***2017 Cash Incentive Plan***

On February 21, 2017, the Committee also approved performance goals and payout formulas for fiscal year 2017 consistent with the Company’s Executive and Key Employee Bonus Plan (collectively, the “2017 cash incentive plan”). The 2017 cash incentive plan provides for the payment of cash bonuses to certain of the Company’s executive officers based on performance measures and payout formulas determined by the Committee and targets for each performance measure established by the Committee. Pursuant to the 2017 cash incentive plan, each of the Company’s named executive officers has been assigned threshold, target and maximum bonus amounts. The threshold, target and maximum bonuses as a percentage of the 2017 base salary for the Company’s principal executive officer, principal financial officer and one other named executive officer are as follow:

<b>Title</b>	<b>Name</b>	<b>Threshold (percentage of base salary)</b>	<b>Target (percentage of base salary)</b>	<b>Maximum (percentage of base salary)</b>
President and Chief Executive Officer	Chih-Hsiang (Thompson) Lin	29.2%	58.3%	87.5%
Chief Financial Officer and Chief Strategy Officer	Stefan J. Murry	16.7%	33.3%	50.0%
Senior Vice President of Optical Module Division	Hung-Lun (Fred) Chang	16.7%	33.3%	50.0%

Actual bonus amounts paid to the named executive officers may be more or less than the target bonus amounts. The Committee has the discretion to award bonus amounts that differ for attainment of performance goals that fall above or below the specified goals.

For each named executive officer participating in the 2017 cash incentive plan, the total bonus opportunity will be determined by the achievement corporate performance measures based on revenue and non-GAAP operating income before incentive cash bonus and related tax (“Operating Income”), with each measure being weighted 50% when calculating the payout amounts.

The payments for achievement of each corporate performance measure are subject to certain thresholds. The Company must meet minimum thresholds for each corporate performance measure in order for the executive officers to receive the portion of the target bonus attributable to such corporate performance measure. No incentive payment may be earned for performance below the threshold and the maximum bonus may be earned at the target maximum. The range and target for each component are set forth below:

<b>Performance Goal</b>	<b>% of Revenue Component Attained</b>	<b>% of Operating Income Attained</b>
Threshold	90%	83%
Target	100%	100%
Maximum	105%	108%
