No Change Since Last Report

(Former name or former address, if changed since last report)

Item 2. Disposition of Assets.

On October 18, 1999, we announced the agreement to sell our water and wastewater treatment operations to American Water Works, Inc. for \$745.0 million in cash and \$90.0 million of assumed debt. This transaction closed on January 15, 2002 for \$859.1 million in cash and \$120.4 million in assumed debt and other liabilities. The cash received in this transaction reflects a purchase price adjustment for construction expenditures made by us since October 18, 1999 and other purchase price adjustments pursuant to the asset purchase agreements. We expect to report a pretax gain of over \$300.0 million on this transaction in the first quarter of 2002.

This transaction is part of our plan of divestiture of our public utilities services businesses approved by our Board of Directors on August 24, 1999. In addition to the sale of our water and wastewater treatment operations we have previously sold two of our natural gas operations. We are pursuing the sales of the remainder of our natural gas operations and all of our electric operations.

Proforma Financial Information

Divestitures

On August 24, 1999, our Board of Directors approved a plan of divestiture for our public utilities services businesses, which include gas, electric and water and wastewater treatment businesses. We have sold all of our water and wastewater treatment operations and two of our natural gas operations. The status of each transaction is described as follows:

Water and Wastewater

Edgar Filing: CITIZENS COMMUNICATIONS CO - Form 8-K

On October 18, 1999, we announced the agreement to sell our water and wastewater treatment operations to American Water Works, Inc. for \$745.0 million in cash and \$90.0 million of assumed debt. This transaction closed on January 15, 2002 for \$859.1 million in cash and \$120.4 million in assumed debt and other liabilities. The cash received in this transaction reflects a purchase price adjustment for construction expenditures made by us since October 18, 1999 and other purchase price adjustments pursuant to the asset purchase agreements. We expect to report a pretax gain of over \$300.0 million on this transaction in the first quarter of 2002.

Electric

On February 15, 2000, we announced that we had agreed to sell our electric utility operations. The Arizona and Vermont electric divisions were under contract to be sold to Cap Rock Energy Corp. (Cap Rock). The agreement with Cap Rock was terminated on March 7, 2001. We intend to pursue the disposition of the Vermont and Arizona electric divisions with alternative buyers. In August 2000, the Hawaii Public Utilities commission denied the initial application requesting approval of the purchase of our Kauai electric division by the Kauai Island Electric Co-op for \$270 million in cash including the assumption of certain liabilities. We are discussing a reduction of the purchase price and other options. Our agreement for the sale of this division may be terminated unilaterally unless such amended and restated Purchase Agreement is entered into.

Gas

On July 2, 2001, we completed the sale of our Louisiana Gas operations to Atmos Energy Corporation for \$363.4 million in cash. The pre-tax gain on the sale recognized in the third quarter of 2001 was approximately \$139.3 million.

In July 2001, an agreement was signed to sell the Colorado Gas division to Kinder Morgan. This transaction closed on November 30, 2001. We received approximately \$8.9 million, after purchase price adjustments.

The following unaudited pro forma condensed combined Balance Sheet information has been prepared to illustrate the effect of the water and wastewater treatment sector disposition had this transaction been completed at September 30, 2001. A pro forma statement of operations for the year ended December 31, 2000 and for the nine months ended September 30, 2001 has not been presented since the operations of the water and wastewater treatment sector was included in discontinued operations for both periods and any pro forma adjustments to continuing operations are negligible.

The pro forma information does not attempt to predict or suggest future results. The pro forma information also does not attempt to show how the company would actually have appeared had the transaction occurred prior to the date presented. If the transaction had actually occurred in prior periods, the financial position of the company would likely be different. You should not rely on pro forma financial information as an indication of the financial position that would have been achieved if the disposition had taken place earlier or the future financial position that the company will experience.

This unaudited pro forma condensed combined balance sheet should be read in conjunction with the historical financial statements of Citizens Communications Company.

Citizens Communications Company
Notes to Unaudited Pro Forma Condensed Balance Sheet
September 30, 2001

(1) The adjustment represents the receipt of the net cash proceeds from the sale of the Water and Wastewater treatment sector and the elimination of the assets of discontinued operations and liabilities of discontinued operations (at September 30, 2001) net of estimated income taxes due on the sale. The cash amount reflects the gross sales price, as amended, plus adjustments for construction expenditures and working capital less liabilities and debt assumed. The estimated after tax gain on the sale of \$139.1 million (at September 30, 2001) is reported in retained earnings.
