QUESTIONS AND ANSWERS REGARDING THE ANNUAL MEETING

Where and when is the Annual Meeting of Stockholders?

Our Annual Meeting of stockholders will be held at our subsidiary Modcomp Inc. executive offices, 1500 South Powerline Road, Deerfield Beach, Florida at 9:00 a.m. local time on February 10, 2015.

Who may vote at the Annual Meeting?

You may vote if our records show that you owned your shares on December 19, 2014, which is the record date. At the close of business on the record date 3,655,648 shares of our common stock were issued and outstanding and eligible to vote. You may cast one vote for each share of common stock held of record by you on the record date on all matters presented.

Why did I receive the proxy materials by e-mail?

You requested that the Company deliver proxy materials to you electronically by e-mail. If you wish to terminate this request, please contact American Stock Transfer & Trust Company, LLC by calling (800) 937-5449 or writing to 6201 15th Avenue, Brooklyn, New York 11219.

What is the difference between holding shares as a stockholder of record and beneficial owner?

Most of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially. **Stockholder of Record.** If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Co., you are considered the stockholder of record with respect to those shares, and the proxy materials, including your proxy card, were sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us via the Internet, by telephone or by mail, or to vote in person at the Annual Meeting.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares, which are held in “street name,” and the proxy materials, including your proxy card, are being provided to you by your broker, bank or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you request, complete and deliver a proxy from your broker, bank or nominee. Your broker, bank or nominee has sent you a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares.

How many votes can be cast by all stockholders?

Each share of our common stock is entitled to one vote. There is no cumulative voting. We had 3,655,648, shares of common stock outstanding and entitled to vote on the record date.

How many votes must be present to hold the Annual Meeting?

We must have a quorum in order to hold the Annual Meeting and conduct business. A majority of our issued and outstanding shares as of the record date constitutes a quorum. Shares are counted if you are present at the Annual Meeting or a proxy card has been properly submitted by you or on your behalf. In general, abstentions are counted as present for the purpose of determining the presence of a quorum at a meeting of stockholders. Proxies received from brokers that express a vote on any matter will also be counted as present, even if they show a broker “non-vote” on any other matter(s). The vote on each matter submitted to stockholders is tabulated separately. American Stock Transfer & Trust Co. will tabulate the votes.

If on the date scheduled for the Annual Meeting a quorum does not exist for purposes of conducting business at the Annual Meeting, the management persons named as proxies in the proxy card will use the discretionary authority granted to them thereby to adjourn the meeting to a future date for purposes of seeking a quorum.

I own my shares in “street name.” Will my broker vote my shares for me?

The ability of brokers to vote your shares for you without instructions from you is governed by Rule 452 of the New York Stock Exchange, which regulates the behavior of brokers who are “member organizations” of the NYSE (without regard to what exchange the shares are traded on). The NYSE has identified 18 specific types of “Broker May Not Vote” matters, also known as non-routine matters. At our Annual Meeting, the election of directors (Proposal One), approval and adoption of our 2015 Stock Incentive Plan (Proposal Two) the “say-on-pay” proposal (Proposal Three), and the stockholder proposal on proxy access (Proposal Five) are all “Broker May Not Vote” matters, and therefore your broker will not express a vote on those proposals without instructions from you. In cases where the broker is otherwise able to return your proxy card (for example, because your broker receives instructions from you on one such matter but not on others), the broker will submit your proxy card in accordance with your instructions on the matter(s) for which you gave instructions or on which the broker had discretion, and will show other matters as a broker “non-vote.”

Proposal Four, the ratification of the appointment of our independent auditors, is ordinarily a “Broker May Vote,” or routine matter. Your broker may vote in accordance with management's recommendation on a routine matter, without instructions from you.

How many votes are required to elect directors?

Directors are elected by a plurality of the votes cast. This means that the individuals nominated for election to the Board of Directors who receive the most “FOR” votes (among votes properly cast in person or by proxy) will be elected; a nominee does not need to receive a majority to be elected. If you withhold authority to vote with respect to the election of a nominee, your shares will not be voted with respect to that nominee. Your shares will be counted for purposes of determining whether there is a quorum.

How many votes are required to approve and adopt the 2015 Stock Incentive Plan?

To be approved, Proposal Two requires the affirmative vote of the majority of the shares of common stock entitled to vote and present in person or represented by proxy at the Annual Meeting. You may cast a vote “FOR” or “AGAINST” the proposal, or you may abstain. Because approval requires a majority of the votes cast, a vote to abstain is equivalent of a vote “AGAINST” the proposal. A broker “non-vote” will not be counted as a vote cast.

How many votes are required to approve the advisory vote on the compensation paid to the Company’s named executive officers (the “say-on-pay proposal”)?

Approval of the say-on-pay proposal requires the affirmative vote of a majority of the shares represented and entitled to vote at the Annual Meeting. You may cast a vote either “FOR” or “AGAINST” the say-on-pay proposal, or you may abstain. A vote to abstain is the equivalent of a vote “AGAINST” the proposal. A broker “non-vote” will not be counted as a vote cast. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

How many votes are required to approve the stockholder proposal on proxy access?

To be approved, Proposal Five requires the affirmative vote of the majority of the shares of common stock entitled to vote and present in person or represented by proxy at the Annual Meeting. You may cast a vote “FOR” or “AGAINST”

the proposal, or you may abstain. Because approval requires a majority of the votes cast, a vote to abstain is equivalent of a vote "AGAINST" the proposal. A broker "non-vote" will not be counted as a vote cast. Because the proposal is precatory, it is advisory in nature and will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions on this subject. How many votes are required to ratify the appointment of the Company's independent auditors?

2

Ratification of the appointment of McGladrey, LLP as the Company's independent auditors requires the affirmative vote of a majority of the shares represented and entitled to vote at the Annual Meeting. You may vote either "FOR" or "AGAINST" ratification of the appointment, or you may abstain. A vote to abstain is the equivalent of a vote "AGAINST" the proposal.

How do I vote?

You may vote in one of four ways:

- Over the Internet

If your shares are registered in your name: Vote your shares over the Internet by accessing the proxy online voting website at: www.proxyvote.com and following the on-screen instructions. You will need the control numbers that appear on your proxy card when you access the web page.

If your shares are held in the name of a broker, bank or other nominee: Vote your shares over the Internet by following the voting instructions that you receive from such broker, bank or other nominee.

- By Telephone

If your shares are registered in your name: Vote your shares over the telephone by accessing the telephone voting system toll-free at 1-800-690-6903 in the United States and from foreign countries using any touch-tone telephone and following the telephone voting instructions. The telephone instructions will lead you through the voting process. You will need the Company number, account and control numbers that appear on your proxy card.

If your shares are held in the name of a broker, bank or other nominee: Vote your shares over the telephone by following the voting instructions you receive from such broker, bank or other nominee.

- By Mail

Vote by signing and dating the proxy card(s) and returning the card(s) in the prepaid envelope.

- In Person

What if I submit my proxy but do not vote for one or more of the proposals?

If you submit your proxy via the Internet, by telephone or by returning your signed proxy card, but do not mark or specify selections, then the shares covered by your proxy will be voted as recommended by the Board of Directors in this proxy statement. If you indicate a choice with respect to any matter to be acted upon on your proxy, the shares you hold will be voted in accordance with your instructions.

If you are a beneficial owner and hold your shares through a broker and do not submit your selections in accordance with the instructions received from your broker, the broker or other nominee will determine if it has discretionary authority to vote on the particular matter. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have discretion to vote such shares on routine matters, but not on non-routine matters.

Can I change or revoke my vote after submitting it?

Yes. After you submit your vote via the Internet, by telephone or by mail, you retain the power to revoke your proxy or change your vote. You can revoke your proxy or change your vote at any time before it is exercised by giving written notice to our corporate secretary specifying such revocation. You may change your vote by timely delivery of a valid, later-dated proxy or by voting by ballot at the Annual Meeting if you are a record holder. If you are a beneficial owner and vote your shares through your broker, bank or nominee and have previously given instructions that you wish to change or revoke, you can provide new, later-dated instructions to your broker, bank or nominee to act as you so instruct.

What should I do if only one set of proxy materials for the Annual Meeting are sent and there are multiple CSPI stockholders in my household?

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy materials and annual reports. This means that only one copy of the proxy materials may have been sent to multiple stockholders in your household. You may promptly obtain an additional copy of the proxy materials and our 2014 Annual Report at no charge by sending a written request to Broadridge Financial Solutions, Householding

Department, 51 Mercedes Way, Edgewood, New York 11717, or by calling Broadridge toll-free at 800-542-1061. Alternatively, if you participate in householding and wish to revoke your consent and receive separate copies of our Proxy Statement and Annual Report, please contact Broadridge, as described above. A

3

number of brokerage firms have instituted householding. If you hold your shares in street name, please contact your bank, broker or other holder of record to request information about householding.

Who can attend the Annual Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend. Each stockholder may also bring guests to the meeting if there is space available.

Where can I find more information?

We file annual, quarterly and current reports, proxy statements, and other information with the SEC. Our common stock is traded on the NASDAQ Global Market (NASDAQ) under the symbol "CSPI." You may read and copy any document that we file at the SEC's Public Reference Room at 100 F Street, N.E., Room 1580, Washington, D.C. 20549. Our SEC filings are also available to the public on the SEC's website at <http://www.sec.gov>.

Who can help answer my questions?

If you have additional questions about the matters proposed for consideration at the Annual Meeting, you should contact:

CSP Inc.

43 Manning Road

Billerica, MA 01821

Attn: Gary W. Levine, Chief Financial Officer

Phone: (978) 663-7598

What should I do now?

Carefully read this document and either submit your vote via the Internet or by telephone or, if voting by mail, indicate on the proxy card how you want to vote. If voting by mail, sign, date and mail your proxy card in the enclosed prepaid return envelope as soon as possible. You should submit your vote now even if you expect to attend the Annual Meeting and vote in person. Submitting your vote now will not prevent you from later canceling or revoking your proxy right until the meeting, and will ensure that your shares are voted if you later find you cannot attend the Annual Meeting.

How do I find out the voting results?

Preliminary voting results will be announced at the Annual Meeting, and the final voting results will be published in a Form 8-K filed with the SEC within four business days after the Annual Meeting.

You may obtain a copy of the filed Form 8-K by visiting our website or the SEC's website, contacting our Investor Relations department by calling 978-663-7598, or writing to Investor Relations, CSP Inc., 43 Manning Road, Billerica, Massachusetts 01821.

Ms. Smith's operational executive management experience, knowledge and experience at a premier technology educational center brings a unique understanding of the technology markets to the Board and qualifies her for service as a director of our Company.

We believe that the qualifications for serving as a director of CSPI include these: that a nominee demonstrates significant accomplishment in his or her field, together with an ability to make a meaningful contribution to the Board's oversight of business affairs in our industries. Each director must also have an excellent record and reputation for honesty and ethical conduct in both his or her professional and personal activities. We consider Messrs. Blackmon, Bunnett, Dellovo, James and Ms. Smith to be well qualified to serve as directors of our Company.

6

The Board's five director-nominees for election at the Annual Meeting – Charles Blackmon, Victor Dellovo, Robert Bunnett, C. Shelton James and Ms. Marilyn T. Smith – have been recommended to the Board by the Nominating Committee and unanimously nominated.

The Board of Directors unanimously recommends that you vote "FOR" the election of each of Ms. Smith and Messrs. Blackmon, Bunnett, Dellovo and James, to serve as a director of the Company.

Unless marked to the contrary, proxies received will be voted "FOR" the election of each of the nominees listed above.

CORPORATE GOVERNANCE

We believe that good corporate governance and fair and ethical business practices are crucial not only to the proper operation of our company, but also to building and maintaining confidence in the integrity, reliability and transparency of the securities markets. We endeavor to stay abreast of the actions taken in the past few years by Congress, the SEC and NASDAQ to improve and enhance corporate governance, and we take our responsibilities in this area very seriously. This section explains some of the things we have done, or are considering, to improve the way we run CSPI.

Independent Directors

Rules and regulations of the SEC and NASDAQ require that a majority of our Board be "independent." The Board has reviewed those rules and regulations and has determined that Messrs. Blackmon, Bunnett, James and Ms. Smith are independent directors. As required by NASDAQ rules, the independent directors convene regularly scheduled meetings at which only independent directors are present.

Board Leadership Structure and Role in Risk Oversight

The Board believes that separating the positions of Chairman and Chief Executive Officer offers independent Board leadership and objective oversight of management. The Board believes that this separation will give better clarity of leadership and is in the best interests of CSPI and its stockholders at this time. The non-management directors regularly meet alone in executive session at Board meetings.

Management is responsible for the day-to-day management of the risks that we face, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board is responsible for satisfying itself that the risk management processes are adequate and functioning as designed. The Board's involvement in risk oversight includes receiving regular reports from members of senior management and evaluating areas of material risk to the Company, including operational, financial, legal, regulatory, strategic and reputational risks.

The Compensation Committee regularly considers the risks associated with our compensation policies and practices for employees, including those related to executive compensation programs. As part of the risk assessment, the Compensation Committee reviewed our compensation programs for certain design features that have been identified as having the potential to encourage excessive risk-taking, such as compensation mix overly weighted toward annual incentives and unreasonable goals or thresholds. The Compensation Committee determined that, for all employees, our compensation programs encourage our employees to take appropriate risks and encourage behaviors that enhance sustainable value creation in furtherance of the Company's business, but do not encourage excessive risk and accordingly are not reasonably likely to have a material adverse effect on the Company. The Compensation Committee believes that because we closely link our variable compensation with attaining performance objectives, we are encouraging our employees to make decisions that should result in positive short-term and long-term returns for our business and our stockholders without providing an incentive to take unnecessary risks. The Compensation Committee on an on-going basis reviews our compensation policies and programs to ensure that our compensation programs and risk mitigation strategies continue to discourage imprudent risk-taking activities.

Meetings and Committees of the Board of Directors

Our Board met four times during the fiscal year ended September 30, 2014. In addition, the Audit Committee met nine times, the Compensation Committee met three, and the Nominating Committee met once. All members attended all of the meetings of the Board and of the committees of which they were a member.

Policies and Procedures for the Review and Approval of Transactions with Related Parties

Our Board has no formal policies and procedures for the review and approval of transactions with related parties. However, the Audit Committee has the responsibility of reviewing and approving transactions with related parties. In connection with the review of any related party transactions, the Audit Committee considers, among other matters, the nature, timing and duration of the transactions, the relationships of the parties to the transactions, whether the transactions are in the ordinary course of the Company's business, the dollar value of the transactions and whether the transactions are in the interests of the Company. In June 2014, Mr. Nicholas Monfredo, the brother-in-law of Mr. Dellovo, was hired as the Sales Manager of the US Operations of Modcomp at an annual salary of \$180,000 and a target annual bonus for FY 2015 equal to 50% of his annual salary, with 75% of the bonus based on

7

meeting the revenue and operating profit goals of the operation and 25% of the bonus based on meeting key performance indicators. The Audit Committee ratified this transaction. There were no other related party transactions considered by the Audit Committee in fiscal year 2014.

Code of Ethics

We have adopted a code of ethics that applies to all of our executive officers, directors and employees, and which is available in the Investor Relations section (under Corporate Governance) of our website at www.cspi.com. A copy of the code of ethics can also be obtained, without charge, by written request to Investor Relations, CSP Inc., 43 Manning Road, Billerica, Massachusetts 01821.

Communications with our Board of Directors

Our stockholders may communicate directly with the members of our Board or the individual chair person of the standing Board committees by writing directly to those individuals c/o CSP Inc. at the following address: 43 Manning Road, Billerica, Massachusetts 01821. Our policy is to forward, and not intentionally to screen, any mail received at our corporate office for an individual to that individual.

Policy Regarding Board Attendance

It is our policy that all members of the Board attend the Annual Meeting of stockholders in person, although we recognize that our directors occasionally may be unable to attend for personal or professional reasons. We generally hold a meeting of the Board on the same date as the Annual Meeting of stockholders. In 2014, all directors attended the Annual Meeting.

Director Candidates and Selection Process

Under our by-laws, nominations for election to our Board may be made only by or at the direction of the Board (which has established the Nominating Committee in connection with this process) or by a stockholder who satisfies the substantive and procedural requirements set forth in our by-laws. Candidates nominated by or at the direction of the Board will appear as the Company's nominees in our proxy materials. An eligible stockholder who complies with our by-laws is able to nominate a candidate for election at our Annual Meeting, and stockholders who are present in person or by proxy at the meeting may vote for such a nominee. However, the Company's proxy materials are not available for that nominee. That is, any eligible stockholder wishing to nominate a non-Board endorsed candidate for election as a director and solicit proxies for such nominee must prepare and file with the SEC, at his own expense, proxy materials meeting the applicable requirements of law for a proxy contest.

The Nominating Committee believes that the minimum qualifications for serving as one of our directors are that a nominee demonstrate significant accomplishment in his or her field, ability to make a meaningful contribution to the Board's oversight of our business affairs and have an excellent record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific knowledge, experience and skills, availability in light of other commitments, potential conflicts of interest and independence from our management and CSPI. Although the Nominating Committee does not have a standalone policy with regard to consideration of diversity in identifying director nominees, it considers diversity in professional background, experience, expertise (including as to financial matters) and perspective (including as to age, gender and ethnicity) with respect to the Board composition as a whole when evaluating a director nominee. In February 2012 we adopted a policy requiring directors to resign at age 75. Two former directors resigned under this policy. The Board reserves the right to extend a waiver of this policy when it considers such a waiver to be in the best interests of the Company, and the Board did waive the requirement as it would have applied to Mr. James in connection with this Annual Meeting.

The Nominating Committee may use any number of methods to identify potential nominees, including personal, management, and industry contacts, recruiting firms and, as described above, candidates recommended by stockholders. The Nominating Committee did not engage any third-party recruiting firms to identify nominees in fiscal 2014.

Once a person has been identified by the Nominating Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the chairman or another member of the Committee will contact the person. Generally, if the person expresses a willingness to be

considered and to serve on the Board, the Nominating Committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the Committee might be considering, and conduct one or more interviews with the candidate, other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments, and may seek management input on the candidate. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

The Nominating Committee will consider, for possible Board endorsement, director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information, among other things:

8

the name and address of the stockholder and the class and number of shares of our stock beneficially owned by the stockholder and owned of record by the stockholder; and all information relating to the candidate that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any other applicable statute, rule or regulation.

Article III, Section 4 of our by-laws requires that the stockholder recommendation and information described above must be received by our corporate secretary at our executive offices not less than 90 days prior to the date of our Annual Meeting of stockholders; provided, however, that if the Annual Meeting (or a special meeting in lieu of the Annual Meeting) is to be held on a date prior to such specified date, and if less than 100 days' notice or prior public disclosure of the date of such annual or special meeting is given or made, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which notice of the date of the scheduled meeting was mailed or the day on which public disclosure was made of the date of such annual or special meeting. Therefore, the deadline for submission of notice for our 2016 Annual Meeting will be November 11, 2015. Our by-laws contain a number of other substantive and procedural requirements, which should be reviewed by any interested stockholder. This description is qualified in its entirety by the text of our by-laws, to which readers are referred for additional information.

COMMITTEES OF THE BOARD OF DIRECTORS

Audit Committee

Our Audit Committee consists of Messrs. Blackmon (chairman) and James and Ms. Smith. The Board determined that the members of our Audit Committee are not only independent, but also are "financially literate" for purposes of NASDAQ rules (that is, able to read and understand financial statements). In addition, the Board has concluded that each of Messrs. Blackmon and James qualifies as an "audit committee financial expert." Mr. Blackmon is a CPA and worked in public accounting for eight years. He was chief financial officer of Interline Brands, Inc. from 2004-2005 and MAGNATRAX Corporation from 1994-2004. Mr. Blackmon currently serves on the audit committee of Concurrent Computer Corporation. Mr. James was a CPA and worked in public accounting from 1962 to 1965. He was chief financial officer of Systems Engineering Laboratories in Ft. Lauderdale, Florida from 1969 to 1980, has served on numerous audit committees and currently serves as chairman on the audit committee of Concurrent Computer Corporation.

Our Audit Committee is responsible for overseeing our accounting and financial reporting processes and the audits of our financial statements. The Committee acts in an oversight capacity and relies on the work and assurances of both management, which has primary responsibility for our financial statements, and our independent auditors, who are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles. Our Audit Committee has adopted a written charter, a current copy of which is available in the Investor Relations section (under Corporate Governance) of our web site at www.cspi.com. A copy of the charter is also available to stockholders upon request, addressed to CSP Inc., Attn: Corporate Secretary, 43 Manning Road, Billerica, Massachusetts 01821.

Nominating Committee

The members of the Nominating Committee are Messrs. Bunnett (chairman), Blackmon and Ms. Smith, each of whom is an independent director. In addition to performing the duties and functions set forth above under "Director Candidates and Selection Process," the functions of our Nominating Committee include the following:

- recommend directors to serve on committees of the Board; and
- advise the Board with respect to matters of Board composition and procedures.

Our Nominating Committee has adopted a written charter, a current copy of which is available in the Investor Relations section (under Corporate Governance) of our web site at www.cspi.com. A copy of the charter is also available to stockholders upon request, addressed to CSP Inc., Attn: Corporate Secretary, 43 Manning Road, Billerica, Massachusetts 01821.

Compensation Committee

Our Compensation Committee is composed of Ms. Smith (chairperson) and Messrs. Bunnett and James, each of whom is an independent director. This Committee is charged with reviewing and approving executive officers' compensation and administering our stock option plans. The Committee also reviews and recommends the compensation to be paid to directors. For fiscal 2014, compensation consultants had no role in determining or recommending the amount or form of executive or director compensation.

9

NASDAQ rules require that the compensation of the chief executive officer be determined, or recommended to the Board for its determination, by either a majority of independent directors or a wholly independent Compensation Committee. NASDAQ rules prohibit a company's CEO from being present during voting or deliberations with respect to his compensation. Compensation of all other executive officers is required to be determined in the same manner, except that the CEO is permitted to be present.

Our Compensation Committee has adopted a written charter, a current copy of which is available in the Investor Relations section (under Corporate Governance) of our web site at www.cspi.com. A copy of the charter is also available to stockholders upon request, addressed to CSP Inc., Attn: Corporate Secretary, 43 Manning Road, Billerica, Massachusetts 01821.

Payments are based on achievement of the (i) Company revenues target and (ii) Company earnings before interest and taxes (EBIT) per share target. The earnings calculation was adjusted to exclude the net amount of a bargain purchase by the Company. Each named executive officer has a target annual incentive opportunity amount expressed as a percentage of his base salary.

12

For Mr. Dellovo, Non-Equity Incentive Plan Compensation reflects achievement of approximately 67% of his target bonus of 50% of his base salary in 2014. For Mr. Levine, Non-Equity Incentive Plan Compensation reflects 8. achievement of approximately 67% of his target bonus of 30% of his base salary in 2014. The Company provides to Messrs. Dellovo and Levine a supplemental "death benefit" retirement plan, the benefits of which are vested for Mr. Levine. Upon retirement the plan provides for an annual pay-out of \$250,000 and 10. \$50,000 in the case of Messrs. Dellovo and Levine, respectively. For more information, see Note 11 to our Consolidated Financial Statements as of and for the years ended September 30, 2014 and 2013, filed with our Annual Report on Form 10-K for the fiscal year ended September 30, 2014.

For Mr. Dellovo, the amount represents \$9,181 and \$6,731 in employer contributions to Mr. Dellovo's 401(k) plan for 2014 and 2013 respectively, and \$15,150 and \$13,124 for the cost of a Company-provided vehicle for 2014 and 11. 2013 respectively. For Mr. Levine, the amount represents \$5,250 in employer contributions to Mr. Levine's 401(k) plan, and \$29,340 for a split life insurance policy for Mr. Levine's benefit in 2013. For Mr. Levine in 2014 and Mr. Bent in FY 2014 and 2013, the amounts of All Other Compensation were less than \$10,000 and therefore omitted.

Employment Agreements and Arrangements

In addition to the employment arrangements described in the footnotes to the Summary Compensation Table, we have an employment agreement with Mr. Dellovo dated September 4, 2012, under which Mr. Dellovo became one of our directors and our President and Chief Executive Officer. On November 11, 2013, Mr. Dellovo's base salary under the agreement was increased to \$378,000. Mr. Dellovo is eligible to receive a bonus based on the attainment of certain financial objectives. If the Company is acquired through an asset sale or merger, all of Mr. Dellovo's shares would be fully vested. We also provide Mr. Dellovo with the use of an automobile.

Under his employment agreement, in the event Mr. Dellovo's employment is terminated other than for cause (as defined), he will be entitled to 12 months of severance pay at his then effective monthly salary. However, as discussed below, Mr. Dellovo's employment agreement has been supplemented and modified by a change of control agreement with us.

Change of Control Agreements

Mr. Dellovo and Mr. Levine have change of control agreements with the Company executed in September 2012 and January 2008, respectively. Under those agreements, in exchange for the right to severance benefits under the circumstances described in the agreements, each executive agrees that for a period of six months after he leaves the Company he will not solicit customers or employees of the Company, directly or indirectly. In case of either a change of control (as defined, and including a change in the majority of the incumbent directors over a two-year period, except for new directors nominated or selected by a majority of the then incumbent board), or termination of employment without cause (as defined) or termination or an adverse change in status of the executive in anticipation of or as required to accomplish a change of control, the executive will be entitled to:

a multiple of his base compensation for the Company's fiscal year then in effect or, if greater, a multiple of his base compensation for the Company's previous fiscal year, plus

a multiple of his annual target variable compensation bonus for the fiscal year then in effect or, if there is no bonus plan in effect that year, the highest variable compensation bonus paid to the executive in any of the three preceding fiscal years.

For Mr. Dellovo, the payouts are two times base compensation and bonus (with the target compensation equal to 50% of annual base pay). For Mr. Levine, the payouts are one times base compensation and bonus (with the target compensation equal to 30% of annual base pay). To receive payment, the executive must deliver to the Company a

satisfactory release of claims.

Following a change of control, Mr. Dellovo and Mr. Levine would be entitled to two years and one year, respectively, of comparable health and welfare benefits, by continuing in the Company's health and welfare plans, or by payment by the Company of amounts sufficient to purchase equivalent coverage in a lump sum or periodically. The executive's stock options and restricted stock awards would vest, and the executive would be entitled to exercise stock options and satisfy any tax withholding obligations under restricted stock awards by delivering shares of our common stock to the Company, or having shares of common stock withheld by the Company, in each case at the fair market value of the common stock and sufficient to meet the relevant requirement. In case of

13

voluntary resignation or termination of employment for cause or by reason of death or disability, then no severance payments would be payable to the executive.

As an illustration of the payments available to Mr. Dellovo and Mr. Levine, if there had been a change of control of the Company as of December 1, 2014, then, based on fiscal year 2014 compensation, Mr. Dellovo would have received \$1,009,266 under his employment and change of control agreement, plus the value of health and welfare benefits as described above, plus other vested benefits in the form of retirement funds. In addition, the value of Mr. Dellovo's accelerated stock awards would be \$278,588 based on the closing price of our common stock on the NASDAQ Global Market (\$7.82) as of the close of trading on December 1, 2014.

Under the same hypothetical circumstances, Mr. Levine would have received \$226,990 under his change of control agreement, plus the value of health and welfare benefits, plus other vested benefits in the form of retirement funds. In addition, the value of Mr. Levine's accelerated stock awards would be \$90,908 based on the closing price of our common stock on the NASDAQ Global Market (\$7.82) as of the close of trading on December 3, 2014.

These illustrations do not take account of tax effects and are intended only as examples.

Clawback and Stock Ownership Policies

The Company's Board of Directors approved a clawback policy and stock ownership guidelines for elected officers and non-employee members of the Board of Directors. The clawback policy is designed to ensure that incentive-based compensation is paid to executive officers based on accurate financial statements. In the event that the Company is required to prepare an accounting restatement due to the material noncompliance with accounting rules, the policy applies to incentive-based compensation that is granted to current or former executive officers of the company who received incentive-based compensation during three-year period preceding the date that the Company is required to prepare a restatement. In addition, when final rules are adopted by the SEC regarding any addition clawback requirements under the Dodd-Frank Wall Street Reform and Consumer Protection Act, we intend to review our policy and amend it to comply with the new rules.

The Company has also instituted stock ownership guidelines for elected officers and non-employee members of the Board of Directors. Such persons will be required to own shares of the Company's Common Stock with a value equal to at least the following amounts within five years from the date they are elected:

Chief Executive Officer: 100% of annual base salary

Chief Financial Officer: 100% of annual base salary

Vice Presidents or other officers: 75% of annual base salary

Board of Directors: 300% of annual retainer

For purposes of the guidelines, ownership will not include unexercised stock options (whether or not vested) but will include all restricted stock and shares will be valued in each fiscal year based on the closing price of the Company's stock at the end of the preceding fiscal quarter.

3. The restricted stock awards vest in equal installments on the first four anniversaries of the grant date except for Mr. Dellovo's 10/18/2012 award of 15,000 shares of restricted stock. See note 5.

4. Value is calculated by multiplying the number of restricted stock awards that have not vested by the closing price of our common stock on the NASDAQ Global Market (\$7.97) as of the close of trading on September 30, 2014.

5. The restricted stock awards vest at a rate of 33-1/3% per year if the Company meets or exceeds its planned revenue and earnings before income taxes in for the fiscal year commencing October 1, 2012.

6. On December 17, 2014, Messrs. Dellovo, Levine and Bent received restricted stock awards of 12,000, 6,000 and 1,000 shares, respectively, at a price equal to the fair market value on the award date. The awards vest over four years.

PROPOSAL TWO:

APPROVAL OF THE CSP INC. 2015 STOCK INCENTIVE PLAN

The Board of Directors unanimously recommends that you vote “FOR” Proposal Two, the proposal to approve and adopt the CSP Inc. 2015 Stock Incentive Plan described in this Proxy Statement.

Reasons for the 2015 Plan

The Company’s 2015 Stock Incentive Plan, or 2015 Plan, which authorizes the grant of awards consisting of incentive stock options, non-statutory stock options, restricted stock and unrestricted stock, covers in the aggregate 300,000 shares of our common stock and was originally adopted by our Board on November 18, 2014 and amended in certain technical respects on December 29, 2014.

We are proposing that stockholders approve the 2015 Plan so that we will be able to continue to grant stock options and restricted and unrestricted stock to our employees and other eligible persons after the last grants under our 2007 Stock Incentive Plan have been awarded. As of December 17, 2014, only 38,283 shares remained available for grant under the 2007 Stock Incentive Plan. Approval of the 2015 Plan is being submitted to a vote of the stockholders because stockholder approval is required (1) to provide option holders with the opportunity for beneficial incentive stock option treatment under the Internal Revenue Code of 1986, as amended (the “Code”) and (2) to satisfy applicable NASDAQ listing standards that, in general, require stockholder approval of equity plans.

In addition, we are subject to Section 162(m) of the Code, which prohibits us from claiming a deduction on our federal income tax return for compensation in excess of \$1 million paid in a given fiscal year to the chief executive officer and the four most highly compensated executive officers, other than the chief executive officer, at the end of that fiscal year. The \$1 million limitation does not apply to “performance-based compensation.” Under applicable rules, options and awards granted under a stock incentive plan that has been approved by the stockholders of a publicly held corporation, and that meets other criteria, will qualify as “performance-based compensation” under Section 162(m). As part of the Section 162(m) requirements, the plan must state a maximum number of awards that a participant may receive in any one year; the 2015 Plan sets the limit at 50,000 shares.

A copy of the 2015 Plan is attached to this proxy statement as Exhibit A.

Description of the 2015 Plan

Purpose

The purpose of the 2015 Plan is to provide additional incentive to present and future Directors, executives and key employees of, as well as consultants and advisers to, the Company and its subsidiaries by affording them an opportunity to acquire or increase their proprietary interest in the Company through the acquisition of shares of our common stock. By encouraging stock ownership by such persons, we seek to attract and retain persons of exceptional competence and seek to furnish an added incentive for them to increase their efforts on our behalf. Awards granted under the 2015 Plan may be “incentive stock options” as defined in Section 422 of the Code, non-statutory stock options, restricted stock or unrestricted stock.

Administration

The Compensation Committee (Committee), the members of which are appointed from time to time by the Board, will administer the 2015 Plan. All questions of interpretation and application of the 2015 Plan, of options granted or stock awards under the 2015 Plan and of the value of shares of common stock subject to an option or other award, are subject to the determination, which is final and binding, of a majority of the Committee. The Board (but not the Committee) may, in its discretion, modify, revise or terminate the 2015 Plan at any time, but the aggregate number of shares issuable under the 2015 Plan may not be increased (except in the event of certain changes in the Company’s capital structure) without the consent of the stockholders. In addition, unless approved by the stockholders, no amendment to the 2015 Plan will be effective if it would cause the plan to fail to satisfy the requirements of the Code for incentive stock options. Unless terminated earlier by the Board, the 2015 Plan will terminate when all of the common stock with respect to which options may be granted under the 2015 Plan has been issued upon the exercise of such options. No options or awards of stock may be granted under the 2015 Plan after November 17, 2024.

Incentive and Non-Statutory Stock Option Awards

The 2015 Plan authorizes the grant of options for the purchase of authorized and unissued shares of common stock to employees (including officers, whether or not they are Directors, and Directors who are also employees) of the Company or any parent or subsidiary of the Company, as well as to Directors, consultants and advisers to the Company. Incentive stock options may be granted only to officers and other employees. Non-statutory options may be granted to officers and other employees, to members of the Board or the board of any subsidiary, and to other persons providing services to the Company or any subsidiary. No incentive stock option may be granted under the 2015 Plan to a greater than 10% stockholder, unless the purchase price per share is not less than 110% of the fair market value of the stock at the time such option is granted, and unless the option is not exercisable more than five years after the date it is granted.

The exercise price for each stock option or the share price of award of restricted stock is determined by the Committee. However, the exercise price of a stock option may not be less than 100% (110% in the case of an incentive stock option granted to a greater than 10% stockholder) of the fair market value of the common stock at the time the option is granted.

Payment of the exercise price may be made in cash or by check or, if the applicable stock option agreement so provides,

by delivery of issued and outstanding shares of common stock of the Company having a fair market value equal to or less than the option price of the shares being acquired, with the balance, if any, to be paid by cash or check;

by delivery of a recourse note by the optionee to the Company at a minimum rate of interest specified by the Plan;

so long as our common stock is publicly traded, by delivery to the Company of an exercise notice along with irrevocable instructions to a broker to deliver to the Company, by cash or check, payment of the exercise price (a so-called “broker assisted” or “cashless” exercise);

by reducing the number of option shares otherwise issuable by a number of shares having a fair market value equal to the aggregate exercise price (a so-called “net exercise”); or

by any combination of these methods of payment.

Under the 2015 Plan, the aggregate fair market value (determined at the time the option is granted) of stock for which incentive stock options are exercisable for the first time by an employee during any calendar year (under all plans of the Company and any parent or subsidiary corporations of the Company) is limited to \$100,000, but the total value of stock for which incentive stock options may be granted to an employee in a given year may exceed \$100,000.

No option granted under the 2015 Plan may extend for a period exceeding ten years from the date of grant, and the Committee determines the rate at which an option may be exercised. No incentive stock option issued under the 2015 Plan may be transferred other than by will or the laws of descent and distribution, and each option is exercisable, during the optionee’s lifetime, only by the optionee.

Except in the case of death or retirement for reasons of age or disability, incentive stock options granted under the 2015 Plan will terminate 90 days (or such other period as the Committee shall specify) after termination of the optionee’s employment without cause and immediately upon termination of employment for cause, as defined in the 2015 Plan (although the Committee in its sole discretion may provide that options held by persons terminated for cause may be exercised for up to 30 days). Under the 2015 Plan, incentive stock options terminate one year (or such longer period as the Committee shall specify at any time) after the optionee’s death or disability while in the employ of the Company (or until expiration of the stated term, if earlier) or 90 days (or such longer period as the Committee shall specify at any time) after the optionee’s retirement (or until expiration of the stated term, if earlier). Non-statutory stock options terminate in accordance with their terms. Shares of common stock subject to an option (or the unexercised portion thereof) that expires or terminates under the 2015 Plan without being exercised may again be subject to an option under the 2015 Plan.

Under the 2015 Plan, the Committee may, in its discretion, specify upon the granting of an option that, as a condition of exercise, the optionee agrees that upon request of the Company or the underwriters managing any underwritten offering of the Company’s securities the optionee will not, for up to 180 days from the effective date of any registration of securities of the Company, sell or otherwise dispose of any shares issued pursuant to the exercise of such options

without the prior written consent of the Company or such underwriters.

Restricted and Unrestricted Stock Awards

The Committee in its discretion may grant restricted stock awards to any eligible person, entitling the recipient to acquire, for a purchase price determined by the Committee, shares of stock subject to such restrictions and conditions as the Committee determines at the time of grant, including continued employment and/or achievement of pre-established performance goals and objectives. A participant who is granted such an award will have no rights with respect to the award unless he or she accepts the award within 60

17

days (or such shorter date as the Committee specifies) following the award date, by making payment to the Company of the specified purchase price of the shares covered by the award and by agreeing in writing to the terms and conditions applicable to the restricted stock, as the Committee determines.

After accepting the restricted stock award, a participant has all the rights of a stockholder with respect to the restricted stock, including voting and dividend rights, subject to non-transferability restrictions and Company repurchase or forfeiture rights and subject to the other conditions contained in the agreement or instrument evidencing the award. Unless the Committee determines otherwise, certificates evidencing the shares of restricted stock remain in the possession of the Company until those shares are vested. Shares of restricted stock may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of except as specifically permitted in the 2015 Plan. In the event of termination of employment by the Company for any reason, including resignation, death, disability, retirement or for cause, the Company will have the right, at the discretion of the Committee, to repurchase the shares of restricted stock that have not then vested at their purchase price, or to require forfeiture of such shares to the Company if acquired at no cost, from the participant or the participant's legal representative. The Company must exercise such right of repurchase or forfeiture within 90 days following the termination of employment.

The Committee at the time of grant will specify the date or dates and/or the attainment of pre-established performance goals, objectives and other conditions on which the non-transferability of the restricted stock and the Company's right of repurchase or forfeiture will lapse. Subsequent to such date or dates and/or the attainment of such pre-established performance goals, objectives and other conditions, the shares on which all restrictions have lapsed are no longer considered restricted stock and are considered "vested." The Committee at any time may accelerate such date or dates and otherwise waive or, in general, amend conditions of the award.

The Committee in its discretion may grant or sell to any eligible person shares of our common stock free of any restrictions under the 2015 Plan at a purchase price determined by the Committee. Shares of unrestricted stock may be granted or sold as described in the preceding sentence in respect of past services or other valid consideration. The right to receive unrestricted stock may not be sold, assigned, transferred, pledged or otherwise encumbered, other than by will or the laws of descent and distribution.

Federal Income Tax Matters

Incentive and Non-Statutory Stock Options

The grantee of a non-statutory option recognizes no income for federal income tax purposes on the grant thereof. On the exercise of such an option, the difference between the exercise price and the fair market value of the shares purchased under the option at the time of such purchase will be recognized by the option holder in the year of exercise as ordinary income, and the fair market value of the shares on the date of exercise will be the tax basis thereof for computing gain or loss on any subsequent sale. The Company may reduce its taxable income by an amount equal to the amount recognized by the option holder as ordinary income upon exercise of a non-statutory option.

Except as provided below with respect to the alternative minimum tax (AMT), there is no tax upon exercise of an incentive stock option. If no disposition of shares acquired upon exercise of an incentive stock option is made by the optionee within two years of the date of grant or within one year after exercise of the option, any gain realized by the optionee on the subsequent sale of such shares is treated for federal income tax purposes as a capital gain. The price paid for the shares purchased upon the exercise of the option will be the tax basis for computing any gain. If the shares are sold prior to the expiration of such periods (a "disqualifying disposition"), the difference between the lesser of the value of the stock at the date of exercise or the date of sale and the exercise price of the stock is treated as compensation taxable to the grantee as ordinary income and the excess gain, if any, is treated as capital gain (which will be long-term capital gain if the shares were held for more than one year).

The amount by which the fair market value of shares exceeds the option price at the time of exercise of an incentive stock option will constitute an item of tax preference for purposes of computing the AMT. Taxpayers who incur the AMT are allowed a credit which may be carried forward indefinitely to be used as a credit against the taxpayer's regular tax liability in a later year; however, the AMT credit cannot reduce the regular tax below the AMT for that carryover year.

The Company does not withhold any tax in connection with the grant or exercise of an incentive stock option and, in the usual circumstances, the Company is not entitled to any tax deduction in connection with the grant or exercise of an incentive stock option. However, if the grantee incurs a disqualifying disposition, the Company will be entitled to a deduction equal to the amount recognized by the grantee as ordinary income.

Restricted and Unrestricted Stock Awards

The grantee of a restricted stock award recognizes no income for federal income tax purposes on the grant thereof or upon the receipt of common stock pursuant to that award, unless, as described below, he otherwise elects. Instead, the grantee will recognize ordinary income, and the Company will be entitled to a corresponding tax deduction, in an amount equal to the fair market value of the common stock acquired pursuant to the restricted stock award on the date that it is no longer subject to a substantial risk of forfeiture less the amount, if any, the grantee paid for such stock. Such fair market value becomes the basis for the underlying shares and will be used in computing any capital gain or loss upon the disposition of such shares. Such capital gain will be long-term capital gain if the grantee held the common stock acquired pursuant to the restricted stock award for more than one year after the date on which the shares are no longer subject to a substantial risk of forfeiture, and short-term capital gain if the recipient held the common stock acquired pursuant to the restricted stock award for one year or less after the date on which the shares are no longer subject to a substantial risk of forfeiture.

Alternatively, the grantee of a restricted stock award may elect, pursuant to Section 83(b) of the Code, within 30 days of the acquisition of common stock pursuant to the restricted stock award, to include in gross income as ordinary income for the year in which the common stock is received, the fair market value of the common stock on the date it is received less the amount, if any, the grantee paid for such stock, determined without regard to any restriction other than a restriction which by its terms will never lapse. The Company will be entitled to a corresponding tax deduction. Such fair market value will become the basis for the shares and will be used in determining any capital gain or loss upon the disposition of such shares. The proceeds of a disposition of common stock acquired pursuant to a restricted stock award will be taxable as capital gain to the extent that the proceeds exceed the grantee's basis in such shares. If an election pursuant to Section 83(b) of the Code has been made, this capital gain will be long-term capital gain if the disposition is more than one year after the date the common stock is received, and short-term capital gain if the disposition is one year or less after the date of receipt. In the event that the common stock acquired pursuant to a restricted stock award is forfeited after the grantee has made an election pursuant to Section 83(b), the grantee will not be entitled to a deduction for taxes paid. Grantees of restricted stock awards who wish to make an election pursuant to Section 83(b) of the Code should consult their own tax advisors.

The grantee of an unrestricted stock award will recognize as ordinary income the difference between the fair market value of the common stock granted pursuant to an unrestricted stock award less the amount, if any, the grantee paid for such stock in the taxable year the grantee receives such common stock. The grantee's basis in any common stock received pursuant to the grant of an unrestricted stock award will be equal to the fair market value of the common stock on the date of receipt of the common stock. Any gain realized by the grantee of an unrestricted stock award upon a subsequent disposition of such common stock will be treated as long-term capital gain if the recipient held the shares for more than one year, and short-term capital gain if the recipient held the shares for one year or less.

Other Information

The 2015 Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974. As of December 1, 2014, no awards had been granted under the 2015 Plan, and there are no plans or arrangements to make such awards. Based on the closing price per share of the Company's common stock as reported on NASDAQ at that date, the total market value of the 300,000 shares issuable under the 2015 Plan was \$2,346,000.

If the 2015 Plan is approved by the stockholders, the Company intends to file a registration statement under the Securities Act of 1933 covering the 300,000 shares thus authorized. The Board has not determined what action it will take in the event that the stockholders do not approve the 2015 Plan.

The Board unanimously recommends that you vote "FOR" the proposal to approve and adopt the 2015 Stock Incentive Plan described in this proxy statement.

Unless marked to the contrary, proxies received will be voted "FOR" approval of the 2015 Stock Incentive Plan.

PROPOSAL THREE:

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables our stockholders to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's

19

rules. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual corporate goals that are intended to enhance stockholder value.

Consideration of 2014 “Say-on-Pay” Vote and Changes We Made in Response

At the February 2014 Annual Meeting, we did not receive a favorable stockholder vote regarding executive compensation. We believe we have addressed many of the concerns about our compensation practices that stockholders expressed then and subsequently. In fiscal 2014, we can point to the following:

• Our operating results improved substantially over fiscal 2013.

• A substantial, but not unbalanced, portion of management’s compensation is linked to performance.

• We made important, “best practices” changes to our governance procedures that affect management compensation.

Substantially Improved Operating Results and Increased Dividend

In fiscal 2014, our operating income improved to \$1,683,000 in fiscal 2014 compared to fiscal 2013, a 140% increase. Our net income improved to \$1,334,000 in fiscal 2014 compared to the prior year, a 262% increase. Fully diluted earnings per share likewise improved by 270%, to \$0.37 per common share. We paid four quarterly dividends and increased the dividend amount from \$0.10 to \$0.11 per share. These are substantial improvements.

We believe these changes demonstrated the hard work and commitment of our management to obtaining good results for our stockholders.

Compensation Appropriately Linked to Performance

In fiscal 2014, Non-Equity Incentive Plan Compensation to our executive was based on revenues and EBIT. Under these metrics, Messrs. Dellovo and Levine achieved 67% of their targeted bonus amounts, which were set as percentages of base salary. Mr. Bent achieved 178% of his target bonus amount. The percentage of the total compensation of our named executive officers that was based on incentives was 17% for Mr. Dellovo, 12% for Mr. Levine, and 22% for Mr. Bent in fiscal 2014. Mr. Dellovo also has a restricted stock grant that only vests based on achievement of our financial metrics over a period of three years.

In other words, our executives achieved very good results for stockholders and were appropriately compensated, but the performance metrics did not produce a disproportionate benefit, nor were they likely to create risk from a compensation standpoint.

Changes in Governance Policies Affecting Compensation

As discussed earlier in this Proxy Statement, the Company’s Board of Directors has approved a clawback policy and stock ownership guidelines for elected officers and non-employee members of the Board of Directors.

Clawback. The clawback policy is designed to ensure that incentive-based compensation is paid to executive officers based on accurate financial statements. In the event that the Company is required to prepare an accounting restatement due to the material noncompliance with accounting rules, the policy applies to incentive-based compensation that is granted to current or former executive officers of the company who received incentive-based compensation during three-year period preceding the date that the Company is required to prepare a restatement. In addition, when final rules are adopted by the SEC regarding any addition clawback requirements under the Dodd-Frank Wall Street Reform and Consumer Protection Act, we intend to review our policy and amend it to comply with the new rules.

Stock Ownership Guidelines. The Company has also instituted stock ownership guidelines for elected officers and non-employee members of the Board of Directors. Such persons will be required to own shares of the Company’s Common Stock with a value equal to at least the following amounts within five years from the date they are elected:

• Chief Executive Officer: 100% of annual base salary

• Chief Financial Officer: 100% of annual base salary

• Vice Presidents or other officers: 75% of annual base salary

• Board of Directors: 300% of annual retainer

The Compensation Committee has also adopted a policy barring so-called “single triggers” in any future change in control agreements. We do not have any agreements with management to pay tax gross-ups.

The Compensation Committee continually reviews the compensation programs for our named executive officers to ensure they achieve the desired goals of aligning our executive compensation structure with our stockholders' interests and current market practices.

20

In light of our financial results and the changes we have made in response to stockholder concerns, we are asking stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers as described pursuant to applicable SEC rules in this proxy statement. Accordingly, we will ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.”

Our Board of Directors and Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our stockholders’ concerns. Just as we have done in fiscal 2014, the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors unanimously recommends that you vote “FOR” the approval of the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

Unless marked to the contrary, proxies received will be voted “FOR” Proposal Three.

INFORMATION ABOUT OUR AUDIT COMMITTEE AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Audit Committee Report

The following report of the Audit Committee should not be deemed to be “soliciting material” or to be “filed” with the SEC, nor should this information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into such a filing.

The Audit Committee believes that a candid, substantive and focused dialogue with the independent auditors is fundamental to the Committee’s oversight responsibilities. In support of this view, our Committee periodically meets separately with the independent auditors, without management present. In the course of its discussion in these meetings, the Committee addresses a number of questions intended to bring to light any area of potential concern related to our financial reporting and internal controls. These questions include:

Whether there were any significant accounting judgments, estimates or adjustments made by management in preparing the financial statements that would have been made differently had the auditors themselves prepared and been responsible for the financial statements.

Whether the auditors have concluded that, based on the auditors’ experience and their knowledge of CSPI, our financial statements fairly present to the investor, with clarity and completeness, our financial position and performance for each reporting period in accordance with generally accepted accounting principles and SEC disclosure requirements.

Whether the auditors have concluded that, based on their experience and knowledge of CSPI, we have implemented internal controls and internal audit procedures that are appropriate for us.

The Audit Committee recommended the engagement of McGladrey, LLP (McGladrey) as our independent auditors for fiscal year 2014 and reviewed with the independent auditors their respective overall audit scope and plans. In reaching its recommendation, the Committee considered the qualifications of McGladrey and discussed with McGladrey their independence, including a review of any and all audit and non-audit services provided by them to us. The Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, and by the Sarbanes-Oxley Act of 2002. The Committee received and discussed with the independent auditors their written report required by the Independence Standards Board Standard No. 1, PCAOB Independence Rules 3526, Communications with Audit Committees Concerning Independence.

Management has reviewed the audited financial statements for fiscal year 2014 with the Audit Committee, including a discussion of the quality and acceptability of the financial reporting, the reasonableness of significant accounting judgments and estimates and the clarity of disclosures in the financial statements. In connection with this review and discussion, the Audit Committee asked a number of follow-up questions of management and the independent auditors to help give the Committee comfort in connection with its review.

In reliance on the review and discussion referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2014 for filing with the SEC, and our Board has accepted this recommendation.

The Audit Committee has selected McGladrey as our principal accountants for fiscal year 2015.

PROPOSAL FOUR:

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT AUDITORS

McGladrey, LLP currently serves as the Company's independent auditors, and that firm conducted the audit of the Company's financial statements for fiscal year 2014. The Audit Committee has appointed McGladrey, LLP to serve as our independent auditors to conduct an audit of the Company's financial statements for fiscal year 2015.

Selection of the Company's independent auditors is not required to be submitted to a vote of the stockholders of the Company for ratification. However, the Board of Directors is submitting this matter to the stockholders as a matter of good corporate practice. If the stockholders fail to vote in favor of the selection, the Audit Committee will reconsider whether to retain McGladrey, LLP and may retain that firm or another without re-submitting the matter to the Company's stockholders. Even if stockholders vote in favor of the appointment, on an advisory basis, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and the stockholders.

Representatives of McGladrey, LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The Board of Directors unanimously recommends that you vote "FOR" ratification of McGladrey, LLP as our independent auditors for fiscal year 2015.

Unless marked to the contrary, proxies received will be voted "FOR" Proposal Four.

PROPOSAL FIVE:

STOCKHOLDER PROPOSAL: "PROXY ACCESS FOR SHAREHOLDERS"

Mr. James McRitchie and Ms. Myra K. Young (the "Proponents"), 9295 Yorkship Court, Elk Grove, CA 95758, the beneficial owners of 1,500 shares of CSP Inc. common stock, intend to present the following proposal for consideration at our Annual Meeting:

WHEREAS, CSP, Inc. (CSPI) has conducted value-destroying acquisitions, leaving our company with two disparate businesses that lack synergies, while enriching management and directors.

According the 1/31/2013 'fight letter' from North & Webster:

The Company has underperformed for 20 years. \$10,000 invested in the Company twenty years ago would be worth \$11,083 while that same \$10,000 invested five years ago would be worth \$7,348. Likewise, \$10,000 invested in the NASDAQ Composite Index over the same time period would be worth \$49,175 and \$11,054 over those same time periods

Three acquisitions cost stockholders approximately \$7 million, yet the Company wrote off over \$5 million . . . the full cost of an acquisition only one year after the purchase!

Between 1/31/2013 and 8/31/2014, the NASDAQ rose 45% while CSPI stock rose only 26%.

Members of the Council of Institutional Investors, whose combined assets exceed \$3 trillion maintained the following policy as of May 9, 2014:

Companies should provide access to management proxy materials for a long-term investor or group of long-term investors owning in aggregate at least three percent of a company's voting stock, to nominate less than a majority of the directors. Eligible investors must have owned the stock for at least two years. Company proxy materials and related mailings should provide equal space and equal treatment of nominations by qualifying investors.

While our Board recently instituted several positive reforms, directors will be fully accountable to shareholders only when shareholders have the power to, not only vote them out, but also to place our own nominees on the proxy.

RESOLVED, Shareholders ask our board, to the fullest extent permitted by law, to amend our governing documents to allow shareholders to make board nominations as follows:

1. The Company proxy statement, form of proxy, and voting instruction forms shall include, listed with the board's nominees, alphabetically by last name, nominees of any party of one or more shareholders that has collectively held, continuously for two years, at least three percent of the Company's securities eligible to vote for the election of directors.

26

2. For any board election, no shareowner may be a member of more than one such nominating party. Board members and officers of the Company may not be members of any such nominating party of shareholders.
3. Parties nominating under these provisions may collectively make nominations numbering up to 34% of the company's board of directors but no single party of shareholders may nominate more than one director.
4. If necessary, preference will be shown to groups holding the greatest number of the Company's shares for at least two years.
5. Nominees may include in the proxy statement a 500 word supporting statement.
6. Each proxy statement or special meeting notice to elect board members shall include instructions for nominating under these provisions, fully explaining all legal requirements for nominators and nominees under federal law, state law and the company's governing documents.

Vote to enhance shareholder value:

Proxy Access for Shareholders -- Proposal 5*

Board of Directors Statement in Opposition

Our Board has carefully considered the Proponents' Proposal including the reiteration of misleading assertions made by an insurgent group in that group's ill-fated proxy contest at the 2013 Annual Meeting. Our Board has concluded that the adoption of this precatory proposal is both unnecessary and adverse to the best interests of our stockholders and unanimously recommends a vote "AGAINST" Proposal Five for the reasons set forth below.

Proxy access would bypass our Governance Committee's process for identifying and recommending director nominees. Our Board of Directors and its Nominating Committee are best qualified to assess the particular experiences, skills and perspectives of potential director nominees and determine whether they will be effective contributors to the Board of this Company. Allowing one or more stockholders to nominate directors for inclusion in our proxy statement would usurp the role of the Nominating Committee and the Board in the most crucial elements of corporate governance, the election of directors.

Our Nominating Committee has developed criteria and a process for identifying and recommending director candidates for election by our stockholders, which are discussed above under "Proposal 1 - Corporate Governance - Director Candidates and Selection Process." In discharging this responsibility, the Nominating Committee has a fiduciary duty to act in good faith for the best interests of the Company and all of our stockholders. This process is designed to identify and nominate director candidates who possess a combination of skills, professional experience and backgrounds necessary to contribute to the optimal effectiveness of our Board. With this process, we believe that our Nominating Committee and Board select directors that best serve the Company and our stockholders.

Our selection process works. Using the existing selection structures the composition of the Board has changed significantly, with four of the five directors joining in the last two years.

Our stockholders can recommend prospective director candidates for the Nominating Committee's consideration. As discussed above under "Proposal 1 - Corporate Governance - Director Candidates and Selection Process," our Nominating Committee considers director nominees proposed by our stockholders. Nominees proposed by stockholders for the Nominating Committee's consideration are evaluated and considered in the same manner as a nominee recommended by a Board member, management, search firm or other source.

Our corporate governance policies ensure that the Board of Directors is held accountable and provide stockholders with access to the Board. The Board is accountable to our stockholders through the protections that are embedded in our governing documents. For example:

- We eliminated a classified board in 2013 and all directors are elected annually;
- There are no supermajority stockholder voting requirements in our Articles of Organization or Bylaws;
- Stockholders are allowed to call a special stockholders' meeting, subject to the conditions set forth in our Bylaws.
- Stockholders may communicate directly with any director, any Board committee or the full Board;
- Stockholders may propose director nominees to the Nominating Committee, as discussed above;
-

Stockholders may submit proposals for presentation at an Annual Meeting and for inclusion in our proxy statement for that annual meeting, subject to certain conditions and the rules and regulations of the Securities and Exchange Commission; and

- Stockholders may submit proposals, including nominations of director candidates, directly at an Annual Meeting, subject to certain conditions as set forth in our Bylaws.

The Board believes that our existing corporate governance policies provide the appropriate balance between ensuring Board accountability to stockholders and enabling the Board to effectively oversee our business and affairs for the long-term benefit of stockholders. As examples of positive Board response to input from stockholders:

27

- The dividend has been increased in amount and frequency (from annual to quarterly); and
- A policy requiring share ownership by directors and officers has been established.

The Board believes that proxy access would decrease the effectiveness of our corporate governance. Allowing a limited group of stockholders to use Company proxy materials for contested director elections will not improve our corporate governance. Rather, proxy access could harm our Company, Board of Directors and stockholders by: Significantly Disrupting Company and Board Operations. We believe proxy access promotes contested director elections. Proxy contests substantially disrupt Company affairs and the effective functioning of our Board of Directors.

Enhancing the Prospect of Special Interest Directors. Proxy access would facilitate the nomination and election of special interest directors who further the particular agendas of the stockholders who nominated them, rather than the interests of all stockholders and our long-term business goals.

Factionalizing the Board of Directors. The election of stockholder-nominated directors may subvert the Board's ability to function collaboratively and effectively by virtue of the presence of special interest directors. A politicized Board of Directors cannot effectively serve the best interests of all our stockholders.

Discouraging Highly Qualified Director Candidates from Serving. The prospect of routinely standing for election in a contested situation would deter highly qualified individuals from Board service.

The proposal's thresholds for nomination are too low and do not encourage Board representation focused on the long-term best interests of all stockholders. The proposal's threshold of 3% ownership for two years is too low. These ownership requirements do not represent a sufficiently substantial, long-term interest in the Company to justify the significant costs and disruption of possible regular proxy contests. In addition, the proposed scheme for direct access is inequitable by establishing special rights for a limited aggregation of stockholders.

For these reasons, we believe that this proposal is unnecessary and not in the best interests of our stockholders. Accordingly, we recommend that you vote against this proposal.

The Board of Directors unanimously recommends that you vote "AGAINST" the proxy access resolution in Proposal Five.

Unless marked to the contrary, proxies received will be voted "AGAINST" Proposal Five.

Other Business

We do not know of any other matter that may properly come before the Annual Meeting.

Stockholder Proposals for 2015 Annual Meeting

In order for a proposal of one of our stockholders to be considered for inclusion in our proxy statement and proxy card for our 2015 Annual Meeting of Stockholders, the proposal must comply with SEC Rule 14a-8 and any other applicable rules and must be submitted to our corporate secretary at our executive offices located at 43 Manning Road, Billerica, Massachusetts 01821 at least 120 days prior to the anniversary date of this proxy statement. This proxy statement is dated January 5, 2015, so the date by which proposals must be received under Rule 14a-8 will be September 7, 2015.

Article II, Section 5 of our by-laws requires that a stockholder who wishes to bring an item of business before the Annual Meeting of stockholders, even if the item cannot be included in our proxy statement because Rule 14a-8 is not available, must provide written notice of such item of business to our corporate secretary at our executive offices not less than 90 days prior to the date of our Annual Meeting of stockholders; provided, however, that if the Annual Meeting (or a special meeting in lieu of the Annual Meeting) is to be held on a date prior to such specified date, and if less than 100 days' notice or prior public disclosure of the date of such annual or special meeting is given or made, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which notice of the date of the scheduled meeting was mailed or the day on which

public disclosure was made of the date of such annual or special meeting. Therefore, the deadline for submission of notice will be November 11, 2015. Our by-laws contain a number of other substantive and procedural requirements, which should be reviewed by any interested stockholder. This description is qualified in its entirety by the text of our by-laws, to which readers are referred for additional information. For information about nominations of director candidates by stockholders, see “Corporate Governance - Director Candidates and Selection Process” elsewhere in this proxy statement.

Brokers, banks and other nominees will be reimbursed for their out-of-pocket expenses and other reasonable clerical expenses incurred in obtaining instructions from beneficial owners of our common stock. In addition to the solicitation by mail, special solicitation of proxies may, in certain circumstances, be made personally or by telephone by directors, officers and certain of our employees, or by American Stock Transfer & Trust Co., our transfer agent. It is expected that the expense of such special solicitation will be nominal. All expenses incurred in connection with this solicitation will be borne by CSP.

SECTION 2. Administration of the 2015 Plan; Committee Authority to Select Participants and Determine Awards.

(a) Committee. The 2015 Plan shall be administered by the Compensation Committee of the Board (the “Committee”) consisting of not less than two (2) persons each of whom qualifies as an Outside Director and a Non-Employee Director, but the authority and validity of any act taken or not taken by the Committee shall not be affected if any person administering the 2015 Plan is not an Outside Director nor a Non-Employee Director. Except as specifically reserved to the Board under the terms of the 2015 Plan, the Committee shall have full and final authority to operate, manage and administer the 2015 Plan on behalf of the Company. Action by the Committee shall require the affirmative vote of a majority of all members thereof.

(b) Powers of Committee. The Committee shall have the power and authority to grant and modify Awards consistent with the terms of the 2015 Plan, including the power and authority:

(i) to select the persons to whom Awards may from time to time be granted;

(ii) to determine the time or times of grant, and the extent, if any, of Incentive Stock Options, Non-Statutory Stock Options, Restricted Stock and Unrestricted Stock, or any combination of the foregoing, granted to any one or more participants;

(iii) to determine the number of shares to be covered by any Award;

(iv) to determine and modify the terms and conditions, including restrictions, not inconsistent with the terms of the 2015 Plan, of any Award, which terms and conditions may differ among individual Awards and participants, and to approve the form of written instruments evidencing the Awards; provided, however, that no such action shall

adversely affect rights under any outstanding Award without the participant's consent;

(v) to accelerate the exercisability or vesting of all or any portion of any Award;

(vi) to extend the period in which any outstanding Stock Option may be exercised; and

(vii) to adopt, alter and repeal such rules, guidelines and practices for administration of the 2015 Plan and for its own acts and proceedings as it shall deem advisable; to interpret the terms and provisions of the 2015 Plan and any Award (including related written instruments); to make all determinations it deems advisable for the administration of the 2015 Plan; to decide all disputes arising in connection with the 2015 Plan; and to otherwise supervise the administration of the 2015 Plan.

All decisions and interpretations of the Committee shall be binding on all persons, including the Company and 2015 Plan participants. No member or former member of the Committee or the Board shall be liable for any action or determination made in good faith with respect to the 2015 Plan.

SECTION 3. Shares Issuable under the 2015 Plan; Mergers; Substitution.

(a) Shares Issuable. The maximum number of shares of Stock with respect to which Awards may be granted under the 2015 Plan shall be 300,000. For purposes of this limitation, the shares of Stock underlying any Awards which are forfeited, cancelled, reacquired by the Company or otherwise terminated (other than by exercise) shall be added back to the shares of Stock with respect to

which Awards may be granted under the 2015 Plan. Shares issued under the 2015 Plan shall be authorized but unissued shares of the Company.

(b) Limitation on Awards. In no event may any 2015 Plan participant be granted Awards with respect to more than 50,000 shares of Stock in any calendar year. The number of shares of Stock relating to an Award granted to a 2015 Plan participant in a calendar year that is subsequently forfeited, cancelled or otherwise terminated shall continue to count toward the foregoing limitation in such calendar year. In addition, if the exercise price of an Award is subsequently reduced, the transaction shall be deemed a cancellation of the original Award and the grant of a new one so that both transactions shall count toward the maximum shares issuable in the calendar year of each respective transaction.

(c) Stock Dividends, Mergers, etc. In the event that after approval of the 2015 Plan by the stockholders of the Company in accordance with Section 15, the Company effects a stock dividend, stock split or similar change in capitalization affecting the Stock, the Committee shall make appropriate adjustments in (i) the number and kind of shares of stock or securities with respect to which Awards may thereafter be granted (including without limitation the limitations set forth in Sections 3(a) and (b) above), (ii) the number and kind of shares remaining subject to outstanding Awards, and (iii) the option or purchase price in respect of such shares. In the event of any merger, consolidation, dissolution or liquidation of the Company, the Committee in its sole discretion may, as to any outstanding Awards, make such substitution or adjustment in the aggregate number of shares reserved for issuance under the 2015 Plan and in the number and purchase price (if any) of shares subject to such Awards as it may determine and as may be permitted by the terms of such transaction, or accelerate, amend or terminate such Awards upon such terms and conditions as it shall provide (which, in the case of the termination of the vested portion of any Award, shall require payment or other consideration which the Committee deems equitable in the circumstances), subject, however, to the provisions of Section 13.

(d) Substitute Awards. The Committee may grant Awards under the 2015 Plan in substitution for stock and stock based awards held by employees of another corporation who concurrently become employees of the Company or an Affiliate as the result of a merger or consolidation of the employing corporation with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the employing corporation. The Committee may direct that the substitute awards be granted on such terms and conditions as the Committee considers appropriate in the circumstances.

SECTION 4. Eligibility.

Awards may be granted to directors, officers and employees of, and consultants and advisers to, the Company or its Affiliates (“Eligible Persons”).

SECTION 5. Stock Options.

The Committee may grant to Eligible Persons options to purchase stock.

Any Stock Option granted under the 2015 Plan shall be in such form as the Committee may from time to time approve.

Stock Options granted under the 2015 Plan may be either Incentive Stock Options (subject to compliance with applicable law) or Non-Statutory Stock Options. Unless otherwise so designated, an Option shall be a Non-Statutory Stock Option. To the extent that any option does not qualify as an Incentive Stock Option, it shall constitute a Non-Statutory Stock Option.

No Incentive Stock Option shall be granted under the 2015 Plan after the tenth anniversary of the date of adoption of the 2015 Plan by the Board.

The Committee in its discretion may determine the effective date of Stock Options, provided, however, that grants of Incentive Stock Options shall be made only to persons who are, on the effective date of the grant, employees of the Company or an Affiliate. Stock Options granted pursuant to this Section 5 shall be subject to the following terms and conditions and the terms and conditions of Section 11 and shall contain such additional terms and conditions, not inconsistent with the terms of the 2015 Plan, as the Committee shall deem desirable.

(a) Exercise Price. The exercise price per share for the Stock covered by a Stock Option granted pursuant to this Section 5(a) shall be determined by the Committee at the time of grant, but shall be not less than one hundred percent (100%) of Fair Market Value on the date of grant. If an employee owns or is deemed to own (by reason of the attribution rules applicable under Section 424(d) of the Code) more than ten percent (10%) of the combined voting power of all classes of stock of the Company or any subsidiary or parent corporation and an Incentive Stock Option is granted to such employee, the option price shall be not less than one hundred ten percent (110%) of Fair Market Value on the grant date.

(b) Option Term. The term of each Stock Option shall be fixed by the Committee, but no Incentive Stock Option shall be exercisable more than ten (10) years after the date the option is granted. If an employee owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than ten percent (10%) of the combined voting power of all classes of stock of

the Company or any subsidiary or parent corporation and an Incentive Stock Option is granted to such employee, the term of such option shall be no more than five (5) years from the date of grant.

(c) **Exercisability; Rights of a Shareholder.** Stock Options shall become vested and exercisable at such time or times, whether or not in installments, as shall be determined by the Committee at or after the grant date. The Committee may at any time accelerate the exercisability of all or any portion of any Stock Option. An optionee shall have the rights of a shareholder only as to shares acquired upon the exercise of a Stock Option and not as to unexercised Stock Options.

(d) **Method of Exercise; Payment.** Stock Options may be exercised in whole or in part, by delivering written notice of exercise to the Company, specifying the number of shares to be purchased. Option agreements may provide for the payment of the exercise price by delivery of cash or a check to the order of the Company in an amount equal to the exercise price of such Options, or, to the extent provided in the applicable Option agreement, by one of the following methods:

(i) By delivery to the Company of shares of Common Stock of the Company having a Fair Market Value equal in amount to the exercise price of the Options being exercised;

(ii) By delivery of a personal recourse note issued by the optionee to the Company in a principal amount equal to such aggregate exercise price and with such other terms, including interest rate and maturity, as the Committee may determine in its discretion; provided, however, that the interest rate borne by such note shall not be less than the lowest applicable federal rate, as defined in Section 1274(d) of the Code;

(iii) If the class of Common Stock is registered under the Exchange Act at such time, subject to rules as may be established by the Committee, by delivery to the Company of a properly executed exercise notice along with irrevocable instructions to a broker to promptly deliver to the Company cash or a check payable and acceptable to the Company for the purchase price; provided, further, that in the event the optionee chooses to pay the purchase price as so provided, the optionee and the broker shall comply with such procedures and enter into such agreements of indemnity and other agreements as the Committee shall prescribe as a condition of such payment procedure. The Company need not act upon such exercise notice until the Company receives full payment of the exercise price;

(iv) By reducing the number of Option shares otherwise issuable to the optionee upon exercise of the Option by a number of shares of Common Stock having a Fair Market Value equal to such aggregate exercise price; or

(v) By any combination of such methods of payment.

The delivery of certificates representing shares of Stock to be purchased pursuant to the exercise of a Stock Option will be contingent upon receipt from the optionee (or a purchaser acting in his stead in accordance with the provisions of the Stock Option) by the Company of the full purchase price for such shares and the fulfillment of any other requirements contained in the Stock Option or imposed by applicable law.

(e) **Non-transferability of Options.** Except as the Committee may provide with respect to a Non-Statutory Stock Option, no Stock Option shall be transferable other than by will or by the laws of descent and distribution and all Stock Options shall be exercisable, during the optionee's lifetime, only by the optionee.

(f) **Annual Limit on Incentive Stock Options.** To the extent required for "incentive stock option" treatment under Section 422 of the Code, the aggregate Fair Market Value (determined as of the time of grant) of the Stock with respect to which Incentive Stock Options granted under the 2015 Plan and any other plan of the Company or its Affiliates become exercisable for the first time by an optionee during any calendar year shall not exceed \$100,000.

(g) Lockup Agreement. The Committee may in its discretion specify upon granting an Option that the optionee shall agree for a period of time (not to exceed 180 days) from the effective date of any registration of securities of the Company (upon request of the Company or the underwriters managing any underwritten offering of the Company's securities), not to sell, make any short sale of, loan, grant any option for the purpose of, or otherwise dispose of any shares issued pursuant to the exercise of such Option, without the prior written consent of the Company or such underwriters, as the case may be.

SECTION 6. Restricted Stock Awards.

(a) Nature of Restricted Stock Award. The Committee in its discretion may grant Restricted Stock Awards to any Eligible Person, entitling the recipient to acquire, for a purchase price determined by the Committee, shares of Stock subject to such restrictions and conditions as the Committee may determine at the time of grant ("Restricted Stock"), including continued employment and/or achievement of pre-established performance goals and objectives.

(b) Acceptance of Award. A participant who is granted a Restricted Stock Award shall have no rights with respect to such Award unless the participant shall have accepted the Award within sixty (60) days (or such shorter date as the Committee may specify)

following the award date by making payment to the Company of the specified purchase price, of the shares covered by the Award and by executing and delivering to the Company a written instrument that sets forth the terms and conditions applicable to the Restricted Stock in such form as the Committee shall determine.

(c) Rights as a Shareholder. Upon complying with Section 6(b) above, a participant shall have all the rights of a shareholder with respect to the Restricted Stock, including voting and dividend rights, subject to non-transferability restrictions and Company repurchase or forfeiture rights described in this Section 6 and subject to such other conditions contained in the written instrument evidencing the Restricted Award. Unless the Committee shall otherwise determine, certificates evidencing shares of Restricted Stock shall remain in the possession of the Company until such shares are vested as provided in Section 6(e) below.

(d) Restrictions. Shares of Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of except as specifically provided herein. In the event of termination of employment by the Company and its Affiliates for any reason (including death, Disability, Normal Retirement and for Cause), the Company shall have the right, at the discretion of the Committee, to repurchase shares of Restricted Stock which have not then vested at their purchase price, or to require forfeiture of such shares to the Company if acquired at no cost, from the participant or the participant's legal representative. The Company must exercise such right of repurchase or forfeiture within ninety (90) days following such termination of employment (unless otherwise specified in the written instrument evidencing the Restricted Stock Award).

(e) Vesting of Restricted Stock. The Committee at the time of grant shall specify the date or dates and/or the attainment of pre-established performance goals, objectives and other conditions on which the non-transferability of the Restricted Stock and the Company's right of repurchase or forfeiture shall lapse. Subsequent to such date or dates and/or the attainment of such pre-established performance goals, objectives and other conditions, the shares on which all restrictions have lapsed shall no longer be Restricted Stock and shall be deemed "vested." The Committee at any time may accelerate such date or dates and otherwise waive or, subject to Section 11, amend any conditions of the Award.

(f) Waiver, Deferral and Reinvestment of Dividends. The written instrument evidencing the Restricted Stock Award may require or permit the immediate payment, waiver, deferral or investment of dividends paid on the Restricted Stock.

SECTION 7. Unrestricted Stock Awards.

(a) Grant or Sale of Unrestricted Stock. The Committee in its discretion may grant or sell to any Eligible Person shares of Stock free of any restrictions under the 2015 Plan ("Unrestricted Stock") at a purchase price determined by the Committee. Shares of Unrestricted Stock may be granted or sold as described in the preceding sentence in respect of past services or other valid consideration.

(b) Restrictions on Transfers. The right to receive unrestricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered, other than by will or the laws of descent and distribution.

SECTION 8. Termination of Stock Options.

(a) Incentive Stock Options:

(i) Termination by Death. If any participant's employment by the Company and its Affiliates terminates by reason of death, any Incentive Stock Option owned by such participant may thereafter be exercised to the extent exercisable at the date of death, by the legal representative or legatee of the participant, for a period of one (1) year (or such longer

period as the Committee shall specify at any time) from the date of death, or until the expiration of the stated term of the Incentive Stock Option, if earlier.

(ii) Termination by Reason of Disability or Normal Retirement.

(A) Any Incentive Stock Option held by a participant whose employment by the Company and its Affiliates has terminated by reason of Disability may thereafter be exercised, to the extent it was exercisable at the time of such termination, for a period of one (1) year (or such longer period as the Committee shall specify at any time) from the date of such termination of employment, or until the expiration of the stated term of the Option, if earlier.

(B) Any Incentive Stock Option held by a participant whose employment by the Company and its Affiliates has terminated by reason of Normal Retirement may thereafter be exercised, to the extent it was exercisable at the time of such termination, for a period of ninety (90) days (or such longer period as the Committee shall specify at any time) from the date of such termination of employment, or until the expiration of the stated term of the Option, if earlier.

(C) The Committee shall have sole authority and discretion to determine whether a participant's employment has been terminated by reason of Disability or Normal Retirement.

(iii) Termination for Cause. If any participant's employment by the Company and its Affiliates has been terminated for Cause, any Incentive Stock Option held by such participant shall immediately terminate and be of no further force and effect; provided, however, that the Committee may, in its sole discretion, provide that such Option can be exercised for a period of up to thirty (30) days from the date of termination of employment or until the expiration of the stated term of the Option, if earlier.

(iv) Other Termination. Unless otherwise determined by the Committee, if a participant's employment by the Company and its Affiliates terminates for any reason other than death, Disability, Normal Retirement or for Cause, any Incentive Stock Option held by such participant may thereafter be exercised, to the extent it was exercisable on the date of termination of employment, for ninety (90) days (or such other period as the Committee shall specify) from the date of termination of employment or until the expiration of the stated term of the Option, if earlier.

(b) Non-Statutory Stock Options. Any Non-Statutory Stock Option granted under the 2015 Plan shall contain such terms and conditions with respect to its termination as the Committee, in its discretion, may from time to time determine.

SECTION 9. Tax Withholding.

(a) Payment by Participant. Each participant shall, no later than the date as of which the value of an Award or of any Stock or other amounts received thereunder first becomes includable in the gross income of the participant for Federal income tax purposes, pay to the Company, or make arrangements satisfactory to the Committee regarding payment of any Federal, state, local and/or payroll taxes of any kind required by law to be withheld with respect to such income. The Company and its Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the participant.

(b) Payment in Shares. A Participant may elect, with the consent of the Committee, to have such tax withholding obligation satisfied, in whole or in part, by (i) authorizing the Company to withhold from shares of Stock to be issued pursuant to an Award a number of shares with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the minimum withholding amount due with respect to such Award, or (ii) transferring to the Company a sufficient number of shares of Stock with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the minimum withholding amount due.

(c) Notice of Disqualifying Disposition. Each holder of an Incentive Option shall agree to notify the Company in writing immediately after making a disqualifying disposition (as defined in Section 421(b) of the Code) of any Common Stock purchased upon exercise of an Incentive Stock Option.

SECTION 10. Transfer and Leave of Absence.

For purposes of the 2015 Plan, the following events shall not be deemed a termination of employment:

(a) a transfer to the employment of the Company from an Affiliate or from the Company to an Affiliate, or from one Affiliate to another;

(b) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the employee's right to re-employment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Committee otherwise so provides in writing.

SECTION 11. Amendments and Termination.

The Board may at any time amend or discontinue the 2015 Plan and the Committee may at any time amend or cancel any outstanding Award (or provide substitute Awards at the same or reduced exercise or purchase price or with no exercise or purchase price, but such price, if any, must satisfy the requirements which would apply to the substitute or amended Award if it were then initially granted under the 2015 Plan) for the purpose of satisfying changes in law or for any other lawful purpose, but no such action shall adversely affect rights under any outstanding Award without the holder's consent. In addition, unless approved by the stockholders of the Company, no amendment to the 2015 Plan will be effective if it would cause the 2015 Plan to fail to satisfy the requirements of the Code for incentive stock options.

The 2015 Plan shall terminate as of the tenth anniversary of its effective date. The Board may terminate the 2015 Plan at any earlier time for any reason. No Award may be granted after the 2015 Plan has been terminated. No Award granted while the 2015 Plan is in effect shall be altered or impaired by termination of the 2015 Plan, except upon the consent of the holder of such Award. The power of the Committee to construe and interpret the 2015 Plan and the Awards granted prior to the termination of the 2015 Plan shall continue after such termination.

SECTION 12. Status of 2015 Plan.

With respect to the portion of any Award which has not been exercised and any payments in cash, Stock or other consideration not received by a participant, a participant shall have no rights greater than those of a general creditor of the Company unless the Committee shall otherwise expressly determine in connection with any Award or Awards. In its sole discretion, the Committee may

authorize the creation of trusts or other arrangements to meet the Company's obligations to deliver Stock or make payments with respect to Awards hereunder, provided that the existence of such trusts or other arrangements is consistent with the provision of the foregoing sentence.

SECTION 13. Change of Control Provisions.

(a) Upon the occurrence of a Change of Control as defined in this Section 13:

(i) subject to the provisions of clause (iii) below, after the effective date of such Change of Control, each holder of an outstanding Stock Option or Restricted Stock Award shall be entitled, upon exercise of such Award, to receive, in lieu of shares of Stock, shares of such stock or other securities, cash or property (or consideration based upon shares of such stock or other securities, cash or property) as the holders of shares of Stock received in connection with the Change of Control;

(ii) the Committee may accelerate the time for exercise of, and waive all conditions and restrictions on, each unexercised and unexpired Stock Option and Restricted Stock Award, effective upon a date prior or subsequent to the effective date of such Change of Control, as specified by the Committee; or

(iii) each outstanding Stock Option and Restricted Stock Award may be cancelled by the Committee as of the effective date of any such Change of Control provided that (x) notice of such cancellation shall be given to each holder of such an Award and (y) each holder of such an Award shall have the right to exercise such Award to the extent that the same is then exercisable or, in full, if the Committee shall have accelerated the time for exercise of all such unexercised and unexpired Awards, during the thirty (30) day period preceding the effective date of such Change of Control.

(b) "Change of Control" shall mean the occurrence of any one of the following events:

(i) any "person" (as such term is used in Sections 13(d) and 14(d)(2) of the Act) becomes, after the Effective Date of the 2015 Plan, a "beneficial owner" (as such term is defined in Rule 13d-3 promulgated under the Act) (other than the Company, any trustee or other fiduciary holding securities under an employee benefit plan of the Company, or any corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the combined voting power of the Company's then outstanding securities; or

(ii) the stockholders of the Company approve a merger or consolidation of the Company with any other corporation or other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; or

(iii) the stockholders of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets.

SECTION 14. General Provisions.

(a) No Distribution; Compliance with Legal Requirements. The Committee may require each person acquiring shares pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the shares without a view to distribution thereof.

No shares of Stock shall be issued pursuant to an Award until all applicable securities laws and other legal and stock exchange requirements have been satisfied. The Committee may require the placing of such stop orders and restrictive legends on certificates for Stock and Awards as it deems appropriate.

(b) Delivery of Stock Certificates. Delivery of stock certificates to participants under the 2015 Plan shall be deemed effected for all purposes when the Company or a stock transfer agent of the Company shall have delivered such certificates in the United States mail, addressed to the participant, at the participant's last known address on file with the Company.

(c) Other Compensation Arrangements; No Employment Rights. Nothing contained in the 2015 Plan shall prevent the Board from adopting other or additional compensation arrangements, including trusts, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases. The adoption of the 2015 Plan or any Award under the 2015 Plan does not confer upon any employee any right to continued employment with the Company or any Affiliate.

SECTION 15. Effective Date of 2015 Plan.

The 2015 Plan was effective upon its adoption by the Company's Board of Directors on November 18, 2014. The 2015 Plan shall be submitted to the shareholders of the Company for approval within twelve months following the adoption of the 2015 Plan by the Board. If such shareholder approval is not obtained within twelve months after the Board's adoption of the 2015 Plan, no Options previously granted under the 2015 Plan shall be deemed to be Incentive Stock Options and no Incentive Stock Options shall be granted thereafter.

SECTION 16. Governing Law.

The 2015 Plan shall be governed by, and construed and enforced in accordance with, the substantive laws of The Commonwealth of Massachusetts without regard to its principles of conflicts of laws.
