Item 8.01. Other Events.

During the first quarter of fiscal 2015, The Home Depot, Inc. (the "Company") changed its accounting policy for shipping and handling costs from the Company's stores, locations or distribution centers to customers and for online fulfillment center costs. Under the new accounting policy, these costs are included in Cost of Sales, whereas they were previously included in Operating Expenses. Including these expenses in Cost of Sales better aligns these costs with the related revenue in the gross profit calculation. Certain amounts in prior fiscal years have been reclassified to conform with the presentation adopted in the current fiscal year.

The Company is filing this Current Report on Form 8-K to update its Annual Report on Form 10-K for the fiscal year ended February 1, 2015 filed with the Securities and Exchange Commission (the "SEC") on March 26, 2015 (the "2014 Form 10-K"), to present the revised Consolidated Statements of Earnings resulting from the change in accounting policy. This reclassification had no impact on Net Sales, Operating Income, Net Earnings or Earnings per Share.

The following Notes to the Consolidated Financial Statements, in Part II, Item 8, "Financial Statements and Supplementary Data" of the 2014 Form 10-K have been added to or retrospectively adjusted from the previous presentation:

- Note 1: Summary of Significant Accounting Policies
- Note 2: Change in Accounting Policy
- Note 15: Quarterly Financial Data (Unaudited)

The change in accounting policy had no material effect on the Company's historical consolidated financial condition, results of operations or cash flows for any of the respective periods, and the recast consolidated financial statements contained in Exhibit 99.1 hereto do not represent a restatement of the Company's previously issued consolidated financial statements that were included in the 2014 Form 10-K.

Except as specifically noted herein and in the attached exhibits, this Current Report on Form 8-K does not reflect events or developments that occurred after March 26, 2015 and does not modify or update the disclosures in any significant way other than as described above and set forth in the exhibits hereto. Without limiting the foregoing, this filing does not purport to update or amend the information contained in the 2014 Form 10-K for any information, uncertainties, transactions, risks, events or trends occurring or known to management. More current information is contained in the Company's Forms 10-Q for the periods ended May 3, 2015 and August 2, 2015 and other filings with the SEC. The information in this Current Report on Form 8-K should be read in conjunction with the 2014 Form 10-K. Revisions to the 2014 Form 10-K included in this Current Report on Form 8-K as noted above supersede the corresponding portions of the 2014 Form 10-K.
