock subject thereto, or is settled in cash in lieu of shares of stock, then the number of shares of stock counted against the aggregate number of shares of stock available under the 2012 Plan with respect to the award will again be available for making awards under the 2012 Plan. An aggregate of 480,372 shares of common stock remained available for issuance on December 31, 2016.

Stock Options. The stock options granted under the plans vest pursuant to the individual award agreement. The term of an option cannot exceed 10 years from the date of the grant. If we experience a change of control (as defined in each plan), unless otherwise provided in an award agreement, and subject to a potential roll over of stock options, all stock options become immediately exercisable. Stock options granted under the 2012 Plan do not become immediately exercisable if, as part of the transaction, the successor entity, with the approval of the Compensation Committee, provides for the stock options to roll over and after the transaction will be options for the successor's shares of capital stock with substantially similar terms and conditions as the outstanding stock options prior to the transaction.

Restricted Stock Grants. A participant who receives a restricted stock grant will have all the rights of a shareholder as to those shares, including, without limitation, the right to vote and the right to receive dividends on the shares. If we experience a change of control (as defined in each plan), unless otherwise provided in an award agreement, and subject to a potential roll over of restricted stock grants, all restrictions on restricted stock lapse. Restrictions on restricted stock grants awarded under the 2012 Plan will not lapse if, as part of the transaction, the successor entity, with the approval of the Compensation Committee, provides for the restricted stock grants to roll over and after the transaction will be restricted stock grants in the successor's plan with substantially similar terms and conditions as the outstanding restricted stock grants prior to the transaction. Restricted Stock Units, or RSUs, are rights to receive shares of our common stock or cash based on the value of our common stock at the end of the restriction period, as determined by the Compensation Committee. A grantee of a RSU has none of the rights of a Company shareholder unless and until the shares of our common stock are delivered in satisfaction of such RSUs.

Stock Appreciation Rights. A participant who receives a stock appreciation right, or a SAR, is entitled to surrender to the Company any then exercisable portion of the SAR in exchange for that number of shares of our common stock, cash, or both having an aggregate fair market value on the date of surrender equal to the product of (a) the excess of the fair market value of a share of our common stock on the date of surrender over the base price, as determined by the Compensation Committee, which shall be the fair market value of a share of our common stock on the date the SAR was granted, and (b) the number of shares subject to such SAR. SARs may become exercisable in full or in installments according to a vesting, as the Compensation Committee may determine. If we experience a change in control (as defined in each plan), unless otherwise provided in an award agreement, and subject to a potential roll over of SARs, all SARs shall become fully vested and immediately exercisable. SARs granted under the 2012 Plan do not become fully vested and immediately exercisable if, as part of the transaction, the successor entity, with the approval of the Compensation Committee, provides for the SARs to roll over and after the transaction will SARs in the successor's plan with substantially similar terms and conditions as the outstanding SARs prior to the transaction.

Performance Grants. The Compensation Committee may award performance grants subject to conditions and attainment of such performance goals over such periods as the Compensation Committee determines. A performance share has an initial value equal to the fair market value of our common stock as determined on the date the performance share is granted. To the extent earned, performance grants may be settled in cash, shares of our common stock or any combination thereof as determined by the Compensation Committee. Performance grants become fully vested upon a change in control (as defined in each plan).

Issued and Exercisable Equity Awards. As of December 31, 2016, of the 1,055,820 stock awards authorized under the 2002, 2006, 2007, 2011 and 2012 Plans, 332,998 options have been granted to current and former employees, directors and founders of the Bank, and 449,299 shares of restricted stock have been awarded to current or former employees, management and directors. There were 480,372 stock awards available to be issued as of December 31, 2016.

Termination of the 2012 Plan. In accordance with IRS requirements, the 2012 Plan will terminate upon its tenth anniversary in 2022.

Stock option activity. Stock option activity during the periods indicated is as follows:

401(k) Retirement Plan

We maintain a defined contribution 401(k) retirement savings plan for our employees. The 401(k) plan is intended to qualify as a tax-qualified plan under Section 401 of the Internal Revenue Code so that contributions to the plan and income earned on those contributions are not taxable to participants until withdrawn or distributed from the plan.

Employees may elect to contribute through salary deductions on a before tax and after tax basis. We provide a discretionary matching contribution, which totaled \$226,512 for 2016. Our match is 50% of the first 6% of employee contributions.

Director Compensation

We believe that to successfully recruit and retain talented directors of the caliber needed to effectively direct the Company, our director compensation package should be within the upper 25% of our banking peer group. We consider institutions of similar asset size located throughout Connecticut to be the peer group. Additional public survey data may be consulted to assist us in determining competitive director compensation. We also believe that director compensation should serve to solidify the alignment of the shareholders' interests with that of our board of directors and relate to our success or the success of us or our affiliates.

We combine Company and Bank boards and committees and pay a combined fee for service on both boards and committees. We pay our directors in part based on the directors' attendance at our board and committee meetings held throughout the year. During 2016, directors received an annual retainer of \$25,000. In addition, directors of the Company and Banks received \$750 per board meeting attended and \$400 per committee meeting attended. The Chairman of the Audit and Technology Committee of our board of directors received an annual retainer of \$10,000, the Chairman of the Compensation, ALCO, and Governance Committees of our board of directors each received an annual retainer of \$8,000, the Vice Chairman of our board of directors received an annual retainer of \$50,000, and the Chairman of our board of directors of the Company was compensated via vesting of a restricted stock grant from 2014 in lieu of an annual retainer. Mr. Gruseke did not receive any direct remuneration for serving as a director of the Bank or the Company.

This compensation was recommended by the Compensation Committee and approved by our board of directors after careful and extended evaluation and consideration of the recommendation of the independent compensation consultant hired by the Compensation Committee to review our board of directors' compensation relative its peer group.

We established the BNC Financial Group, Inc. and Affiliates Deferred Compensation Plan for Directors, or the Directors Plan, in 2008. Directors who receive fees are eligible to participate in the Directors Plan. This non-qualified deferred compensation plan is designed to enable non-employee directors to defer receipt of compensation on a tax-advantaged basis. The deferred compensation is paid following retirement except under certain specified circumstances, including a severe financial hardship resulting from illness or accident, loss of property or other similar extraordinary and unforeseeable circumstances. The Directors Plan invests primarily in our common stock, which is purchased by an independent trustee in the open market. The Directors Plan is administered by that independent third party trustee.

The following table sets forth for the year ended December 31, 2016, the compensation paid or awarded by the Company and Bank to each person who was a director on December 31, 2016.

(2)
Compensation in the form of perquisites and other personal benefits provided by the Company has been omitted for each director as the total amount of those perquisites and personal benefits for each constituted less than \$10,000 for the year ended December 31, 2016.

(3)
In lieu of a 2016 annual retainer, Mr. Drexler vested restricted stock from a 2014 grant that was disclosed in the 2015 proxy statement.

Directors have been and will continue to be reimbursed for travel, food, lodging and other expenses directly related to their activities as directors. Directors are also entitled to the protection provided by the indemnification provisions in our current certificate of incorporation and bylaws, the certificate of incorporation and bylaws of the Bank, as well as individual indemnification agreements.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In addition to the compensation arrangements with directors and executive officers described in “Executive Compensation” above, the following is a description of each transaction since January 1, 2016, and each proposed transaction in which:

- we have been or are a participant;
- the amount involved exceeds or will exceed \$120,000; and
- any of our directors, executive officers or beneficial holders of more than five percent of our capital stock, or any immediate family member of or person sharing the household with any of these individuals (other than tenants or employees), had or will have a direct or indirect material interest.

There were/are none.

Ordinary Banking Relationships

Certain of our officers, directors and principal shareholders, as well as their immediate family members and affiliates, are customers of, or have or have had transactions with, the Bank or us in the ordinary course of business. These transactions include deposits, loans and other financial services related transactions. Related party transactions are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. As of the date of this proxy statement, no related party loans were categorized as nonaccrual, past due, restructured or potential problem loans. We expect to continue to enter into transactions in the ordinary course of business on similar terms with our officers, directors and principal shareholders, as well as their immediate family members and affiliates.

The aggregate amount of extensions of credit, including overdraft protection, to directors and executive officers, including their immediate families and other associates, was \$4.6 million as of December 31, 2016. All of the foregoing indebtedness was due to loans secured by mortgages held on local real estate. All extensions of credit were made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with others and do not represent more than a normal risk of collectability or present other unfavorable features. We expect to have similar banking transactions in the future on comparable terms and conditions. All of these loans are performing as agreed.

Policies and Procedures Regarding Related Party Transactions

Transactions by the Bank or us with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the FRA and the Federal Reserve Board’s Regulation W (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve Board’s Regulation O (which governs certain loans by the Bank to its executive officers, directors, and principal shareholders). We and the Bank have adopted policies designed to ensure compliance with these regulatory requirements and restrictions.

Our board of directors has adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and Nasdaq concerning related party transactions. Related party transactions are transactions in which we are a participant and a related party has or will have a direct or indirect material interest. Related parties include our current and former directors (including nominees for election as directors) and our executive officers, beneficial holders of more than 5% of our capital stock and the immediate family members of these persons. All related party transactions in which the aggregate amount involved will or may be expected to exceed \$50,000 in any calendar year are reviewed and approved by the Governance Committee. In determining whether to approve a related party transaction, the Governance Committee will consider, among other factors, the related party’s interest in the transaction, the materiality of the related party transaction to the Company and the related party, whether the transaction with the related party is proposed to be entered into on terms no less

favorable to the Company than terms that could have been reached with an unrelated third party, the
20

purpose of, and the potential benefits to the Company of, the related party transaction, the perceived impact on the independence of a director related party and other information regarding the related party transaction or the related party in the context of the proposed transaction that the Governance Committee deems relevant. Our Related Party Transactions Policy is available on our website. During 2016 the Governance Committee of the board of directors considered that the law firms of which Mr. Castiglioni, Mr. Lampert and Mr. Porto are partners performed de minimis legal services for the Bank in 2016. In addition, a transaction involving BG Realty, LLC, a company wholly-owned by the adult sons of Mr. Fieber did not compromise his independence (and that the transaction was conducted on fair market terms in accordance with bank regulations). BG Realty assisted the Bank in identifying a bankruptcy purchase opportunity for the Company's main office, and helped negotiate acceptable terms. The Committee believed the consulting fees paid (below the Related Party Transaction limit) were reasonable under the circumstances and that Mr. Fieber was not going to benefit in the transaction. None of Mr. Castiglioni, Mr. Lampert, Mr. Porto or Mr. Fieber participated in the discussion regarding their independence.

PROPOSAL 2 —
RATIFY THE SELECTION OF INDEPENDENT AUDITORS

Change in Auditor

On April 7, 2017, our Audit Committee selected a new principal independent accounting firm, effectively dismissing our former principal independent accounting firm, Whittlesey & Hadley, P.C., subsequent to their first quarter 2017 review. The Audit Committee engaged the services of RSM US LLP as our new independent public accounting firm and to audit our consolidated financial statements for the fiscal year ending December 31, 2017 subject to the completion of the accounting firm's client acceptance procedures. During the years ended December 31, 2015 and 2016, we did not consult with RSM US LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

During the years ended December 31, 2015 and 2016, there were no disagreements between the Company and Whittlesey & Hadley, P.C. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Whittlesey & Hadley, P.C.'s satisfaction, would have caused Whittlesey & Hadley, P.C. to make reference to the subject matter of the disagreement in connection with its reports on our financial statements for such periods. Also, none of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred within the two most recent years ended December 31, 2015 and 2016.

The audit reports of Whittlesey & Hadley, P.C. on our consolidated financial statements as of and for the years ended December 31, 2015 and 2016 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. We requested Whittlesey & Hadley, P.C. to furnish us with a letter addressed to the Securities and Exchange Commission stating whether they agreed with the above statements. A copy of that letter was filed with the Commission on a Form 8-K filed on April 13, 2017.

One or more representatives of Whittlesey & Hadley, P.C. will be present at the Annual Meeting. These representatives will be provided an opportunity to make a statement at the Annual Meeting if they desire to do so and will be available to respond to appropriate questions from stockholders.

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten percent stockholders are required by regulation of the Securities and Exchange Commission to furnish the Company with copies of all Section 16(a) forms they file. During 2016, all reports made by directors and officers (there were no 10% shareholders) were timely filed, except inadvertent late filings by Mr. Gruseke, Mr. Fieber and Mr. Bauer.

OTHER MATTERS

The Board of Directors is not aware of any matters proposed to be brought before the meeting other than the matters described herein. If any other matters are properly brought before the meeting, it is the intention of the persons authorized to vote the proxies to do so in accordance with their judgment in the best interests of the Company with respect to such matters.
