REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Trustee and Participants of Long Island Electric Utility ServCo LLC  
Incentive Thrift Plan II:

We have audited the accompanying statements of net assets available for benefits (modified cash basis) of Long Island Electric Utility ServCo LLC Incentive Thrift Plan II (the "Plan") as of December 31, 2015 and 2014 and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2015. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 2, these financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2015 and 2014 and the changes in net assets available for benefits for the year ended December 31, 2015, on the basis of accounting described in Note 2.

The supplemental information in the accompanying schedule of assets (held at end of year) (modified cash basis) as of December 31, 2015 has been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental information is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information in the accompanying schedule, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental information in the accompanying schedule is fairly stated in all material respects in relation to the financial statements as a whole.

## NOTES TO FINANCIAL STATEMENTS

### 1. DESCRIPTION OF THE PLAN

#### General

The following description of the Long Island Electric Utility ServCo LLC Incentive Thrift Plan II ("Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description ("SPD") for more information.

The Plan was established effective January 1, 2014. The Plan is a defined contribution retirement plan covering substantially all bargaining unit employees of Long Island Electric Utility ServCo LLC ("ServCo"). This includes, but is not limited to, individuals who were employed by National Grid Companies USA ("NatGrid") or an affiliate thereof, who were participants in the National Grid USA Companies' Incentive Thrift Plan II on December 31, 2013, and who became employees of ServCo on January 1, 2014 ("Transition Employees"). ServCo is an indirect subsidiary of Public Service Enterprise Group Incorporated ("PSEG").

The ServCo Employee Benefits Committee ("Benefits Committee") is the Named Fiduciary of the Plan and controls and manages its operation and administration. The ServCo Pension Investment Committee ("TPIC") is the Named Fiduciary of the Plan responsible for management of the Plan investments and the selection and monitoring of the funds offered under the Plan. The Vanguard Group Inc. ("Trustee") is responsible for the custody of the Plan's assets. Vanguard Participant Services is the record keeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Substantially all of the Plan's assets are held in a trust account by the Trustee and consist of a divided interest in an investment account of the Master Employee Benefit Plan Trust ("Master Trust"), a master trust established by ServCo and administered by the Trustee.

#### Contributions and Investment Options

Each Participant enters into a contribution agreement in order to make pre-tax contributions or Roth 401(k) contributions (together "Elective Contributions") and/or after-tax contributions, subject to certain Internal Revenue Code ("IRC") limitations. Generally, a Participant may elect to make after-tax contributions from 1% to 15% of their annual eligible compensation. The combined limit for Elective Contributions and after-tax contributions cannot exceed 50% of the Participant's annual eligible compensation. Participants may also contribute amounts representing distributions from other qualified plans and certain Individual Retirement Accounts ("IRAs").

Participants may direct the investment of their accounts into various investment options offered by the Plan through the Master Trust. The Plan offers investment options in the Common Stock of PSEG ("PSEG Share Fund"), which has been designated as an Employee Stock Ownership Plan ("ESOP") under section 4975(e) of the Code, and mutual funds consisting of various target-date funds and other registered investment company mutual funds.

#### Participant Accounts

Individual accounts are maintained for each Participant. Each Participant's account consists of (a) Participant's contributions, (b) earnings and/or losses, and (c) specific Participant transactions, as defined. The Participant's account is reduced for certain administrative expenses. The benefit to which a Participant or beneficiary is entitled upon death, disability, retirement or termination of service, as applicable, is the benefit that can be provided from the Participant's vested account.

## NOTES TO FINANCIAL STATEMENTS

Dividends on PSEG Common Stock held in the accounts of Participants who have elected to participate in the PSEG Share Fund will be reinvested in the PSEG Share Fund.

### Participant Loans

Except as discussed in the following paragraph, Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance at the time the loan is originated. The loans are secured by the balance in the Participant's account and existing loans bear interest at rates that at December 31, 2015, range from 3.25% to 10.50% which are commensurate with local prevailing rates at the time that the loan was originated, as determined, at such time by the Benefits Committee. Principal and interest is paid ratably through payroll deductions.

Participants may have no more than two loans outstanding at any one time.

These loans are measured at their unpaid principal balances plus any accrued but unpaid interest.

### Payment of Benefits

Upon termination of employment, a Participant may elect to receive an amount equal to the value of the interest in his or her account in either a lump-sum payment, or through various periodic installment methods (not less frequently than annually). If a Participant's account balance is less than \$1,000 at the time of termination, the Participant will receive an automatic lump-sum payment for the entire account balance. For termination due to death, the Participant's beneficiary will receive a lump-sum distribution equal to the value of the Participant's interest in his or her account. If a Participant is no longer working for ServCo and has a balance in the Plan, he or she must begin to receive distributions from his or her account no later than April 1 following the calendar year in which he or she reaches age 70½.

A Participant who is currently an employee and who has not attained age 59½ may withdraw all or part of his or her after-tax contributions. Other deposits may not be withdrawn during employment prior to age 59½ except for reasons of extraordinary financial hardship and to the extent permitted by the IRC ("hardship withdrawals"). Hardship withdrawals are subject to taxes and penalties. Participants who require a hardship withdrawal are prohibited from contributing to the Plan for six months following such distribution.

### Vesting

All Participant contributions are 100% vested in the Plan.

## NOTES TO FINANCIAL STATEMENTS

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

The accompanying financial statements are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles (“GAAP”). The modified cash basis of accounting utilizes the cash basis of accounting while carrying investments at fair value and recording investment income on the accrual basis.

#### Use of Estimates

The preparation of financial statements requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Risks and Uncertainties

The Plan permits Participants to select from among various investment options. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect Participants’ account balances and the amounts reported in the financial statements.

#### Investment Valuation and Income Recognition

The Plan’s investment is in the Master Trust. The investments maintained in the Master Trust are stated at fair value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Master Trust are deemed to be actively traded. Shares held by the PSEG Share Fund are valued at their closing price reported on the active market on which the security is traded.

At December 31, 2014, the Master Trust invested in Retirement Collective Trusts which were valued at net asset value at year-end. These funds were sold in 2015.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

#### Payment of Benefits

Benefit payments to Participants are recorded when paid.

#### Administrative Expenses of the Plan

Certain expenses incurred with the general administration of the Plan, including taxes and brokerage costs, are recorded in the accompanying Statement of Changes in Net Assets Available for Benefits. Certain administrative functions performed by the officers and employees of ServCo are paid by Employers (Note 6).

## NOTES TO FINANCIAL STATEMENTS

3 INVESTMENT OF THE PLAN AND THE LONG ISLAND ELECTRIC UTILITY SERVCO LLC INCENTIVE THRIFT PLAN I (THRIFT PLAN I) IN THE MASTER TRUST

Use of the Master Trust permits the commingling of trust assets with the assets of the Thrift Plan I for investment and administrative purposes. The Thrift Plan I is a defined contribution retirement plan available to non-represented employees of ServCo. Although assets of both plans are commingled in the Master Trust, the Trustee maintains supporting records for the purpose of allocating the net assets and net income or loss of the investment account to the respective participating plans. The net assets and the net investment income or loss of the investment assets is allocated by the Trustee to each participating plan based on the relationship of the interest of each plan to the total of the interests of the participating plans. As of December 31, 2015 and 2014, the Plan's interests in the assets of the Master Trust were approximately 67%. Assets and investment income of the Master Trust consist of:

	As of December 31,
