EXPLANATORY NOTE

POST-EFFECTIVE AMENDMENT NO. 1 TO FORM S-8

Edgar Filing: SWIFT ENERGY CO - Form S-8 POS

This Post-Effective Amendment No. 1 to Registration Statement 333-45354 on Form S-8 is being filed pursuant to Rule 414 under the Securities Act of 1933, as amended (the "Securities Act"), to reflect the new holding company organizational structure of Swift Energy Company (the "Registrant"), effected in accordance with Article 5.03.H of the Texas Business Corporation Act (the "TBCA") and the Registrant's status as the successor issuer to Swift Energy Company as it was constituted prior to the Merger (as defined below).

The holding company organizational structure was effected pursuant to an Plan and Agreement and Articles of Merger to Form Holding Company (the "Merger Agreement") among Swift Energy Company as it was constituted prior to the effectuation of the new holding company structure (the "Predecessor"), the Registrant, and Swift Energy Operating, LLC, a Texas limited liability company and a wholly-owned subsidiary of the Registrant ("Operating"). The Merger Agreement provides for the merger of the Predecessor into Operating, with Operating continuing as the surviving entity and as a wholly-owned subsidiary of the Registrant (the "Merger"). The Merger was effective as of 9:00 a.m., local time in Austin, Texas on December 28, 2005. Prior to the Merger, the Registrant was a direct, wholly-owned subsidiary of the Predecessor organized for the purpose of implementing the holding company organizational structure. Pursuant to Article 5.03.H of the TBCA, shareholder approval of the Merger was not required. In connection with the Merger, the Registrant's name was changed to "Swift Energy Company."

By virtue of the Merger, all of the Predecessor's outstanding capital stock was converted, on a share for share basis, into capital stock of the Registrant. As a result, each shareholder of the Predecessor became the owner of an identical number of shares of capital stock of the Registrant. Additionally, each treasury share of the Predecessor was automatically converted into a treasury share of the Registrant. Also, each outstanding option to purchase shares of the Predecessor's common stock was automatically converted into an option to purchase, upon the same terms and conditions, an identical number of shares of the Registrant's common stock. Finally, each preferred share purchase right under the Predecessor's Amended and Restated Rights Agreement was automatically converted, upon the same terms and conditions, into a preferred share purchase right for each outstanding share of the Registrant's common stock held by such holder.

In accordance with Rule 414, the Registrant, as the successor issuer to the Predecessor, hereby expressly adopts Registration Statement No. 333-45354 on Form S-8 as its own for all purposes under the Securities Act and the Securities Exchange Act of 1934, as amended. This Registration Statement pertains to the Swift Energy Company's 1990 Stock Compensation Plan, 1990 Nonqualified Stock Option Plan and the Employee Savings Plan, Registration fees were paid at the time of filing the original Registration Statement.
