Pursuant to rule 13f-1(c), promulgated under the Securities Exchange Act of 1934, Form 13F filers may rely on the current Official List of 13(f) Securities (the "13F List"), published by the Securities and Exchange Commission, in determining whether they need to report any particular holding. Orchid BioSciences, Inc. implemented a 1-for-5 reverse stock split on the last trading day of first quarter 2004, resulting in a change to its CUSIP number on that day. The 13F List does not reflect this new CUSIP number. As such, General Electric Company is reporting its holdings in Orchid BioSciences, Inc. securities using the pre-reverse split CUSIP and the number of shares and closing price as of March 30, 2004.
