Item 1.01 Entry into a Material Definitive Agreement.

On June 27, 2008, Adaptec, Inc. ("the Company") entered into an Asset Purchase Agreement with Overland Storage Inc. ("Overland") pursuant to which the Company sold the Snap Server portion of its Storage Solutions Group ("Snap Server NAS business") to Overland for approximately \$3.6 million, of which \$2.1 million was received upon closing and the remaining \$1.4 million will be received in twelve months. Overland purchased all inventory and fixed assets related to the Company's Snap Server NAS business and assumed service and support liabilities. The Asset Purchase Agreement is filed as Exhibit 2.01 to this Current Report on Form 8-K and incorporated herein by reference.

The information set forth under Item 2.01 of this report is hereby incorporated into Item 1.01 by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On June 27, 2008, the Company completed the sale of the Snap Server NAS business, which was the majority of its Storage Solutions Group segment, to Overland for approximately \$3.6 million, of which \$2.1 million was received upon closing and the remaining \$1.4 million will be received in twelve months. Overland purchased all inventory and fixed assets related to the Company's Snap Server NAS business and assumed service and support liabilities. Under the terms of the agreement, Overland granted the Company a nonexclusive license to certain intellectual property related to the Snap Server NAS business. Expenses incurred in the transaction primarily include approximately \$0.5 million for commissions and legal and accounting fees. As the sale of the Company's Snap Server NAS business represents a majority of its Storage Solutions Group segment and the Company will not continue this business after the sale, the Company will present this business as discontinued operations for all prior periods. These reclassifications will have no impact on net income (loss), total assets and total liabilities and stockholders' equity.

A press release regarding this transaction is included as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits

(b) Pro forma financial information

The unaudited pro forma consolidated financial information of the Company is based on and should be read in conjunction with the Company's Annual Report on Form 10-K/A for the year ended March 31, 2008. The accompanying unaudited pro forma consolidated statements of operations for the years ended March 31, 2008, 2007 and 2006 are presented as if the sale of the Company's Snap Server NAS business discussed in Item 2.01 had been completed on April 1, 2005. The accompanying unaudited pro forma consolidated balance sheet is presented as if the disposition had been completed on March 31, 2008.

The accompanying unaudited pro forma consolidated financial statements include all material adjustments necessary to reflect, on a pro forma basis, the impact of such disposition on the historical financial information of the Company. The adjustments, which include the results of operations and assets and liabilities of the Company's Snap Server NAS business, are described in the notes to the unaudited pro forma consolidated financial statements and are set forth in the "Pro Forma Adjustments" column. The accompanying unaudited pro forma consolidated financial statements are not necessarily indicative of the financial condition or results of operations that would have been reported had the sale occurred on the dates specified, nor are they indicative of the Company's future financial condition or results of operations. The pro forma adjustments are based upon information and assumptions available at the time of the filing of this Form 8-K.

Notes to Unaudited Pro Forma Consolidated Financial Statements

On June 27, 2008, the Company completed the sale of the Snap Server NAS business, which was the majority of its Storage Solutions Group segment, to Overland for approximately \$3.6 million, of which \$2.1 million was received upon closing and the remaining \$1.4 million will be received in twelve months. Overland purchased all inventory and fixed assets related to the Company's Snap Server NAS business and assumed service and support liabilities. Under the terms of the agreement, Overland granted the Company a nonexclusive license to certain intellectual property related to the Snap Server NAS business. Expenses incurred in the transaction primarily include approximately \$0.5 million for commissions and legal and accounting fees. The Company expects to recognize a net gain on the sale of the Snap Server NAS business of approximately \$5.8 million in the quarter-ended June 30, 2008, which differs from the amount of \$5.5 million reflected on March 31, 2008 Unaudited Pro Forma Consolidated Balance Sheet primarily due to the usage of inventory offset by the amortization of deferred revenue in the first quarter of fiscal 2009.

The following pro forma adjustments to the unaudited consolidated statements of operations and consolidated balance sheet have been prepared to reflect the following:

(A) The pro forma consolidated balance sheet reflects the effects of the sale of the Company's Snap Server NAS business as if it had been consummated on March 31, 2008, which includes pro forma adjustments for the transfer of all related assets, liabilities, transaction costs and related gain on disposition.

(B) This pro forma adjustment reflects the portion of the proceeds received on June 27, 2008 related to the sale of the Company's Snap Server NAS business.

(C) This pro forma adjustment reflects the portion of the proceeds related to the sale of the Company's Snap Server NAS business to be received in twelve months subsequent to June 27, 2008.

(D) The pro forma consolidated statements of operations for fiscal years ended March 31, 2008, 2007 and 2006, assume the sale of the Company's Snap Server NAS business had been consummated on April 1, 2005. The pro forma adjustments eliminate the net revenues and expenses which the Company believes (i) are directly attributable to its Snap Server NAS business and (ii) will not continue after the completion of the sale of the Snap Server NAS business.

(E) No pro forma adjustment related to restructuring charges is reflected in the pro forma consolidated statements of operations for fiscal years ended March 31, 2008, 2007 and 2006, as it was managed at the corporate level and to calculate such an amount would be impractical to do so.
